Official Proceedings of the City Commission.

June 18th 1917

A regular meeting of the commission of the city of Marquette, was held in the commission chamber of the city hall on Monday, June 18th, 1917, at 7:30 o'clock p. m., Mayor F. H. Begole presiding.

Present—Commissioners Pearce, Sherman, Sink and Werner.

The city clerk's report of fees collected by him for the week ending June 16th, amount \$2.50, was presented and ordered filed.

A petition from Jacob Isadore and five others for a concrete sidewalk on West Fisher street, from Sixth to Seventh street, was presented and on motion of Commissioner Sherman, supported by Commissioner Werner, said petition was referred to the Department of Public Works with power to act.

The bids of the Marquette Publishing Company and the Mining Journal Company, Limited, for city newspaper publishing, were presented and read, and on motion of Commissioner Pearce, supported by Commissioner Sherman, said bids were rejected.

Yeas—Commissioners Pearce, Sherman, Sink and Werner.

The city engineer submitted extended and amended plan and profile and estimate of the cost of the extension and improvement of West Specular street to the west line of Asire's Addition and the assistant assessor submitted a proposed special assessment roll therefor, together with the written waivers by the owners of the parcels of land therein mentioned of all formalities in connection therewith.

On motion of Commissioner Pearce, supported by Commissioner Sherman, and carried, the following preamble and resolution was adopted:

Whereas, The city engineer has prepared and submitted a plan, profile and estimate of the cost and a map of the proposed assessment district for the proposed improvement of clearing, grubbing, grading and macadamizing with water-bound macadam, the extension of West Specular street from a point 148 feet west of the west line of Hebard Court to the west line of Asire's Addition:

Resolved, That said plan profile and estimate be adopted and that said proposed improvement be designated, "The First Part of the West Specular Street Improvement;" and

Resolved, That the commission hereby determines to make such improvement in accordance with said plan and profile and that the sum of \$924.35 of the estimated cost of said improvement, being for the estimated cost of 486 1/4 feet of said improvement, shall be paid out of the general fund and that the remainder of the total cost of said improvement, estimated to be the sum of \$5,432.10 shall be defrayed by special assessment according to benefit upon the respective lots, premises and parcels of land abutting upon such improvement, to-wit: According to the frontage upon said improvement of the respective lots and parcels of land; (exclusive of the respective streets, alleys and portions of said parcels tentatively indicated on said plan for proposed streets, amounting to 973 feet for such streets, alleys and proposed streets:

And Whereas The assistant assessor has prepared and submitted a special assessment roll for the purposes aforesaid, and in accordance with the foregoing; and all the owners of the respective parcels of land therein mentioned having waived in writing all requirements and formalities antecedent to the confirmation of such roll; and

Whereas, The commission has con-

sidered all suggestions and objections made in respect to said improvement; and the commission and assessor have fully reviewed said special assessment roll and heard all objections made thereto; and all needful corrections having been made of said roll, and the assessments and descriptions appearing thereon;

Resolved, That said special assessment roll is hereby adopted and the assessments therein are hereby confirmed and the sums of money therein mentioned are hereby levied and assessed against the respective lots and parcels of land described therein, and the collection thereof is hereby directed; and

Resolved, That the construction of said improvement is hereby ordered subject to the provisions of the city charter and the ordinances applicable thereto.

This resolution signed by:

E. L. PEARCE.

J. E. SHERMAN.

Moved by Commissioner Sherman, supported by Commissioner Sink, and adopted, that the Department of Public Works be and is hereby authorized to lay the sixteen foot strip of macadam pavement ordered built in the western extension of Specular Street on one side of the twenty-six foot grade in such manner as to accommodate the track of the Marquette City & Presque Isle Railway Company alongside of the macadam pavement

Yeas—Commissioners Pearce, Sherman, Sink and Werner.

Mr. George L. Nason, Landscape Architect, being present, an informal conference was held in which Mr. Nason outlined to the commission, his formal plans for the improvement of the neck of Presque Isle.

Moved by Commissioner Sherman, supported by Commissioner Werner, and adopted, that the general plan for the improvement of the neck of Presque Isle now presented by George L. Nason be accepted and adopted subject to such changes in detail as this Commission may hereafter direct.
