The County Board considered a recommendation regarding a loan request from the Marquette County Fair Board. The Fair Board has received a $220,000.00 grant from the State of Michigan, however they must provide an additional $30,000.00 in local matching funds to receive the grant. It was moved by Comm. Seppanen, seconded by Comm. DeFant and unanimously carried that the County Board concur with the recommendation and direct the Fair Board to request the $30,000.00 loan from the EDC Revolving Loan Fund.

The County Board considered a recommendation from the Committee of the Whole to purchase three Sheriff vehicles through the State Purchasing Program, and lease the four-wheel drive Suburban vehicle from Specker Motor Sales of Marquette. Comm. Bays was opposed to purchasing the Sheriff vehicles through the State Purchasing Program, in that Superior Ford bid in good faith and was not aware that there had been only one bid. The remaining Commissioners felt by going to State Purchasing, it will save the taxpayers nearly $4,900.00, and encourage local vendors to be more competitive in the future. It was moved by Comm. Seppanen, seconded by Comm. DeFant and carried three-to-one, with Comm. Bays voting nay, that the County Board approve the Committee of the Whole recommendation to purchase the three Sheriff patrol vehicles through State Purchasing at a cost of $13,837.87 each, and that the County Board lease the 4x4 1990 GMC Suburban from Specker Motor Sales, at a monthly rate of $404.00.

The County Board considered three recommendations from the Committee of the Whole regarding Airport Improvement Projects. It was moved by Comm. Seppanen, seconded by Comm. DeFant and unanimously carried that the following recommendations be approved; a) the Lloyd Thomas Appraisal Contract at a cost of $5,500.00, and the installation of two heating ventilation air conditioning units (HVAC) at a total cost of $20,000.00, with funds to be taken from the 1989 Airport Fund Balance, and further should the EDC request to move into the Airport Terminal, they must come up with $20,000.00 of their own funding. The County will then match the $20,000.00 in funding, which would include $10,000.00 already appropriated for one of the HVAC units; b) that the County Board approve the submittal of the pre-application for the 1990 Airport Improvement Project, with a local share at this time of $3,750.00, and allow the Airport to retain the balance of the 1990 CIP ($50,000.00) for the remainder of the project, and authorize the County Board Chairperson to sign the pre-application after administrative and legal review; and c) that the County Board approve the Airport Fuel Farm Plan as presented by Charles Hohman, Airport Manager, authorizing the Manager to proceed with the agreement with future contract approval pending by the County Board.

RESOLUTION
90-1

WHEREAS, a pre-application/application for the 1990 Airport Improvement Program (AIP) is being initiated between Marquette County and the Federal Aviation Administration for construction at the Marquette County Airport; and

WHEREAS, it is conditioned on the approval of the Marquette County Board of Commissioners; and

WHEREAS, it is necessary for the Chairperson of the said Board of Commissioners to execute documents on behalf of the County Board of Commissioners;
THEN BE IT RESOLVED, that the Marquette County Board of Commissioners at its January 9, 1990 Regular Meeting does take action to authorize the Chairperson to sign the pre-application forms, application forms and associated documents to initiate the 1990-92 (multi-year) AIP program following review by the Prosecuting Attorney’s Office when such completed forms and documents are available for signature.

GERALD O. CORKIN, CHAIRPERSON
MARQUETTE COUNTY BOARD OF COMMISSIONERS

Chairperson Corkin opened the meeting for public comment, none was forthcoming.

Comm. Bays requested that the County Board and Staff monitor how long it takes to receive the three Sheriff patrol vehicles from the State Purchasing Program, and how many dollars are spent in the meantime on the old vehicles for maintenance.

Chairperson Corkin again announced the January 16, 1990 Regular Board meeting to be cancelled.

There being no further business to come before the County Board the meeting was adjourned.

Respectfully submitted,
