My reasons for such suspension are as follows:

1. That said Samuel and Michael Lafkas did keep and permit to be kept in such pool room a certain device for gambling, known as a punch board, whereby money or other thing of value is played for or disposed of as the result of chance, and whereby a greater or lesser quantity of property, depending upon chance, is given for the same consideration.

That said Samuel and Michael Lafkas did on said day keep and permit to be kept in said pool room a certain machine, device and form of play and game known as a punch board whereby a stake, money and things of value were and might be won, acquired, and lost as the result of chance in the operation of such machine of device, and as the result of participation in such play or game.

Very respectfully,

F. H. Begole,

Mayor.

The mayor announced that the Messrs. Lafkas were entitled to a hearing upon the charges contained in his written reasons for suspending license as above set forth.

Samuel Lafkas being present stated that he was not aware that the keeping of a punch board was against any ordinance, and that he had kept one because an agent had told him every pool room in town was keeping them; He promise that if the commission would not revoke the license, they would strictly obey the laws of the state and the city ordinances relative to gambling devices.
