Com. L & P. Com.

The following was presented and placed on file:

Marquette Mich, Apr 18, 1898.

To the Hon J. F. Shickhart, Mayor.

Sir: I am requested by the members of the Light and Power Commission to respectfully request you to re-appoint Mr. Frank Pindis a member of said Commission, and unite with my associate members in making this request with great pleasure.

We do this because of the very great assistance Mr. Pindis has been to us on the Commission during the past year and for the reason that we feel that it will be difficult to fill his place, and trust you will appoint him and be able in addition to influence him to accept and continue to serve until the work now nearing completion on the plant will be permanently and satisfactorily finished.

Very Respectfully,

Jas Russell

Pres. Light and Power Commission.

Division S^t

The Street Committee, to which was referred the Division Street matter, reported as follows, and on motion of Alderman Shea, said report was adopted:

To the Common Council;

Your Committee on Streets and Sewers to whom was referred the petition of the Buck Freestone Company and John H. Jacobs, lessee of lands of said company, respectfully report that they have had the same under consideration and find that said parties desire to quarry and take out the stone under the west of that part of Division Street, called the State road which crosses their lands; and for that purpose desire the consent of the City thereto, and that said portion of Division Street be closed to permit such quarrying.

Your Committee recommend:

1. That as a condition precedent for the consent of the City thereto,

petitioners shall pay or cause to be paid the special assessment lately made against said lands for the improvement of Division Street.

2. That as a further consideration therefor, petitioners shall grade macadamize and maintain at their own expense, to the satisfaction of the City, a good roadway for the use of the public while such quarrying is being done, from Division street along Sandstone street to Adams street, thence southerly to Division street, with the necessary bridges and culverts.

3. That said parties enter into an undertaking, that upon the cessation of such quarrying and on or before October 1st, 1902, petitioners shall replace said portion of Division street crossing their lands to its location and grade thereof at the present time, and shall grade, curb and macadamize the same at their own expense, and leave the same open to the public in as good condition as at present.

4. That petitioners shall give reasonable security for the performance of their undertakings in relation to this matter.

Report on Dump Gr. Ayes - Aldermen Beaudry, Gustafson, Gray, Gorman, Hamill, Jacobs, Jones, Shea, Stevens, Smith, Tobin, Ward and Young. Chaps - none.

The following report of the health officer was presented and, on motion accepted:

Marquette April 25, 1898.

To the Mayor and members of the Common Council:

I take pleasure in reporting to your honorable body that upon the 24th instant in company with the members of the Health committee, I made a visit of inspection to the City dump grounds and found said grounds to be in as sanitary a condition as can well be expected, under the existing methods of disposing of deposits thereon.

I also took the opportunity of suggesting that it is in my opinion, feasible and necessary to construct a simple form of crematory or slight ash which would better enable the caretaker to dispose of its garbage and refuse. I would therefore ask your authority to obtain estimates upon the cost of such contemplated structure.

J. Mc D. Harkin

Health Officer.

The Committee on Public Health reported as follows:

In accordance with the above finding of the health officer - and which

report from personal inspection we take pleasure in corroborating - the members of the health committee, would respectfully recommend for re-appointment as caretaker of the dump ground John Harlowe, stipulating, however, that such reappointment be cancelled in the event of said John Harlowe again engaging in the saloon business. Other reasons which influence us in the recommendation of said applicant are based on the facts that he lives in close proximity - to the dump ground and can utilize as a fertilizer upon his farm such rock slopes and fish refuse not readily combustible, and thus reserve our limited acreage at the dump ground for the burial of dead animals and other gross refuse.

O. D. Jones

A. Gorman.

Said report was, on motion of Alderman Tobin, adopted by the following vote.

ayes Aldermen Beaudry, Gustafson, Gay, Gorman, Hermit, Jacobs, Jones, Shaw, Stearns, Smith, Tobin, Ward and Young. Aye - nine.

The committee on pounds reported as follows:

To the Common Council:

Your committee on pounds respectfully report that they have had under consideration the several applications for appointment as poundmasters, and recommend that R. E. Holmes, and Joseph Dwyer be appointed as pound masters.

Respectfully Submitted.

Appointment

A regular meeting of the common council of the city of Marquette was held in the council chamber on Monday, the 6th day of June, A. D. 1898. Mayor Neidhart presiding.

There were present at roll call Aldermen Beaudry, Extrom, Gustafson, Gray, Hamill, Jacobs, Stevens, Tobin and Ward. The minutes of the previous meeting were, on motion, approved.

The following was presented and read and referred to the committee on finance and taxation.

To the Honorable, The Common Council of the City of Marquette.

At a meeting of the board of trustees of School District No. 1 of the city of Marquette, held this 6th day of June, A. D. 1898, the following motion was passed. "On motion of Trustee J. L. Johnson it was unanimously voted that the sum of twenty-nine thousand five hundred (\$29,500) dollars be and hereby is voted to be raised and assessed upon the taxable property of this district for the present year, 1898, for the support of School District Number One, and that the Moderator and Director be and are hereby authorized to certify the above amount, twenty-nine thousand five hundred (\$29,500.00) dollars, to the common council of said city to be raised on the taxable property of this district for the present year."

The above is respectfully submitted to your honorable body.

J. F. NEIDHART,

Moderator.

GEO. BARNES,

Director.

The following was also presented, read and referred to the committee on finance and taxation.

Office of the Park and Cemetery Commission.

Marquette, Mich., June 6, 1898.

To the Honorable Mayor and Common Council of the City of Marquette, Mich. Gentlemen:—At a meeting of the Park and Cemetery Commission held this day, in conformity to Section 32 of Chapter 10 of the City Charter, the following estimates of money needed for the current year was made, viz.:

For building fence enclosing cemetery grounds not heretofore enclosed.....	500.00
For painting picket fence already around cemetery, and moving fence down from the south side of Ridge street to the north side of Bluff street....	400.00
For Presque Isle park improvements.....	1,500.00
For Washington park improvements.....	350.00
For care of cemetery and labor.....	500.00
For incidental expenses, tools, seeds, etc.....	250.00
Total.....	\$3,500.00
Receipts from cemetery, probably.....	500.00
	\$3,000.00

And your commission respectfully ask your honorable body to appropriate the sum of three thousand dollars for the park and cemetery purposes as above set forth.

Your commission would state that the entire sum appropriated the past year by your honorable body for same purposes was \$2,550.00, which has been expended by your commission as follows:

Paid balance reported remaining unpaid on previous year's work.....	559.64
Presque Isle park, labor.....	2,476.12
Cemetery, for labor.....	\$1,558.87
Less receipts therefrom.....	1,533.00
Other expenses, tools, seeds, trees, etc.....	129.35
Total.....	\$3,190.98

Leaving a shortage for the year of \$241.98.

Your commission would respectfully ask your honorable body for an appropriation at once to cover the deficiency and to permit the work in park to go on without stopping it.

Your commission would respectfully state that within the last current year, they have caused the debris and leaves to be raked up and burned over more than half of the park surface and have kept the park and its roads in fair order and condition, and we can use to very good advantage the sum that we have asked you to appropriate to our use this current year.

The receipts from the cemetery during the past year have been larger than is likely to be the case this year.

During the past year Mrs. Longyear presented to the park a pair of Shetland ponies and there has been an increase of one, so that now we have three Shetland ponies (one is very small). They are very nice to have, but it costs something to keep them, as well as our four deer, three coyotes, two bears and two peacocks.

We have planted a large number of Lombardy poplars and willows along the drive way to the Presque Isle park and believe that in time they will beautify and benefit the driveway largely.

Hon. John M. Longyear presented to the park a large pavilion, which he owned on one of the islands above Presque Isle, and we are now moving it over to the park and re-erecting it on the northwest corner of the park near the shore. The removal and re-building will cost about six hundred dollars, and when it is completed will fill a long felt want to the public, for their protection and amusement.

The Marquette City & Presque Isle Street Railway company presented to the park their building on Presque Isle, and your commission design moving it three or four hundred feet near to the southwest corner of the park and refitting it for a place of safety for visitors in case of rain or storm, as well as a waiting place to take the street railway.

Your commission desire to further improve the walks and drive ways in cemetery and both parks, and earnestly beg of you to grant our greatly reduced estimate for the current year. All of which is respectfully submitted.

PETER WHITE, President.

WILLIAM BURT, Secretary.

Petition of John Balmes and others for sidewalk on north side of Ridge street from the east line of Seventh street to the west line of Sixth street, with crosswalks from the north side of Ridge street to the south side of Ridge street at both Sixth and Seventh streets, was, on motion, granted.

The following communication was presented and on motion referred to the committee on streets and sewers.

June 3, 1898.

Hon. J. F. Neidhart, Mayor, Marquette, Mich.

Dear Sir—I am offering for sale my 5-ton Pope's Reversible Road Roller at \$300.00 here. The roller cost me \$380.00, plus \$69.00 freight, at the time I bought it. It seems to me the city ought to own such a roller for use in the park and cemeteries and on such parts of the public highways as are beyond the bridges, and has been used by the city for these purposes since it has been here. If the city would like to buy it, it would suit me to have the amount applied on the taxes I pay, as well as to draw cash from the treasury at the present time.

Yours truly,

J. M. LONGYEAR.

Petition of David Parr to be appointed poundmaster of the northern part of the city referred to the committee on pounds.

Petition of real estate committee of Marquette Building and Loan association, and five others asking that sidewalks be laid on Blenheim from the west side of Champion street to the east side of Altamont street, was, on motion of Alderman Ward, granted.

The following communication from the mayor was presented:

To the Common Council of the City of Marquette.

Gentlemen—Mr. Frank Pendill having failed to qualify as a member of the Light and Power commission of this city, I do hereby appoint, subject to your confirmation, James J. Sherman for the term of five years from April 15, 1898.

Respectfully submitted,

J. F. Neidhart,

Mayor.

Moved by Alderman Jacobs, supported and carried, that the appointment of James E. Sherman as a member of the Light and Power commission be and is hereby confirmed.

Ayes—Aldermen Beaudry, Extrom, Gray, Gorman, Hamill, Jacobs, Stevens, Smith, Tobin and Ward.

Nays—None.

On motion of Alderman Tobin the rules were suspended in order to listen to Mr. Peter White in relation to the condition of Ridge street, but the mayor and chairman of the street committee having stated that the street appropriations for the summer already included said Ridge street, no action was taken in the matter.

The bond of August Machis, as city treasurer, with the Aetna Indemnity Co. as surety was presented and referred to the city attorney.

The poundmaster's bond of R. G. Holmes of one hundred dollars, sureties, Frederick Frel and Anton Manheil, was, on motion, approved and accepted.

Nays—None.

The street committee, to which was referred the petition of Peter White asking to have Palms street from Champion street to west side of Moran street graded, curbed and macadamized and sidewalks laid thereon, reported and recommended that the prayer of the petitioner be granted.

On motion of Alderman Tobin the following resolution was adopted:

Resolved, That the common council hereby determines that it is necessary to grade, curb and construct a macadam roadway twenty feet in width and eight inches in depth in the center of Palms street from the west curb line of Champion street to the west line of Moran street; and that the cost and expense of that portion of said improvement between Champion street and Moran street shall be defrayed by special assessment upon the lots and parcels of land subject to assessment therefor; and be it further

Resolved, That the controller is hereby directed to prepare or procure proper specifications for the construction of said improvement, covering material and manner of construction, and to make estimates of the probable cost and expenses of said improvement and separately of said portion thereof to be defrayed by special assessment, and to deposit the same in his office for public examination; and be it

Resolved, That the controller is also hereby directed to prepare and submit to the common council a special assessment roll in accordance with law, assessing upon the lots and parcels of real estate to be benefited by said improvement, the estimated cost and expense of said portion thereof to be defrayed by special assessment.

Ayes—Aldermen Beaudry, Extrom, Gustafson, Gray, Gorman, Hamill, Jacobs, Stevens, Smith, Tobin and Ward—the mayor concurring.

Nays—None.

The following resolution, with profile, was on motion of Alderman Tobin unanimously adopted. The mayor concurring.

Resolved, That the grade on Palms street from the east line of Champion street to the west line of Moran street, be and the same is hereby established in accordance with the profile thereof made by Robert R. French, street commissioner, June 1st, 1898, and hereto attached, and that this resolution and said profile be duly certified by the recorder and placed on file for future reference.

The following resolution was, on motion of Alderman Gustafson adopted:

Resolved, That the controller be and he is hereby authorized to permit the "Cadet Greys" band to use such available room in the city hall for band practice for such time and on such conditions as he may determine.

Provided, That such practice shall only be at such times as shall not interfere with meetings and the transaction of business by the council, city boards and officers, and

Provided, That any such permit shall be subject to revocation without notice.

Ayes—Aldermen Beaudry, Extrom, Gustafson, Gray, Gorman, Hamill, Jacobs, Stevens, Smith and Ward.

The city attorney submitted the following report, which was ordered to be placed on file:

To the Common Council.

Gentlemen: The bond of the city treasurer with the Aetna Indemnity Co. as surety having been referred to me for counsel as to its form, I submit the following:

As your action in the acceptance and approval of a surety company bond at this time will form a precedent in future, and that you may be aware of some features of the proposed bond, I call attention to the following provisions:

(1) The obligee is named "The Mayor and Common Council of the City of Marquette," whereas, the bond should run to "The City of Marquette, a municipal corporation of the State of Michigan."

(2) A statement purports to have been furnished to the company, which by the board constitutes and forms the basis of the contract and the bond becomes void if there is any change in the duties of the treasurer, the method of handling the accounts and the manner of conducting the business from that set forth in said statement. As the duties of the treasurer are statutory for the most part there would seem to be no need to make or require a statement of duties, which statement may or may not specify all the duties of the office.

(4) The term of liability is limited to one year and no more while the treasurer is elected to serve until April 15, 1899 and until his successor shall be elected and enters upon the discharge of the duties of his office. The liability ought to attach so long as the treasurer holds the office by virtue of the election thereto.

(5) The bond indemnifies only against fraudulent or dishonest acts amounting to embezzlement or larceny, and robbery is expressly exempted as a cause of liability. The city does not, I take it, feel the need of a guaranty of the honesty of its treasurer so much as it does that its

funds shall be forthcoming in any event that might make it impossible for its treasurer to pay, as fire, robbery, failure of the bank in which he might have the funds deposited, etc.

(6) Liability is limited to acts committed during the term of the bond, one year, which are discovered during that year or within three months from its expiration or within three months from the death, dismissal or retirement of the officer. Circumstances might occur wherein it might not be possible to discover a loss or wrongful conduct within six months, as in case of the wrongful issue or disposition of bonds or the receipt of moneys not accounted for or reported.

The bond of a public treasurer I think should be subject only to the statutes of limitation, and the council ought not to shorten such period in the interest of the sureties as against the public.

(7) Immediate notification of fraudulent or dishonest acts which may involve a loss must be made as soon as they come to the knowledge of the city or of its officers charged with responsibility, or the bond is rendered void, and if for any reason this is omitted recovery is barred.

(8) Upon the making of any claim the bond immediately becomes void as to any acts of the officer thereafter, while he is not subject to summary removal. The bond should cover the whole time he serves by virtue of his late election to the office. In case any claim is made, no matter when or for what amount, the bond must be surrendered and be cancelled, upon payment of such claim. The bond of a public treasurer who receives money for different boards and upon many different accounts should be made to cover any and all shortages. Under the bond proposed a small shortage may be discovered and made good and if the next day many other and large defalcations are discovered there can be no recovery for them.

(9) Suit must be brought within one year from the first discovery of any fraudulent or dishonest act or the recovery for anything is barred.

(10) Liability is expressly disavowed for any acts over twelve months before discovery thereof.

(11) In case the city has or takes other security the company can be held for a pro rata share out of the loss even though such other security is worthless.

(12) The bond is void from the beginning if any act is condoned which would give a right to make a claim under the bond.

(13) The right is reserved to cancel the bond at any time by the company; something the sureties on the bond of a public officer ought never to be allowed to do under any circumstances.

I submit herewith a sample form of bond which it seems to me covers all that ought to be required, and I see no good reason why the city ought to be asked to consent to all the restrictions and conditions inserted in the surety bond.

Very truly,
GEO. P. BROWN,
City Attorney.

The committee on streets and sewers reported as follows:

To the Honorable the Common Council:

Your committee to whom was referred the petition of J. M. Longyear, Peter White, E. H. Towar and the Board of Fire and Water commissioners for the establishment of the present grades and acceptance of construction of Arch and Ridge streets, between Cedar and Walnut streets, and of Walnut street, between Arch and Lake streets, hereby report having examined the same and find the grade lines satisfactory and the said streets constructed according to the usual plan and specifications in use and recommended the petition be granted.

J. E. TOBIN,
W. T. WARD,
Street Committee.

On motion of Alderman Stevens said report was accepted and ordered placed on file.

On motion of Alderman Tobin the following resolution was unanimously adopted:

Resolved, That the grade on Ridge street from Cedar street to Walnut street be and the same is hereby established in accordance with the profile thereof made by E. E. McIntosh, engineer, June 9th, 1898, and hereto attached, the same representing the present grade, and that this resolution and said profile be duly certified by the recorder and placed on file for future reference.

And further resolved, That the grading, curbing, macadamizing and sidewalk of said street, as now done, be and the same is hereby accepted on the part of the city of Marquette.

And further resolved, That the grading, curbing, macadamizing and sidewalking of said street, as now done, be and the same is hereby accepted on the part of the city of Marquette.

On motion of Alderman Tobin the following resolution was unanimously adopted:

Resolved, That the owners and occupants of lot number 11 of Block No. 5 of John Burt's addition to the city of Marquette are hereby required within ten days after notice hereof, to construct a new plank sidewalk in Michigan street in front of and adjoining said premises,

the outer edge of said sidewalk to be ten feet from the north line of said street, and in all other respects to be constructed in accordance with the provisions of an ordinance of the city entitled, "An ordinance regulating the construction of sidewalks, providing for the collection of assessments therefor and prohibiting encroachments thereon," as amended.

On motion of Alderman Stevens the following resolution was unanimously adopted:

Whereas, John E. Mark is indebted to the city in the sum of \$5.50 for laying sidewalk; and the city is indebted to said Mark, on claim controller No. 5892, in the sum of \$5.00, for which sum warrant No. 3164 has been drawn, but not delivered

Resolved, That said sum of \$5.00 be credited upon said indebtedness of said Mark to the city, and that said claim No. 5892 be endorsed by the controller as paid by credit on said sidewalk claim.

On motion of Alderman Jacobs, the following resolution was unanimously adopted:

Resolved, That the controller procure and report bids for furnishing coal for the City Hall for the ensuing year.

The city treasurer's bond of \$40,000 sureties, Peter White and Edgar H. Towar, was on motion of Alderman Clark unanimously adopted.

Moved by Alderman Stevens, supported and carried, that the committee on ordinances be and is hereby authorized to distribute twelve copies of the city charter, ordinances, etc.

Moved by Alderman Tobin, supported and carried, that when the council adjourns it adjourn till the 18th day of July, A. D. 1898, at 8 o'clock p. m.

On motion of Alderman Ward the following preamble and resolution were unanimously adopted:

Whereas, It appears by affidavit of Robert R. French that due service has been made of the notice of the resolution of the common council ordering the construction of a sidewalk (on the north side of Superior street from the west curb line of Sixth street to the east curb line of Seventh street), and more than ten days having elapsed since said service, and said sidewalk not having been constructed

Resolved, That the street commissioner be and he is hereby directed to construct said sidewalk and to report to the council the expense of each portion thereof opposite each parcel of real estate.

Resolved, That the petition for the erection of an arc light at the intersection of Magnetic and Third streets be referred to the Light and Power commission, with the recommendation that the prayer of the petitioners be granted.

The following petition was presented: To the Common Council of the City of Marquette.

Your petitioner would respectfully represent, that by Act No. 102 of the public acts of the legislature of Michigan for the year 1897, it is provided that street railway companies incorporated under the Michigan statutes may do a suburban express business as set forth in section thirty-four of said act, and that said express business shall be done before 8 o'clock in the morning and after 8 o'clock in the evening unless consent shall be obtained of the municipal authorities and under such rules and regulations as they may prescribe; your petitioner would respectfully ask that it may be permitted to do an express business for the express company or companies in this city between the hours of 8 in the morning and 8 in the evening, provided your petitioner shall not leave the express car standing upon the track at any place within the city longer than forty-five minutes at any one time, and that only where said express shall be loaded upon said car, and provided it shall conduct the said express business so as not to impede or interfere with other public travel.

MARQUETTE CITY AND PRESQUE ISLE RAILWAY COMPANY
By F. O. CLARK, President.
M. E. ASIRE, Secretary.

And after discussion the following resolution was, on motion of Alderman Tobin, unanimously adopted:

Resolved, That the consent of the city hereby given to the Marquette City & Presque Isle Railway company to operate cars on its lines in the streets of the city for the conduct of suburban express business in the daytime between 8 o'clock in the morning and 8 o'clock in the evening; and

Resolved, That the committee on railways and public conveyances prepare and submit to this council for its action such rules and regulations for the conduct of such express business as in their judgment the safety and convenience of the public demands.

The following report was presented and read and ordered placed on file:

Marquette, Mich., Aug. 16, 1898.
To the Hon. Mayor and Common Council of the City of Marquette.

Gentlemen—In regard to the communication of Sidney Adams relative to the building of an outside stairway on the northwest corner of Spring and Front streets, Marquette, Michigan, which has been submitted to us, we have to report that we have considered the matter from a fire protection standpoint and cannot see any objection to allowing the request, providing the same is to be an iron covered, modern, iron stairway, leading only to the second story.

The present construction of the building is such that the only practical entrance to the upper floors of this building is through a narrow, dark stairway in the rear of the building. A stairway as above indicated would, in our opinion, greatly aid the fire fighting facilities in the upper stories of this building.

The width of the stairway, and its obstruction to the public thoroughfare, we consider not in our province, consequently refrain from making any recommendation thereon.

Very respectfully,
JAS. J. DONOVAN,
M. V. MULLALLY.

A plat of the Shaw's addition to the city of Marquette was presented for approval. Said plat was, on motion, referred to the committee on streets and sewers.

On motion of Alderman Tobin the following resolution was unanimously adopted:

Resolved, That Mr. S. Adams furnish for information of the common council, and to be filed with the recorder, plans and specification of the stairs which he wishes to build on Spring street for approval of the common council.
