Moved by Mayor Jacques, sup-
ported by Commissioner Anderson,
that the following resolution be
adopted:

Whereas, the state of Michigan
and the federal government have al-
ready paved with concrete that por-
tion of U. S.-41 M-28 lying be-
tween Hampton and Fisher streets
in the city of Marquette, and the city
of Marquette has similarly paved
Front street from Washington to
Ridge street; and

Whereas, to complete the stretch
of concrete paving from Hampton
street to Ridge street there need only
be constructed that portion thereof
lying between Washington street and
Fisher street, all of which consti-
tutes a portion of highway U. S.-41
M-28; and

Whereas, the traveling public is
seriously inconvenienced because of
the bad condition of that portion of
highway U. S.-41 M-28 between said
Washington street and Fisher street;
and

Whereas, the construction thereof
would in the opinion of this commis-
sion be a worthy project in that it
would improve a heavily traveled
highway and furnish needed employ-
ment to a number of citizens of Mar-
quette,

Now, therefore, be it Resolved and
Ordered, that this commission go on
record as favoring the immediate
laying of a concrete pavement on
said portion of highway U. S.-41 M-28

and ordered, that the city clerk be,
