Marquette Mich July 15th 1891.

To the Honorable Mayor and Common Council,
 Gentlemen.

Your special Committee to which
 was referred the petition of the Marquette Valley Milling
 Co, asking for a site in the City's Waterfront at Collinsonville
 for their Mill, to increase their facilities to carry on the
 manufacture of Flour, would respectfully recommend
 that they be granted four hundred (400) feet of Water
 front to measure from a point sixty (60) feet of the
 East side of the south end of the present Bridge, together
 with Five (5) acres of land on the South side of the
 River, to be used as a site for their Plant, said land to
 be bounded on the North by the Waterfront above described
 on the East by a line running South from the East line
 of the Waterfront six hundred ten (610) feet in length;
 on the West by a line running parallel, and an equal
 distance with the East boundary line, and on the South

by a straight line drawn from the Southern limit on the east side to the same point on the West side; on condition that they remove the present Bridge, and replace it by a new and proper Bridge at a point so far Westward as will place the same outside the limits of the grant and that they will change the present highway to conform to the change in the position of bridge, both changes to be made to the satisfaction of the Street Committee of the Common Council, both as to quality of the Bridge erected and the position of the street. The old Bridge not to be removed, or any part thereof, till the new one is erected and accepted by the City.

Respectfully submitted

James F. Todd, Smith Moore, A. F. Agnew & J. F. Tollis.
