The Marquette County Board of Commissioners met in Regular Session on
Tuesday, May 17, 1994, at 7:00 p.m. in Room 231 of the Henry A. Skewis Annex,
Marquette, Michigan.

Chairperson Corkin called the meeting to order. Present: Comm.
and Comm. Seppanen.

A Salute to the Flag was given, followed by the Pledge of Allegiance.

It was moved by Comm. Joseph, seconded by Comm. Braashe, and
unanimously carried by voice vote that the minutes of the May 3, 1994
Regular Board Meeting be approved with the following addition: Policy No.
407, Attendance by Members of Boards and Commissions will be in effect as of
June 1, 1994.

Chairperson Corkin read the following proclamations:

RESOLUTION
FROM
THE BOARD OF COMMISSIONERS
OF THE
COUNTY OF MARQUETTE
HONORING
MENG YAN SUN

WHEREAS, Mrs. Meng Yan Sun has been sponsored by the Marquette County 4-H
Program to teach the young people of Marquette County about the
ways of the Peoples Republic of China; and

WHEREAS, her assistance in this project will help the youth of Marquette
County to have a broader perspective of life around the world; and

WHEREAS, we have received comments from participants, not only indicating
the value of this program, but also regarding their personal
admiration for the work that Mrs. Sun does. Now, therefore, be it
RESOLVED, that the Marquette County Board of Commissioners does congratulate
and commend Ming Yan Sun on her fine work through the Marquette
County 4-H Program for the youth of Marquette County; and, be it
further
RESOLVED, that we extend our thanks and appreciation for her assistance in
this worthwhile endeavor, and wish her the best as she returns to
her homeland.

Presented this 17th day of May, 1994, at Marquette, Michigan.

Gerald O. Corkin, Chairperson
Marquette County Board of Commissioners

* * * * *
PROCLAMATION

To designate the week of May 15–21, 1994 as Emergency Medical Services Week in Marquette County

Whereas, emergency medical services is a vital public service; and

Whereas, timely access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

Whereas, the members of the "Emergency Medical Services - Star of Life" team in our community are ready to provide lifesaving care to those in need 24 hours a day, seven days a week; and

Whereas, emergency medical services in Marquette County consists of emergency physicians, emergency nurses, first responders, emergency medical technicians, paramedics, rescue specialists, dispatchers, educators, administrators, and others; and

Whereas, approximately two-thirds of all community emergency medical services providers are volunteer professionals; and

Whereas, the members of emergency medical services organizations, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

Whereas, the residents and visitors of our community benefit daily from the knowledge, skills, and dedication of these highly trained individuals; and

Whereas, it is appropriate to recognize the value and the accomplishments of emergency medical services providers by designating Emergency Medical Services Week; and

Whereas, the designation of Emergency Medical Services Week will also serve to educate the public about the life-saving aspects of the EMS system, each represented by a point on the EMS Star of Life emblem.

Now, therefore, I Gerald O. Corkin, in grateful recognition of our local EMS services do hereby proclaim the week of May 15–21, 1994 as

EMERGENCY MEDICAL SERVICES WEEK IN MARQUETTE COUNTY

and encourage the residents of our county to observe this week by conveying their appreciation for the life saving services provided by our EMS providers and to actively support this vital system of emergency care.

Adopted this 17th day of May, 1994
Gerald O. Corkin, Chairperson
Marquette County Board of Commissioners

Chairperson Corkin opened the meeting for public comment. None was forthcoming.

It was moved by Comm. Trudell, seconded by Comm. Minelli and unanimously carried by voice vote that the agenda be approved as presented.
Informational Items:

It was moved by Comm. Arsenault, seconded by Comm. Joseph, and unanimously carried by voice vote that informational items a,b,c,d,e,f,g,h,i,j and l be approved as follows:

a. Disaster Media Release from the Federal Emergency Management Agency regarding damage due to winter freezing.
b. Memo from Sue Girard-Jackson, Coordinator Regarding Project NCTV Budget Revision.
c. May is National Skin Cancer Awareness Month: Free Skin Cancer Screening Wednesday, May 18 and Saturday May 21 at Marquette General Hospital.
d. Letter from State Senator Don Koivisto Regarding Environmental Problems in the Rock Area.
e. Governor Engler Response to Senator Don Koivisto Regarding the Abandoned Mine Operations in Marquette County.
f. Michigan Association of Counties Sample Letter to State Representatives Expressing Displeasure With Proposed Medicaid Policy to Discontinue Automatic Payments for Comprehensive Early Periodic Screening Diagnosis and Testing (EPSDT).
g. Michigan Association of Counties Sample Letter Thanking Governor Engler for the 6% Tobacco Tax for Public Health Activities.
h. Letter from Bob Taylor to Mr. Orrin Bailey, Director, Six County Consortium Regarding JTPA Title II-B Proposal for 1994.
i. Report from the Six County Consortium for Employment Training in Marquette County from Orrin Bailey, Director.
j. Letter from James Sodergren, County Treasurer, to Senator Don Koivisto Regarding Legislation Exempting of Agricultural Lands from Having to Pay School Taxes.
l. Notice of Vacancy for Two County Boards and Commissions.

Informational Items Cont’d

Chairperson Corkin highlighted that in conjunction with the 1994 EMS Week, the Marquette County EMS Medical Control Authority will be holding an appreciation and awards reception on Friday, May 20, 1994, at 6:30 P.M., at the Marquette General Hospital Education/Conference Center.

It was moved by Comm. Arsenault, seconded by Comm. Joseph and unanimously carried by voice vote to place the communication on file.

Action Items:

It was moved by Comm. Bergdahl, seconded by Comm. Joseph, and unanimously carried by voice vote that Action Items 10a, 10c, 10d, 10e, 10f, 10g, 10h and 10l be approved as follows:

10a) A Committee of the Whole Recommendation that the County approve the millage languages for various County millages to be placed on the August 2, Primary ballot as follows:

COUNTY PROPOSAL A
FOR RENEWING MILLAGE FOR SERVICES TO THE AGING

10c) A Committee of the Whole Recommendation to approve a $5,000 local match for an EDA Highway System Grant to develop the Canadian/American Highway System, Budget Amendment as follows:

COUNTY OF MARQUETTE
RESOLUTION AMENDING GENERAL FUND BUDGET
Fiscal Year 1994 Amendment No.15

WHEREAS, budgets were adopted by the County Board on October 12, 1993, to govern the receipts and expenditures of the various County funds for the next fiscal year of the County; and

WHEREAS, as a result of unanticipated changes in revenues and/or needed expenditures, it is necessary to modify the aforesaid budget; and

WHEREAS, such modification will still maintain a balanced budget between revenues and expenditures as required by P.A. 621 of 1978.

NOW THEREFORE, BE IT RESOLVED that the aforesaid budget be hereby modified as follows:

<table>
<thead>
<tr>
<th>Expense Budget Acct.</th>

The Chairperson declared the motion carried and the resolution duly adopted this 17th day of May, 1994.

* * * * *

10d) A Committee of the Whole recommendation to approve the Grant Agreement for $974,500 between the State of Michigan and the County of Marquette for disaster assistance as a result of the severe winter freezing.

* * * * *

10e) A Committee of the Whole recommendation to accept the Perkins Park Master Plan Report prepared by U.P. Engineers and Architects, Inc. and pay them $4,690 for their professional services.

* * * * *

10f) A Committee of the Whole recommendation to approve a list of various grant applications for Federal and State funding for services to the aged presented by the Commission on Aging for FY 1995, applications to be submitted by June 10, 1994.

* * * * *

10g) A Committee of the Whole recommendation that the County Board send a letter to the Marquette Medical Care Facility, Administrative Staff, requesting that more timely notification of agendas and meeting changes be sent to the County Board liaison members.

* * * * *

10h) A Committee of the Whole recommendation to send a letter to John Beerling, Superintendent/Engineer, Marquette County Road Commission, regarding the Road Commission sandpiles near Republic.

* * * * *

10i) A Committee of the Whole recommendation to allow the sale of approximately 30 lost or stolen bicycles currently being held by the Sheriff's Department to be included in the Marquette City's Bicycle Auction.

* * * *
10b) The County Board considered a recommendation from the Committee of the Whole to approve the purchase of the full system for the Unified Court Automation Project, however, each Court must commit the necessary funds to pay the annual maintenance costs of approximately $10,000 for each Court from within their budgets.

Joe Levandoski, 21st Century Commission Project Director, was present and explained that the annual maintenance cost for the three Courts for the Automation Project in the first year will be approximately $30,191.00. This figure will increase to roughly $32,784.00 after the third year. Mr. Levandoski presented letters of commitment from each Court and the County Clerk as to where from within their budgets they would provide the funding for the annual maintenance costs. The collective total of commitments is $44,580.00. This may be higher than necessary, however, it insures compliance in the case of any unforeseen variances. The following is a summary of the commitments to cover the maintenance costs for the Unified Court Automation Project, as follows:

County Clerk  A $1.00 increase in the first copy of a vital record certification fee (from $6/$3 to $7/$3) beginning July 1, 1994. This will generate approximately $3,000 in 1994 and $6,000 in 1995. Also, automation will eliminate the need for docket books, case flow index cards, and Court receipt books, saving approximately $2,500 in 1995.  

$11,500

Circuit Court  Judges will impose a new $100 per Defendant Court Cost Assessment Fee which will generate approximately $12,000 per year.  

$12,000

District Court  Will impose a $5.00 increase to Court Costs on each Criminal Misdemeanor and Serious Traffic Misdemeanors which will generate approximately $13,000.  

$13,000

Probate Court  Will initiate a $60.00 Adoption Record Search Fee. Additional $10.00 (from $50 to $60) in Juvenile Division Court Costs, and $5,000 for GOM Maintenance as part of a Juvenile Division Pilot Project provided by a $77,000 Grant from the Department of Social Services.  

$1,080  

$2,000  

$5,000

TOTAL  

$44,580

Chairperson Corkin commended all the Court Staff, Clerk Staff and Data Processing Department for their hard work and dedication to this project. It was moved by Comm. Joseph, seconded by Comm. Bramse, and unanimously carried by voice vote that the County Board approve the Unified Court Automation Project, approve the commitment and increase in fees presented by each Court and the County Clerk, and authorize the Chairperson to sign the Agreement, a summary of the project financing as follows:

* * * * *

10j) The County Board considered a resolution calling for the elimination of through heavy truck traffic on County Road 500 (West Grove Street) in Marquette Township. The following persons spoke in favor of eliminating the heavy truck traffic on West Grove Street: Jim Brogan, 2424 Grove Street; Lou Myefski, 2125 Grove Street; Sharon Bordeau, Chairman, Marquette Township Planning Commission; Earl Hawn, 303 Grove Street; and Jim Deehan, 14 Grandview Circle. These persons felt the elimination of the heavy through truck traffic is necessary for the following reasons:
Grove Street is narrow and has very narrow shoulders. There are a number of blind spots on hills and curves. The road was not built for heavy truck traffic but for residential traffic. Bikers, walkers and especially children are subjected to dangerous conditions by heavy trucks traveling at a high rate of speed along Grove Street.

Tom Piekarz, 26 Morgan Meadows, an employee of Payne & Dolan contended that Grove Street should not be closed to trucks. He is more worried about cars rather than trucks because the cars are traveling much faster than the trucks. He agreed that the road could be eight feet wider, however, it is easier for the trucks to get on to the highway at the end of Grove Street because there are traffic lights. On the end of M-35 or Co. Rd. 492 they have to enter the highway between traffic which creates a dangerous condition.

Chairperson Corkin read a letter from Stephen Blondeau, President of Blondeau & Sons, Sand and Gravel Trucking, Inc. Mr. Blondeau indicated that his Company, along with the Marquette Board of Light and Power have been accused of not only using Grove Street, but abusing it. The fact is that his Company has delivered one load of sand to the Golf Club in the past three years. Banning the through truck traffic on Grove Street will have little or no effect on his Company. Commissioners wondered who then is using Grove Street? Citizens present mentioned such names as Oberstar, O’Dovero, Larson, etc. They also said if there are no trucks using it then there should be no objection to banning through heavy truck traffic on Grove Street.

Comm. Arsenault pointed out that the Marquette City Streets, Roads and Traffic Committee is meeting regularly and will designate new truck routes through the City of Marquette. There will be a planning study which will hopefully include an acceleration/deceleration lane for truckers coming in and off of Wright Street. Solution to the truck problems are not that simple, solving a problem in one area may create unsafe conditions in another area. Recommendations from this Committee should be forthcoming shortly.

Civil Counsel, Gary Walker, further explained that the County’s ability to pass ordinances if very narrow. Weight and road restrictions are administered and imposed by the Road Commission. Speed regulations are imposed by a combination of the Road Commission and the State Police. The County Board of Commissioners cannot regulate traffic, however, home rule cities have large ordinance abilities. The County Board however can pass a resolution encouraging the City and/or the Road Commission to restrict traffic and do traffic studies.

It was moved by Comm. Angeli, seconded by Comm. Bergdahl and unanimously carried by voice vote that the County Board support Marquette Township by adopting a similar resolution calling for the elimination of heavy truck through traffic on County Road 500 (West Grove Street) and forward a copy of the resolution the Marquette County Road Commission, the Charter Township of Marquette, and the City of Marquette, resolution as follows:

**MARQUETTE COUNTY RESOLUTION**

**ELIMINATION OF HEAVY TRUCK THROUGH TRAFFIC ON COUNTY ROAD 500 (WEST GROVE STREET)**

WHEREAS, the Marquette County Board of Commission having reviewed, and discussed the merits of a petition signed by 43 Marquette Township residents requesting the immediate elimination of truck traffic on County Road 500 (West Grove Street), plus considered verbal comments on this subject regarding the need for action, and

MSS176_35_7_08.tif
WHEREAS, it is the mission of the County of Marquette to serve the citizens through the efficient and effective execution of pro-active solutions to the challenges of a progressive, developing community; and

WHEREAS, increased residential development along County Road 500 has created serious safety problems for vehicular traffic, bicyclists, joggers, pedestrians, and children waiting for school buses; and

WHEREAS, it is the responsibility of the Marquette County Board to provide for the safety, health, and welfare of the citizens of Marquette County.

THEREFORE, BE IT RESOLVED that the Marquette County Board of Commissioners strongly encourages early action by the Marquette County Road Commission and the Marquette City Commission to eliminate heavy truck traffic on Grove Street within the City of Marquette; thus, preventing through traffic on West Grove Street (County Road 550) within Marquette Township, and thereby ceasing current unsafe conditions, which if ignored will result in vehicular/pedestrian accidents.

Adopted May 17, 1994
Gerald O. Corkin, Chairperson
Marquette County Board of Commissioners

Chairperson Corkin opened the meeting for public comment. Mark Bellows, of County Road 478, wondered if the County Commissioners had received a letter from the Communications Workers Local 4025 regarding the potential loss of 45 jobs in Marquette County due to the restructuring of Michigan Bell Telephone.

Chairperson Corkin informed Mr. Bellows that several Commissioners have met with Elwood Mattson, Steve Balbierz, and other representatives and are working on a plan to influence Ameritech's decision.

Commissioner Comments, Staff Comments and Announcements

Chairperson Corkin announced that on Wednesday, May 18, 1994, at 1:30 P.M. a disaster assistance briefing will be conducted at the Negaunee Township Hall, 42 M-35, Negaunee, MI. All governmental jurisdictions that have sustained damages due to the severe freezing conditions last winter are urged to send representatives to this meeting. Federal Emergency Management Agency (FEMA) and State Emergency Management officials will be present to explain the disaster assistance program, the application process and answer questions.

Chairperson Corkin announced that on June 2, 1994 there will be a meeting with representatives of the FAA regarding RAPCON. Indications are the meeting will be positive.

Chairperson Corkin announced that inquiries from major corporations have been received regarding the Gateway Project, Inc. There has been a surprising amount of interest generated in the last couple of week.

Chairperson announced that he recently spoke with Frank Opolka, DNR Regional Director, regarding Payne & Dolan's proposal to manufacture hot asphalt with fuel contaminated soils. Payne & Dolan has met with the DNR and there is no problem with the soils that are stored under tarps, but they may not be able to handle the soils that are in the ground.
Comm. Angeli questioned the use of the parking lot of the DeFant Building for a Farmers Market. He thought the intention was for vendors to produce the majority of the produce that they intend to sell in Marquette County, and not to create another retail outlet. Administrator Aloia explained this is the intention and the City of Marquette will be restricting the sale of produce that comes from outside the County.

There being no further business, the meeting was adjourned.

Respectfully submitted,

[Signature]
David J. Roberts
Marquette County Clerk
