

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION

May 7, 1962

A Special Meeting of the Marquette City Commission was duly called and held Monday, May 7, 1962 at 7:00 o'clock, p.m.

Present: Mayor Smith, Commissioners Carlson, Fine, Johnson, Rydholm.

Absent: None.

Mayor Smith called the meeting to order and stated that the purpose of this meeting was to complete the business before the Commission at this time and to have the reading of the resolutions to be adopted setting forth the amounts of all expenditures which will be required in the fiscal budget for 1962-63.

The Mayor and City Commission proceeded to discuss the matter of parking cars at the parking site to the south of Main Street. Following a discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that two parking spaces be removed from the easterly end of the island on Main Street to allow traffic to cross through the island to the parking area to the south of Main Street. This measure to be on a 90 day trial basis. In the event that this does not work out the cost of replacing the appurtenances rests with the First National Bank and Trust Company of Marquette, Michigan.

Mr. R. C. Hammerschmidt, in behalf of the Chamber of Commerce, addressed the Commission regarding the forthcoming bond issue of the School program. Following a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that the Commission go on record as supporting the actions of the School Board of Trustees in the betterment of the school situation in Marquette.

The Commission proceeded to discuss the matter of Job Classification. The Commission, unani-

mously agreed that the matter of these classifications and the revision of the working agreement be written up by the City Manager for presentation at the City Commission Meeting May 14, 1962.

Mayor Smith directed the Clerk to read the resolutions of estimated expenditures as indicated by the Manager's proposed budget.

ed to change the effective date from ten days to thirty days after adoption and publication. Following a snort discussion on this amendment it was moved by Commissioner Rydholm, supported by Commissioner Carlson that the posed ordinance as read be adopted.

City Manager Ernest L. Neumann gave an oral report on City owned property in the area of Presque Isle Park. Mr. Neumann also presented drawings showing City owner property and diagrams showing a relocation of the access road as well as proposed other uses for this particular area. The Mayor and City Commission unanimously agreed that this subject warranted considerable more discussion than could be had at this time and that a special meeting would be set up to discuss this matter in greater detail.

A communication from Earl H. Closser, President, Closser Realty Company was read wherein he informs the Commission of an assignment of a lease agreement between his Company and the City of Marquette. This assignment to encompass city owned property adjacent to property owned by the F and F Corporation who are in the process of constructing a building and who need the city owned property for parking purposes. Following a discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Rydholm that the following resolution be unanimously adopted.

RESOLVED, that the assignment by Earl Closser dba Closser Realty Company of a certain lease dated May 14, 1962 and the acceptance thereof by F and R Corporation, both of which are dated May 14, 1962 are hereby approved.

A communication from Thomas Smith, President, U.P. Tourist Association was read wherein he informed the Commission of the Annual UMTA meeting. This com-

munication was ordered received and placed on file.

A report from City Clerk Everett H. Kent was read wherein he informs the City Commission of a letter received from Mr. Charles F. Leman of Vilican-Leman and Associates, Inc. regarding the request of the St. Luke's Hospital Board of Trustees and their request for a survey of hospital needs. The Mayor and City Commission unanimously agreed that this communication be forwarded to the Secretary of the Hospital Board in order that they might have an answer to the questions in their earlier communication.

A report from City Clerk Everett H. Kent was read wherein he informs the Commission of action taken as directed at a previous Commission meeting regarding communications to the United States Senators and Representative in Congress urging them to do all possible to expedite the approval of the application of the City of Marquette for Federal Aid in its comprehensive community planning program. This communication was ordered received and placed on file.

A communication from Waldo A. McCrea, City Attorney, was read wherein he presents the draft of a franchise ordinance to the Marquette Transit Company. Following a discussion on this matter of a franchise it was moved by Commissioner Carlson, supported by Commissioner Johnson that the following resolution be unanimously adopted:

RESOLVED, That the proposed ordinance as read be accepted as to form, that the City Clerk be directed to fix a date for a public hearing thereon and consideration of the ordinance thereof, and that the text of said ordinance be published in full in accordance with the requirements of the City Charter.

City Clerk.

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION

May 23, 1962

A special meeting of the Marquette City Commission was duly called and held Wednesday, May 23, 1962 at 4:00 o'clock, P.M.

Present: Mayor Smith. Commissioners: Carlson, Fine, Johnson, Rydholm.

Absent: None.

Mayor Smith being tardy Mayor Pro Tem Fine opened the meeting by stating that its purpose was to meet with interested citizens connected with the small boat marina in the vicinity of Presque Isle Park and to converse with Mr. John Zerbel who is also interested in developing the recreation area in the vicinity of Presque Isle Park.

Mr. George Spear addressed those present regarding a small boat marina and presented drawings to show the approximate location of the proposed channel and boat basin. Mr. Carl Olson, a representative of the Chamber of Commerce also addressed the Commission regarding this matter. Mr.

John Zerbel indicated to the Commission the portion of the area that is tentatively planned to be used in connection with the Railroad activities proposed in connection with this recreation area.

Following a lengthy discussion on the pros and cons of a boat marina and the development of parking facilities in this area it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that this matter be referred to the Harbor Committee for a study and report.

Mr. George Spear thanked the Commission for the interest shown in the small boat problems. Mr. Zerbel also thanked the Commission for hearing the problems of his interests.

There being no other business before the Commission at this time Mayor Smith declared the meeting adjourned.

EVERETT H. KENT,
City Clerk.

district to be assessed therefor is hereby designated as follows:

West Nicolet Blvd., Shiras Hills Subdivision No. 1.

FURTHER RESOLVED that if any curbing, water taps, and/or sewer taps shall be required to effect the above paving, such curbing, or portions of curbing, water taps, and/or sewer taps, shall also be installed, and the cost thereof assessed to the property specially benefited thereby, and added to the assessment upon such property for paving, to be payable in the same manner.

FURTHER RESOLVED, That the City Assessor shall forthwith prepare an assessment roll in accordance with this Resolution.

Mayor Smith stated that this was the date and time set for a public hearing on the following improvement: The paving of East Avenue South from Wright Street. Mayor Smith then declared the public hearing open. Interested citizens affected by this improvement strenuously objected to this improvement. Following considerable discussion on this matter regarding street right of way and other pertinent objects it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that this project be tabled at this time.

A communication from R. H. Morrison, President, Marquette Chamber of Commerce was read wherein it is suggested that the Directors of that organization meet with the City Commission, City Manager and Superintendent of Light and Power Department to be more thoroughly informed as to the different problems the City has regarding the Power problem. Following a lengthy discussion on this matter it was unanimously agreed that the Chamber Director be informed as to when Mr. Sims, Consulting Engineer on Power problems would be in the City at which time a meeting might be formulated.

A telegram from Philip A. Hart, U.S. Senator, was read wherein he informs the City Commission

of activities of the Federal Government approving urban renewal grants to Michigan Communities including the City of Marquette. This telegram was ordered received and placed on file.

A petition signed by 19 property owners in the vicinity of Piqua Street was read wherein a request is made for the installation of street lights on that street. Following a short discussion on this matter it was moved by Commissioner Rydholm, supported by Commissioner Johnson and unanimously adopted this petition be referred to Mr. Moore, Superintendent of the Light and Power Department for Handling.

A communication from W. B. Standberg, Colonel, Corps of Engineers, was read wherein he informs the City Commission that certain funds appropriated by the deepening of harbor facilities has now been earmarked inactive due to the fact that interests owning dock facilities in the harbor do not choose to deepen the berthing area adjacent to the dock facility. This communication was ordered received and placed on file.

A report from City Manager Ernest L. Neumann was read incorporating an estimate of cost for the curbing and paving College Avenue, Norway Avenue to Lincoln Avenue. Following a short discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson that the following resolution be unanimously adopted:

RESOLVED, That the City Manager is directed to prepare plans, specifications and estimate of costs of such improvement, and attach thereto his recommendation as to the proportion of the costs to be paid by special assessment and of the proportion, if any, to be paid as the general obligation of the City; the number of installments for payment; the interest rate thereon; and the land to be included in the special assessment district;

FURTHER RESOLVED, That the City Manager file same with

the City Clerk who shall make same available for public examination;

FURTHER RESOLVED, That the City Clerk shall fix a day for a public hearing on the determination of the necessity for such improvement by the City Commission, and shall cause notice of the time and place of same to be published once in the official newspaper of the City not less than 10 days prior to such date of hearing, such notice to state also that the report of the City Manager, and the plans, specifications and estimate of costs, are on file in his office for public examination, and that he shall also serve a like notice upon each owner of property subject to assessments for such improvement, by United States Mail, at least 10 days prior to such hearing; and that he shall further make proof of such publication and service by affidavit.

A report from City Manager Ernest L. Neumann was read wherein he incorporated the minutes of the Harbor Commission meeting. Following the reading of the Manager's report Mayor Smith ordered the same received and placed on file.

A communication from James B. Connor, Counselor, Cuban Refugee Program was read wherein a request is made to erect four 3 ft. x 6 ft. signs advertising "Ten Minute Car Wash." Following a short discussion on this matter wherein it was pointed out that this request is in direct violation of the building code for the City of Marquette, the Commission referred this matter to the City Attorney to be handled by him.

A communication from Keith J. Semenak, President, Marquette JayCees was read wherein a request is made to conduct a parade in the City of Marquette on Friday, June 8, 1962. Following a short discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson that this request be referred to the City Manager and the Chief of Police to work with the Com-

mittee and with the power to act on this request.

A communication from Allan F. Olson, General Manager, Cliff Dow Chemical Company was read wherein he thanks the various City officials for their efforts in the "Salute to Industry" activities that were held in Marquette. This communication was ordered received and placed on file.

A petition signed by two property owners in Shiras Hills Subdivision No. 1 was read where a request is made for the construction of 100 feet of paving on St. Lussan Drive. Following a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Fine and unanimously adopted that this petition be referred to the City Manager for a study and report.

A report from City Manager Ernest L. Neumann was read wherein he incorporates the report of City Engineer M. J. Keranen regarding water main extensions on McClellan to Varvil's Subdivision. Following the reading of the report of the City Engineer it was moved by Commissioner Carlson, supported by Commissioner Rydholm the following resolution was unanimously adopted:

WHEREAS, A petition has been received and filed requesting the following improvement.

Water Main Extension — McClellan Street to Varvil Subdivision.

RESOLVED, That the City Manager is directed to prepare plans, specifications and estimate of costs of such improvement, and attach thereto his recommendation as to the proportion, if any, to be paid as the general obligation of the City; the number of installments for payment; the interest rate thereon; and the land to be included in the special assessment district;

FURTHER RESOLVED, That the City Manager file same with the City Clerk who shall make same available for public examination;

FURTHER RESOLVED, That the

City Clerk shall fix a day for a public hearing on the determination of the necessity for such improvement by the City Commission, and shall cause notice of the time and place of same to be published once in the official newspaper of the City not less than 10 days prior to such date of hearing, such notice to state also that the report of the City Manager, and the plans, specifications and estimate of costs, are on file in his office for public examination, and that he shall also serve a like notice upon each owner of property subject to assessments for such improvement, by United States Mail at least 10 days prior to such hearing; and that he shall further make proof of such publication and service by affidavit.

A communication from R. J. Hoyer, Administrative Vice President, U.P. Power Company was read wherein he requests an opportunity to acquire the cost of power production for the City of Marquette. Following a lengthy discussion on this matter the Commission directed the City Clerk to inform Mr. Hoyer that these figures are available to him in the Light and Power Department and that he should feel free to come at his convenience to acquire the forementioned figures. However it is the concensus of the Commission that the City is not interested in a contract to purchase power at this time.

Mayor Smith called on Superintendent of Light and Power Department Thomas Moore to explain the matter of a Federal License as is now required for generation plants located on navigable waters. On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted the Superintendent of the Light and Power Department with the assistance of the City Attorney be directed to make application to the Federal Power Commission for a license or licenses covering the City owned power plants.

June 11, 1962

A Regular Meeting of the Marquette City Commission was duly called and held Monday, June 11, 1962 at 7:00 o'clock, P. M.

Present: Mayor Smith, Commissioners Carlson, Johnson, Fine, Rydholm.

Absent: None.

Mayor Smith presented certificates of Appreciation for meritorious service rendered to Chief of Police G. Donald McCormick who has served forty-one years as police officer to our community and wishes him well upon his retirement.

Mayor Smith then presented a certificate to Frank E. Weymouth for fifty years of meritorious and dependable service rendered to our community as a Light and Power Department employee.

On motion of Commissioner, Carlson, supported by Commissioner Johnson and unanimously adopted the reading of the minutes of the previous meeting was waived.

Mayor Smith stated that this was the time and place set for a public hearing regarding the paving and curbing of Norway Avenue, Center Street to Waldo Street. Mayor Smith directed the City Clerk to read the special assessment roll. Mayor Smith then declared the public hearing open. Interested citizens present were heard regarding this particular assessment. Mayor Smith then declared the public hearing closed. On motion of Commissioner Rydholm, supported by Commissioner Fine, the following resolution was unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, of the filing with the City Clerk of the special assessment roll for the following improvement:

Installation of paving and curbing on Norway Avenue — Center Street to Waldo Street.

And appointing this day and time when the City Commission and Assessor would meet to review said assessments and special assessment roll therein; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to such assessment; and

WHEREAS, All suggestions and objections made to said assessment roll therein, have been heard and considered; and

WHEREAS, Said assessment roll and the assessments therein having been reviewed by the Commission and the Assessor and all needful corrections of the same having been made;

RESOLVED, That said assessment roll, to-wit: Special Assessment Roll No. 335, and the respective assessment therein are hereby confirmed:

FURTHER RESOLVED, That such assessments may be paid in five equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of 4% per annum from the date of the confirmation of said special assessment roll.

Mayor Smith stated that this was the time and place set for a public hearing regarding the extension of Chamberlain Street and the curbing and paving of that street. The City Clerk was then directed to read the special assessment roll covering this particular assessment. The public hearing was then declared open.

There being no interested citizens present wishing to be heard on this matter the public hearing was declared closed. On motion of Commissioner Fine, supported by Commissioner Johnson the following resolution was unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City

FURTHER RESOLVED, That such assessments may be paid in five equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of 4% per annum from the date of the confirmation of said special assessment roll.

Mayor Smith declared this was the time and place set for a public hearing to determine the necessity for the water main extension to McClellan Street and Varvil Subdivision. Mayor Smith then declared the public hearing open. Several citizens present who were opposed to this particular project addressed the Commission. A communication from one of the persons directly affected by this project was read and regarded. Following considerable discussion on the matter of the necessity of this project, Mayor Smith directed the public hearing closed. On motion of Commissioner Fine, supported by Commissioner Carlson and

unanimously adopted that in view of the controversy among the citizens affected by this project, the public hearing to determine the necessity be adjourned until the next regular Commission meeting to be held June 25, 1962.

Mayor Smith declared this was the date and time set for a public hearing to determine the necessity for the installation of paving and curbing on College Avenue, Norway Avenue to Lincoln Avenue. Mayor Smith then declared the public hearing open. Interested citizens affected by this improvement were heard by the Commission. Mayor Smith then declared the public hearing closed.

On motion of Commissioner Carlson, supported by Commissioner Johnson the following resolution was unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, that it is the intention of the City Commission to make certain improvements, and to determine the necessity of such improvements as follows:

Curbing and paving College Avenue — Norway Avenue to Lincoln Avenue.

and appointing this day and time when the City Commission would meet to determine the necessity of such improvement; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to assessment therefore; and

WHEREAS, All suggestions and objections made to said improvements have been heard and considered;

RESOLVED, That the City Commission determines that such project and improvements are necessary and proper;

defrayed as the general obligation of the City, if any, shall be as follows:

Owners	\$ 826.00
City	\$3,063.00

FURTHER RESOLVED, That the report of the City Manager, the plans and specifications, and the estimated costs of such improvements, are hereby approved and determined accordingly; that said special assessments may be paid in five installments, at the rate of 4% per annum thereon; and that a special assessment district to be assessed therefor is hereby designated as follows:

College Avenue — Norway Avenue to Lincoln Avenue.

FURTHER RESOLVED, that if any curbing, water taps, and/or sewer taps shall be required to effect the above paving, such curbing, or portions of curbing, water taps, and/or sewer taps, shall also be installed and the cost thereof assessed to the property specially benefited thereby, and added to the assessment upon such property for paving, to be payable in the same manner.

FURTHER RESOLVED, That the City Assessor shall forthwith prepare an assessment roll in accordance with this Resolution.

Mayor Smith announced that this was the date and time set for a public hearing to determine the necessity for the installation of curbing and paving on various streets in Kildahl Subdivision No. 2. Mayor Smith then declared the public hearing open. Various citizens present at the meeting were heard by the Commission. Following a discussion on this particular improvement, it was moved by Commissioner Carlson, supported by Commissioner Fine, that the following resolution be unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, that it is the intention of the City Commission to make certain improvements, and to deter-

mine the necessity of such improvements as follows:

Curbing and paving of the following streets in Kildahl's Subdivision No. 2. West Avenue, Kildahl Avenue, Kimber Avenue and Mildred Avenue.

and appointing this day and time when the City Commission would meet to determine the necessity of such improvement; and

WHEREAS, it appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to assessment therefore; and

WHEREAS, All suggestions and objections made to said improvements have been heard and considered;

RESOLVED, That the City Commission determines that such project and improvements are necessary and proper;

FURTHER RESOLVED, That the proportion of the costs of such improvements which shall be defrayed by special assessment upon the property especially benefited thereby and the proportion to be defrayed as the general obligation of the City, if any, shall be as follows:

assessment upon such property for paving, to be payable in the same manner.

FURTHER RESOLVED, That the City Assessor shall forthwith prepare an assessment roll in accordance with this Resolution.

At this point in the meeting Commissioner Fine asked to be excused as urgent commitments previously made required his presence elsewhere.

A communication from W. H. Schultz, Superintendent, Motor Power, L. S. & I. Railroad Company was read wherein he tenders his resignation as a member of the Harbor Committee for the City of Marquette. This communication was ordered received and placed on file.

A petition signed by eight residents in the 1700 block of West Fair Avenue was read wherein a request was made for the installation of drain tile in the ditch along that Avenue. Following a short discussion on this matter it was moved by Commissioner Rydholm, supported by Commissioner Johnson and unanimously adopted that this petition be referred to the City Manager for a study and report.

A communication from John Zerbel, President, Marquette - Huron Mountain Railroad Company was read wherein a request is made to lease a certain area in the vicinity of Shiras Pool at Presque Isle Park. In his communication Mr. Zerbel describes an area North of Lake Shore Drive and West of the proposed marina.

Following a description on this matter it was moved by Commissioner Rydholm, supported by Commissioner Carlson and unanimously adopted that this matter be referred to the City Attorney and City Manager to study and draw up a lease suitable to the City and to the parties concerned, protecting the vital interests of the citizenry.

A report from City Manager Ernest L. Neumann was read wherein he recommends a revision of the Ambulance rates. Following

a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted that upon recommendation of the City Manager the Ambulance Service Charges be revised as follows:

1. \$15.00 Base Rate for calls outside of the City Limits with a 50c per mile charge for all mileage, one way to the destination.
2. \$8.00 per Call within the City Limits of Marquette.

A communication from City Manager, Ernest L. Neumann was read regarding recommended revisions in the Employees work rules and regulations and Classification and Pay Plan. Following the reading of this communication the Commission unanimously agreed that this matter be taken up with proper representatives of the Employees Union and with the various department heads affected by these changes.

A report from City Manager Ernest L. Neumann was read regarding the installation of curbing and paving of Adams Street from Blemhuber Avenue to Newberry Street. Following a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Rydholm that the following resolution be unanimously adopted.

WHEREAS, A petition has been received and filed requesting the following improvement:

The installation of paving and curbing of Adams Street — Blemhuber to Newberry Street.

RESOLVED, That the City Manager is directed to prepare plans, specifications and estimate of costs of such improvement, and attach thereto his recommendation as to the proportion of the costs to be paid by special assessment and of the proportion, if any, to be paid as the general obligation of the City; the number of installments for payment; the interest rate thereon; and the land to be included in the special assessment district;

FURTHER RESOLVED, That the

City Manager file same with the City Clerk who shall make available for public examination;

FURTHER RESOLVED, That the City Clerk shall fix a day for a public hearing on the determination of the necessity for such improvement by the City Commission, and shall cause notice of the time and place of same to be published once in the official newspaper of the City not less than 10 days prior to such date of hearing, such notice to state also that the report of the City Manager, and the plans, specifications and estimate of costs, are on file in his office for public examination, and that he shall also serve a like notice upon each owner of property subject to assessments for such improvement, by United States Mail, at least 10 days prior to such hearing; and that he shall further make proof of such publication and service by affidavit.

An opinion from City Attorney Waldo A. McCrea was read regarding the problem of a request to erect car wash signs that had been made of the City Commission. In his opinion McCrea recommends that this matter be handled at the Administrative level in view of the fact that the request is of a temporary nature involving the Building Inspector.

The City Commission unanimously agreed that this matter be called to the attention of the Building Inspector who in turn could channel it through the proper board for handling.

A communication from W. M. Noack, Director of Enforcement, Michigan Liquor Control Commission was read wherein he informs the City Commission of a request received for the transfer of a 1962-63 SDD & SDM License from George L. Malvasio to Gail A. Peterson. On motion of Commissioner Johnson, supported by Commissioner Carlson and unanimously adopted this request for a transfer be granted.

A communication from R. H. Morrison, President, Marquette

Chamber of Commerce was read wherein he commends the activities of City Manager Ernest L. Neumann in conjunction with the "Salute to Industry" held during Michigan Week. This communication was ordered received and placed on file.

A communication from A. M. Langius, Director, Building Division, Dept. of Administration, State of Michigan, was read wherein he informs the Commission that the Federal Government's share of the cost of the Planning Program for the Marquette Area Plan has been granted. This communication was ordered referred to the Marquette Area Planning Commission.

A communication from J. Bryan Sims was read calling the Commission's attention to the desirability of having members of the commission visit and inspect presently operating plants in comparative communities to assist the City Commission in its planning for future electric power expansion. On motion of Commissioner Rydholm, supported by Commissioner Johnson and unanimously adopted, the Mayor and such Commissioners as may be able to do so, were given official permission to make the recommended visitations during the latter part of the coming week.

Communication from City Manager Ernest L. Neumann was read recommending the appointment of City Detective Donald Hermanson to be Chief of Police effective July 1, 1962 upon the retirement of Chief of Police McCormick, on a probationary period of six months at a monthly salary of \$475.00. Moved by Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted that upon recommendation of City Manager Ernest L. Neumann, the appointment of Donald Hermanson as Chief of Police effective July 1, 1962, be confirmed.

way Avenue to Lincoln Avenue. Mayor Smith then declared the public hearing open. Interested citizens present addressed the Commission regarding these assessments and the method used in determining the cost of the installation of the intersections. Mayor Smith then declared the public hearing closed. Following a lengthy discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Rydholm and unanimously adopted that this public hearing be adjourned until the next regular Commission meeting.

Mayor Smith announced that this was the date and time set for a public hearing on the confirmation of the special assessment roll for the installation of curbing and paving of the following streets in Kildahl Subdivisions No. 2 and No. 4, West Avenue, Kildahl Avenue, Kimber Avenue and Mildred Avenue. Following the reading of the assessment roll, Mayor Smith declared the public hearing open. There being no one present to be heard regarding this assessment, Mayor Smith declared the public hearing closed. On motion of Commissioner Carlson, supported by Commissioner Johnson the following resolution was unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, of the filing with the City Clerk of the special assessment roll for the following improvement: Curb and pave Kildahl Avenue, West Avenue, Kimber Avenue and Mildred Avenue in Subdivisions No. 2 and No. 4.

and appointing this day and time when the City Commission and Assessor would meet to review said assessments and special assessment roll therein; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to such assessment; and

WHEREAS, All suggestions and

objections made to said assessment roll therein, have been heard and considered; and

WHEREAS, Said assessment roll and the assessments therein having been reviewed by the Commission and the Assessor and all needful corrections of the same having been made;

RESOLVED, That said assessment roll, to-wit: Special Assessment Roll No. 336, and the respective assessment therein, are hereby confirmed;

FURTHER RESOLVED, That such assessments may be paid in five equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of four per cent per annum from the date of the confirmation of said special assessment roll.

A communication from Lucille Treado, Chairman, Marquette City Planning Commission, was read regarding the preliminary plat plan of Badger Brook Subdivision. Following a lengthy discussion on this matter and an examination of the preliminary plat drawings and a reading and examination of the registered land surveyors report, it was moved by Commissioner Johnson, supported by Commissioner Rydholm and unanimously adopted that the City Commission concur with the recommendation of the Marquette City Planning Commission and accept the preliminary plat plan of Beaver Brook Subdivision to the City of Marquette, as presented.

A report from City Manager Ernest L. Neumann was read wherein he tabulated bids received for a quantity of gasoline to be used in the 1962-63 fiscal period. Following a lengthy discussion on this matter of questions in the minds of the various Commissioners, it was moved by Commissioner Rydholm, supported by Commissioner Fine and unanimously adopted that this matter be referred back to the City Manager for a study and report at

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION

June 27, 1962

A Special Meeting of the Marquette City Commission was duly called and held Wednesday, June 27, 1962 at 4:30 p.m.

Present: Mayor Smith, Commissioners Carlson, Fine, Johnson, Rydholm.

Absent: None.

Mayor Smith stated that the purpose of this meeting was to invite an audit firm to examine the City records for the fiscal period 1961-62 and to complete unfinished business now pending before the Commission.

After a short discussion on the matter of the Annual Audit, it was moved by Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that the firm of Ernst and Ernst be invited to examine the records of the various departments of the City of Marquette for the 1961-62 period, and present an audit of these records.

A communication from John R. Huss, Director, Michigan Municipal League was read wherein he informs the City Commission of the Annual meeting of the Resolutions Committee of the League to be held at the Statler-Hilton Hotel in Detroit on September 19, 20 and 21 of 1962. Following a short discussion on this matter wherein the Commission unanimously agreed that representatives will be selected at a later date, this communication was ordered received and placed on file.

City Manager Ernest L. Neumann orally reported on the matter of those individuals working for the City who would not gain by the fringe benefits of having their hospitalization paid by the City. In his report Mr. Neumann informs the Commission that there are 21 people who fall in this

category. Following a round table discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that those people in the category that will not receive any benefits from having insurance premiums paid in their behalf should receive a \$10.00 per month increase in salary, or .05 per hour increase for hourly paid employees, and that upon the changing of the status of such individuals it be automatic that their remuneration change as to these benefits.

The Commission proceeded to examine the cash report as submitted by the City Manager. Following a short discussion of this report Mayor Smith, in behalf of the Commission, thanked City Manager Ernest L. Neumann and the department heads for their efforts in maintaining an operation within the budget.

The Commission, City Manager, Department Heads, and representatives of the various departments discussed the matter of ordinance amendments to Ordinance No. 210. The Mayor and City Commission requested that these changes that have been discussed be written up in an ordinance amendment form to be presented at the June 9, 1962 meeting.

Mayor Smith announced his appointment of former Chief of Police, Don McCormick to serve as a member of the Harbor Committee to fill the vacancy created by the resignation of Walter Schultz. The Commission unanimously concur in this appointment.

There being no other business before the Commission at this time, meeting adjourned.

Moved by Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted, said bills be audited and ordered paid.

Mayor Smith then announced that this was the date and time set for a public hearing on the confirmation of the assessment roll for water main extension from McClellan Street to Varvil Subdivision. Following the reading of the special assessment roll, the public hearing was declared open. Interested citizens present were heard by the Commission regarding this special assessment roll. Following considerable discussion, it was moved by Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that the public hearing on this particular assessment roll be adjourned to the Regular Commission meeting to be held July 30, 1962.

Mayor Smith then announced that this was the date and time set for a public hearing on the confirmation of a special assessment roll for the curbing and paving of Adams Street from Blemhuber Avenue to Newberry Street. Following the reading of the assessment roll, Mayor Smith declared the public hearing open. There being no one present in the audience wishing to be heard on this subject, Mayor Smith declared the public hearing closed. On motion of Commissioner Rydholm, supported by Commissioner Johnson the following resolution was unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, of the filing with the City Clerk of the special assessment roll for the following improvement:

The paving of the 100 Block of Adams Street North of Blemhuber Avenue.

and appointing this day and time when the City Commission and Assessor would meet to review said assessments and special assessment roll therein; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to such assessment; and

WHEREAS, All suggestions and objections made to said assessment roll therein, have been heard and considered; and

WHEREAS, Said assessment roll and the assessments therein having been reviewed by the Commission and the Assessor and all needful corrections of the same having been made.

RESOLVED, That said Assessment roll, to-wit: Special Assessment Roll No. 337, and the respective assessment therein, are hereby confirmed;

FURTHER RESOLVED, That such assessments may be paid in five equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of 4 per cent per annum from the date of the confirmation of said special assessment roll.

acquisition of same. Following a short discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that upon recommendation of the City Manager and the Superintendent of Public Works Department, the City purchase an O'Brien 1,000 Sewer Rodding Machine to be used in the Public Works Department, in the sum of \$4,969.00, less trade-in of \$800.00 for the presently owned machine, and that the City forego calling for bids for this particular piece of equipment in that there would be no advantage to the City to do so.

A report from City Engineer M. J. Keranen regarding a petition for curbing and paving of Schaffer Avenue from Center St. to Norwood Avenue. Following a short discussion on this matter, it was moved by Commissioner Carlson, supported by Commissioner Fine that the following resolution be unanimously adopted:

WHEREAS, A petition has been received and filed requesting the following improvement:

Installation of curbing and paving on Schaffer Avenue (Center Street to Norwood Avenue.)

RESOLVED, That the City Manager is directed to prepare plans, specifications and estimate of costs of such improvement, and attach thereto his recommendation as to the proportion of the costs to be paid by special assessment and of the proportion, if any, to be paid as the general obligation of the City; the number of installments for payment; the interest rate thereon; and the land to be included in the special assessment district.

FURTHER RESOLVED, That the City Manager file same with the City Clerk who shall make same available for public examination;

FURTHER RESOLVED, That the City Clerk shall fix a day for a public hearing on the determination of the necessity for such improvement by the City Commission, and shall cause notice of the time and place of same to be published once in the official news-

paper of the City not less than 10 days prior to such date of hearing, such notice to state also that the report of the City Manager, and the plans, specifications and estimate of costs are on file in his office for public examination, and that he shall also serve a like notice upon each owner of property subject to assessments for such improvement, by United States Mail, at least 10 days prior to such hearing; and that he shall further make proof of such publication and service by affidavit.

A report from City Engineer M. J. Keranen was read regarding a petition received for curbing and paving on Eighth Street from Kaye Avenue to Fair Avenue. In his report Mr. Keranen points out that in view of the fact that construction work is due to commence in that particular area effecting this section of Eighth Street, it is recommended that this petition be held in abeyance until the construction season of 1963. On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted, this petition be deferred until the 1963 construction season.

A report from City Engineer, M. J. Keranen regarding a petition received for the paving of St. Lusson Drive, just off West Nicolet Boulevard in Shiras Hills Addition No. 1 was read. On motion of Commissioner Carlson, supported by Commissioner Rydholm, the following resolution was unanimously adopted:

WHEREAS, A petition has been received and filed requesting the following improvement:

Paving of St. Lusson Drive off West Nicolet Boulevard in Shiras Hills Subdivision No. 1.

RESOLVED, That the City Manager is directed to prepare plans, specifications and estimate of costs of such improvement, and attach thereto his recommendation as to the proportion of the costs to be paid by special assessment and of the proportion, if any, to be paid as the general obligation of the City; the number of installments for payment; the interest rate

thereon; and the land to be included in the special assessment district;

FURTHER RESOLVED, That the City Manager file same with the City Clerk who shall make same available for public examination;

FURTHER RESOLVED, That the City Clerk shall fix a day for a public hearing on the determination of the necessity for such improvement by the City Commission, and shall cause notice of the time and place of same to be published once in the official newspaper of the City not less than 10 days prior to such date of hearing, such notice to state also that the report of the City Manager, and the plans, specifications and estimate of costs, are on file in his office for public examination, and that he shall also serve a like notice upon each owner of property

subject to assessments for such improvement, by United States Mail, at least 10 days prior to such hearing; and that he shall further make proof of such publication and service by affidavit.

A report from City Manager Ernest L. Neumann was read regarding bids called for for the installation of concrete curbing. Following a short discussion on this matter it was moved by Commissioner Johnson, supported by Commissioner Fine and unanimously adopted that upon recommendation of the City Manager the Commission accepts the low bid of N. R. Hongisto in the sum of \$1.60 per lineal foot for this work.

There being no further business before the Commission at this time, Mayor Smith declared the meeting adjourned.

EVERETT H. KENT,
City Clerk.

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION

July 18, 1962

A special meeting of the Marquette City Commission was duly called and held July 18, 1962 at 3:00 o'clock, P. M.

Present: Mayor Smith. Commissioners Carlson, Fine, Johnson, Rydholm.

Absent: None.

A communication from W. M. Noack, Director of Enforcement, Michigan Liquor Control Commission was read wherein he informs the Commission of a request received from Raymond J. Dupras for a transfer of ownership of a 1962 S.D.M. Licensed business from Mary A. Johnson, located at 129 E. Hewitt Avenue, Marquette, Michigan. On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted, this request was granted.

The Commission and City Manager, Ernest L. Neumann proceeded to discuss the various amendments to Ordinance No. 210—Employment Code of the City of Marquette. The Commission unanimously agreed that this matter be held over until the Regular Meeting of July 30, 1962 at which time action could be taken.

The Commission and City Manager Ernest L. Neumann proceeded to discuss the matter of the leasing or sale of City owned property in the vicinity of Presque Isle park. Following considerable discussion on this matter and the examination of drawings of proposed installations in the area, the Commission unanimously agreed that this matter be taken

up at the July 30, 1962 regular commission meeting.

Following a lengthy discussion on the matter of leasing City owned property it was moved by Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that the authorization and approval of a proposed lease to Walter Hurley of certain lands in Government Lot 5, Section 2, Township 48 North, Range 25 West, as adopted by the City Commission on February 27, 1961 be, and is hereby withdrawn and cancelled, such proposed lease never having been accepted and executed by the lessee.

The Commission proceeded to discuss the matter of collecting utility bills other than at City Hall. Following considerable discussion on this matter the Commission requested that the City Manager Ernest L. Neumann report on the various details that this would create.

Superintendent of the Light and Power Department, Thomas Moore addressed the Commission regarding the expenses in a matter of this nature. The Commission unanimously agreed that this matter would be taken up at a later date upon receipt of the report from City Manager Ernest L. Neumann.

There being no other business before the Commission at this time, Mayor Smith declared the meeting adjourned.

EVERETT H. KENT,
City Clerk.

Mayor Smith announced that this was the date and time set for a public hearing to determine the necessity for the installation of paving on St. Lussan Drive in Shiras Hills Subdivision No. 1. Mayor Smith then declared the public hearing open. There being no one present wishing to be heard on this matter, Mayor Smith declared the public hearing closed. On motion of Commissioner Fine, supported by Commissioner Johnson the following resolution be unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, that it is the intention of the City Commission to make certain improvements as follows:

Paving of St. Lussan Drive in Shiras Hills Subdivision No. 1. and appointing this day and time when the City Commission would meet to determine the necessity of such improvement; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to assessment therefore; and

WHEREAS, No suggestions or objections were made to said improvements;

RESOLVED, That the City Commission determines that such project and improvements are necessary and proper;

FURTHER RESOLVED, That the proportion of the costs of such improvements which shall be defrayed by special assessment upon the property especially benefited thereby and the proportion to be defrayed as the general obligation of the City, if any, shall be as follows:

Owners	\$777.00
City	-0-

FURTHER RESOLVED, That the report of the City Manager, the plans and specifications, and the estimated costs of such improvements, are hereby approved and determined accordingly; that said Special assessments may be

paid in five installments, at the rate of four per cent per annum thereon; and that a special assessment district to be assessed therefore is hereby designated as follows:

St. Lussan Drive in Shiras Hills Subdivision No. 1.

FURTHER RESOLVED that if any curbing, water taps and/or sewer taps shall be required to effect the above paving, such curbing, or portions of curbing, water taps, and/or sewer taps, shall also be installed, and the cost thereof assessed to the property specially benefited thereby, and added to the assessment upon such property for paving, to be payable in the same manner.

FURTHER RESOLVED, That the City Assessor shall forthwith prepare an assessment roll in accordance with this Resolution.

Mayor Smith announced that this was the date and time set for a public hearing to determine the necessity for the installation of curbing and base preparation of the 1700 block of Schaffer Avenue, Center Street to Norwood Street. Mayor Smith then declared the public hearing open. Interested citizens present addressed the Commission regarding this proposed improvement. Communications from four property owners were read objecting to this improvement at this time. Mayor Smith declared the public hearing closed. On motion of Commissioner Fine, supported by Commissioner Carlson and unanimously adopted that in view of the fact that so many of the property owners affected by this project were against the improvement, this matter be deferred until such time as more people favor this installation.

Mayor Smith then announced that this was the time and date set for a public hearing on the confirmation of special assessment Roll No. 339 for the installation of curbing and paving of Fair Avenue from Northrop Street to Eighth Street. He then directed the Clerk to read the assessment

roll and assessments therein. Mayor Smith then declared the public hearing open. Interested citizens present addressed the Commission regarding this improvement. He then declared the public hearing closed. On motion of Commissioner Fine, supported by Commissioner Johnson, the following resolution was unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, of the filing with the City Clerk of the special assessment roll for the following improvement:

Curb and Pavement Fair Avenue (Northrop Street to Eighth Street) and appointing this day and time when the City Commission and Assessor would meet to review said assessments and special assessment roll therein; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to such assessment; and

WHEREAS, All suggestions and objections made to said assessment roll therein, have been heard and considered; and

WHEREAS, Said assessment roll and the assessments therein having been reviewed by the Commission and the Assessor and all needful corrections of the same having been made;

RESOLVED, That said assessment roll, to-wit; Special Assessment Roll No. 339, and the respective assessment therein, are hereby confirmed;

FURTHER RESOLVED, That such assessments may be paid in five equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of 4% per annum from the date of the confirmation of said special assessment roll.

Mayor Smith announced that this was the date and time set for a public hearing on the confirma-

tion of special assessment Roll No. 340, he then directed the Clerk to read the roll and the respective assessments therein. Mayor Smith declared the public hearing open. All interested citizens present were heard regarding these assessments. He then declared the public hearing closed. On motion of Commissioner Carlson supported by Commissioner Fine, the following resolution was unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice as required by the City Charter, of the filing with the City Clerk of the special assessment roll for the following improvement:

Curbing and paving of Norway Avenue from College Avenue to Fair Avenue and in Kaye Avenue from Norway Avenue East to the end of the existing pavement, and appointing this day and time when the City Commission and Assessor would meet to review said assessments and special assessment roll therein; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to such assessment; and

WHEREAS, All suggestions and objections made to said assessment roll therein, have been heard and considered; and

WHEREAS, Said assessment roll and the assessment therein having been reviewed by the Commission and the Assessor and all needful corrections of the same having been made;

RESOLVED, That said assessment roll, to-wit: Special Assessment Roll No. 340, and the respective assessment therein, are hereby confirmed;

FURTHER RESOLVED, That such assessments may be paid in equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of 4% per annum from the date of the confirmation of said special assessment roll.

A petition signed by ten residents on North Granite Street was read wherein a request is made for the installation of Street lights. Following a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted that this petition be referred to the City Manager for a study and report.

A petition signed by four property owners on U.S. 41, south of the Conservation Department was read wherein a request is made for the extension of City Water Mains to their property. On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted this petition was referred to the City Manager for a study and report.

A communication from Lawrence Pleaugh was read wherein he requested permission to purchase a Tavern License located in the 1700 block of Presque Isle Avenue and to move said license to Highway U.S. 41 and Furnace Street in Marquette. Following a roundtable discussion wherein Mr. Pleaugh was asked if he cared to address the Commission regarding this matter. On motion of Commissioner Rydholm, supported by Commissioner Fine and unanimously adopted that due to the fact that there are resolutions covering the location of spirits licenses in the City of Marquette and this request is to locate a license beyond the limits, it is denied.

A communication from James P. VanLandegend, Parade Chairman, Ahmed Temple, Masonic Lodge, Marquette, was read wherein a request was made for permission to conduct a parade in the City of Marquette on Saturday, August 11, 1962. On motion of Commissioner Johnson, supported by Commissioner Carlson and unanimously adopted, permission as requested be granted.

The matter of leasing City owned property in the vicinity of Presque Isle was discussed. On

motion of Commissioner Carlson, supported by Commissioner Fine and unanimously adopted the City Attorney be requested to draw up a lease regarding this property to be presented to the Commission at their next regular meeting for action.

A report from City Manager Ernest L. Neumann was read regarding the collection of utility bills other than at City Hall. Following the reading of the City Manager's report, the City Commission unanimously agreed that the City Manager be authorized to proceed to investigate the various places possible for this type of the handling of utility bills.

Mayor Smith directed the Clerk to read an ordinance amendment to ordinance No. 210 — Employment Code of the City of Marquette. Following a discussion on this ordinance amendment and after due consideration, it was moved by Commissioner Carlson, supported by Commissioner Fine and unanimously adopted that the proposed ordinance amendment as follows be accepted as to form and substance:

The City of Marquette Ordains:

Section 1: Section 7.2 of Ordinance No. 210 is hereby amended to read as follows:

7.2 — The needs of the service may require that shifts be staggered; consequently, Department Heads shall designate the particular shifts on which individual employees shall work, as well as beginning and ending times for particular shifts if either are to be varied from standard.

Section 2: Section 7.3 of Ordinance No. 210 is hereby amended to read as follows:

7.3 — All work performed other than the regular work week by employees who are not regularly required to work on such days shall be paid for at the rate of time and one-half. If, on any regular working day an employee is required to work more than the normal working hours for that day, such overtime hours will be paid

for at the rate of time and one-half; provided, however, that these provisions shall not apply to employees classified as refuse and garbage employees. A monthly record of overtime will be posted within each Department showing the accumulated total since the first of the year for each employee.

Section 3: Section 12.2 of Ordinance No. 210 is hereby amended to read as follows:

12.2 — An employee shall be entitled to one working day of sick leave with pay for each month he is on the city payroll. Sick leave may be accumulated to a maximum of 105 days.

Section 4: This Ordinance shall take effect ten (10) days after its adoption and publication.

On motion of Commissioner Fine, supported by Commissioner Johnson the classification and pay plan as proposed and submitted by the City Manager be, and the same is hereby approved and adopted, effective the 1st day of July, 1962.

A communication from Mrs. Gladys Gant, Chairman, Marquette Area Planning Commission was read wherein that Commission recommends that the City of Marquette enter into a contractual agreement with the State of Michigan, Department of Administration and Vilican-Leman, Inc. for a comprehensive plan for the Marquette area, namely: Marquette Township, Chocolay Township and the City of Marquette. On motion of Commissioner Johnson, supported by Commissioner Carlson and unanimously adopted, the City of Marquette enter into a contract in behalf of the City and the forementioned townships and the school district for a comprehensive plan under Section 701 of the Housing and Home Finance Act and that the Mayor and City Clerk be authorized to sign said contract in behalf of the Municipalities.

City Manager Ernest L. Neumann orally requested permission to proceed with a special assessment bond to finance construction

work. Following a short discussion on this matter it was moved by Commissioner Carlson, supported by Commissioner Rydholm and unanimously adopted that the City Manager be authorized to proceed with this special assessment bond issue and authorize the use of facilities of the Michigan Municipal League in this matter.

A report from City Manager Ernest L. Neumann was read regarding the acquisition of street right-of-way on Center Street at Garfield Avenue. Following a discussion on this matter the Commission unanimously agreed that the City Manager be authorized to explore the cost of the necessary moving of a fence now erected on the right-of-way and that the City Manager report his findings back to the City Commission.

A report from City Manager Ernest L. Neumann was read wherein he informs the Commission of an alleged overcharge on a Special Assessment Roll regarding the installation of pavement on Ohio Street, East of Sixth Street. The Commission unanimously agreed that this matter be deferred at this time.

A report from City Manager Ernest L. Neumann was read regarding the installation of paving and curbing on Center Street from Norway Avenue to Lincoln Avenue. On motion of Commissioner Fine, supported by Commissioner Johnson, the following resolution was unanimously adopted:

WHEREAS, A petition has been received and filed requesting the following improvement:

Curbing and Paving of Center Street (Norway Avenue to Lincoln Avenue.)

RESOLVED, That the City Manager is directed to prepare plans, specifications and estimate of costs of such improvement, and attach thereto his recommendation as to the proportion of the costs to be paid by special assessment and of the proportion, if any, to be paid as the general obligation of the City; the number of installments

for payment; the interest rate thereon; and the land to be included in the special assessment district;

FURTHER RESOLVED, That the City Manager file same with the City Clerk who shall make same available for public examination;

FURTHER RESOLVED, That the City Clerk shall fix a day for a public hearing on the determination of the necessity for such improvement by the City Commission, and shall cause notice of the time and place of same to be published once in the official newspaper of the City not less than 10 days prior to such date of hearing, such notice to state also that the report of the City Manager, and the plans, specifications and estimate of costs, are on file in his office for public examination, and that he shall also serve a like notice upon each owner of property subject to assessments for such improvement, by United States Mail, at least 10 days prior to such hearing; and that he shall further make proof of such publication and service by affidavit.

A communication from Walter M. Noack, Director of Enforcement, Michigan Liquor Control Commission, was read wherein he informs the City Commission of a request from the A & P Tea Company for a transfer of location of a 1962-63 SDM Licensed business from 153-157 W. Washington Street to the corner of Third and Spring Streets in the City of Marquette. Following a short discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that this request be granted.

The Commission proceeded to discuss the matter of the forthcoming Michigan Municipal League Meeting to be held in Detroit in September. On motion of Commissioner Fine, supported by Commissioner Rydholm and unanimously adopted Mayor Smith was authorized to attend this forthcoming meeting.

There being no further business before the Commission at this time, meeting adjourned.

Everett H. Kent, City Clerk

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION

August 2, 1962

A Special Meeting of the Marquette City Commission was duly called and held Thursday, August 2, 1962 at 10:00 o'clock, A.M.

Present: Mayor Smith. Commissioners Carlson, Fine, Johnson.

Absent: Commissioner Rydholm.

On Motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted the absence of Commissioner Rydholm be excused, he being away from the City.

Mayor Smith announced that the purpose of this meeting was to receive reports on bids received for a warehouse type building and bids received for bituminous aggregate and related materials and to discuss other business now pending before the Commission.

City Clerk Everett H. Kent notified the Commission that this was the time of the season that consideration should be given the Highway Maintenance contract for the care of U.S. 41 and M-28 in the City of Marquette. Following a short discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that the City of Marquette enter into a Maintenance Contract with the State of Michigan Highway Department for the maintenance of U.S. 41 and M-28 in the City of Marquette, designating Howard Coppens as maintenance superintendent and authorizing the Mayor and City Clerk to sign this agreement in behalf of the City of Marquette.

A report from City Manager Ernest L. Neumann and City Engineer M. J. Keranen was read wherein bids received from bituminous aggregate and related materials were tabulated. Following a discussion on the matter of these bids, it was moved by Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted that upon recommendation of the City Manager and City

Engineer the low bid of Northern Asphalt Company in the sum of \$8.39 per ton for bituminous aggregate laid in place and \$6.35 per ton for cold patch material at the belt of their machine be accepted.

The matter of a City owned paving machine was discussed at length. On motion of Commissioner Carlson, supported by Commissioner Fine and unanimously adopted, the City Manager was authorized to give notice that the City owned paver is for sale.

A communication from Mrs. Richard G. Haight, President, Marquette-Upper Peninsula Chapter, National Cystic Fibrosis Research Foundation was read wherein a request is made to solicit funds in the City of Marquette during the month of September, which is designated as Cystic Fibrosis month. On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted permission as requested, was granted.

Mayor Smith announced that the matter of warehouse bids would now be taken up for discussion. Following a round table discussion on the size of building to be considered the Commission unanimously agreed that a schematic drawing of the planned utilization of floor space in the proposed building would be welcome. City Engineer M. J. Keranen agreed that this drawing would be forthcoming.

Mayor Smith stated that in view of the difference of opinion among the bidders as to the directions given in the specifications that affected their particular bid, a request was made that each bidder present address the Commission regarding their particular building and where a building built by each one's Company might be seen. Mayor Smith then declared a recess to allow the Commission an opportunity to converse over statements made by each representative. Following a five minute re-

cess Mayor Smith re-called the meeting to order. On motion of Commissioner Fine, supported by Commissioner Carlson and unanimously adopted all bids received on a warehouse type building be rejected and that new bids be called for on revised specifications

for an 80 ft. x 100 ft. building. These bids to be opened at 2:00 o'clock, P.M. August 8, 1962.

There being no other business before the Commission at this time, meeting declared adjourned.

Everett H. Kent, City Clerk

OFFICIAL PROCEEDINGS OF THE CITY COMMISSION

August 13, 1962

A Regular Meeting of the Marquette City Commission was duly called and held Monday, August 13, 1962 at 7:00 o'clock, P. M.

Present: Mayor Smith, Commissioners Carlson, Fine, Johnson, Rydholm.

Absent: None.

On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted, the reading of the minutes of the previous meeting was waived.

On motion of Commissioner Rydholm, supported by Commissioner Carlson and unanimously adopted the bills payable now on file with the City Clerk, totaling \$134,906.58, including the net payroll of the Peter White Public Library in the sum of \$3,092.64, were approved and ordered paid.

Mayor Smith announced that this was the date and time set for a public hearing to confirm Special Assessment Roll No. 342, for the paving of St. Lussion Drive in Shiras Hills Subdivision No. 1. He then declared the public hearing open. There being no interested citizens present wishing to be heard on this matter, the public hearing was declared closed. It was moved by Commissioner Carlson, supported by Commissioner Johnson that the following resolution be unanimously adopted.

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, of the filing with the City Clerk of the special assessment roll for the following improvement:

Paving of St. Lussion Drive in Shiras Hills Subdivision No. 1. and appointing this day and time when the City Commission and Assessor would meet to review said assessments and special assessment roll therein; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each

owner of property subject to such assessment; and

WHEREAS, All suggestions and objections made to said assessment roll therein, have been heard and considered, and

WHEREAS, Said assessment roll and the assessments therein having been reviewed by the Commission and the Assessor and all needful corrections of the same having been made.

RESOLVED, That said assessment roll, to-wit: Special Assessment Roll No. 342, and the respective assessment therein, are hereby confirmed;

FURTHER RESOLVED, That such assessments may be paid in five equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of 4% per annum from the date of the confirmation of said special assessment roll.

Mayor Smith announced that this was the date and time set for a public hearing to determine the necessity for the installation of paving and curbing on Center Street from Norway Avenue to Lincoln Avenue. He then declared the public hearing open. There being no one present wishing to address the Commission regarding this improvement, the hearing was then declared closed. On motion of Commissioner Fine, supported by Commissioner Johnson, the following resolutions were unanimously adopted:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, that it is the intention of the City Commission to make certain improvements, and to determine the necessity of such improvements as follows:

when the City Commission would meet to determine the necessity of such improvement; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to assessment therefore; and

WHEREAS, All suggestions and objections made to said improvements have been heard and considered;

RESOLVED, That the City Commission determines that such project and improvements are necessary and proper;

FURTHER RESOLVED, That the proportion of the costs of such improvements which shall be defrayed by special assessment upon the property especially benefited thereby and the proportion to be defrayed as the general obligation of the City, if any, shall be as follows:

Owners Share ..	\$1,234.00
City Share	392.00

FURTHER RESOLVED, That the report of the City Manager, the plans and specifications, and the estimated costs of such improvements, are hereby approved and determined accordingly; that said special assessments may be paid in five installments, at the rate of 4% per annum thereon; and that a special assessment district to be assessed therefor is hereby designated as follows:

Center Street (Norway Avenue to Lincoln Avenue).

FURTHER RESOLVED, That if any curbing, water taps, and/or sewer taps shall be required to effect the above paving such curbing or portions of curbing; water taps, and/or sewer taps, shall also be installed, and the cost thereof assessed to the property specially benefited thereby, and added to the assessment upon such property for paving, to be payable in the same manner.

FURTHER RESOLVED, That the City Assessor shall forthwith prepare an assessment roll in accordance with this Resolution.

Mayor Smith announced that

this was the date and time set for a public hearing on an ordinance to amend Ordinance No. 210, commonly known as the Employment Code of the City of Marquette which was introduced at the July 30, 1962 regular commission meeting. Following the reading of the ordinance amendment Mayor Smith declared the public hearing open. There being no one present wishing to address the Commission regarding this amendment, the hearing was declared closed. On motion of Commissioner Carlson, supported by Commissioner Johnson, the following ordinance amendment was unanimously adopted:

The City of Marquette ordains:

Section 1: Section 7.2 of Ordinance No. 210 is hereby amended to read as follows:

7.2 — The needs of the service may require that shifts be staggered; consequently, Department Heads shall designate the particular shifts on which individual employees shall work, as well as beginning and ending times for particular shifts if either are to be varied from standard.

Section 2: Section 7.3 of Ordinance No. 210 is hereby amended as follows:

7.3 — All work performed other than the regular work week by employees who are not regularly required to work on such days, shall be paid for at the rate of time and one-half. If, on any regular working day an employee is required to work more than the normal working hours for that day, such overtime hours will be paid for at the rate of time and one-half, provided, however, that these provisions shall not apply to employees classified as refuse and garbage employees. A monthly record of overtime will be posted within each Department showing the accumulated total since the first of the year for each employee.

Section 3: Section 12.2 of Ordinance No. 210 is hereby amended to read as follows:

Official Proceedings of the City Commission

—Continued

12.2 — An employee shall be entitled to one working day of sick-leave with pay for each month he is on the city payroll. Sick leave may be accumulated to a maximum of 105 days.

Section 4: This Ordinance shall take effect ten (10) days after its adoption and publication.

A communication from Leonard W. Johnson, Secretary, Exchange Club of Marquette, was read wherein a request was made for that organization to conduct a Toothbrush Drive in the City of Marquette on Friday, August 31, 1962. On motion of Commissioner Fine, supported by Commissioner Rydholm and unanimously adopted, permission as requested be granted.

The Annual Report of the Peter White Public Library was presented. Following a short discussion on this matter it was moved by Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that this report be received and placed on file for public inspection.

A report from City Manager Ernest L. Neumann was read wherein he submits a copy of a proposed lease of City-owned property to the Marquette-Huron Mountain Railroad Company, Inc. Following the reading of the land description for this lease agreement it was moved by Commissioner Rydholm, supported by Commissioner Carlson that the following resolution be unanimously adopted:

RESOLVED, That a lease be approved and authorized to the Marquette and Huron Mountain Railroad Company, Inc. for property situated West of Lake Shore Boulevard and South of Island Beach Road and North of the L.S.&I. Railroad Company property, in the City of Marquette, for a term of ten years, with option of renewal for two successive ten year terms, at a rent of \$45.00 per month, subject to the conditions and protective provisions contained in a draft of a proposed

lease presented to the Commission, and that the Mayor and City Clerk be authorized to execute same in behalf of the City of Marquette.

A report from City Manager Ernest L. Neumann was read regarding a tabulation of bids received for chlorination equipment to be used at the Sewage Disposal Plant. On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted that upon recommendation of the City Manager, Ernest L. Neumann and Superintendent of the Sewage Disposal Plant, Merrill A. Fronney Sr., the bid of Wallace & Tiernan, Inc. for a V-notch, Series A-711 chlorinator in the sum of \$1,839.00 be accepted.

A report from City Manager Ernest L. Neumann was read regarding bids received for fire apparatus to be used in the Fire Department. Following the reading of a tabulation of bids received it was moved by Commissioner Fine, supported by Commissioner Rydholm and unanimously adopted that upon recommendation of the City Manager and Fire Chief John W. OFFICIAL PROCEEDINGS OF THE CITY COMMISSION

August 28, 1962

A Special Meeting of the Marquette City Commission was duly called and held Tuesday, August 28, 1962 at 3:30 o'clock, P.M.

Present: Mayor Smith, Commissioners Carlson, Fine, Johnson.

Absent: Commissioner Rydholm.

On motion of Commissioner Fine, supported by Commissioner Johnson and unanimously adopted the absence of Commissioner Rydholm be excused, he being away from the City.

Mayor Smith announced that the purpose of this meeting was to consider the recommendations of J. Bryan Sims, Consulting Engineer and Thomas Moore, Superintendent of the Light and Power Department regarding bids received for the Electric Power Plant Improvement project contract. Following the reading of this recommendation it was moved by Commissioner Carlson, supported by Commissioner Johnson and unanimously adopted that upon recommendation of the Consulting Engineer and Superintendent of the Light and Power Department this contract be awarded to the Yalmer Mattila Company of Houghton, Michigan.

There being no other business before the Commission at this time the meeting was declared closed.

Mayor Smith announced that the Power meeting scheduled for 4:00 o'clock, P.M. would be called to order at that time.

At 4:00 o'clock, P.M. Mayor Smith called the room to order and stated that this was an informal meeting of the Board of Directors of the Chamber of Commerce, City Commission, and interested citizens to discuss the power problem

of the City of Marquette. Mayor Smith introduced Mr. J. Bryan Sims, Consulting Engineer, Mr. Claude VerDuin, Executive Secretary of the Michigan Municipal Utilities Association, and Mr. R. C. Hammerschmidt, Vice President of the Chamber of Commerce and other officials present.

Mayor Smith called on Mr. Ernest L. Neumann, City Manager, to review the history of the power situation beginning during the period of expansion in 1955 to the present. Mr. Moore, Superintendent of the Power Department, informed those present of the condition of the equipment that has been in storage that will now be installed at the power plant. Mr. Sims discussed the installation of this engine and what its installation would mean in the generation of energy and what period it is expected to produce sufficient energy to meet the needs of the community. The construction of a steam generating plant was also discussed. Questions from interested citizens present were answered by the various officials. Mr. Claude VerDuin addressed the meeting and outlined the power picture as seen by the Michigan Municipal Utilities Association. In his outline he pointed out a comparison of our community with similar sized communities throughout the State assuring those present that the situation in our community is a healthy one.

There being no other questions or comments, Mayor Smith declared this informal meeting closed.
