

At a special meeting of the Common Council of the city of Marquette, held at the common Council rooms, on Monday, July 21st, 1873.

Present

His Honor, Samuel P. Ely, Mayor.

Aldermen James Atfield, Thomas E. Cook, Balthasar Heidhart, Amos R. Harlow, Edward Fraser, Daniel Brittell and Joseph H. Birmeau, Recorder.

The meeting was called to order by the Mayor.

The roll was called, and the reading of the preceding meetings was dispensed with.

The committee to whom was referred the matter of building a sewer on Spring Street reported the following ordinance, ^{which was adopted} as follows.

An ordinance relative to the building of a sewer through Spring Street to and into Lake Superior.

It is hereby ordained that a Sewer be built through Spring Street from a point on or near the East line of Third Street, across Front Street and through the lot opposite Spring Street, across Lake Street and the Shore of the Lake, to empty through a suitable and adequate timber culvert into the Lake through the bulkhead now built in front of said lot.

The said Sewer shall be built of brick in a secure and durable manner, of not less than 17 feet in depth at the corner of Front Street and Spring Street, and Five feet diameter.

Proposals with plans in detail for the said work shall be advertised for by the Street Committee for two weeks, and the same shall be let in their discretion.

The City Assessor is hereby authorized and directed to make and present to the Common Council for their approval a special assessment Roll for the payment of such portion of the cost of said work as the Council shall direct in accordance with the provisions of the Charter and the Ordinances of said City.

The committee to whom was referred the matter of building a Sewer on Washington Street reported the following Ordinance which was adopted as follows:

An ordinance relative to the building of a Sewer, from a point on Third Street, down Washington Street and across Lake Street and the lot intervening between Lake Street and the Shore of the Lake.

It is hereby ordained by the council of the city of Marquette, that a sewer be built from a point on Third Street, down Washington Street and across Lake Street and the lot intervening between Lake Street and the Shore of the Lake to empty through a suitable and adequate timber culvert into the Lake to the bulkhead now built in front of said lot.

Said Sewer shall be built of brick in a secure and durable manner, of not less than 14 feet in depth at the corner of Front and Washington Streets, of the size of four feet eight inches by three feet, 6 inches diameter.

Proposals with plans in detail for the said work shall be advertised for by the Street Committee for two weeks, and the same shall be let in their discretion.

The City assessor is hereby authorized and directed to make and present to the Common Council for their approval a special assessments roll for the payment of such portion of the cost of said work as the council shall direct in accordance with the provisions of the Charter and the ordinances of said City.

Dated Marquette

On motion of Alderman Harlow, seconded by Alderman Cook, an amendment to an ordinance relative to auctioneers was adopted as follows:

It is ordained by the Common Council of the city of Marquette that, "An ordinance relative to auctioneers be amended, by changing section three (3) of said ordinance so as to read, "Any resident of the city applying for a license shall before the issuing thereof pay to the City Treasurer the sum of ten dollars, and execute a bond to the City in the sum of five hundred dollars, with two sufficient sureties to be approved by the Recorder, condition for a faithful observance of the Charter and ordinances of the city. Such license shall not extend beyond the first day of May in any year, and each renewal thereof shall be deemed a new license:

Provided that any resident auctioneer shall not directly or indirectly sell or expose for sale any article or thing whatsoever brought from abroad within the preceding three months under his said license as a resident auctioneer without paying to the City Treasurer the further sum of ten dollars per day for each and every day he may so sell, as is hereinafter provided for non resident auctioneers.

Any now residents applying for a license, shall, before the issuing thereof pay to the City Treasurer the sum of ten dollars for each and every day he proposes to sell, and execute a bond similar to that hereinbefore prescribed for residents, and no license shall be issued for any fractional part of a day.

On motion of Alderman Cook, seconded by Alderman Fraser, it was voted and adopted, that Section (5) Five of an ordinance relative to auctioneers should be struck out.

The resolution of Alderman Fraser, seconded by Alderman Cook, that James F. Whiting be discharged from his office, as member of the Night Police Force was voted, lost and laid upon the table until the next regular meeting of the Council.

The verbal report of Charles M. W. Earle, one of the Members of the Board of Health, in regard to the lot owned by Hiram A. Burt, on the South Side of Spring Street, was received and accepted, and on motion of Alderman Fraser, seconded by Alderman Harlow, the Board of Health was recommended to give a further notice of 24 hours to said Hiram A. Burt to build a sewer to connect with that on Superior Street, to carry off the water from the locality referred in the report of C. M. W. Earle.

Thereupon the Board adjourned until July 28th. 1873 at 8 o'clock P.M.

Adopted July 28th 1873.

Joseph Primeaux S. Ely Mayor
Recorder of the City of Marquette.

At a regular meeting of the Common Council of the City of Marquette, held at the Common Council Rooms on Monday evening July 28th. 1873.

Present,

His Honor Samuel P. Ely Mayor

Aldermen Thomas E. Cook, James Affield, Palthasar Steidhart, ^{Mayor} Harlow, Daniel Brittelb, Edward Fraser and Joseph H. Primeau, Recorder.

The meeting was called to order by the Mayor.

The roll was called and the minutes of the preceding meetings were read and approved.

The petition of S. H. Brownson and others living in Block No one (1), on Ridge Street, asking permission to change location from that of the present side walks to a line parallel and within (2) two feet of the several fences, so as to allow space for a grass plat and shade trees outside of the walk was presented and on motion of Alderman Brittelb, 2nd by Alderman Cook, the permission was granted.

A plan for a bridge on Champion Street, across Rhettstone Brook, in place of a culvert, was presented and on motion of Alderman Cook, seconded by Alderman Steidhart, said plan was adopted and placed on file.

The Street Committee presented the following ordinance to amend an ordinance entitled: "An ordinance for opening, establishing, grading, macadamizing, and for constructing a side walk on one side of Champion Street."

Champion
St.
Ordinance

It is ordained by the Common Council of the city of Marquette that an ordinance entitled "An ordinance for opening, establishing, grading, macadamizing and for constructing a side walk on one side of Champion Street" adopted June sixth 1873, be and the same hereby is amended so as to read as follows:

Champion
St
Ordinance
continued

It is ordained by the Common Council of the city of Marquette that Champion Street, from Fisher Street to Genesee Street be graded, macadamized, and a side walk be built on one side of said Champion Street the entire length thereof according to a profile of said street on file in the office of the Recorder of the City of Marquette which said profile or plan has been duly accepted and adopted by the Common Council of said city. That the same be graded to the width of forty two feet including gutters. Provided: That across Whetstone Brook a suitable truss bridge shall be erected according to the plans and specifications on file in the office of the Recorder of the City of Marquette; which said plans and specifications have been duly accepted and adopted by the common council of said city. X Provided further: That where any of the grade is made by filling on the line of said street, that said street be graded to the width of (42) forty two feet only, and that Champion Street be macadamized through the center thereof to the width of thirty feet including gutters, excepting as to such portions across said brook occupied by said bridge and said filling, and as to said portions of filling that the same be macadamized to the width of thirty feet, that a side walk not less than six feet in width be laid on one side of the grade of said street the entire length thereof, except as to that portion of said street occupied by said bridge and that proposals for doing said work be advertised for and that the city assessor be authorized to make and present to the said Council a special assessment roll for its approval, and that the work be let and the expense thereof assessed on the property upon said roll when approved by said Council in accordance with the provisions of the Charter of said city and the ordinance relative to grading, paving and improvement of streets, alleys and public places.

Champion
St.
Bridge

Doyle
Bros.

On motion of Alderman Harlow, seconded by Alderman
Scheidt, it was resolved that the approximate Es-
timate of work done by Doyle Bros on Champion
Street, being two thousand cubic yards on South side
of Ravine and eight hundred cubic yards on the North
side, should be paid at the rate of twenty two cents
per cubic yard according to contract, with a deduc-
tion of 10% forming a total of Five hundred and
fifty four, dollars and forty cents.

On motion it was resolved, that the committee
on Police, Claims, and Grievances be requested to
fix the salary of the Recorder, and of the city attorney
and to report the same at the next regular meeting
of the council

Whereupon the Board adjourned until August
30th. 1873. at 8 o'clock P.M.

Adopted, August 25th 1873.

Joseph H. Shimeau
Recorder

S. P. Kelly

Mayor

At a regular meeting of the common council of the city of Marquette, held at the common council Room, on Monday evening, August 25th, 1873.

Present,

His Honor,

Samuel P. Ely, Mayor.

Joseph H. Primeau, Recorder of the city of Marquette,
Alderman Cook, Atfield, Steinhart, Britell, Karlson
and Fraser.

The meeting was called to order by the Mayor.

The roll was called and the reading of the minutes of the preceding meeting were read and approved.

Pine
Street

The petition of Jno. P. Taylor and others, property holders and residing on Pine Street, praying the council that said street be graded and macadamized from Ridge Street to Michigan Street, and that a side walk be built on the east side of said street was presented and referred to the committee on streets who immediately presented a profile of said street from Ridge Street to Michigan Street; and said profile having been accepted, ~~and~~ approved and placed on file in the office of the Recorder of the city of Marquette, the council proceeded to instruct the city attorney to draw up an ordinance ~~an ordinance~~ to that effect, and in compliance with said instruction the city attorney presented the following ordinance which was adopted as follows:

An ordinance relative to the grading and macadamizing of Pine Street from Ridge Street to Michigan Street, and for building a side walk on the east side of said Pine Street.

Ordinance
relative to
Pine Street

It is ordained by the common council of the city of Marquette, that Pine Street from Ridge Street to Michigan Street be graded ~~macadamized~~ and a side walk be built on the east side of said Pine Street, from Michigan Street to Ridge Street. Said Street to be graded the entire width of fifty feet, and that said street so graded be macadamized through the center thereof to the width of thirty feet including gutters, that a side walk of two inches

plank not less than six feet in width, be laid on the east side of said street the entire length thereof, and that proposals for doing said work be advertised for, and that the city assessor, be authorized to make and present to the common Council a special assessment roll for its approval, and that the work be let and the expense thereof assessed on the property upon said roll when approved by said Council in accordance with the provisions of the Charter of said city and the ordinance relative to grading, paving and improvement of streets, alleys and public places.

Profile of
Ridge Street

The street committee further presented and amended profile of Ridge Street, from Fourth Street west, and said profile having been accepted approved and placed on file in the office of the Recorder, of the city of Marquette, the council proceeded on recommendation of said committee to instruct the city attorney to draw up an ordinance to that effect, and in compliance with said instruction the city attorney presented the following ordinance which was adopted as follows:

Ordinance
relating
to Ridge St.

An ordinance to amend an ordinance entitled: "An ordinance relative to the grading and macadamizing of Ridge Street from the east line of Fourth Street to a point three hundred fifty feet west of the west line of said Fourth Street, adopted June 16th, 1873.

It is ordained that the above entitled ordinance be & the same hereby is amended so as to read as follows:

It is hereby ordained by the common council of the city of Marquette that Ridge Street from the east line of Fourth Street to a point three hundred and fifty feet west of the west line of said ^{Fourth} Street be graded through the center thereof to the width of fifty eight feet and that the portion of said street so graded be macadamized through the center thereof to the width of thirty feet including gutters according to an amended profile of said street on file in the office of the Recorder of the city of Marquette

which said profile has been duly accepted and adopted by the common council of said city, and that proposals for doing said work be advertised for, and that the city assessor be authorized to make and present to said council a special assessment roll for its approval, and that the work be let and the expense thereof be assessed on the property upon said roll when approved and confirmed by said council according to the provisions of the charter of said city and the ordinance relative to grading, paving and improvement of streets, alleys and public places

Carp River
Bridge

The Street Committee further presented a profile of Lake Street, from the Carp River Bridge to a point one hundred rods northerly towards the city of Marquette; and said profile having been approved, accepted and placed on file in the office of the Recorder of the said city, the council proceeded on recommendation of said committee to instruct the city attorney to draw up an ordinance to that effect, and in compliance with said instruction the city attorney presented the following ordinance which was adopted as follows:

Ord.
Lake St.

An ordinance relative to the grading of Lake Street, from the Carp River Bridge to a point one hundred rods towards the city of Marquette.

It is ordained by the common council of the city of Marquette that Lake Street from the Carp River Bridge to a point one hundred rods northerly towards said city be graded to the width of twenty four feet and be macadamized to the width of twenty feet ~~including gutters~~ according to a profile of said Street on file in the office of the Recorder of the city of Marquette: that proposals for doing said work be advertised for, and that the work be let and that the city assessor be authorized to prepare a special assessment roll, and that the expense thereof be paid by the property on said roll, after the same shall have been confirmed by said council in accordance with the provisions of the Charter of said city and the ordinance relative to the grading

Salary
of Recorder
et.

The Committee to whom was referred the matter of fixing the salary of the city attorney and Recorder, reported as follows: That the City Attorney should receive a salary of \$6.00 Six hundred dollars per annum; the Recorder as Recorder, Five hundred dollars, as City Librarian three hundred dollars, as justice of the peace in Criminal cases two hundred dollars. But the Recorder protested against the report of his justice fees, claiming that said resolution was not in accordance with Section 13, of Chapter 6 of the Charter of the city of Marquette, which says as follows: "that all justices of the peace in said city shall receive for their services when engaged in cases for violation of the ordinances of said city, such fees as the common Council, shall by ordinance prescribe; thereupon further time was asked by said committee to report at the next regular meeting.

X On motion, it was resolved that the Street Committee be ^{was} authorized to notify the Marquette, Houghton and Ontonagon Rail Road Company to remove, place and set up telegraph posts from, or on Main and Front Streets, at any time when so ordered by said Committee.

On motion, it was resolved that the city attorney be instructed to present an amended fire ordinance at the next regular meeting.

Whereupon the Board adjourned until September 8th ¹⁸⁷³ at 8 o'clock, P.M.

Adopted September 8th 1873.

Joseph H. Primeau, Joseph H. Primeau
Recorder. Acting Mayor.

Sept
8th.
1873.
