Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Mayor Biegler, supported by Commissioner Anderson, and unanimously carried that the following be spread at large upon the permanent records of the City Commission, and that a copy of it be forwarded to the family of the late Charles Retallic:

It is with the deepest sorrow that we record the passing of Charles Retallic, long a faithful servant of the City of Marquette. Mr. Retallic entered the employ of the city on April 15, 1899, in the capacity of superintendent of the Department of Light and Power, and held that position until the day of his death, May 22, 1940.

Marquette can well be proud of its Light & Power Department and of all that it has contributed to the comfort and well-being of its citizens. It is only simple justice to note that that department was developed from very small and modest beginnings to its present high state of efficiency during the superintendency of Mr. Retallic. The record that it made, notable not only in our State but also throughout the United States in the field of municipal ownership, bespeaks his ability as a most capable executive and director.

While it is most natural, perhaps, that we should first mention his success in the management of his department, yet we who knew him admired him most for his kindly qualities. Mr. Retallic was ever thoughtful and considerate in his dealings with all with whom he came in contact—his subordinates,

his fellow officials and the general public—and, while we shall proudly remember his achievements in his chosen field, we shall cherish our recollections of the splendid human qualities of Charles Retailic, the man.

**OFFICIAL PROCEEDINGS OF THE CITY
COMMISSION.**

JUNE 13, 1940

A special meeting of the City Commission was duly called and held at the City Hall on Thursday, June 13, 1940, at 4:00 o'clock p. m. for the purpose of general discussion.

Present—Mayor Biegler, Com-

missioners Anderson, McGinley, Patrick and Tierney.

After discussion the meeting, on motion, adjourned.

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION.

JUNE 17, 1940

Regular meeting at the City Hall, June 17, 1940, 7 p. m.

Present—Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner Patrick, supported by Commissioner Anderson, and adopted, that the petition of 14 residents of West College avenue be referred to the department of public works for estimate and report and that the assistant city assessor be directed to contact the property owners relative to the cost of the proposed improvement.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner McGinley, supported by Commissioner Patrick, and adopted, that the contract for repairing the smokestack at the city water works be awarded to F. E. Wester at \$157.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Mayor Biegler, supported by Commissioner Tierney, and adopted, that the contract for laying a terrazzo floor in the city hall lobby be awarded to the Northern Terrazzo and Tile company at \$324.80.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Mayor Biegler, supported by Commissioner Tierney, and adopted, that action on bids presented for the purchase of a 150 gallon capacity oil filter be deferred for one week.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Commissioner Patrick offered the following resolution and moved its adoption:

Whereas, The Upper Peninsula of Michigan, Northern Wisconsin and Northern Minnesota, because of their geographical position, present certain problems in the carrying out of Works Progress Administration projects which are not encountered in the more southerly sections of our country; and

Whereas, the public interest is deeply affected by the efficiency

with which such projects are carried out.

NOW, THEREFORE, be it resolved and ordered that the attention of the proper Works Progress Administration officials be directed to the following conditions which, in this section, adversely affect the carrying out of such projects:

During our winter months the surface of the ground freezes. This renders it necessary to break up such frozen surface by the use of dynamite, picks, mols, bulldozers and other tools and appliances before any progress can be made in the carrying out of such work. Further, fills made with such frozen material are not compact and are subject to settling for a long period of time after they have been made, thus delaying, during our most favorable season, the completion of such projects. Under such conditions the men who are employed naturally are not able to accomplish as much as they could if they were employed during that part of our year which would be more favorable for the carrying out of such work. Further, a considerable part of the earnings of such men has to be expended for the purchase of winter clothing to enable them to withstand the severe cold encountered on such projects. The men could be saved a large part of this expense and the work could be carried on with much greater efficiency if it were done during a time of the year when the weather would be more favorable therefor.

Be it further resolved that this commission respectfully ask such Works Progress Administration officials to give their attention to the problems above set forth, and we respectfully ask them to give thought to the adoption of a plan whereby such men would be employed on such projects for 240 hours per month during the most favorable six months period of each year, instead of on the present basis of 120 hours per month over a period of 12 months, but that their earnings during the six months period be paid to them semi-monthly over the entire year.

Be it further resolved that all

other municipal bodies in the Upper Peninsula of Michigan, Northern Wisconsin and Northern Minnesota be, and they hereby are requested to give thought and study to the problems herein presented and to communicate their views thereon to the proper Works Progress Administration officials.

Be it further resolved that the City Clerk be, and she is hereby instructed to forward to the proper Federal and State Works Progress Administration officials copies of the foregoing resolution. Commissioner Anderson seconded the foregoing resolution.

A vote was thereupon taken on the said resolution which resulted as follows:

Yeas — Mayor Beigler, Commissioners Anderson, Patrick and Tierney.

Nays—Commissioner McGinley.

The Mayor thereupon declared said resolution duly adopted.

Commissioner Tierney offered the following resolution and moved its adoption:

Whereas, it appears that two dogs in widely separated sections of the city of Marquette have recently died of rabies; and

Whereas, this incidence of rabies represents a serious menace to both our human and dog population; and

Whereas, this incidence of rabies has already led to the necessity of protecting four Marquette youths by rabies vaccine, with its accompanying physical discomfort; and

Whereas, the city of Marquette has already been urged by the State Pasteur Institute and by the State Department of Health to place a quarantine on dogs of this city.

Therefore, in conformity with the laws of the State of Michigan, the city commission of the city of Marquette, Michigan, hereby establishes a dog quarantine in said city, the same to be in force and effect on June 20, 1940, and thereafter until the same shall have been superseded by action taken by proper officials of this state as provided by law or until the same shall have been repealed, during which time all dogs within the city of Marquette shall be securely chained or otherwise confined, failing which any dog found at large in contravention of the terms of this

quarantine may be killed.

And it is further ordered that notice of this quarantine be given by the City Clerk by causing a copy of this resolution to be published in The Daily Mining Journal, a newspaper printed in said city of Marquette in its issues of June 19th and June 20th, 1940, and by posting copies thereof in at least five public and conspicuous places in said city of Marquette.

Commissioner Anderson seconded the foregoing resolution.

A vote was taken on the adoption of said resolution which resulted as follows:

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Nays—None.

Carried.

Moved by Commissioner Tierney, supported by Commissioner Anderson, and adopted, that the health officers and chief of police be and they are hereby authorized to establish a dog pound and to engage the services of a dog warden for the purpose of making said quarantine effective and to assist in the enforcement of the state law relative to licensing dogs.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner Patrick, supported by Commissioner Anderson, the following resolution was adopted:

Whereas, The assistant assessor has made and duly certified to the commission a special assessment roll for "The West College Avenue Street Improvement On Roll No. 215";

Resolved, That such assessment roll is hereby approved and that the same be filed with the city clerk who is hereby directed to cause notice to be published for four weeks, at least, in the Mining Journal, a public newspaper published in this city, of the filing of said assessment roll, and appointing Monday, September 23rd, 1940, at 7:00 p. m., when the commission and assistant assessor will meet to view said assessment.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner Anderson, supported by Commissioner McGinley, and adopted, the mayor was authorized to select persons for the counting boards in various precincts, not exceeding four for each precinct.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner Anderson, supported by Commissioner McGinley, and adopted, that a donation of \$50.00 be given for the Labor day celebration, providing there are funds in the budget for that purpose.

Yeas — Mayor Biegler, Commissioners, Anderson, McGinley, Patrick and Tierney.
