Whereas, certain parcels of prop-
erty within the City of Marquette
have reverted to the State of Mich-
igan for non-payment of taxes,
and a recommended plan has not
previously been submitted by the
City of Marquette for the disposi-
tion of such parcels,

Whereas, title to such property
has vested absolute in the State
of Michigan under Act 206 of the
Public Acts of 1893 as amended
and such properties are not ad-

ministered by the Department of
Conservation under Act 155 of the
Public Acts of 1937 as amended,
and

Whereas, the Department of Con-
servation, through the Lands Divi-
sion has requested the City of
Marquette to make recommenda-
tions, subject to review by the De-
partment of Conservation, relative
to the disposition of these prop-
erties, which recommendations will
be in the best interests of this
community and the State of Mich-
igan, now therefore

Be it resolved, by the City Com-
mission of the City of Marquette,
on this 2nd day of September, 1941,
that the suggestions and recom-
mendations, made on the attached
plan and pertaining to the par-
cels of property thereon listed are
the result of careful and thorough
study by this Commission, that
such recommendations and sugges-
tions are deemed to be in the best
interests of the State of Michigan
and the City of Marquette, and that
the City of Marquette requests the
Department of Conservation to fol-

OFFICIAL PROCEEDINGS OF THE CITY
COMMISSION.

SEPTEMBER 15, 1941

Regular meeting at the City Hall,
September 15, 1941, 7 p. m.

Present — Mayor Biegler, Com-
missioners Anderson, McGinley,
Patrick and Tie ney.

Moved by Commissioner Ander-
son, supported by Commissioner
McGinley, and adopted, that the
following petitions be referred to
the department of public health
and safety with power to act viz:

L. W. Tonn for permission to re-
build the Shoreland bowling alleys
on Baraga avenue, and to construct
an addition to the Central Cafe;
from J. C. Bullock to construct a
garage at 729 Washington street,
and from Frank C. Yates for per-
mission to erect a building on the
corner of Kaye avenue and Third
streets.

Yeas — Mayor Biegler, Commis-
sioners Anderson, McGinley, Pat-
rick and Tierney.

Commissioner Patrick submitted
the following communications:

Mr. H. E. Patrick,
Commissioner Public Works
City.

Dear Mr. Patrick:

As the result of a careful study
after our conference Wednesday
night, September 10th, I wish to
make the following recommenda-
tions in regards to the working
conditions in the public works de-
partment.

As quoted in the official pro-
ceedings of the City Commission
meeting of September 30th, 1940;
"No employee shall be required to
work fewer hours than the regular
work period per day because of
overtime employment on previous
days."

I think an employee who has
worked continuously 16 hours or
longer should be given 8 hours rest
if possible whether or not it inter-
feres with the regular work period,
as a man cannot do justice to him-
self or to the city by working more
than 25 hours out of 33 hours.

Mr. Wm. Paynter, an employee
at Park Cemetery is 81 years old
and has been employed for 22
years. I think this man should be
retired on a pension.

Mr. Leslie Anderson who has

handled the clam shell for the past
three years should have his rate in-
creased from 60 cents to 65 cents,
while working the clam shell and
in case of reduction he will hold his
rights as a truck driver at 60 cents.

When we send men out in the
winter in charge of casual help,
shoveling snow they should receive
five cents per hour more.

The bulldozer operator should be
paid 60 cents per hour while oper-
ating the machine or as a spare
driver on a large truck and 55
cents otherwise. This man is in a
class by himself and has not senior-
ity rights enough to keep in the
60 cent class.

The man that spreads the rock in
the streets when street building
should receive 5 cents per hour
more than laborers.

The street sweepers who work
only 8 hours per day should receive
five cents more per hour, the
present rate is 45 cents.

The life guards at the Island
should have it understood that
their work consists of Sundays as
well as holidays and should be
straight time the same as any
watchman and they should be paid
five cents per hour more and be
given one day off in seven, this day
not necessarily to be a Sunday or
holiday.

The painters when painting
streets, equipment, etc., should re-
ceive five cents per hour more
when doing this type of work.

The clerk in my office with
added duties should receive \$5.00
per month more.

Yours very truly,
F. G. HAWKEN,
Superintendent.

To the Honorable Mayor
and City Commissioners,
City.

Gentlemen:

As requested by you gentlemen,
at the last meeting of the City
Commission, September 8th, 1941, I
hereby submit a report of a con-
ference between the Public Works
Employees, Mr. Hawken and my-
self.

Seniority

1st. Seniority rights, are to be-
gin from date of hire as a steady

Official Proceedings of the City Commission
—Continued.

employee. A steady employee is one who has worked 3 summers at the city cemetery or the Island, or one who has worked for 90 continuous days in the street department. Before being accepted as a steady employee they must submit to a physical examination by the health department. In case of a reduction in force the men laid off must exercise their seniority right or secure a release within 5 days, from the superintendent or otherwise forfeit their rights.

Rate of Pay

2nd. The matter of sliding rates for truck drivers is very unfair as it is possible for a driver of a large truck to have 3 different rates in one pay period and a driver of a small truck to have two different rates in the same period. The drivers of the large trucks must be capable and experienced drivers, the drivers of the small trucks are learning and are anxious to become better drivers and I hope that the rates of pay for large truck drivers can be set at 60 cents and small truck drivers at 55 cents and in case these drivers are called upon to perform other duties that the rate of pay will not be changed.

Yours very truly,
H. E. PATRICK,
Commissioner Public Works.

Moved by Commissioner Patrick, supported by Commissioner Anderson, and adopted, that the foregoing recommendations be approved, except as to pension for Mr. Paynter.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner Patrick, supported by Commissioner Anderson, and adopted, that the recommendations of the Palestra committee as presented by the department of public works be approved, excepting the purchase of a public address system and scrubbing machine.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner Patrick, supported by Commissioner Anderson, and adopted that the purchasing agent be authorized to advertise for bids on a scrubbing machine and a new and used public address system.

Yeas — Mayor Biegler, Commissioners Anderson, McGinley, Patrick and Tierney.

Moved by Commissioner Anderson, supported by Commissioner Patrick, that the following resolution be and the same is hereby adopted:

WHEREAS, the city clerk of the certified that petitions in due form city of Marquette, Michigan, has have been filed for the nomination of Lee McGinley and Arthur J. Riopelle, as candidates for the office of City Commissioner of said city of Marquette, to be filled at the municipal election to be held therein, on Tuesday, the 14th day of October, 1941, and that no petitions have been filed for the nomination of any other person or persons other than those above named for said offices;
