Ayes—Aldermen Hoch, Homeier, Hallstrom, Jamerson, Rossetter, Reau, Sherman, Stafford, Tobin, Vandenberg. Nays—none.

The bill of Lovejoy & Demar of \$39.75 for superintending the construction of the City Hall steps was, on motion of Alderman Rossetter, referred to the building committee with instructions to measure the steps and see if they were constructed in accordance with the specifications.

The controller also presented a claim from the board of fire and water commissioners of \$34.43, \$20.43 being for connecting water pipes for the City Hall construction and \$14.00 for water used by Emil Bruce.

Moved by Alderman Tobin, supported and carried that an order be drawn in favor of the board of fire and water commissioners for \$30.43 for connecting pipe and that the said board look to Bruce for the \$4.00.

Ayes—Alderman Hoch, Homeier, Hallstrom, Jamerson, Rossetter, Reau, Sherman, Stafford, Tobin, Vandenberg. Nays—none.

The street commissioner's report was, on motion, accepted.

Alderman Homeier called attention to certain dangerous holes in the vicinity of the West Bluff street school house and moved that the street commissioner be instructed to look after the matter. Carried.

The controller reported that certain scales etc. contemplated by the several ordinances relating to the matter had not been provided for the sealer of weights and measures, but the council took no action.

The controller further stated that experts had been engaged to examine the steam fixtures at the City Hall and had advised certain minor changes which the contractor had agreed to make.

After some discussion relative of the opening exercises of the new City Hall it was moved by Alderman Vandenberg, supported and carried, that a committee consisting of the city attorney as chairman and the senior alderman of each ward be appointed.

Moved by Alderman Homeier, supported and carried, that the matter be left subject to the approval of the mayor.

The council then adjourned.

COMMON COUNCIL PROCEEDINGS.

OFFICIAL.

A regular meeting of the common council of the city of Marquette was held in the council chamber in the new City Hall on Monday, the 4th day of February, A. D. 1895, Mayor Kaufman presiding.

There were present Aldermen Hennessey, Hoch, Homeier, Hallstrom; Holley, Jamerson, Mullally, Pearl, Rosseter, Reau, Schoch, Sherman, Stafford, Tobin and Vandenberg.

The mayor delivered his dedicatory address, after which the minutes of the previous meeting were read and approved.

A petition from the heirs of Mary A. Donkersley, deceased, asking for rebate of special assessment on their property for Crescent street improvement, was referred to the city attorney.

The electric light and power committee reported as follows:

Your committee would request that an arc lamp be placed at the corner of Third and Hematite streets and at the terminal of East Arch street.

Would also recommend that incandescent lamps be reduced in price as follows: Ten and sixteen candle power lamps from sixty cents to forty cents; twenty-five candle power lamps from seventy cents to fifty cents; thirty-two candle power lamps from eighty cents to sixty cents; fifty candle power lamps from \$1.35 to ninety cents, and all other size lamps in proportion.

Would furthermore request that the common council authorize us to purchase a 150-light meter for the City Hall, thereby enabling us to charge for light actually used. Respectfully submitted,

THE COMMITTEE.
HENRY W. HOCH,
Secretary.

N. M. KAUFMAN,
President.

Introduced by Ald E E Houder

MARQUETTE CITY HALL,

Marquette, Mich., Feb. 25, 1895.

WHEREAS:

A bill has been introduced in the State Legislature providing for a division of the revenues arising from the issuance of Liquor Licenses, and

WHEREAS:

The City of Marquette depends upon the revenue derived from this source for a portion of its support; therefore,

RESOLVED:

That the City of Marquette does most emphatically protest against the passage of said bill, and advances as the reasons for such protest the following:

1st. The population of this county is confined almost exclusively to the residents of the various cities and villages of the county, the people residing outside of the limits of the various cities and villages forming but a very small portion of our entire population.

2nd. In the City of Marquette we endeavor to furnish the very best of police and fire protection, and the expense of such protection, with the cost of maintaining our schools and library, and defraying the other expenses of the city government, makes our rates of taxation high even under our present system of disposing of the revenue from Liquor Licenses.

3rd. The city has installed and owns its own water and electric lighting plants, and the present indebtedness on account of these institutions is \$160,000. The total bonded indebtedness of the city is \$250,000, as follows:

ANALYSIS OF BOND ACCOUNT.	
Water bonds due January 1, 1896, 5 per cent interest.....	11,000 00
Water bonds, due July 1, 1898, 5 per cent interest.....	15,000 00
Water bonds, due January 1, 1900, 5 per cent interest.....	14,000 00
Water bonds, due January 1, 1901, 5 per cent interest.....	35,000 00
Water bonds, due July 1, 1901, 5 per cent interest.....	25,000 00
School bonds, due February 1, 1897, 5 per cent interest.....	10,000 00
School bonds, due September 1, 1899, 5 per cent interest.....	30,000 00
Electric light bonds, due July 1, 1899, 5 per cent interest.....	10,000 00
Electric light bonds, due Janu- ary 1, 1900, 5 per cent int.....	10,000 00
Electric light bonds, due Febru- ary 5, 1900, 5 per cent int.....	10,000 00
Electric light bonds, due July 1, 1900, 5 per cent interest.....	20,000 00
Electric light bonds, due July 1, 1901, 5 per cent interest.....	10,000 00
City Hall bonds, due August 13, 1903, 5 per cent interest.....	50,000 00

Many of these obligations were incurred with the understanding that the law relative to use of license money would be undisturbed.

4th. The Circuit Court of this county has had but very few cases before it on account of violations of the liquor law, and even if complaints had been more numerous, there is no more reason why a city should be called upon to defray the expense of such cases, than that it should be required to pay the cost of conducting cases based on the violation of other laws.

MARQUETTE CITY HALL.

Marquette, Mich., Feb. 25, 1895.

RESOLVED:

That the City of Marquette enters a protest against the passage of the bill providing uniform charters for the cities of this state, and this protest is based on the following facts:

The City of Marquette is now working under a charter which has been revised at different times to bring it into nearer accord with the needs of the municipality, until now it is a very satisfactory fundamental law for the purposes of our city's government.

The main features of our present charter have always been the same, and the amendments made from time to time have been to provide for the many improvements, and meet the changing conditions attendant on the growth of the city in population and commercial importance.

All the labor and expense which has attended the work of bringing our charter to its present condition will be lost if the proposed general charter bill is ratified. We do not wish to interfere with the needs and desires of other cities, but we would respectfully request to be left in undisturbed possession of our present city constitution, and be allowed the privilege of making such suggestions relative to changes as our experience may dictate.

In view of these facts, we, the members of the Common Council of the City of Marquette, do hereby most earnestly request our Senator and Representative in the State Legislature to use their best endeavor to prevent the proposed charter bill from being made applicable to this city.

Game Protective Association.

A meeting of the Marquette County Game Protective association was held at M. E. Asire's office Saturday afternoon, Mayor Kaufman presiding. The committee on constitution and by-laws submitted a report which was accepted and ordered printed in THE MINING JOURNAL that all members might have a chance to read it before action was taken upon its adoption. Some changes were suggested to the constitution and adopted. A committee was appointed to draft a formal call for the game law convention to be held here Jan. 10, and have the same printed and issued. The proposed basis of representation in the convention is one delegate to each 1,000 population by counties. On this basis the following gentlemen were elected delegates from Marquette city: N. M. Kaufman, L. M. Spencer, William Blackwood, James Russell, D. H. Merritt, D. F. Charlton, F. E. Pearse, E. B. Palmer, Dan Sullivan and L. M. Moore. These delegates were authorized to appoint proxies if unable to be present in person. Mayor Kaufman, Royce Clifton, A. O. Jopling, George A. Royce, L. M. Spencer, Dan Sullivan and Rawson Bennett were appointed a reception committee to look after delegates and visitors to the proposed convention.

Following is the constitution proposed for the association, here published for the information of the members and others interested:

ART. I. NAME.

The name of this association shall be "The Marquette County Game and Fish Protective association."

ART. II. OBJECTS.

The objects of this association shall be: To procure the enactment of suitable laws for the protection and preservation of birds, quadrupeds and fishes; to promote the observance of such laws; to conserve and foster the game and fish supply; to preserve the forests and to encourage a high standard of field sportsmanship.

ART. III. MEMBERSHIP.

Sec. 1. Any individual more than eighteen years of age, a resident of Marquette county, or of any county in the upper peninsula where no similar association has been organized and exists, or of any place outside the upper peninsula of Michigan, shall be eligible to membership.

Sec. 2. Applications for membership shall be upon such blanks as may be prescribed by the executive committee and shall be signed by the applicant and accompanied by the membership fee of \$1, and when such application is approved by an affirmative vote of the majority of the executive committee such applicant shall be a member of this association.

Sec. 3. Membership in this association shall carry with it an obligation on the part of members to obey the letter and spirit of all game and fish laws and to encourage by personal conduct and influence a public regard for game and fish protection. All members shall be pledged to a hearty support of any legislation regarding fish and game approved by the association.

Sec. 4. Any person eligible to membership in this association may take out as many certificates of membership as he desires on payment of \$1 for each certificate.

Sec. 5. Honorary members may be elected at any association meeting by unanimous ballot. They shall be exempt from the payment of dues and shall have no vote.

ART. IV. MEETINGS.

The annual meeting shall be held on the third Tuesday in November in each year.

Special meetings may be called at any time upon one week's notice by a majority vote of the executive committee.

ART V. OFFICERS.

Sec. 1. The officers of this association shall be a president, a vice-president, a

secretary-treasurer and an executive committee of five.

Sec. 2. The first election of officers shall be held by ballot immediately upon the adoption of this constitution; and the officers then chosen shall hold office until their successors have been elected. Thereafter all such officers shall be elected by ballot at the annual meetings.

Sec. 3. Any vacancy in any of the offices may be filled at any meeting of the association or of the executive committee.

Sec. 4. The executive committee may allow the secretary-treasurer compensation for his services. All other officers shall serve without pay.

ART. VI. DUTIES OF OFFICERS.

Sec. 1. President: It shall be the duty of the president to preside at all association meetings and at the meetings of the executive committee. He shall appoint all committees except the executive committee. He shall have no vote except in the selection of officers and of new members, and except on equal division, when he shall have the deciding vote.

Sec. 2. Vice-president: It shall be the duty of the vice-president to perform all the duties of the president at any meeting in the absence of the president.

Sec. 3. Secretary-treasurer: The secretary-treasurer shall issue calls for all meetings of the association and of the executive committee, and he shall keep a record of all such meetings. He shall keep a roll of membership, and take charge of all papers belonging to the association; he shall collect all moneys belonging to the association and disburse the same under the direction of the executive committee. He shall transact such other business and duties as may be directed by the executive committee.

ART. VII. EXECUTIVE COMMITTEE.

Sec. 1. The executive committee shall consist of five members, including the president and vice president, who shall be members ex-officio.

Sec. 2. Duties—The executive committee shall have general charge of the interests of the association named in Art. II. It shall consider and report to the association all the proposed changes in the game laws; lay before the legislature the sentiment and action of the association respecting the enactment of such measures and urge their adoption or rejection; it shall secure the enforcement of game laws; disseminate literature relating to game and fish protection; promote fish culture, forestry and the introduction of fish and game and adopt such other means as it may deem expedient to further the objects of the association.

Sec. 3. Sub-committees—The executive committee may appoint such sub-committees as it may deem expedient.

Sec. 4. Financial control—The executive committee shall have full charge of the funds of the association and power to expend the same, but shall be prohibited from incurring any obligation for any sum above the amount of funds in the hands of the treasurer.

ART. VIII. DUES.

Sec. 1. Membership fee: The membership fee shall be \$1, which shall include annual dues to the first of November following.

Sec. 2. Annual dues: The annual dues shall be fifty cents payable to the secretary-treasurer on the first day of November in each year. Members in arrears for dues shall have no vote.

ART. IX. AMENDMENTS.

All proposed amendments of the constitution shall be submitted in writing at least one month before the annual meeting to the secretary-treasurer, who shall at once furnish a copy thereof to each member of the executive committee, and no amendment shall be adopted unless it shall have been so submitted, nor unless it shall be approved by three-fourths of the members present at such meeting. But a proposed amendment may be entertained and acted upon without such previous reference by unanimous consent of the members present.

ART. X. ORDER AND DEBATE.

Cushing's Manual shall be the authority for order and debate.

ANNUAL REPORTS READ.

Summary of City's Business for
Year Just Ending Pre-
sented to Council.

GOOD SHOWING MADE IN ALL DEPARTMENTS.

Alderman Homeier Presents Resignation—Seventh Warders Want Park Street Opened and Want It Bad.

CLOSING UP THE YEAR.

The common council met last evening to hear the annual reports of the various city officers and the financial statements of the several departments. The showing made is certainly a good one and speaks highly for the efficiency and economy of the city government. The detailed reports will be published in a day or two in these columns and will be well worth the careful perusal of every taxpayer. It was hoped to present the annual reports this morning but it was not possible to get them all in the hands of the printers early enough to do so. The following summaries of receipts and expenditures and of the same for the more important departments are given and presented as a brief statement of the city's business. It should be remembered that the cost of the City Hall, representing a permanent investment some \$58,000, is included in the business of 1894. The figures referred to above follow:

In the absence of Mr. Kaufman, President Pearl presided. All aldermen except Holley and Hennessey were present. Two petitions signed by over forty persons each, one approving and the other protesting against the removal of the arc light from Fifth street and the railroad tracks to Fifth and Washington were presented. An effort to refer the protest to the electric light committee was defeated, 8 to 6, and it was then laid on the table. The petition approving the removal of the light was then referred to the electric light committee. The effect of all this is to leave the light at Fifth and Washington.

A petition bearing the signatures of 114 residents of the Seventh ward asking for the opening of Park street from Third to Fourth was presented. This petition grows out of the fact that owing to a disagreement between Sidney Adams and L. C. Palmer when they platted their several additions Park street was not extended through and it is necessary to go around some distance to get from Third to Fourth street. This has been the subject of much complaint and there was quite a lively time over the matter three or four years ago. Alderman Stafford supported the petition in an energetic speech, stating that Mr. Adams was about to build a wall and cut off travel over the vacant lot at the end of Park street, that all efforts to come to reasonable terms had failed, that the property would have to be condemned for a street there some time and that it would cost less now than hereafter. The charter requiring certain formalities to be gone through in cases of condemnation the matter was finally referred to the city attorney. From the attitude of most members of the council there seems little doubt that the condemnation will be made and the street opened.

★ THE MINING JOURNAL was designated as the paper in which these reports should be published. The general summary of receipts and expenditures of the city and of the more important departments appears above and the detailed reports will be published in a few days. Several bills were ordered paid and the controller was directed to prepare a report of all persons exempted from taxes. F. M. Moore, S. M. Billings and James Brahaney were appointed election commissioners.

Edward E. Homeier, in a neat speech thanking the mayor, city officers and his fellow-members of the council for their kindness and courtesy to him, tendered his resignation as alderman from the Fifth ward, regretting very much that circumstances compelled his retirement. Alderman Hoch offered a resolution expressing the regret of the council at losing one of its most faithful and valued members, who always worked hard for the interests not only of his ward but of the whole city, which was adopted unanimously. All who have observed with any attention the work of the council will join in the regret at Alderman Homeier's retirement. Punctual in attendance and faithful in the discharge of every duty, he has certainly been a most useful public servant. It is understood that his retirement is due to the fact that the regulations of the postal department discountenance, if they do not positively prohibit, its employes from holding any other public office.

The council then adjourned and the
