A communication from the Planning Board regarding the preliminary plat of the Marquette Industrial Park was then read. Following a discussion regarding the nature of the improvements to be constructed, it was moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to take this matter under advisement.

The Clerk then read a communication from the Planning Board regarding rezoning of the Marquette Industrial Park. It was moved by Commissioner Stow, supported by Commissioner Jackson and carried to set the next

regular meeting as the time and date for a public hearing on the rezoning of that portion of the Industrial Park west and south of Baraga Avenue to B-3 (General Business District) and that portion of the Industrial Park north and east of Baraga Avenue to I-1 (Industrial District).

A communication from the Planning Board recommending that Bluff Street not be closed between Seventh Street and Park Avenue for sledding purposes was read. It was moved by Commissioner Jackson, supported by Commissioner Stow and carried unanimously to place this communication on file.

Mayor Greer then requested that the City Manager and other administrators conduct a feasibility study of a public-safety department, said study to last for the period of one year.

Mayor Greer also expressed her thanks to the Red Cross personnel staffing the first aid room at the Lakeview Arena during the recent hockey tournament.

Mayor Greer then noted that January 19th at 7:00 P.M. would be the first of the City Commission's open forum meetings at which interested persons could discuss matters of concern with the Commission.

Commissioner Alholm reported he had received several complaints regarding snow removal procedures on Third Street. Mr. McNabb stated that these procedures would be altered to alleviate the problems.

Commissioner Jackson inquired as to the status of a case management system which was to be established in the Police Department. He was informed by Mr. McNabb that starting the first of the year the Commission would receive monthly followup reports on all felony arrests.

Commissioner Stow inquired as to the status of the speed limit lowering on South Front Street. The City Manager responded that the Highway Department is studying this proposal.

Upon Commissioner Alholm's inquiry as to the use of the outdoor skating rinks, Mr. McNabb stated that each rink would be divided into equal portions by a rope with half to be used for hockey and half to be used for regular skating.

Following a verbal recommendation by Mr. McNabb, it was moved by Commissioner Jackson, supported by Commissioner Brumm and carried to designate Mr. Ronald Heaviland as the City's Contract Officer for the Critical Areas Treatment Program of the Soil Conservation Service.

The meeting was adjourned.

OFFICIAL PROCEEDINGS OF THE
MARQUETTE CITY COMMISSION

A regular meeting of the Marquette City Commission was duly called and held on Monday, January 26, 1976 at 7:00 P.M.

Present: Mayor Greer. Commissioners Alholm, Brumm, Jackson, Stow.

Absent: None.

It was moved by Commissioner Alholm, supported by Commissioner Jackson and carried unanimously to dispense with the reading of the minutes of the previous meeting.

Total bills payable in the amount of \$315,076.25 were presented. It was moved by Commissioner Stow, supported by Commissioner Jackson and carried unanimously that these bills be paid.

Mayor Greer then announced that this was the time and date for a public hearing on the rezoning of land in the proposed Marquette Industrial Park. Mr. Bill Evert addressed the Commission regarding the desire of two automobile dealers to locate in this area. The hearing was closed. Following a lengthy discussion regarding the advisability and benefits of industrial versus business and industrial zoning in the proposed Industrial Park, it was moved by Commissioner Jackson and supported by Commissioner Stow to rezone the area encompassed within the preliminary plat of the Marquette Industrial Park as follows: Lots 1 through 16, from I-2 (Industrial District) to B-3 (General Business District) and lots 17 through 26 from I-2 (Industrial District) to I-1 (Industrial District). The following vote was taken:

Ayes: Commissioners Brumm, Jackson, Stow.

Nays: Mayor Greer. Commissioner Alholm.

The motion was carried.

Mayor Greer then announced that this was the time and date set for a public hearing on project priorities for the 1976 Housing and Community Development Block Grant Program. There were no persons wishing to comment on these projects. Following a discussion, it was moved by Commissioner Stow, supported by Commissioner Jackson and carried unanimously to adopt the following projects as having top priorities for this program:

1. Purchase of Soo Line property	\$120,000.00
2. Development of Soo Line property (sewer & water mains and roads)	75,000.00
3. Funding for elderly low-income housing rehabilitation through Action Housing Incorporated	15,000.00
4. The City's share of the Step-One Wastewater Treatment Study	10,000.00
5. Administrative Costs	7,500.00
6. Funding for increased Code enforcement	10,000.00

7. Further development at the Washington Street pocket park	3,500.00
8. Development of a Bicentennial scenic overlook park on South US 41	5,000.00
Total:	\$246,000.00

The Clerk then announced that this was the time set aside for reconsideration of Special Assessment Tax Roll #449, water taps and sewer laterals on Pioneer Road, Pioneer Park to Sanitary Landfill gate. Following a discussion regarding the City's policy on sewer and water laterals for developable property, it was moved by Commissioner Stow and supported by Commissioner Greer to adopt the standard form resolution for Special Assessment Tax Roll #449. The following vote was taken:

Ayes: Mayor Greer. Commissioner Stow.

Nays: Commissioners Alholm, Brumm, Jackson.

The motion was not carried.

It was then moved by Commissioner Brumm and supported by Commissioner Alholm to adopt the following resolution with the understanding that the Berglunds would be assessed for only one water tap and sewer lateral:

WHEREAS, It appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, of the filing with the City Clerk of the special assessment roll for the following improvement:

Water taps and sewer laterals on Pioneer Road, Pioneer Park to the Sanitary Landfill gate

and appointing this day and time when the City Commission and Assessor would meet to review said assessments and special assessment roll therein; and

WHEREAS, It appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to such assessment; and

WHEREAS, All suggestions and objections made to said assessment roll therein, have been heard and considered; and

WHEREAS, Said assessment roll and the assessments therein having been reviewed by the Commission and the Assessor and all needful corrections of the same having been made;

RESOLVED, That said assessment roll, to-wit: Special Assessment Roll #449 and the respective assessment therein, are hereby confirmed;

FURTHER RESOLVED, That such assessments may be paid in 5 equal annual installments at the time fixed for the payment of regular city taxes, together with interest on such installments at the rate of 4% per annum or the actual cost of such borrowing; from the date of the confirmation of said special assessment roll. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Brumm, Jackson.
Nays: Commissioner Stow.
The motion was carried.

Mayor Greer announced that this was the time set aside for citizens wishing to address the Commission. Mr. Peter Embley addressed the Commission commenting that the proposed industrial park should be developed by the City as a regional automotive sales center and requested that the Mayor investigate possible federal grants for the establishment of health maintenance organizations. Mr. Alden Clark inquired as to the procedure on commenting on the McClellan Avenue situation. He was informed that the Commission would hear comments later.

The Clerk then read a communication from City Attorney, Robert Bordeau stating that he could not represent the City in the case of Forsberg versus the City of Marquette due to a conflict of interest within his law firm. Following a brief discussion, it was moved by Commissioner Jackson and supported by Commissioner Stow to request that the firm of McDonald and McDonald represent the City in this case. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Jackson, Stow.
Nays: Commissioner Brumm. The motion was carried.

Mayor Greer then announced that this was the time set aside for reconsideration of construction on McClellan Avenue. Mr. Alden Clark addressed the Commission regarding this matter. Following a lengthy discussion regarding alternatives, it was moved by Commissioner Alholm and supported by Mayor Greer to study the engineering problems at the intersection of Washington and McClellan Avenue and to develop plans for the construction of McClellan Avenue in this area. The following vote was taken:

Ayes: Mayor Greer. Commissioner Alholm.

Nays: Commissioners Brumm, Jackson, Stow. The motion was not carried.

Following more discussion, City Attorney Bordeau noted that no commission action was required regarding the Planning Board's amendment to the Master Plan adopting a route for McClellan Avenue south of Washington Street. Mayor Greer concluded the discussion by recommending that the Planning Board consult with the engineering firm working on this design regarding alternate solutions for the route problems at the Bothwell Middle School site and the house which would have to be removed on Pioneer Road.

The Clerk announced that this was the time designated by the Commission for noting sources within the budget from which the \$10,000 grant to the Marquette Transit Authority could be taken. Commissioner Brumm requested that this matter be postponed until the second meeting in February.

The Clerk then read a communication from the Young Women Today commending the City for park development. Mayor Greer directed that this communication be forwarded to the Parks and Recreation Department.

Mayor Greer then noted that the application for the new senior citizen housing project has been accepted and progress is expected in this area; requested a brief report regarding sidewalk snowplowing, which was given by Mr. McNabb; and noted that the second planning meeting for Townmeeting '76 would be held in the Commission Chambers on Thursday, January 29, 1976 at 7:00 P.M.

Commissioner Brumm then noted problems with heating and a leaking roof at the Lakeview Arena.

Commissioner Alholm noted that he had received complaints regarding the telephone system at the City Hall.

Commissioner Jackson stated that former renters in the First Presbyterian Church parking lot should be notified that this rent is now payable to the City; questioned the City Attorney regarding the Political Reform Act; and requested that the Commission consider the adoption of an ombudsman program.

Mr. Don Potvin addressed the Commission commending the City for its assistance in developing the cross country ski trail on the west portion of Park Cemetery and inquired as to why it could not be lighted if private funds were provided. The City Manager responded that if vandalism does not prove to be a problem, the lights could be installed in the future.

Mike Hongisto addressed the Commission stating that as long as many people seem opposed to the McClellan Avenue project he also opposed it. Mr. David Zurcher inquired as to the status of McClellan Avenue construction. He was informed that the Planning Board's amendment to the Master Plan was valid and that the Commission would consider other action in the future.

The meeting was adjourned.

OFFICIAL PROCEEDINGS OF THE
MARQUETTE CITY COMMISSION

A regular meeting of the Marquette City Commission was duly called and held on Monday, February 9, 1976 at 7:00 P.M.

Present: Mayor Greer. Commissioners Alholm, Jackson, Stow.
Absent: Commissioner Brumm.

It was moved by Commissioner Stow, supported by Commissioner Jackson and carried unanimously to excuse the absence of Commissioner Brumm.

It was then moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to dispense with the reading of the minutes of the previous meeting.

Total bills payable in the amount of \$152,720.02 were presented. Commissioner Jackson stated that he had financial interest in one of the companies to be paid. It was moved by Commissioner Stow and supported by Commissioner Alholm that these bills be paid. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Stow.

Nays: None.

Abstention: Commissioner Jackson. The motion was carried.

The Clerk read a communication from Mr. Ernest Longtine requesting consideration of a municipal golf course. The letter was accompanied by a petition with 355 signatures. Following a lengthy discussion regarding previous actions towards a municipal golf course, it was moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to refer this communication to the Director of Parks and Recreation for further study.

A report and recommendation from the City Manager regarding the approval of the preliminary plat of the Marquette Industrial Park was read. Following a brief discussion regarding scheduling of improvements and the possibility of grading the entire subdivision prior to sale of lots in it, it was moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to accept the preliminary plat of the Marquette Industrial Park.

Mayor Greer announced that this was the time set aside for citizens wishing to address the Commission. Mr. Peter Embley addressed the Commission regarding the proposed expansion of the Shiras Steam Plant and the possibility of coordinating development of this plant with development at the U. P. Generating Company's Presque Isle station. Mr. David Zurcher addressed the Commission regarding previous Commission proceedings stating that he felt they were inadequate.

The Clerk then read a proposed resolution regarding suspension of State medicaid payments for certain services. Noting that he would like more background regarding this matter, it was moved by Commissioner Jackson, supported by Commissioner Stow and carried unanimously to defer consideration of this resolution until the next meeting.

The Clerk then read a resolution regarding the ROTC Program. It was moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to adopt the following resolution:

WHEREAS, The young men and women of the ROTC program have made many contributions to the life of our community through the sponsorship of special events and through their willingness to lead and participate in City-wide projects; and

WHEREAS, the Governor of the State of Michigan, The Honorable William G. Milliken, has proclaimed the week of February 15 - 21, 1976 as ROTC week in this state;

THEREFORE BE IT RESOLVED, that we, the members of the Marquette City Commission proclaim the week of February 15 - 21 ROTC week in Marquette and urge all citizens to join in recognizing the work of the ROTC Program, as well as its goals and objectives.

A communication from Local 643 of the International Association of Firefighters was then read. It was moved by Commissioner Stow, supported by Commissioner Alholm, and carried unanimously to place this communication on file pending a meeting to be held with representatives from the Association in February.

Mayor Greer noted that the Commission had agreed to postpone the installation of lighting on the cross-country ski trail until late this fall due to possible changes in trail locations resulting from the first season of use, and difficulties in installing lights in winter. She also questioned Parks and Recreation Director, Ronald Heaviland, regarding the possibility of utilizing Shiras Pool for skating in the winter. Mr. Heaviland said he would investigate this matter.

Commissioner Stow inquired as to whether there had been any response from the State Highway Department regarding the lowering of speed limits on U.S. 41 South in the Shiras Hills area.

Mr. Peter Embly addressed the Commission suggesting the establishment of an Industrial Development Authority which could influence the industrial makeup of the City with a goal of creating long term stable employment.

Mr. John Racine requested that the meeting with the International Association of Firefighters be rescheduled to a time when all City Commissioners would be in attendance. The City Manager will be responsible for scheduling this meeting.

The meeting was adjourned.

Absent: Mayor Greer.

It was moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to excuse the absence of Mayor Greer.

It was then moved by Commissioner Alholm, supported by Commissioner Stow and carried unanimously to dispense with the reading of the minutes of the previous meeting.

Total bills payable in the amount of \$169,426.23 were presented. It was moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously that these bills be paid.

The Clerk then read a petition signed by 21 residents of the 600 block of College Avenue requesting that parking be banned on both sides of that block between 7:00 a.m. and 3:00 p.m. A communication regarding this petition was also read. It was moved by Commissioner Alholm and supported by Commissioner Stow to refer this request to the City Manager and Police Chief for study and report. The following vote was taken:

Ayes: Mayor Pro-Tem Jackson. Commissioners Alholm, Stow.

Nay: Commissioner Brumm. The motion was carried.

Commissioner Brumm said that since all the residents of that block had signed the petition, the parking should be removed.

A communication from baseball interests in the City was read requesting the installation of lights in one of the north Marquette baseball fields. It was moved by Commissioner Stow and supported by Commissioner Alholm to refer this request to the Parks and Recreation Board for consideration of its inclusion in the budget for the upcoming fiscal year. This motion was carried unanimously.

A report and recommendation from the City Manager regarding the City's Solid Waste Recovery Project was read. Following a brief discussion, it was moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to adopt the following resolution:

WHEREAS, The City of Marquette wishes to undertake the program activity of a Regional Solid Waste/Resource Recovery Program and;

WHEREAS, the total cost of said project is estimated to be \$7,000,000, and;

WHEREAS, we desire to secure financial assistance from the Federal and/or State government to help defray the cost of the project, and we understand that the remaining local share of the cost must be made available from local sources, such as user fees, millage, etc.;

NOW THEREFORE BE IT RESOLVED, that such local share will be available for matching with Federal and/or State aid during the 1977 calendar year.

Mayor Pro-Tem Jackson announced that this was the time set aside for citizens wishing to address the Commission. Colleen Munckres addressed the Commission supporting the petition for the removal of parking on the 600 block of West College.

Mayor Pro-Tem Jackson announced that this was the time set for reconsideration of a resolution on Medicaid benefit cuts. He noted that since this resolution had been introduced by Mayor Greer who was absent that its consideration should be postponed until the next regular meeting. There were no objections to this action.

Mayor Pro-Tem Jackson announced that this was the time set aside for Commissioners to note sources in the budget for \$10,000 granted to the Marquette Transit Authority. Commissioner Brumm noted that money had been saved in the purchase of a road grader for the Public Works Department and in the purchase of police cars for the Police Department. Commissioner Alholm noted that he had discovered the sources also and had determined that their designation for this use was a bookkeeping matter which would require City Commission action. It was then moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to direct the City Manager and Accountant to analyze the budget and report on areas which have a total of \$10,000 in unused funds.

Mayor Pro-Tem Jackson noted that he was having problems attending the open forum meetings held by the Commission on Mondays opposite the regular Commission meetings. Commissioner Stow noted that action should be postponed in re-scheduling these meetings until Mayor Greer is present because she was instrumental in starting them. Noting that he had received many complaints regarding electric utility bills, it was then moved by Mayor Pro-Tem Jackson, supported by Commissioner Stow and carried unanimously to direct the City Manager to request a report from the Board of Light and Power on the application of the fuel adjustment clause to the utility bills.

Commissioner Alholm then stated that he felt a policy for the installation of water and sewer laterals in large acreages should be set before the next construction season. The City Manager noted that these matters are usually discussed at the budget meetings.

It was then moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously that the City take whatever action is necessary to avoid busy signals for persons calling the Police and Fire Departments with emergency calls.

Mayor Pro-Tem Jackson announced that this was the time set aside for citizens who wished to address the Commission. Mr. Kenneth Fauth asked if a safety study of the intersection of McClellan Avenue with Washington Street and U.S. 41 had been started yet. He was informed that this study would be undertaken in conjunction with an engineering study of the situation this summer when the engineers could work out of doors. It was then moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to direct that the City Manager contact the Soo Line Railroad immediately to see if they would give up their right-of-way for the Dead River Spur to be used as a route for McClellan Avenue. Mr. David Zurcher submitted a petition calling for a resolution removing McClellan Avenue from the City's Master Plan. Commissioner Brumm made a motion to this effect but it was not supported. Mr. Bob Kimball then stated that he felt since it had received a petition with 700 signatures and 300 postcards objecting to the development of McClellan Avenue as a thoroughfare, the Commission should realize there was no indecision on this matter.

The meeting was adjourned.

OFFICIAL PROCEEDINGS OF THE
MARQUETTE CITY COMMISSION

A regular meeting of the Marquette City Commission was duly called and held on Monday, March 8, 1976 at 7:00 p.m.

Present: Mayor Greer. Commissioners Alholm, Brumm, Jackson, Stow.
Absent: None.

It was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to dispense with the reading of the minutes of the previous meeting.

Total bills payable in the amount of \$191,120.06 were presented. It was moved by Commissioner Alholm and supported by Commissioner Brumm that these bills be paid. Following a discussion, it was moved by Commissioner Stow and supported by Commissioner Jackson to remove the Marquette Transit Authority subsidy of \$10,000 pursuant to Section 12.2.4 of the City Charter. The following vote was taken:

Ayes: Commissioners Jackson, Stow.

Nays: Mayor Greer. Commissioners Alholm, Brumm. The amending motion was defeated. The vote taken on the original motion was as follows:

Ayes: Mayor Greer. Commissioners Alholm, Brumm.

Nays: Commissioners Jackson, Stow. The motion to pay the bills was carried. It was then moved by Commissioner Stow and supported by Commissioner Jackson that the bill payable to the Marquette Transit Authority not be paid until the City Attorney could render an opinion regarding it. City Attorney Bordeaux stated that this matter had already been voted upon and that it was not proper to reconsider it.

City Clerk, Norman Gruber, then read a communication from the Town Meeting '76 Steering Committee. Following a brief discussion, it was moved by Commissioner Alholm, supported by Commissioner Brumm and carried unanimously to grant Town Meeting '76 \$100.00.

The Clerk then read a resolution for the Commission's consideration. Following a discussion, it was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to adopt the following resolution:

WHEREAS, Public Television is a noncommercial broadcasting venture supported by taxes and public donations, and

WHEREAS, Public Television exists to bring the best in Art, Culture, Entertainment and Education to the public which supports it, through programs such as Masterpiece Theatre, The Boston Pops, Great Performances, Monty Python, Sesame Street and Electric Company.

WHEREAS, Public Television will be actively seeking financial support for programming during Festival '76, March 7 through March 21,

THEREFORE, be it resolved that we, the City Commission of Marquette, proclaim the month of March as PUBLIC TELEVISION MONTH in Marquette and urge that all participate in this most valuable television service.

Next, the Clerk read a resolution regarding medicaid payment cuts for the Commission's consideration. It was moved by Commissioner Alholm and supported by Mayor Greer to adopt the resolution. Karlyn Rapport representing the Marquette County Board of Health and the Zone III Health Planning Council addressed the Commission regarding the proposed cuts in medicaid payments. It was then moved by Commissioner Jackson and supported by Commissioner Brumm to add the following phrase to the resolution: Whereas we support Governor William Milliken in his efforts to achieve fiscal responsibility in the state. The following vote was taken on the amendment:

Ayes: Commissioners Alholm, Brumm, Jackson, Stow.

Nays: Mayor Greer. The amendment was carried. The Commission then voted unanimously to adopt the following resolution:

WHEREAS, we support Governor William Milliken in his efforts to achieve fiscal responsibility in the state,

WHEREAS, Governor William Milliken issued Executive Order 75-12 prohibiting the use of Medicaid payments for recipients age 21 and over for the following services:

Physical therapy in long term care facilities

All Occupational Therapy

All Speech Therapy

Dental Services

Vision Services

All Hearing services including hearing evaluations and provisions of needed hearing aids

WHEREAS, provision of these services is necessary for a complete program of health care in order to live a full healthy life;

WHEREAS, this order has its greatest impact on senior citizens who are on an extremely limited fixed income and therefore are unable to independently purchase these services or qualify for a program which can provide these services;

AND WHEREAS, Senior Citizens are most often the population most in need of one or more of these services due to the problems associated with advancing age;

THEREFORE BE IT RESOLVED, that the Marquette City Commission urges Governor Milliken and the State Legislature to reinstitute the funds necessary to provide these services to Medicaid recipients over age 21.

A communication from the Marquette Hockey Club, Inc. complaining about scheduling of hockey games by Northern Michigan University at the Lakeview Arena was read. It was moved by Commissioner Jackson, supported by Commissioner Stow and carried unanimously to refer this letter to the Arena Operating Committee for consideration.

A report and recommendation was read in which the City Manager requested the adopting of resolutions regarding proposed public works projects. It was moved by Commissioner Stow, supported by Commissioner Alholm and carried to adopt the following resolution:

WHEREAS, the City of Marquette wishes to undertake the construction of the modernization of its water plant and;

WHEREAS, the total cost of said project is estimated to be \$1,500,000, and;

WHEREAS, we desire to secure financial assistance from the Federal and/or state government to help defray the cost of the project, and we understand that the remaining local share of the cost must be made available from local sources, such as user fees, millage, etc.;

NOW THEREFORE BE IT RESOLVED, that such local share will be available for matching with Federal and/or State aid during the 1977 calendar year.

It was then moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to adopt the second resolution as follows:

WHEREAS, the City of Marquette wishes to undertake the construction of the expansion of the City's Wastewater Treatment Facilities and;

WHEREAS, the total cost of said project is estimated to be \$10,000,000, and;

WHEREAS, we desire to secure financial assistance from the Federal and/or State government to help defray the cost of the project, and we understand that the remaining local share of the cost must be made available from local sources, such as user fees, millage, etc.;

NOW THEREFORE BE IT RESOLVED, that such local share will be available for matching with Federal and/or State aid during the 1977 calendar year.

A report and recommendation from the City Manager regarding bicycle path construction was then read. Following a discussion, it was moved by Commissioner Alholm and supported by Mayor Greer to adopt the resolution. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Brumm, Stow.
Nay: Commissioner Jackson. The following resolution was adopted:

WHEREAS, the City of Marquette wishes to undertake the construction of a bicycle path and;

WHEREAS, the total cost of said project is estimated to be \$40,000, and;

WHEREAS, we desire to secure financial assistance from the Federal and/or State government to help defray the cost of the project, and we understand that the remaining local share of the cost must be made available from local sources;

NOW THEREFORE BE IT RESOLVED, that such local share will be available for matching with Federal and/or State aid during the 1977 calendar year.

Mayor Greer announced that this was the time set aside for citizens wishing to address the Commission. Mr. Edwin Marsh representing Upper Peninsula Areawide Comprehensive Health Planning Association and Mr. Lowell Reynolds representing Marquette General Hospital addressed the Commission opposing the removal of parking on College and Magnetic Streets in the area of the hospital. Colleen Munkres and Keith Forsberg both addressed the Commission citing the safety hazards as the reason for removing parking in this area. Elaine Kueber commended the Commission for the adoption of the resolutions regarding water plant and wastewater treatment plant construction and asked questions regarding this construction.

A report and recommendation from the City Manager regarding parking regulations on College and Magnetic Streets was then read. Two communications regarding this parking were read. Following a lengthy discussion, it was moved by Commissioner Jackson and supported by Mayor Greer to remove three or four stalls of parking from the south side of College Avenue immediately west of the Emergency Entrance to the hospital. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Jackson, Stow.

Nay: Commissioner Brumm. The motion was carried. It was then moved by Commissioner Jackson and supported by Commissioner Brumm to continue to study this problem and to request a comprehensive analysis of the situation from the City Manager. Next, it was moved by Mayor Greer, supported by Commissioner Jackson and carried unanimously to amend this motion to bring the subject before the Commission for consideration at the first meeting in April. The Commission then unanimously approved the original motion.

A report and recommendation from the City Manager regarding a City pension resolution was read. Following a lengthy discussion, it was moved by Commissioner Alholm, supported by Mayor Greer and carried unanimously to adopt the following resolution:

WHEREAS, the City of Marquette is a participating municipality of the Michigan Municipal Employees' Retirement System, established by Act No. 135, Public Acts of 1945, as amended; and

WHEREAS, Act No. 314, Public Acts of 1969 amended the said Act No. 135 to permit a participating municipality to waive the reduction in retirement allowance for members who retire prior to age 60;

THEREFORE, BE IT RESOLVED, that the City Commission of the City of Marquette does hereby elect to waive the application of the reduction in retirement allowance, as provided in Section 47f, for members who retire after having attained age 55 with 25 or more years of credited service.

BE IT FURTHER RESOLVED, that Norman L. Gruber, Jr. shall file a certified copy of this resolution with the Michigan Municipal Employees' Retirement Board within 10 days after its adoption; and the effective date of coverage shall be July 1, 1976.

The Clerk then read a report and recommendation from the City Manager regarding interest payments on over payments to the City sewer and water utility. Following a discussion, it was moved by Commissioner Brumm and supported by Commissioner Alholm to pay Mr. Quinn 6% simple interest on his over payments and to establish a policy of paying this rate of interest on refunds of over payments. The following vote was taken:
Ayes: Mayor Greer. Commissioners Alholm, Brumm.
Nays: Commissioners Jackson, Stow. The motion was carried.

A report and recommendation from the Assistant City Manager, Robert Risik, regarding the City Hall telephone system was read. Mr. Jack Filkins representing Michigan Bell Telephone Company addressed the Commission. Following a lengthy discussion, it was moved by Commissioner Jackson and supported by Commissioner Stow to defer other action on changes in the City Hall telephone system until the 226-8200 number is changed from a private party and to continue to study the situation. The following vote was taken:
Ayes: Mayor Greer. Commissioner Alholm, Jackson, Stow.
Nay: Commissioner Brumm. The motion was carried.

Mr. McNabb then reported that at this time \$10,000 of unused funds could not be found in the current City Capital Outlay Budget but that he and the City Accountant would continue to investigate this matter. Mr. McNabb also noted that the \$10,000 payment to the Transit Authority which is the cause for concern would be coming from the City's General Fund as do the capital expenditures so that only a bookkeeping transaction is involved.

Mayor Greer then announced that this was the time set for discussion of mechanical problems at the Lakeview Arena. Commissioner Brumm noted that there had been problems with the heating system and the condition of the ice most of the winter. Arena Manager, Robert Lister, responded that one of the compressors was broken down and that the contractor was investigating his warranty responsibility for it and that the heating problem was a result of this situation. It was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to refer this matter to the City Manager and Attorney for study and report.

Following a request by Commissioner Stow, there being no objections, Mayor Greer called a five minute recess.

Following the recess, a communication from the City Attorney, Robert Bordeau, in which he submitted his resignation was read. It was moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to accept Mr. Bordeau's resignation effective July 1, 1976 and to express the Commission's gratitude for his service to the City.

A communication from the State Liquor Control Commission requesting waiver of a returnable license fee was read. It was moved by Commissioner Jackson, supported by Commissioner Brumm and carried unanimously to adopt the following resolution:

RESOLVED that the Marquette City Commission hereby waives its right to any portion of the 1975 returnable licensing fee for the Class C and SDM 12-month resort licensed business being transferred to Dwight Johnson and David L. Kallio from Dennis E. and Judith L. Orr, said business to be located in the Marquette Mall, U.S. 41, Marquette, Michigan.

The Clerk then read a communication from the City Council on Aging regarding a proposed change in status of the senior citizen van. Mary Ranta, Senior Citizen Program Director, addressed the Commission regarding these changes. It was then moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to concur in the Council's recommendation that senior citizen van service be on a 24-hour in advance reservation basis instead of immediate demand/response.

The Clerk then read a communication from Patrolman John Fawcett of the Marquette City Police Department. Following a discussion regarding Mr. Fawcett's request to live outside the City, it was moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to approve Mr. Fawcett's request to live outside the City at 1645 Ontario St. approximately 800 feet outside the existing City limits.

The Clerk then read a resolution for the Commission's consideration. It was moved by Commissioner Jackson, supported by Commissioner Stow and carried unanimously to adopt the following resolution:

WHEREAS, Lincoln B. Frazier is retiring from several of the Boards of Directors of this community on which he has served over a period of years and,

WHEREAS, the community has chosen to honor Mr. Frazier for his many contributions to civic life, and

WHEREAS, Lincoln B. Frazier has served the City of Marquette in several capacities, giving unstintingly of his time, talents, and energy;

THEREFORE, BE IT RESOLVED that we, the City Commission of Marquette do commend Lincoln B. Frazier for his work for the betterment of

this City and extend gratitude on behalf of the citizens of Marquette for his numerous and varied contributions to our community.

Mayor Greer then directed the Clerk to read the following proclamation:

WHEREAS, Girl Scouts of the USA observes the 64th anniversary of its founding on March 12, 1976 and

WHEREAS, this organization, founded with only 18 members in 1912, has grown to include more than 3.2 million girls and women and men volunteers from every strata of our society, and continues to serve well our daughters, our community, and our nation; and

WHEREAS, the Girl Scouts of the U.S.A. is deeply committed to building better relationships among persons of all ages, religions, races, and nationalities; and is vitally concerned with improving the quality of our environment; and

WHEREAS, we in Marquette continually benefit by their efforts on behalf of this community by projects with Senior Citizens, Clean-up campaigns, and service projects;

NOW, THEREFORE, I Holly Greer, by virtue of the authority vested in me as Mayor of Marquette hereby proclaim March 7 through March 13, 1976, as Girl Scout Week in the City of Marquette, and I do further call upon all citizens of Marquette to give to the Girl Scouts, now and throughout 1976, their continued interest, cooperation, and support so that increasing numbers of girls may benefit from this program that benefits us all.

A petition requesting grading and gravel surfacing on West Avenue between Norwood and Wright Street was then read. It was moved by Commissioner Alholm, supported by Commissioner Jackson and carried unanimously to refer this petition to the City Manager and Engineer for study and report.

A communication from sixth grade cluster 6 at Bothwell Middle School supporting the construction of a bicycle path along U.S. 41 south of town was read. Mayor Greer noted that the State Highway Department is proceeding on the development of this bicycle path.

Mayor Greer then announced that the following appointments to the Charter Study Committee have been made: Elizabeth Vajda, Edith McCowen, Bill Wilson, Dan Pierce, Max Holloway, Dewey St. Cyr, Francis Vasseau, Dennis Malaney, John LaSalle, Kenneth Montagna. Mayor Greer noted that there was one more appointment yet to be made to this committee. She directed the Committee to forward their recommendations to the City Commission by August 1 to give the Commission opportunity to consider the proposed amendments and time to place them on the ballot for the November election.

Mr. McNabb requested direction for the parking study in the hospital area. He was informed that the area to be re-studied was to be the same as the area already studied.

The meeting was adjourned.

OFFICIAL PROCEEDINGS OF THE
MARQUETTE CITY COMMISSION

A regular meeting of the Marquette City Commission was duly called and held on Monday, March 29, 1976 at 7:00 P.M.

Present: Mayor Greer. Commissioners Alholm, Brumm, Jackson, Stow.
Absent: None.

It was moved by Commissioner Alholm, supported by Commissioner Brumm, and carried unanimously to dispense with the reading of the minutes of the previous meeting.

Total bills payable in the amount of \$185,056.45 were presented. It was moved by Commissioner Stow and supported by Commissioner Brumm that the bills be paid with the exception of the payment to Paulette Brumm with that particular bill referred to the City Attorney for consideration. Commissioner Jackson noted that he would abstain because he had financial interest in one of the companies to be paid. The following vote was taken:
Ayes: Mayor Greer. Commissioners Alholm, Brumm, Stow.
Nay: None.

Abstention: Commissioner Brumm. The motion was carried. City Attorney Boreau announced that there is a Charter provision prohibiting the hiring of children of City Commissioners. He stated that he would have to confer with Parks and Recreation Director, Ron Heaviland, prior to making a ruling on the payment of this bill.

The Clerk then read petitions requesting street improvements on Hampton, Albion, Linden, and Enterprise Streets and West Avenue. It was moved by Commissioner Alholm, supported by Commissioner Stow and carried unanimously to refer these petitions to the City Manager and Engineer for report and recommendation and to set the first regular meeting in April as the time and date for a public hearing on these special assessments.

A communication from Mr. Don Britton, Jr. commenting on City equipment rental and construction policies was read. Following a discussion during which the City Manager commented on these policies and the costs involved, it was moved by Commissioner Stow, supported by Commissioner Jackson and carried unanimously to send a letter to Mr. Britton stating that the City did not rent the equipment mentioned in his letter, and explaining the City's construction policy as it has been. The City Manager was directed to study costs of construction by City crews versus contractors.

A communication from the Liquor Control Commission was read. It was moved by Commissioner Jackson, supported by Commissioner Brumm and carried unanimously to adopt a resolution approving a request from John J. Mahoney, Jr. for transfer ownership of a 1975 Class C license with Dance-Entertainment Permit located at 127 North Front Street, Marquette, Michigan 49855, Marquette County, from Barry E. Cleary.

Thomas Brumm

A communication from the Department of State Highways and Transportation was read. Following a discussion, it was moved by Commissioner Jackson, supported by Commissioner Stow and carried unanimously to adopt the following resolution:

RESOLVED, that on March 29, 1976, the City of Marquette has no ordinance in effect which would restrict the use by bicyclists of the bicycle path to be constructed by the Department of State Highways and Transportation from Lake Street to the south City Limits along Highway U.S.-41, M-28.

It was then moved by Commissioner Alholm and supported by Mayor Greer to include the following in the preceding resolution:

FURTHER RESOLVED, that the City Commission existing on March 29, 1976 will not pass such an ordinance restricting the use of the proposed facility for bicycles.

The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Brumm, Stow.

Nay: Commissioner Jackson. The motion was carried.

The Clerk then read a report and recommendation from the City Manager regarding improvements to West Avenue. It was moved by Commissioner Alholm, supported by Commissioner Brumm and carried unanimously to set the first regular meeting in April as the time and date for a public hearing on this improvement.

Following the reading of a report and recommendation from the City Manager regarding a utility easement on the former Soo Line property, it was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to authorize the Mayor and City Clerk to execute this agreement.

Mayor Greer then announced that this was the time set aside for citizens wishing to address the Commission. Kenneth Fauth requested a report from the City Manager on the City's attempt to purchase the Soo Line Dead River Spur. Mr. McNabb reported that the Soo Line officials would be in the City during May to discuss this.

David Hamari read a letter from Senator Edward Kennedy regarding regional health care.

David Zurcher addressed the Commission suggesting that the resolution to be considered later in the agenda be altered to request access to state highways rather than crossings.

Kathy Trembath representing the Marquette Girls' Hockey Team requested assistance from the City Commission in paying for their ice time at the Lakeview Arena providing the same percentage as assistance provided to Junior Hockey. It was moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to refer their request for a \$248.00 subsidy to the Parks and Recreation Department for consideration.

The Clerk then read a report and recommendation from the City Manager regarding an amendment to the Step I Wastewater Treatment Study contract. It was moved by Commissioner Brumm, supported by Commissioner Jackson and carried unanimously to approve the amended contract with Ayres, Lewis, Norris, and May to comply with the Water Quality Management Section of the Department of Natural Resources.

The Clerk next read a report and recommendation from the City Manager recommending rate increases at the City's travel trailer facility and Presque Isle Marina. It was moved by Commissioner Alholm, supported by Commissioner Jackson and carried unanimously to approve the following rates for the travel trailer facility:

<u>Travel Trailer Facility Fees</u>	<u>Rate</u>
Sites with electric outlay only	\$4.00
Sites with water, sewer & electric service	\$5.00

It was then moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to approve the following rates for the Presque Isle Marina:

<u>Marina Slip Rental Fees</u>	<u>Rate</u>
24 foot slip	\$110.00
32 foot slip	\$140.00
42 foot slip	\$185.00
60 foot slip	\$240.00

The Commission then briefly discussed the provision of toilet facilities for transient boaters at the Marina.

A report and recommendation from the City Manager for the adoption of a resolution regarding uniform major street criteria was then read. It was moved by Commissioner Alholm and supported by Commissioner Stow to adopt the following resolution:

WHEREAS, the Michigan Department of State Highways and Transportation adopted a Uniform Criteria for Major Streets in 1974; and,

WHEREAS, part of the requirements to conform to the specification requires the governing body to adopt a 5-year plan to implement changes to meet the basic standard set forth; and

WHEREAS, the City of Marquette has reviewed its Major Street System for compliance with the Uniform Criteria for Major Streets in March of 1976 and determined that approximately 2.12 miles of the 22.46 miles of Major Streets were found to be nonconforming.

THEREFORE, BE IT RESOLVED, that the City Commission of the City of Marquette does hereby adopt a proposed 5-year implementation program as follows:

Projects to be completed in 1976 (0.74 miles)

1. Champion Street - Jackson Street to Blemhuber Avenue
Presently - 25 feet wide, parking on East side.
Proposed - Install "No Parking" signs on East side.
2. College Avenue - Front Street to Third Street
Presently - 24 feet wide, parking on South side.
Proposed - Install "No Parking" signs on South side.
3. Fisher Street - Fifth Street to Grove Street
Presently - 29 feet wide, parking on both sides.
Proposed - Install "No Parking" signs on South side.
4. Kaye Avenue - Front Street to Third Street
Presently - 24 feet wide, parking on South side.
Proposed - Install "No Parking" signs on South side.
5. Pine Street - Michigan Street to Hewitt Avenue
Presently - 26 feet wide, parking on East side.
Proposed - Install "No Parking" signs on East side.
6. Ridge Street - Third Street to Fourth Street
Presently - 34 feet wide, parking on both sides.
Proposed - Install "No Parking" signs on North side.

Projects to be completed in 1977 (0.72 miles)

1. Genesee Street - Champion Street to Division Street
Presently - 35 feet wide, parking on both sides.
Proposed - Install "No Parking" signs on South side.
2. Seventh Street - Ridge Street to Magnetic Street
Presently - 30 feet wide, parking on both sides.
Proposed - Install "No Parking" signs on West side.
3. Spring Street - Lake Street to Front Street
Presently - 25 feet wide, parking on South side.
Proposed - Install "No Parking" signs on South side.
4. Seventh Street - Washington Street to Ridge Street
Presently - 26 feet wide, parking on East side.
Proposed - Widen to 36 feet wide.

The above changes will reduce the amount of Major Streets in non-compliance to 0.66 miles by 1978. It is recommended that the remaining streets listed below, which are in noncompliance because

of diagonal parking, be studied in the years 1978 and 1979. This study which will include traffic volumes and accident experience, will be reviewed and analyzed in 1980 to determine what steps, if any, should be taken to keep said streets in the Major Street System.

Projects to be studied in 1978 and 1979 (0.66 miles)

1. Baraga Avenue - Front Street to Fourth Street
2. Kaye Avenue - Presque Isle Avenue to University Drive
3. Main Street - Lake Street to Third Street
4. Washington Street - Lake Street to Front Street

The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Stow.

Nays: Commissioners Brumm, Jackson. The resolution was adopted.

A report from the City Engineer regarding the adoption of a route crossing resolution was then read. Following a discussion regarding the matter of the crossing requested and the safety consideration involved, it was moved by Commissioner Jackson and supported by Commissioner Stow to adopt the following resolution:

WHEREAS, the Marquette City Planning Board has amended the City's Master Plan to include the extension of McClellan Avenue from U.S.-41 business route (West Washington Street) across the U.S.-41 bypass; and,

WHEREAS, the City of Marquette is developing an industrial park between the U.S.-41 bypass and West Washington Street; and,

WHEREAS, the development of McClellan Avenue between U.S.-41 bypass and Washington Street is an integral part of this industrial park; and,

WHEREAS, the City of Marquette desires to construct at-grade crossings for McClellan Avenue on Washington Street and on the U.S.-41 bypass; and,

WHEREAS, a preliminary agreement has been reached with the Michigan Department of State Highways and Transportation for this crossing;

NOW THEREFORE BE IT RESOLVED, that the Marquette City Commission requests formal approval for at-grade crossings for McClellan Avenue on U.S.-41 business route at its intersection with McClellan Avenue Extended and on U.S.-41 bypass at station 1215, both in the City of Marquette.

The following vote was taken:

Ayes: Mayor Greer. Commissioners Jackson, Stow.

Nays: Commissioners Alholm, Brumm. The resolution was adopted.

The Clerk then read a report and recommendation from the City Manager regarding parking regulations near Marquette General Hospital North. Colleen Munkres addressed the Commission noting that the residents of the area were in agreement with the recommendations as proposed. It was then moved by Commissioner Stow and supported by Commissioner Alholm to adopt the following regulations:

1. No parking from 7:00 a.m. to 3:00 pm on both sides of the street in the 600 block of College Avenue.
2. No parking on the north side of the 300 block of College Avenue, and remove the 2 hour parking on the south side of College Avenue in the 300 block.
3. Remove the parking from the west side of Hebard Court from Magnetic Street to College Avenue.
4. No parking on the south side of Magnetic Street from Fourth Street to Lee Street.
5. Remove the 2 hour parking and 1:00 a.m. to 6:00 a.m. from the north side of Magnetic Street from Fourth Street to Seventh Street.

The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Brumm, Stow.

Nay: Commissioner Jackson. The motion was carried.

A report and recommendation from the City Manager proposing the adoption of a tax abatement ordinance for the Whetstone Village housing project was read. Following a brief discussion, it was moved by Commissioner Jackson, supported by Commissioner Stow and carried unanimously to set the next regular meeting as the time and date for a public hearing on an ordinance to grant a property tax abatement to Whetstone Limited Dividend Housing Association.

The City Manager then gave a verbal report regarding the mechanical problems at the Lakeview Arena. He stated that the two contractors involved agreed to provide a new compressor and condenser to install this equipment and to recharge the system with refrigerant all at no cost to the City.

Mayor Greer then announced that this was the time set for discussion of topics considered at recent informal commission meetings. It was moved by Commissioner Alholm and supported by Commissioner Brumm and carried unanimously to have the Clerk read the synopsis of these four meetings as prepared by Mayor Greer. The Clerk then read the synopsis. Mayor Greer then read her opinions regarding informal meetings of this nature. She stated that she felt that while all meetings were open to the public, it was sometimes useful to have meetings at which opinions could be freely expressed without fear of undue public exposure. Commissioner Brumm stated that he felt all meetings should be held in City Commission Chambers and should be open to the public. It was then moved by Commissioner Brumm

and supported by Commissioner Alholm to invite representatives of the media to all meetings in which the City Commission participates. Mr. Bordeau noted that certain meetings such as personnel discussions were required to be closed. The following vote was then taken:

Ayes: Commissioner Brumm.

Nays: Mayor Greer. Commissioners Alholm, Jackson, Stow. The motion was defeated.

The Clerk read the following proclamation:

There are an estimated 265,000 mentally retarded people in Michigan. Throughout the United States, more than six million individuals are believed to be mentally retarded.

Mental retardation disables 10 times as many children and adults as polio did before research provided the Salk vaccine.

More is being learned about treatment for and prevention of mental retardation every day. But additional research-- and additional funds-- are needed. On April 9, 10, and 11, the members of the Michigan State Council, Knights of Columbus, will embark on a drive to raise funds for mentally retarded children and citizens in Michigan.

THEREFORE, I, Holly S. Greer, Mayor of the City of Marquette, do hereby declare April 9, 10, and 11, 1976, as Knights of Columbus Mentally Retarded Children Days in Michigan, and urge all citizens to support continued treatment of the mentally retarded through gifts and donations to the Michigan Council, Knights of Columbus.

The Clerk read a resolution for consideration. It was moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to adopt the following resolution:

WHEREAS, April is Cancer Control Month by Presidential Proclamation and Congressional Resolution.

WHEREAS, there will be about 27,000 new cancer cases in Michigan among men and women of all ages and children this year.

WHEREAS, many forms of cancer are curable if detected early and treated promptly, and

WHEREAS, one out of three who now get cancer is being cured by that at least half of those who get cancer could and should be saved by early diagnosis and prompt treatment.

WHEREAS, the American Cancer Society, in addition to support of vital research, alerts the public to cancer's warning signals and,

WHEREAS, some cancers can be prevented; most lung cancers are caused by cigarette smoking, and most skin cancers by frequent

exposure to direct sunlight, and

WHEREAS, the medical profession must be kept informed of the latest advances in knowledge and nurses must know how best to care for cancer patients, and,

WHEREAS, the American Cancer Society provided invaluable aid in rehabilitation services to cancer patients, improving the quality of survival, and,

WHEREAS, the American Cancer Society provides crucial, flexible support for both laboratory researchers and clinicians,

THEREFORE, BE IT RESOLVED, that all residents of this city be urged to support the educational and fund raising efforts of the American Cancer Society as part of Cancer Control Month in April.

A communication from Alfred Gochanour requesting permission to move out of the City was read. It was moved by Commissioner Alholm and supported by Commissioner Jackson and carried unanimously to delay consideration on this item until the next meeting. Sgt. Gochanour addressed the Commission noting that the travel time from his proposed residence was about the same as from his existing residence.

Mayor Greer noted that she had received a communication from the Duluth American Revolution Bicentennial Commission regarding a bicentennial canoe voyage across Lake Superior. It was moved by Mayor Greer, supported by Commissioner Jackson and carried unanimously to send a letter to the Duluth American Revolution Bicentennial Commission stating that they would agree to participate and refer both communications to the Marquette American Revolution Bicentennial Commission.

Commissioner Stow then noted that he would not be present at the next meeting and Mayor Greer noted that she would not be present at the second meeting in April, therefore, the Commission could not consider Sgt. Gochanour's request at these meetings. It was then moved by Commissioner Alholm, supported by Commissioner Jackson and carried to consider Sgt. Gochanour's request at the first meeting in May at which all Commissioners are present.

Commissioner Brumm stated that he felt that if pot smoking was to be allowed at rock concerts at the Lakeview Arena, that the sale of beer should be allowed at hockey games at the Arena. Commissioner Alholm noted that there was a guy wire for a telephone pole in the bike path near the coal dock.

Mr. McNabb noted that the Army Corps of Engineers had requested that the City execute a lease for the use of the Lakeview Arena parking lot as an emergency helicopter landing area. It was moved by Commissioner Brumm, supported by Commissioner Stow and carried unanimously to authorize the Mayor and City Clerk to execute this agreement.

David Zurcher addressed the City Commission requesting that the City Engineer read in its entirety a communication from the State Highway Department regarding the Industrial Park. City Engineer Mike Pond read this communication. Mr. Zurcher then stated that in his opinion the Commission and the Planning Board had not properly planned the proposed extension of McClellan Avenue.

H. C. DeVries inquired as to which parking would be removed on Magnetic Street near the hospital. His question was answered.

Edward Bernard noted that despite the widening on Fourth Street between Baraga Avenue and Fisher Street, traffic was still a problem in that area.

David Hamari inquired as to the status of the May 18, 1976 Presidential Primary. The City Clerk informed him that preparations for it had temporarily been stopped by court injunction but that a final decision was expected in the near future.

The meeting was adjourned.

OFFICIAL PROCEEDINGS OF THE
MARQUETTE CITY COMMISSION

A Regular Meeting of the Marquette City Commission was duly called and held on Monday, April 12, 1976 at 7:00 P.M.

Present: Mayor Greer. Commissioners Alholm, Brumm, Jackson, Stow.
Absent: None.

It was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to change the minutes of the previous meeting to reflect the status of the payment of the bill to Mr. Brumm's daughter and to change Mr. Brumm's comments regarding the sale of beer and pot smoking at the Lakeview Arena. Mr. Brumm noted that he was not stating support for either activity but felt that they should be treated the same. It was then moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to approve the minutes of the previous meeting as amended.

Total bills payable in the amount of \$246,363.33 were presented. It was moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously that these bills be paid.

Mayor Greer then announced that this was the time and date set for a public hearing on the curbing and paving of Enterprise Street. Dick Clossner requested that consideration be given to the installation of roll type curb and cuts on this street. The hearing was closed. It was moved by Commissioner Jackson and supported by Commissioner Stow to adopt the following resolution:

WHEREAS, it appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, that it is the intention of the City Commission to make certain improvements as follows:

Curbing and paving, water and sewer mains in Enterprise Street from the Soo Line Railroad track to Union Street

and appointing this day and time when the City Commission would meet to determine the necessity of such improvement; and

WHEREAS, it appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to assessment therefore; and

WHEREAS, all suggestions and objections made to said improvements have been heard and considered;

RESOLVED, that the City Commission determines that such project and improvements are necessary and proper;

FURTHER RESOLVED, that the proportion of the costs of such improvements which shall be defrayed by special assessment upon the property especially benefited thereby and the proportion to be defrayed as the general obligation of the City, if any, shall be as follows:

Property Owners - \$36,050

City - \$820

FURTHER RESOLVED, that the report of the City Manager, the plans and specifications, and the estimated costs of such improvements, are hereby approved and determined accordingly; that said special assessments may be paid in five installments, at a rate not exceeding 4% per annum, or the actual cost of such borrowing; and that a special assessment district to be assessed therefor is hereby designated as follows:

Curbing and paving of Enterprise Street

FURTHER RESOLVED, that if any water taps, and/or sewer taps shall be required to effect the above paving, such water taps, and/or sewer taps, shall also be installed and the cost thereof assessed to the property specially benefited thereby, and added to the assessment upon such property for paving, to be payable in the same manner.

Commissioner Brumm noted he would abstain because he owned property on the street. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Jackson, Stow.

Nay: None.

Abstention: Commissioner Brumm. The resolution was adopted.

Mayor Greer then announced that this was the time and date set for a public hearing on curbing and paving on several streets in Caroline Burt's Sub-division #2. One communication was read regarding this project. No citizens addressed the Commission. It was then moved by Commissioner Brumm, supported by Commissioner Jackson and carried unanimously to adopt the following resolution:

WHEREAS, it appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, that it is the intention of the City Commission to make certain improvements as follows:

Curbing, paving, and water and sewer laterals for Hampton Street from Altamont Street to Tierney Street; Altamont Street from Hampton Street to the south line of Caroline Burt's No. 2; Albion Street from Craig Street to Hampton Street; Peter Street from Hampton Street to the south line of Caroline Burt's No. 2; Tierney Street from Craig Street to Hampton Street; and Linden Street from Craig Street to Hampton Street

and appointing this day and time when the City Commission would meet to determine the necessity of such improvement; and

WHEREAS, it appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to assessment therefor; and

WHEREAS, All suggestions and objections made to said improvements have been heard and considered;

RESOLVED, that the City Commission determines that such project and improvements are necessary and proper;

FURTHER RESOLVED, that the proportion of the costs of such improvements which shall be defrayed by special assessment upon the property especially benefited thereby and the proportion to be defrayed as the general obligation of the City, if any, shall be as follows:

Property Owners - \$91,160

City - \$ -0-

FURTHER RESOLVED, that the report of the City Manager, the plans and specifications, and the estimated costs of such improvements, are hereby approved and determined accordingly; that said special assessments may be paid in five installments, at a rate not exceeding 4% per annum, or the actual cost of such borrowing; and that a special assessment district to be assessed therefore is hereby designated as follows:

Curbing and paving on Hampton, Altamont, Albion, Peter, Tierney, and Linden Streets

FURTHER RESOLVED, that if any water taps, and/or sewer taps shall be required to effect the above paving, such water taps, and/or sewer taps, shall also be installed and the cost thereof assessed to the property specially benefited thereby, and added to the assessment upon such property for paving, to be payable in the same manner.

Following a discussion regarding the City's obligation for paving on Altamont Street, it was moved by Commissioner Jackson, supported by Commissioner Stow and carried unanimously to include the City as an interested property owner in this special assessment district with the City to pay its share of cost.

Mayor Greer then announced that this was the time and date set for a public hearing on curbing and paving on West Avenue and Norwood Street. Two communications opposing all or part of this project were read. One communication supporting the project with the exception of Norwood Street was read. Steven Durocher, Jerry Roth, and Martin Paulson addressed the Commission opposing all or part of this project. John Peterson addressed the Commission supporting it. The hearing was closed. It was then moved by Commissioner Jackson, supported by Commissioner Brumm to refer this matter back to the City Engineer for the development of a plan that will better reflect the desires expressed by the property owners at this hearing.

Mayor Greer then announced that this was the time and date set for a public hearing on a tax abatement ordinance for the proposed Whetstone Village Housing Project. One communication opposing this ordinance unless the project is entirely inside the City was read. Marvin VanderVeen, project

developer, addressed the Commission and answered questions regarding the project and its annexation to the City. Don Potvin addressed the Commission stating his opposition to this form of support for a project which is not entirely within the City Limits. It was then moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to direct the City Attorney to meet with Mr. VanderVeen regarding this project and its annexation for the benefit of all concerned.

The Clerk then read a communication from the Head's Motorcycle Club requesting approval for a 24-hour liquor license. It was moved by Commissioner Brumm, supported by Commissioner Jackson and carried unanimously to grant the request from the Head's Motorcycle Club for a 24-hour liquor license to be used at the Marquette National Guard Armory on May 16, 1976.

A report and recommendation from the City Manager recommending the hiring of an accounting firm for the 1975-76 fiscal year audit was read. It was moved by Commissioner Brumm, supported by Commissioner Jackson and carried unanimously to hire the firm of Ernst and Ernst to do the City's 1975-76 fiscal year audit.

The Clerk then read a report and recommendation from the City Manager regarding curbing and sidewalk bids and gravel bids. It was moved by Commissioner Stow and supported by Mayor Greer to accept the low bids as recommended. Commissioner Alholm requested a separate vote on each of the bids. The following vote was taken on the awarding of the curbing and sidewalk construction bid to Quality Concrete Company, Inc.:

Ayes: Mayor Greer. Commissioners Brumm, Jackson, Stow.

Nays: Commissioner Alholm. The motion was carried.

Commissioner Brumm stated that he would abstain on the award of the gravel bid because he might have a direct or indirect financial interest in the low bidder. The following vote was taken on the awarding of the gravel bid to L. W. Brumm, Sr.:

Ayes: Mayor Greer. Commissioners Jackson, Stow.

Nays: Commissioner Alholm.

Abstention: Commissioner Brumm. The vote was referred to the City Attorney for a determination of its status. Commissioner Alholm stated that he felt the low bidder on the curbing and sidewalk bid could not adequately provide the work for the amount paid and also stated that he felt no Commissioner should bid on the sale of services or goods to the City. Commissioner Brumm stated that he felt Commissioner Alholm voted against the award of these bids because they were both from non-union contractors.

The Clerk then read a communication from the City Manager presenting the Tentative 1976-77 fiscal year budget to the City Commission. Mayor Greer noted that she was pleased that the City would not have to raise its tax rate and was not dependent upon use of revenue sharing funds for operating revenues. It was moved by Commissioner Jackson, supported by Commissioner Stow and carried to accept the Tentative 1976-77 Budget and to set the regular Commission Meeting on May 10 as a time and date for a public hearing on this budget.

City Attorney Bordeau then stated that he had researched the City Charter and determined that the award of the gravel bid to L. W. Brumm, Sr. would require the unanimous vote of the remaining Commission since Commissioner Brumm had abstained. Therefore the motion was not carried. It was then moved by Commissioner Stow, supported by Commissioner Brumm and carried unanimously to defer action on the awarding of the gravel bid until a later meeting.

Mayor Greer then announced that this was the time set aside for citizens wishing to address the Commission. Gerald Doucette presented a petition opposing removal of parking in the 100 and 200 block of West Kaye and West College Streets. Chris Paveglio presented a similar petition for the 500 and 600 blocks of Pine Street. Don Potvin stated that he thinks that Third Street should be widened as much as possible at the time any curbing is rebuilt on that street and commented that he was under the impression the curbing was to be repaired last year; noted that better scheduling of one-time trash pick-up for the spring cleanup campaign should be formulated; stated that he felt there should be no closed meetings of the City Commission of any nature; and requested that full disclosure be given to the conditions of the sale of the Old City Hall and its contents.

A report from the Police Chief recommending removal of parking on Fourth Street between Fisher Street and Baraga Avenue was read. It was moved by Commissioner Brumm, and supported by Commissioner Alholm to concur in this recommendation and remove the parking on the east side of Fourth Street between Fisher and Baraga. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Brumm, Stow.

Nay: Commissioner Jackson. The motion was carried. Commissioner Jackson stated that he felt the City should look at alternative parking locations prior to the removal of any on-street parking. It was then moved by Mayor Greer and supported by Commissioner Alholm to amend the previous motion to include parking removal only between 8:00 a.m. and 4:00 p.m. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Brumm, Stow.

Nay: Commissioner Jackson. The motion was carried.

The Clerk then read a communication from the Parks and Recreation Advisory Committee regarding development of the Giant's Foot area. It was moved by Commissioner Stow, supported by Commissioner Jackson and carried unanimously to consider the recommendation for acquisition of land in this area at the time the Commission discusses the Parks and Recreation Budget.

A second communication from the Parks and Recreation Advisory Committee which recommended funding for a golf course feasibility study was then read by the City Clerk. It was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to discuss this item also at budget time.

A final recommendation from the Parks and Recreation Advisory Committee regarding the Lakeview Arena Operating Committee was read. It was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to grant the Parks and Recreation Director ex-officio member status on the Lakeview Arena Operating Committee.

A report from the Charter Study Committee proposing several Charter Amendments was read. A Minority Report regarding these proposals was also read. Committee Chairman St. Cyr addressed the Commission. Following a discussion regarding available ballot space and timing for Charter Amendment proposals, it was moved by Commissioner Jackson, supported by Commissioner Alholm and carried unanimously to put these recommendations aside so that they can be given further consideration and to take them up at another time.

Parks and Recreational Director, Ron Heaviland, then presented verbally the outline of a plan developed by a group of Army ROTC Cadets at Northern Michigan University for the City's annual spring cleanup campaign. It was noted that better scheduling regarding trash pickup by Public Works crews should be attempted this year. Mr. McNabb stated that if the cleanup campaign was held on the first weekend in May, the Public Works crews would be prepared to start the trash pickup during the following week. He also noted that all attempts would be made to inform the public that this would be a one time through pickup only.

Mayor Greer then announced that this was the time set for reconsideration of Sgt. Gochanour's request to live outside the City. Following a lengthy discussion, it was moved by Commissioner Alholm and supported by Commissioner Stow to grant Sgt. Gochanour's request to move to his lot on County Road 480. The following vote was taken:

Ayes: Mayor Greer. Commissioners Alholm, Brumm, Stow.

Nay: Commissioner Jackson.

The motion was not carried due to the requirement of unanimous support.

Commissioner Jackson stated he felt it was a mistake to permit City employees to live outside the City.

Mayor Greer then announced that this was the time and date set for a discussion for a proposal to hire a consultant firm to study the City's proposed Public Safety Department. It was moved by Commissioner Alholm, supported by Commissioner Brumm and carried unanimously not to hire a consultant to do this study. It was then moved by Commissioner Alholm, supported by Commissioner Brumm and carried unanimously to stop for the duration of the present Commission all consideration and study towards consolidation of the Fire and Police Department into a Public Safety Department.

Mayor Greer then noted that the City had been presented with a plaque with an executive declaration from Governor Milliken declaring Saturday, April 10, 1976 as Marquette Town Meeting Day.

Mayor Greer then moved, supported by Commissioner Jackson and carried unanimously to establish a policy of listing all meetings of official City bodies for the upcoming week in the Manager's office, such list to be available to the general public after noon each Friday.

Mayor Greer then noted that the recently enacted parking ban on the City's Major Street System could be appealed to the Highway Commission. It was moved by Mayor Greer, supported by Commissioner Brumm and carried unanimously to appeal to the State Highway Commission for an exemption from these requirements and to direct the City Manager to study ways to solve this parking problem.

Commissioner Brumm noted that he felt the City had rented equipment costing in excess of the \$1,000 Charter requirement without bidding it. City Engineer, Mike Pond, noted that this equipment, for well-pointing, was being paid for by special assessment district and not by the City. It was moved by Commissioner Brumm, supported by Commissioner Alholm and carried unanimously to refer this matter to the City Attorney for an opinion as to whether the Charter requirements for bidding was being complied with in this instance.

Commissioner Brumm also inquired as to the status of the report on the sale of the old City Hall furniture. Mr. McNabb informed him that the report had been mailed that day. Commissioner Brumm said that he thought that this sale of furniture had been mismanaged. Mayor Greer and Commissioner Jackson discussed the sale and said that they thought it had been properly executed.

Commissioner Brumm stated that in his opinion Commissioner Alholm's votes against the awarding of curbing and sidewalk construction and gravel bids was due to the fact that both low bidders were non-union contractors.

Commissioner Jackson stated that he could not understand why Sgt. Gochanour felt it was distasteful to live in the City.

It was then moved by Commissioner Stow, supported by Commissioner Alholm and carried unanimously to hold a public hearing on the removal of parking from the Major Street System at the next regular Commission Meeting.

Mayor Greer announced that this was the time set for citizens who wished to address the Commission. Mildred Michelson inquired as to why she was not notified about the sale of the remaining furniture at the Old City Hall. Mr. McNabb stated that the two auctioneers who were contacted had expressed a previous interest in this furniture and that is the reason they were contacted.

Sgt. Gochanour stated that he had no dislike for the City and intends to stay in the Marquette area but felt that since he owned property on County Road 480, he should be allowed to live there.

Robin Hoff complained about the high speed of traffic on North Front Street in the Spring. The Police Chief will investigate this situation.

Leonard St. Cyr noted that he felt Commissioner Brumm had no conflict of interest in the awarding of the gravel bid to L. W. Brumm, Sr. and suggested the City Attorney be contacted regarding this. He also supported Commissioner Brumm's view of Commissioner Alholm's reasons for voting against these bids. Responding to a question from Edith McCowen, the City Manager noted that the list of meetings for the upcoming week would be available in his office.

The meeting was adjourned.

OFFICIAL PROCEEDINGS OF THE
MARQUETTE CITY COMMISSION

A regular meeting of the Marquette City Commission was duly called and held on Monday, April 26, 1976 at 7:00 p.m.

Present: Mayor Pro-Tem Jackson. Commissioners Alholm, Brumm, Stow.
Absent: Mayor Greer.

It was moved by Commissioner Alholm, supported by Commissioner Brumm and carried to excuse the absence of Mayor Greer.

It was then moved by Commissioner Stow, supported by Commissioner Brumm and carried to dispense with the reading of the minutes of the previous meeting.

Total bills payable in the amount of \$127,739.89 were presented. It was moved by Commissioner Stow, supported by Commissioner Alholm and carried that these bills be paid.

Mayor Pro-Tem Jackson announced that this was the time set for a public hearing on removal of parking from various major streets. Seven persons addressed the Commission objecting to the removal of parking on College Avenue, Kaye Avenue, and Pine Street. Following the hearing, it was moved by Commissioner Alholm, supported by Commissioner Stow and carried to restore parking as it was prior to the resolution adopted on March 29th on the 100 and 200 blocks of West Kaye and West College Avenues and on the 500 and 600 blocks of Pine Street. It was then moved by Commissioner Stow, supported by Commissioner Alholm and carried to petition the State Highway Commission for an exemption from the requirements for the removal of parking on College Avenue from Front to Third Street, Kaye Avenue from Front to Third Street, and Pine Street from Michigan Street to Hewitt Avenue.

The Clerk then presented a petition for curbing, paving and storm sewers on Bancroft Street. Following a brief discussion regarding the fact that part of the street is in the Township, it was moved by Commissioner Alholm, supported by Commissioner Stow and carried to refer this petition to the City Manager and Engineer for study and report and to set a time and date at the second regular meeting in May for a public hearing on the proposed special assessment district.

The Clerk then read a communication from Mark Trotochaud complaining about the condition of Piqua Street west of McClellan Avenue. City Manager McNabb discussed Commission actions and work done by the Public Works Department on this street. He also pointed out the problems with developing or sodding the street. The communication was referred to the City Manager who will confer with Mr. Trotochaud on ways to alleviate the problems.

A report and recommendation for the designation of City depositories from the City Manager was then read. It was moved by Commissioner Stow, supported by Commissioner Alholm and carried to adopt the following resolution:

RESOLVED, 1. That the First National Bank & Trust Company, Marquette, Michigan, The Union National Bank & Trust Company, Marquette, Michigan and the Northern Michigan Bank, Marquette, Michigan (hereinafter referred to as the "Banks") be hereby designated as depositories of the City of Marquette and authorized to accept for its credit and/or for collection, any and all checks, drafts and other negotiable instruments when endorsed in its name by rubber stamp or otherwise.

2. That the Treasurer be hereby authorized to open with the Banks such accounts under such captions as she may determine to be necessary or desirable.

3. That any and all funds credited to such accounts with the Banks may be paid out or withdrawn by checks, drafts or other instruments drawn against the respective accounts when signed by the following (two signatures required):

City Treasurer or Deputy
City Treasurer

and
City Accountant or Assistant
City Accountant

whose signatures shall be duly certified to the Banks, and the Banks hereby are authorized to honor and pay any and all checks, drafts or other instruments so signed, without inquiry as to the circumstances of issue or the disposition of the proceeds thereof.

A second report and recommendation from the City Manager regarding fee changes was read. Following a discussion regarding potential costs to the City of a house moving project, it was moved by Commissioner Brumm, supported by Commissioner Alholm and carried to approve the following rates and to defer consideration on the house moving rate until a later meeting:

	<u>New Rate</u>
Plat Book (cloth bound)	\$175.00
Blue Print Machine start-up	1.00
Accident Report Fee	2.00
Auctioneer's Fee	Current hourly rate & fringe benefits of patrolman
Ambulance Calls	\$25.00 in town \$40.00 + \$1 a mile for out of town

Mayor Pro-Tem Jackson then announced that this was the time set aside for citizens wishing to address the Commission. Peter Embley urged the establishment of a local health maintenance organization. Mike Hongisto inquired as to what the cost of selling the old City Hall was, and stated that he felt the used furniture should have been sold at public auction.

The Clerk then read a report and recommendation from the City Manager regarding proposed special assessment districts. It was moved by Commissioner Stow, supported by Commissioner Brumm and carried to set the next regular meeting as the time and date for public hearings on the following proposed special assessment projects:

1. Center Street - Tracy Avenue to Wilkinson Avenue - Curbing and paving.
2. McClellan Street - Cleveland Avenue to Ridge Street - Water, sanitary sewer, curbing and paving.
3. Adams Street - Craig to Blemhuber, where needed - Curbing.

The Clerk then read a report and recommendation from the City Manager regarding paving bids. Following a brief discussion, it was moved by Commissioner Stow, supported by Commissioner Brumm and carried to award all items in the bid except item 2 to Custom Asphalt in the amount of \$134,848.00 and to award item 2 for material only to Payne and Dolan of Wisconsin, Inc. in the amount of \$2,196.00.

Mayor Pro-Tem Jackson announced that this was the time set for reconsideration of proposed special assessment district on West Avenue. Three communications regarding this special assessment project were read. It was then moved by Commissioner Stow, supported by Commissioner Alholm and carried to exclude Norwood Street between Gray Avenue and West Avenue from this project and to adopt the following resolution:

WHEREAS, it appears by the affidavit of the City Clerk that due publication has been made of notice, as required by the City Charter, that it is the intention of the City Commission to make certain improvements as follows:

Curbing and paving on West Avenue from Center Street to Wright Street

and appointing this day and time when the City Commission would meet to determine the necessity of such improvement; and

WHEREAS, it appears further by said affidavit that a like notice has been sent by mail to each owner of property subject to assessment therefore; and

WHEREAS, all suggestions and objections made to said improvements have been heard and considered;

RESOLVED, that the City Commission determines that such project and improvements are necessary and proper;

FURTHER RESOLVED, that the proportion of the costs of such improvements which shall be defrayed by special assessment upon the property especially benefited thereby and the proportion to be defrayed as the general obligation of the City, if any, shall be as follows:

City - \$ -0-

Property Owners - \$38,288.00

FURTHER RESOLVED, that the report of the City Manager, the plans and specifications, and the estimated costs of such improvements, are hereby approved and determined accordingly; that said special assessments may be paid in five installments, at a rate not exceeding 4% per annum, or the actual cost of such borrowing; and that a special assessment district to be assessed therefore is hereby designated as follows:

Curbing and paving on West Avenue, Center to Wright Street.

FURTHER RESOLVED, that if any water taps, and/or sewer taps shall be required to effect the above paving, such water taps, and/or sewer taps, shall also be installed and the cost thereof assessed to the property specially benefited thereby, and added to the assessment upon such property for paving, to be payable in the same manner.

Mayor Pro-Tem Jackson then announced that this was the time set for reconsideration on a proposed tax abatement ordinance. A communication from the City Attorney approving the ordinance and the situation was read. It was then moved by Commissioner Brumm, supported by Commissioner Alholm and carried to adopt Ordinance #299, An Ordinance to Amend Title XV by Adding a New Chapter 154 Setting Forth the Tax Abatement Method to be Followed for State or Federally Subsidized Low and Moderate Income Housing in the City of Marquette.

The Clerk then read a report from the City Attorney stating that in his opinion the City did not lease the well point equipment used in the Lake Shore Drive sewer project, therefore, section 12.1 of the City Charter did not apply.

A final report from the City Attorney regarding Mr. Brumm's conflict of interest in awarding of the gravel bid was read. During the discussion that followed, Mr. Bordeau stated that because of his ruling, the bid could be awarded by virtue of the 3 to 1 vote with Commissioner Brumm abstaining which was taken at the April 12th meeting. Commissioner Alholm stated that he still felt that Commissioners should not bid on City projects.

A communication from the Liquor Control Commission regarding a new SDM license for the Cooperative Society of Marquette, Inc. at 1636 Presque Isle Avenue was read. This communication was placed on file.

The Clerk then read a communication from Jon G. LaSalle submitting his resignation from the Charter Study Committee. It was moved by Commissioner Alholm, supported by Commissioner Brumm and carried to accept Mr. LaSalle's resignation with regret. It was then moved by Commissioner Alholm, supported by Commissioner Brumm and carried to concur with Mr. Alholm's appointment of Cynthia Hauptman to replace Mr. LaSalle on the Charter Study Committee.

Commissioner Brumm noted that he had received a letter from a citizen complaining about a broken water meter which flooded his basement. This letter was referred to the City Manager for study and report.

Mayor Pro-Tem Jackson noted a problem of sinking pavement in the 400 block of West Michigan Street; asked if something could be done about the trash along the U.S. 41 bypass; inquired as to when the gravel would be placed on Russell Street; and directed the City Manager to study the advisability of purchasing small police cars. City Engineer Pond responded that the gravel would be placed on Russell Street as soon as the curbing was in place.

Mr. McNabb noted that he had received a contract for intersection improvements from the Department of State Highways and Transportation. It was moved by Commissioner Brumm, supported by Commissioner Alholm and carried to authorize the Mayor and City Clerk to execute this contract.

Jim Butkovich representing Payne & Dolan of Wisconsin, Inc. addressed the Commission regarding Custom Asphalt's ability to meet the bid specifications for asphalt paving. He was assured that the City could determine if Custom Asphalt was meeting these specifications. Sue Oliver noted that there would be a Stop Seafarer Symposium at the Presque Isle Park bandshell at 12:00 noon on May 1, 1976. Peter Embley requested that the City Commission direct the Manager to take steps to determine if grants are available for the establishment of a health maintenance organization. Mayor Pro-Tem Jackson asked the Manager to look into this.

The meeting was adjourned.
