The Chairman of the Street Committee reported that the Committee had examined the several bids for grading and macadamizing Rock, Fisher and Fourth Streets, and referred them for the consideration of the Council, and it appearing to the Council that the proposal of Patrick Keefe was the lowest bid which met the requirements of the work, he was awarded the contract at Eighty three cents per lineal foot.

The following Petition was presented and read:

Marquette, Mich. June 24th 1881

To the Mayor and Common Council of the City of Marquette:

We, the undersigned property owners on Arch Street West of Front Street in the City of Marquette do hereby petition your honorable body to pass an ordinance to grade, macadamize, and lay sidewalks on said Street, the cost thereof to be charged on the property abutting thereon. And your petitioners will ever pray.

Signed, Frank Fenille, Herman Kamp, Alfred S. Westlake, Dr. Thomas Ward, J. W. Murphy, Patrick Kelly, Arthur Ring, A. R. Harlow, William Bamerick, L. C. Palmer and L. D. Doty.

On motion the object of the petition was granted, and the following ordinance was on motion of Alderman Pickands seconded by Alderman Williams adopted:

It is hereby ordained by the Common Council of the City of Marquette:

1 That Arch Street from Front Street to Fourth Street Third Street from Ridge Street to Arch Street, and Fourth Street from Ridge Street to Arch Street be graded and macadamized.

2 That said streets be macadamized to the width of Twenty six feet in the center thereof and that suitable gutters be constructed along each side of said macadamizing.

The Recorder was instructed to advertise for proposals for the execution of the work.

On motion of Alderman Lyons seconded by Alderman Common the following ordinance was adopted:

It is hereby ordained by the Common Council of the City of Marquette:

That sidewalks be laid on both sides of Arch Street from Front Street to Fourth Street, on both sides of Third Street from Ridge Street to Arch Street, and on both sides of Fourth Street from Ridge Street to Arch Street.

Motions & Resolutions

In consequence of an application addressed to the Mayor and Common Council by the Telephone Telegraph Construction Company of Detroit the following Ordinance was proposed by Alderman Pickands and seconded by Alderman Lyons, and passed:

Be it ordained by the Common Council of the City of Marquette that Authority and permission are hereby given and duly vested in the Telephone and Telegraph Company of Detroit its successors or assigns:

1 To erect and maintain within the limits of Marquette City, as its limits now are, or hereafter may be defined, poles or posts of wood or other suitable material upon any of the public streets, walks, alleys or ways, and to erect and train upon said poles or posts suitable lines of wire or other conductors of electricity, so as

to derive therefrom the most efficient telephone service possible.

2 To establish and maintain a central Office in a central part of the town and to connect therewith said wires and conductors of electricity in the most efficient manner which may best suit their purpose to facilitate the telephone service.

3 They may erect said poles or posts at such intervals as may best suit their purposes, and be the least inconvenience to occupants of buildings in front of which said poles or posts shall be erected.

4 This ordinance to be in force immediately after its passage.

A vote of Thanks and Congratulation was passed to Congressman Hubbell on his efforts for and success in obtaining an appropriation for United States Building in this City. And the recorder instructed to telegraph him to that effect.

Moved by Alderman Pickands and seconded by Al Heffernan and

Resolved, That the Commissioner of Parks and Cemeteries be and he is hereby instructed and directed to cause to be built a new fence about such portions of the cemetery as in his judgment may seem necessary; the materials to be of iron or wood, or partly of iron and partly of wood, as in his discretion; and he is also instructed to cause to be built a new sewer for the flow of water from the Artificial lake in the cemetery and to repair the stone walls of said lake; and do such other repairs and improvements to the grounds and roads as may seem necessary, the cost of same to be paid for out of the general fund.

Alderman Heffernan called the attention of the Council to the state of Lake Street in the vicinity of the D, W and M Railroad depot; and also to the almost impassable condition of the bridge over Whetstone brook; and the matter was referred to the Committee on Streets, sewers and bridges with instructions to take immediate action in the matter.
