A report and recommendation from the City Manager regarding final change orders for the City Hall contract was read. It was moved by Commissioner Stow, supported by Commissioner Brumm and carried unanimously to approve Change Order #5 in the amount of \$660.00 additional with M & S Electric Corporation and Change Order #2 in the amount of \$666.00 refunded with Modern Plumbing and Heating.

Commissioner Brumm then inquired as to the status of the former Charter Commission files. He was informed that all of these materials are in either the City Manager's or City Clerk's office. Following a discussion regarding the need to amend the present Charter, it was moved by Commissioner Brumm, supported by Commissioner Jackson and carried unanimously to form a committee to re-evaluate the present Charter with the thought of amending it. It was then moved by Commissioner Brumm, supported by Commissioner Jackson and carried unanimously that this committee be composed of 11 members, 2 appointed by each Commissioner and 3 appointed by the Mayor.

Commissioner Brumm then noted that he had received several complaints about the lights being off at the Hurley Field Ice Rink. He was informed that the electrical switch box had been destroyed twice in the present ice season by vandalism and would not be replaced until such vandalism stops.

Commissioner Stow noted that he had received complaints about signs blocking the views at intersections on Front Street, particularly at Genesee Street.

Mayor Greer then announced that the third Monday of each month was to be set aside for open forum at which time the Commission would meet with any interested citizens to discuss community affairs. The first of these forums is to be held in the Commission Chambers at 7:00 P.M. on Monday, the 19th of January.

The meeting was adjourned.
