On motion of Commissioner Werner, supported by Commissioner Sherman, said bills were audited and ordered paid.

Mr. R. A. Brotherton appeared in behalf of the Cleveland Cliffs Iron Company, and requested that the commission take action establishing the west line of Lake Street opposite Burt and Ely's Addition.

Moved by Commissioner Sink, supported by Commissioner Sherman, and adopted, that the matter of establishing the westerly line of Lake Street on the property of the Cleveland Cliffs Iron Company, be referred to the Department of Public Affairs to ascertain the width needed for said street in front of said property and to arrange for proper conveyance to the city for such additional strip of land as may be found necessary.

Yeas—Commissioners Pearce, Sherman, Sink and Werner.

The Commission then, on motion, adjourned.

City Clerk.

# Official Proceedings of the City Commission.

September 25th, 1916

A regular meeting of the commission of the city of Marquette was held in the commission chamber in the city hall on Monday, September 25, 1916, at 7:30 o'clock p. m. Mayor F. H. Begole presiding.

Present—Commissioners Sherman, Sink and Werner.

The city clerk's report of fees collected by him for the week ending September 23rd, amount \$6.25, was presented and ordered filed.

A petition from D. W. Connors and six others for an arc light at the corner of Second and Hematite streets was presented and referred to the Department of Light and Power with power to act.

The following was presented:

Marquette, Mich.,

Sept. 25, 1916.

The Honorable City Commission of the City of Marquette.

Gentlemen:

We contemplate building a wood-working factory in the City of Marquette. When fully equipped with machinery and all the necessary buildings, dry kilns, tools and appliances, railroad equipment and timber holdings, an investment of upwards of \$500,000 will be involved. In our operations we expect to employ in the neighborhood of 400 hands.

The factory will be of fire-proof construction, and when finished we expect to have the most perfect and complete wood-working plant possible to erect.

It will be necessary to obtain sufficient acreage which we estimate at approximately 48 acres to provide ground for our present and future operations.

The site we contemplate is a point located approximately 1600 feet directly north of the corner of Hancock and Garfield Avenues. If the proper acreage is provided we will next need an assurance that the city of Marquette will furnish us with an eight inch water main for fire protection into the grounds, and that streets will be laid out and improved to our factory and factory site.

We are very desirous to have your honorable body act upon this at once as we wish to start our building and railroad operations this fall.

Yours respectfully,

The Piqua Handle & Manufacturing Company.

W. COOK ROGERS,

President.

Moved by Commissioner Werner, supported by Commissioner Sherman, and adopted, that the city commission together with the president and engineer of the Piqua Handle & Manufacturing Company, inspect the proposed factory site and determine the best means of extending streets and water mains to such site.

Yeas—Commissioners Sherman, Sink and Werner.

The city engineer submitted a diagram and estimate of cost for the construction of a macadam roadway twenty-five feet wide with concrete curbs in Fitch Avenue and Summit Street.

Moved by Commissioner Sink, supported by Commissioner Werner, and adopted, that consideration of the Fitch Avenue and Summit Street improvement be deferred until next meeting.

Yeas—Commissioners Sherman, Sink and Werner.

The following bills duly approved by the signatures of the respective commissioners in charge, and by the respective officials under whom the work was actually performed, or material furnished were presented and read, viz:

On motion of Commissioner Smith, supported by Commissioner Werner, the following resolution was adopted:

Whereas, Pursuant to the directions of the Commission the city engineer has prepared and submitted profiles, plat and diagram and estimate of the cost of "The Fitch Avenue and Summit Street Improvement," viz:

The construction in the center of Fitch Avenue from Waldo Street to Center Street and in Summit Street from Fitch Avenue to the macadam in Presque Isle Avenue, of a macadam roadway twenty-five feet in width with concrete curb, said roadway to be seven inch water bound macadam, topped with two and one-half inch of penetration asphalt macadam and curbed, to be in other respects according to the specification of the Department of Public Works; together with the city engineer's estimate in detail of the cost of said improvement attached thereto;

Resolved, That said profile, plat and diagram and estimate of cost of said proposed improvement are hereby adopted and ordered placed on file with the city clerk; and

Whereas, The owners of a majority of the property to be assessed for said improvement having petitioned therefor;

Resolved, That the commission hereby determines to make such improvement upon the route, location and grades and of the dimensions and materials mentioned in said plat, diagram and estimate; and that \$799.20 of the estimated cost of said improvement, shall be paid from the general fund and that the remainder of the total cost of said improvement, estimated to be the sum of \$2,675.60 shall be defrayed by special assessment, according to benefit upon the respective lots, premises and parcels of land liable to special assessments in a special assessment district comprising the lands to be assessed for such improvement, hereby determined and designated by the commission to be all the lots and parcels of land abutting upon the portions of said avenue and street in which said improvement is to be constructed; and

Resolved, That the assessor prepare and submit a special

assessment roll for the purposes aforesaid, assessing therein the said sum of \$2,675.60 against the respective lots in said assessment district according to benefit; and

Resolved, That notice be given by publication for two weeks at least in the Marquette Chronicle, a daily newspaper of this city, of the intention of the commission to construct said improvement and to defray a portion of the cost thereof to the amount of \$2,675.60 by assessment upon the private property benefitted thereby and that the diagram, plat and estimate of the cost of said improvement may be found at the office of the city clerk for examination and that the commission will meet on Monday, October 30, 1916, at 7:30 o'clock p.m., at the Commission Chamber in the City Hall and consider any suggestions that may be made by parties interested with respect to such improvement and the assessment roll therefor.

On motion of Commissioner Werner, supported by Commissioner Sink, said bills were audited and ordered paid.

On motion of Commissioner Pearce, supported by Commissioner Sherman, the following resolution was adopted:

Whereas, The improvement for which special assessment roll No. 160 was made, viz: "The Front Street Sewer Improvement," has been completed and the cost and expense therefor is found and determined to be the sum of \$595.57 which sum is \$43.50 less than the estimated cost thereof, as assessed on said roll:

Resolved, That said sum of \$43.50 be rebated pro-rata upon said roll to the persons and property respectively mentioned therein; and that a warrant be drawn on the proper fund for the amount of said rebate.

This resolution signed by:

E. L. PEARCE,  
J. P. WERNER.

Yeas—Commissioners Pearce, Sherman, Sink and Werner.

A committee from the Marquette Rotary Club, consisting of A. F. Maynard, J. R. VanEvera and R. C. Main, appeared before the Commission and presented for consideration the offer of George Shiras Jr., to donate \$5,000 for the construction of a swimming pool at Presque Isle, the same to be a part of such improvement of the neck of Presque Isle as the Commission may determine to make.

After an informal discussion of the matter, on motion of Commissioner Pearce, supported by Commissioner Sink, and adopted, further consideration was deferred until the next session of the Commission.

Yeas—Commissioners Pearce, Sherman, Sink and Werner.

The commission then, on motion, adjourned.
