A special meeting of the Common Council of the City of Marquette was held in the Council Rooms on Tuesday, November 17th 1885, Mayor Thurber presiding.

At roll call there were present aldermen Ertom, Finlayson, Green, Morgan, McCann, Palmer, Wetmore & Watson.

On motion, the reading of the minutes of the previous meeting was passed.

The following resolutions were then read and approved:

Resolved, That the special assessment roll for grading and macadamizing Spruce Street from Michigan Street to Prospect St, and is hereby confirmed.

Resolved, That the special assessment roll for the construction of a sewer from Lake Superior, or Marquette bay, foot of Washington street ~~thence westerly on Washington street to centre of Third street~~, thence northwesterly on Third street to south line of Ridge St, and is hereby confirmed.

Resolved, That a sewer be constructed from the brick sewer on Third street, northwesterly on said street to the centre of Washington street.

The following ordinance was passed by The Council:

Be it ordained by the Common Council of the City of Marquette:

First, that a sewer be constructed in said city commencing at the Brick sewer on Third street in Marquette city, at the C. or connecting point of said brick sewer, thence northwesterly on said Third street fifty feet, to a point between west line of sidewalk and west line of Third street; thence northerly between said west line of sidewalk and said west line of Third street to the centre of Washington street.

Second, that the same shall be constructed of ^{eighteen inch} vitrified sewer pipe from said brick sewer to the centre of Washington, with two six-inch $\frac{3}{4}$ s, to be put in near Railroad Depot as per order of street commissioner, with two six-inch $\frac{3}{4}$ s, to be put in between Jackson track - so called - and south line of Washington street, and one twelve inch $\frac{5}{8}$ in south gutter of Washington street.

Third, that the City Recorder shall advertise in some

Spring, or Third Street Sewer.

newspaper printed in said city for written proposals for furnishing said pipe, and constructing said sewer, for one week, and the Common Council shall let the same to the lowest responsible bidder and reserve the right to reject any and all bids as they may see fit.

Fourth, that a Bond with sufficient sureties, to be approved by the Common Council, conditioned for the faithful performance of the agreement for the construction of said sewer according to the terms and specifications of contract to be entered into, shall accompany each bid; also a bond for the full payment of labor performed and material used in the construction of said sewer, in double the amount of said bid, with sufficient sureties to accompany each bid.

Fifth, that the proposals and contract for constructing said sewer shall be in accordance with the profile and specifications of said sewer, hereafter to be adopted by the Common Council.

Sixth, excepting such property as is already provided with sewerage, and as to such property, the amount which should otherwise have been assessed upon the same shall be paid out of the general fund of the City.

It was then moved and carried that The Recorder be authorized on presentation of a written order from Charles Born, to pay all monies due him on contract work on Pine street to those persons having claims for labor, the same to be paid pro rata.

Moved and carried that the two bids received, namely, that of James Lawrence and Andrew Galtman, for constructing viaduct at Champion street bridge be rejected.

Moved and carried that Gaslight Company's bill of Eighty Eight dollars, for lighting lamp in front of hose house, referred in July Cash to Committee of Police, claims and grievances, be paid in full.

Moved and carried that Philip Morgan be paid one hundred dollars in full of his claim for extra work done on Washington Street and Third Street sewer.

Moved and carried that Dr. Desjardines be paid Twenty Dollars - all the law allows - on his claim of thirty six dollars and fifty cents.
