# OFFICIAL PROCEEDINGS OF THE CITY COMMISSION.

JUNE 14, 1937

Regular meeting at the City Hall,  
June 14, 1937, 7 p. m.

Present—Mayor Jacques, Commissioners Anderson, McGinley and Tierney.

Commissioner Anderson moved that the following be extended at large on the permanent records of this commission:

Death has removed from our midst John C. Wilson. For ten years immediately prior to his death Mr. Wilson held the responsible position of city treasurer. Mr. Wilson's integrity was above question, and he brought to that office a wealth of experience acquired in other lines of business endeavor. But in addition to those qualifications he also possessed human attributes which eminently fitted him for that post. He was patient, thoughtful, courteous and considerate in his dealings, not only with the other members of Marquette's official family, but also with all other persons with whom his duties brought him into contact. He has left an enviable record of duties well performed as a public servant, and the sympathy of this commission is hereby extended to his widow and the other members of his family.

Commissioner McGinley seconded the foregoing resolution, which was carried unanimously.

Yeas — Mayor Jacques, Commissioners Anderson, McGinley and Tierney.

Moved by Commissioner Tierney, supported by Commissioner McGinley, and adopted, that the Holland Furnace company be awarded the contract for the installation of a hot air furnace and air conditioning system at the detention hospital.
