OFFICIAL PROCEEDINGS OF CITY COMMISSION.

Regular meeting at City Hall, November 29, 1920, 7:30 p.m.

Present - Mayor Clark, Commissioners Sherman, Pearce, Sink and Werner.

Fees reported by city clerk, \$5.75.

The mayor called attention to the public services in connection with city affairs, rendered by the late James Russell, and submitted the following preamble and resolution.

"WHEREAS, in the death of the late James Russell on November 16, 1920, there passed from our midst one whose life career was closely interwoven with the history of our city for nearly forty years."

"RESOLVED, that there be spread on the minutes of this commission the following words of appreciation:

"In the death of the Honorable James Russell, our city has sustained a great loss. He had a great fondness for Marquette, in which he had spent so great a part of a busy life. For many years he took an active part in our city affairs and in these various capacities he rendered the city services of inestimable value."

"At the time of the creation of the board of water power and electric light commission in 1889, he was chosen a member of this important board and continued to be a most valuable member thereof through the years 1889 to 1892, when the work of the board became a part of the functions of the city council."

"Appointed to membership on the board of fire and water commissioners of our city in 1885 he served in this capacity for about eight years."

"When the light and power commission was created in 1897 by act of the legislature, he was chosen a member of the commission and served thereon continuously, with the exception of one year, from April, 1897 to April, 1909. In 1901 he was mayor of Marquette."

"Marquette has derived great benefit from his sound business judgment and unfailing interest in the city's welfare. He took a keen interest in the city light and power plant, was an ardent advocate for its being undertaken as a municipal enterprise, and co-operated most zealously with his colleagues in promoting its splendid development. He won a lasting place in the gratitude of

OFFICIAL PROCEEDINGS OF CITY COMMISSION.

Regular meeting at City Hall, March 14, 1921, 7:30 p.m.

Present - Mayor Clark, Commissioners Pearce, Werner and Webb.

Fees reported collected by the city clerk, \$48.85.

Report on the Sanitary Quality of the Marquette City Water Supply by Harry B. Hommon, was presented and filed.

The Mayor announced the suspension of the Beverage Shop License of Charles Murphy and presented the following reasons therefor:

Pursuant to Section 4 of an ordinance of the City of Marquette, relative to the powers and duties of Mayor and heads of departments, adopted April 6, 1914, and for satisfactory reasons, I suspended on March 13, 1921, the operation and effect of the city license issued to Charles Murphy to keep a Beverage Shop at #1825 Presque Isle Ave., in this city and I did also on the 14th day of March 1921, suspend the operation and effect of the city license issued to Charles Murphy to keep a Pool Room at the same address.

I hereby report that the reasons for my suspension of these licenses are as follows:

1 - That, on to-wit, the 13th day of March, 1921, men were allowed to remain in said place of business in an intoxicated condition.

2 - That an affidavit setting forth such facts was sworn to before Municipal Judge, C.F.Button, of the City of Marquette, by one Wesley Johnson.

3 - That Chief of Police, Martin Ford, and other police officers found two men upon said premises in an intoxicated condition, when acting on a search warrant issued by the Municipal Court on March 13, 1921.

4 - That the two men found by the police officers on said premises in an intoxicated condition, when brought before Municipal Judge Button, plead guilty to the charge of drunkenness and paid a fine; that, said two men testified that they were sober when they entered said premises and that they drank on said premises and became intoxicated there.

Dated March 14, 1921.

Mr. Murphy being present a hearing of the matter was entered upon, at the conclusion of which it was moved by Commissioner Pearce, supported by Commissioner Werner and adopted, that the action of the mayor in suspending such licenses of Charles Murphy was approved, and said
