7.
The mayor thereupon read the affidavits of Joseph Leroux, Nels Steinberg and P.O'Connell; and stated that before the suspension of officer Truckey it had been officially reported to him by the Marshal and officer Anderson that they had inquired of Truckey concerning the shooting of Leroux the evening after it occurred, and that Truckey said he did not know who did the shooting, but that Leroux had claimed it was an accident.

Roll call.

Record of session of Oct 7 approved
M. by Tobin, & by Stevens that regular
order of business be dispensed with
and the matter of the investigation of
Wm Truckey be taken up. Carried Vote

Mr. C. J. Button as attorney for Wm Truckey
was allowed permission to address
the Council. Mr Button stated that
as the mayor has suspended Truckey
for neglect of duty that specific
charges be filed and copy of same
sent to said Truckey, and time be
given him to answer same.

Ald Tobin said that this meeting
was called to give Mr. Truckey an
opportunity to answer charges that
the mayor would make against him.

Mr. Button stated that Truckey would
be willing to meet any charges, but
that he must know the specific
charges before he could make an answer.
that before Mr Truckey could make
any defense, he must know the
specific neglect of duty.

Ald Tobin asked that mayor read
the charges or which he suspended
Truckey.

Al Stevens read section of charter Page 32
and stated that we voted to sustain
the action of the mayor in suspending
Truckey, because in his judgement he
saw fit to do so.

Alld Shea, read bottom line of said^{2d} page 3r, and said according to Alld Stevens this line was of no account. Mayor stated that Truckey said he would be here he having been duly notified by the recorder.

Alderman Donovan, said affidavits would not be taken in a court of law.

Tobin stated that no affidavits had been presented, and that the mayor had made charges and Mr. Truckey must be here to meet them.

Button then says if you are going to try a man, to let him know what you are going to try him for and what the specific reasons are for suspending him, and to adjourn for a reasonable time in order to give Mr. Truckey a chance to answer them, thinks that the mayor should file his charges for suspension, in a communication to the council.

Alld Word stated that Truckey was notified to be here and if he is not here it is not our fault.

M of Tobin & by Jacobs that the mayor read charges upon which Mr. Truckey was suspended. Corrid.

Mayor thereupon read affidavits of Joseph Leroux, Nels Steimborg & Peter O'Connell.

Mayor also stated that Marshal Maney and officer Anderson had asked Truckey the evening after the shooting of Leroux and Truckey said he did not know who did the shooting but that Leroux had claimed it was an ^{accident}. Mr. John asked Marshal Maney if he knew that Truckey had been in the habit of getting intoxicated, Marshal said he had heard of it but had not seen him but that Truckey made a good officer.

Mayor stated that Marshal had better ~~going~~ go and get Truckey.

Old Shea asked Button if he wanted Truckey brought into Council Chamber.

Button stated that it was time enough to bring Truckey in and try him when he ^{Truckey} knows what he is going to be tried for and that he ought to have time to prepare his defense, the object being to give Truckey a chance to prove his innocence, all that Truckey wanted was an opportunity to meet these charges and that he would ask for a reasonable time to prepare his defense.

Old Stevens asked Mr. Button if he wrote Truckey's communication. Button said he did. Stevens asked him what he meant in same, by asking for charges filed under oath. Button stated he did not know which part of Charter they were going to try Truckey under if under M7 the charges would have to be under oath.

Ald Sauran stated that he was not objecting to action of the Mayor on account of being a friend of Truckey, but would like to have Truckey given a chance to answer charges preferred against him and if said Truckey was found guilty of charges he would vote to sustain action of Mayor.

Ald Tobin, sup. by Sauran moved that Council adjourn until Oct 16th. Ald. Stevens, Jacobs and Word stated that Truckey should be here to take oath that charges were not true.

Mr. Button says when proper time comes Mr Truckey would be here with his witnesses to answer all charges made against him.

Ald Word made an amendment to Ald Tobin's motion that affidavits containing ^{charges} against ex policeman Truckey be received, placed on file and the action of the Mayor sustained. Ald Tobin withdrew his motion and seconded motion of Ald Word. Carried Vote.

On Motion of Tobin Council adjourned.
