BOARD OF COMMISSIONERS  COUNTY OF MARQUETTE  SEPTEMBER 16, 1997

MARQUETTE COUNTY BOARD OF COMMISSIONERS

RESOLUTION

HONORING CLEVELAND-CLIFFS 150TH ANNIVERSARY

WHEREAS, Iron ore was discovered near Negaunee, Michigan in 1844 and the Cleveland Iron Company was founded on November 9, 1847, and

WHEREAS, Cleveland-Cliffs through vision and leadership is responsible for many firsts on the Marquette Iron Range including: The first road from Negaunee to Marquette, the first railroad, the first modern ore dock, the first iron ore shipment through the Soo Locks, the first hydroelectric plant, the first electric hoisting equipment, the first geological department, the first safety department, the first hospital, pension plan, welfare department and the first commercial iron ore pellet, and

WHEREAS, Cleveland Cliffs over the last 150 years has continued to acquire and build and merge and reorganize and technologically advance so that today Cleveland-Cliffs is the world’s largest producer of iron ore pellets and the leading supplier of high-quality iron ore products to the North American steel industry, THEREFORE, BE IT

RESOLVED, that the Marquette County Board of Commissioners congratulates Cleveland-Cliffs, Inc. on its historic first 150 years of mining services and production to the world, the Lake Superior Region, and especially to Marquette County, AND BE IT FURTHER

RESOLVED, that the Marquette County Board of Commissioners is confident that Cleveland-Cliffs, Inc. will have many future years of mining success through its continued leadership and innovation.

Adopted on September 16, 1997
and presented this 4th day of October, 1997
Gerald O. Corkin, Chairperson
Marquette County Board of Commissioners

* * * * *

Chairperson Corkin opened the meeting for public comment. James Sodergren, County Treasurer, addressed the County Board regarding agenda item 9f) the Tilden Mining Company Mitigation Plan, and item 10h) a Committee of the Whole recommendation regarding Roof Replacement at the Marquette County Youth Home.

Mr. Sodergren stated that he was Chairman of the Lands and Buildings Committee when the Youth Home was erected. At that time this area was experiencing a lot of trouble with roofs. It was their observation that the architects who designed these roofs were from either Milwaukee or Grand Rapids, and not from the Upper Peninsula. The consensus at the time when building the Youth Home was that local architects be hired so we could get a good roof. That roof has been a problem ever since the building was put up. Extensive repairs have been made and it all stems from ice build-up and leakage. Mr. Sodergren believes that a double roof is needed. He understands that the contractor will only give a two year warranty on the roof. He doesn't think the County should spend $21,000.00 for a roof that will only be warranted for two years. He believes the Board should go the extra mile and spend the money to redesign the roof and get a 20 year warranty. Double roofs, known as Copper Country roofs in this area, are very effective.

Mr. Sodergren also commented on the Tilden Mining Company Mitigation Plan. Mining has been and hopefully will continue to be an important part of our economic base. It is his understanding that C.C.I. and the D.E.Q., are having difficulty finding sites to replace the swamp that will be filled in with rock stripping. Taking prime and valuable land to build more swamps in the U.P. is not mitigation, it is further destruction of a natural resource. The plan of the Tilden Mining Company is to provide some funds to restore Lake Bancroft in the City of Ishpeming, and to provide funds to drill a new well for Tilden Township. The major expense in this mitigation plan is to reconstruct a swamp in Dickinson County that was destroyed by the Groveland Mine which is now closed. Rather than spend money in Dickinson County to repair a swamp that was destroyed by another company, the money should be spent in Marquette County. There are several dangerous mine pits in Tilden Township and in the City of Ishpeming that need to be filled in. The laws governing the E.P.A. does not specifically demand that another swamp be constructed. The law speaks to restoring, maintaining, and enhancing the quality of the environment. Mr. Sodergren suggested that Senator Levin, Congressman Stupak, and Governor Engler be contacted so that the mitigation can move forward. He also recommended that an Iron Range Resource Reclamation and Rehabilitation Board be established in Marquette County.
David Thayer, Commission on Aging Director, requested to speak regarding the Commission on Aging Resolution, late addition item 11c).

There being no further public comment, Chairperson Corkin closed this portion of the meeting.

It was moved by Comm. Tuominen, seconded by Comm. Bergdahl, and unanimously carried by voice vote that the agenda be approved with the following late additions: 11a) Heating Conversion Bids, Buildings 627, 664, and 665; b) Bid Award, Aircraft Maintenance Facility, Building 608; 11c) Commission on Aging Resolution; de) State of Michigan funds for purchase of snowmobile; and el) Sundberg, Carlson and Associates, Inc. contract amendment.

INFORMATIONAL ITEMS

It was moved by Comm. Rapport, seconded by Comm. Seppanen, and unanimously carried by voice vote that the following informational items be accepted and placed on file:

a. Memo from James Sodergren, County Treasurer, regarding Account Clerk Job Posting.
b. UPACC Fall Conference October 10 & 11, 1997.
d. Carol Getts, Newly Hired State Registrar and Director of the Division of Health Statistics, replacing George Van Amburg who recently retired.
e. Public hearing to be held 9/29/97 regarding Act 198 Industrial Facilities Exemption Certificate.
g. Information regarding Superior Behavioral Health/Delta County CMH Merger Meeting.

INFORMATIONAL ITEMS Cont’d.

9f) The County Board considered a memo from Steve Powers, County Administrator, regarding the Tilden Mining Company Mitigation Plan. Commissioners supported suggestions made by Treasurer Sodergren.

Comm. Arsenault suggested delisting Deer Lake in Ishpeming Township as a possible local mitigation.

It was moved by Comm. Rapport, seconded by Comm. Arsenault, and unanimously carried that the County Board write a letter (including Treasurer Sodergren’s suggestions) to the D.E.Q. and the E.P.A. indicating that Marquette County does not want to delay the project, but that mitigation be considered for areas in Marquette County.

ACTION ITEMS

It was moved by Comm. Roberts, seconded by Comm. Bergdahl, and unanimously carried by voice vote that action items 10b, 10e, 10f, 10g, 10i, and 10j, be approved as follows:

10b) Committee of the Whole recommendation establishing an Intermediary Lending Program to provide a source of subordinated financing for new and expanding businesses located or to be located at the former K.I.Sawyer Air Force Base. The loan program to be administered by the K.I.Sawyer Development Department with a Loan Committee to be comprised of the K.I.Sawyer Development Department Accountant and from two to four members of the K.I.Sawyer Economic Development Committee, to be selected by that Committee.

10e) Committee of the Whole recommendation approving Title IV-D Cooperative Agreement for Medical Support Enforcement between the Friend of the Court and the Family Independence Agency.

10f) Committee of the Whole recommendation approving the FY 1998 Emergency Management Annual Work Agreement.

10g) Committee of the Whole recommendation adopting the following resolution for Participation in the Federal Property Assistance Program:
STATE OF MICHIGAN  
BOARD RESOLUTION  
FEDERAL PROPERTY ASSISTANCE PROGRAM

WHEREAS, the County of Marquette, State of Michigan has met all other State and Federal requirements for participation in the Federal Property Assistance Program under Public Law 94-519.

WHEREAS, it is a requirement that a resolution be adopted by the governing body specifically designating a coordinator as Surplus Property Donee and Custodian, to be responsible for the acceptance and accountability and authorized to sign for surplus property.

NOW THEREFORE, BE IT RESOLVED:

1. That the Governing Body for the County of Marquette of the State of Michigan hereby designates Steven D. Powers who is the authorized coordinator as the person responsible for accepting Federal Surplus Property, with the power and full authority to sign for such surplus property.

2. The coordinator named above is to be held responsible for the accountability and will maintain the necessary records for all surplus property obtained for public purposes until relieved from accountability by State and/or Federal authorities.

3. That money is available to pay service charges for surplus property obtained.

4. That the coordinator is further hereby authorized to direct payment of service charges for surplus property to complete all transactions.

I do hereby certify that the foregoing resolution was adopted by the favorable vote of a majority of the members of said Marquette County Board of Commissioners on September 16, 1997.

Gerald O. Corkin, Chairperson  
Marquette County Board of Commissioners

* * * * *

10i) Committee of the Whole recommendation approving the agreement with Ameritech for Jail Inmate Phone Services. There is no expense to the County for the pay phone service other than providing electricity.

10j) Committee of the Whole recommendation to send a thank you letter publicly recognizing Louis "Sparky" Lauzon, Chair, Schoolcraft County Board, and MAC outgoing President for his leadership and efforts to being the first MAC Conference ever to the Upper Peninsula, and that the letter be sent to the Manistique Pioneer Tribune.

ACTION ITEMS CONTINUED

10a) The County Board considered the Application for Secondary Road Patrol and Traffic Accident Prevention Program. The State Office of Highway Safety Planning provides funding under P.A. 416 to counties to patrol and monitor traffic violations, enforce criminal laws, investigate crashes, and provide emergency assistance. The grant if approved, will provide $81,540. The cost to provide the patrol and accident prevention activities is $108,603. The state revenue and the County share are included in the 1997 budget and the 1998 recommended budget. Salary, benefits, and operating costs for two deputies are funded.

It was moved by Comm. Arsenault, seconded by Comm. Seppanen, and unanimously carried by voice vote to approve the P.A. 416 Application and authorize the Board Chair to sign.

10c) The County Board considered a Committee of the Whole recommendation for Preapproval and Authorization for Execution of AIP Grant Documents. Steve Powers, County Administrator, distributed a updated memo from Hal Pawley, Airport Manager, which changes the grant application once again. The FAA included in this application all the projects submitted in the FY 97 MAP grant application. This change will increase the federal grant funds to $1,893,543, and the state and local share to $105,197 each. The local share will be paid from passenger facility charge when the FAA gives their approval to do that.

It was moved by Comm. Seppanen, seconded by Comm. Arsenault, and unanimously carried by voice vote that the County Board provide advance approval of the Grant Offer and Acceptance Agreement, and authorization for execution of the acceptance pasts by the Board Chair. Authorization conditional on the acceptable bids being within the available funds, and the Application and Grant Agreement not containing any unacceptable conditions or requirements.
10d) The County Board considered a Committee of the Whole recommendation to approve Superior Extrusion, Inc. Prime Lease/Sublease for Building 661 at K.I.Sawyer. Comm. Arsenaugt requested that he be allowed to abstain from voting on this matter because of his past professional relationship with Superior Extrusion.

It was moved by Comm. Seppanen, seconded by Comm. Rapport, and carried by voice vote, 7 Ayes to 0 Nays, with 1 Abstention (Comm. Arsenaugt), that the County Board approve of Superior Extrusion, Inc. Prime Lease/Sublease for Building 661, and authorize the Board Chairperson to execute the appropriate documents.

10h) The County Board considered a Committee of the Whole recommendation to approve the Roof Replacement Agreement with Seelen Construction at the Marquette County Youth Home, in the amount of $21,855. Comm. Seppanen re-emphasized Treasurer Sodergren’s concerns. He feels it best in the long term that the County do something different than just a short term fix.

Ron Koshorek, Director, Resource Management, explained that the problem with the roof besides its age is that the numerous valleys experience ice build up and ice damming and eventually leaking. Anything that is done to prevent ice damming will give a more durable roof. Mr. Koshorek stated the only alternative to repair would be to build a second roof on sleepers placed on the existing roof system, although this would require an inspection by a structural engineer to determine if the weight of an additional roof system could be supported by the underlying framing. This would be a much more costly project than the one currently under consideration, and would probably delay the project until the spring.

Steve Powers, County Administrator, estimated that a redesigned roof would be triple to quadruple the bid that is being considered.

Comm. Seppanen questioned if any damage would be done to the building if the Board delays until an engineer determines the real cost and time frame involved to build a second roof.

It was moved by Comm. Seppanen, seconded by Comm. Rapport, and unanimously carried by voice vote that the County Board direct staff to research the various possibilities and report back to the Committee of the Whole meeting on September 23rd with further information.

10k) The County Board considered a request for a budget amendment to purchase a personal computer and table for the Jail. The County was awarded $5,713 to provide adult education to jail inmates. As of September 4, there is an unspent balance of $2,315. The Sheriff is recommending using a portion of the balance to purchase a personal computer, software, table, and chair. The Marquette-Alger Intermediate School District (grant administrator) has approved the purchase.

Mary Donaldson, Jail Instructor, explained in a memo that the computer is a justified expenditure. Also, there are no other identified needs for the state funds. All costs associated with the adult basic education activity has been funded by the grant.

It was moved by Comm. Tuominen, seconded by Comm. Seppanen, and unanimously carried by voice vote that the County Board approve the budget amendment to purchase the personal computer and table for the Jail.

RESOLUTION AMENDING GENERAL FUND BUDGET
Fiscal Year 1997 Amendment No. 37

WHEREAS, budgets were adopted by the County Board on October 8, 1996, to govern the receipts and expenditures of the various County funds for the next fiscal year of the County; and

WHEREAS, as a result of unanticipated changes in revenues and/or needed expenditures, it is necessary to modify the aforesaid budget; and

WHEREAS, such modification will still maintain a balanced budget between revenues and expenditures as required by P.A. 621 of 1978.

NOW THEREFORE, BE IT RESOLVED that the aforesaid budget be hereby modified as follows:

Motion was made by Comm. Tuominen, Seconded by Comm. Seppanen, to adopt the foregoing resolution. Upon roll call vote, the following vote was recorded:

Aye Nay Aye Nay

L. Angeli  X _ N. Joseph Absent
P. Arsenault X _ K. Rapport X _
C. Bergdahl X _ F. Roberts X _
P. Cihak Absent G. Seppanen X _
G. Corkin X _ C. Tuominen X _

The Chairperson declared the motion carried and the resolution duly adopted this 16th day of September, 1997.

LATE ADDITIONS

11a) The County Board considered a memo from Steve Powers, County Administrator, regarding bids for the Aircraft Maintenance Facility - Heat Conversion Buildings 627, 664, & 665. The County has received three bids for the project. These three buildings had an estimated conversion cost of $185,800. The low bid is $202,000. Mr. Powers explained that given the possibility that the contractor may have to supply temporary heating, the increase of the estimate is acceptable. The low bid conformed to the request in all respects and he recommends the County Board award the project to Industrial Piping of Marquette, Inc.

It was moved by Comm. Bergdahl, seconded by Comm. Arsenault, and unanimously carried by voice vote that the County Board award the bid to Industrial Piping of Marquette, Inc., in the amount of $202,000 for Heat Conversion on Buildings 627, 664, & 665.

11b) The County Board took under consideration a memo from Ron Koshorek, Director, Resource Management, regarding bids for the Aircraft Maintenance Facility - Building 608. Three bids were received for this project. The low bidder, Menze Construction, submitted a statement qualifying their bid. The statement indicates that all work related to location of a paint booth was excluded from their bid. For this reason, Mr. Koshorek feels the bid is not responsive and should be rejected. Mr. Koshorek recommends award to the second low bidder, Closner Construction of Marquette, in the amount of $602,800.

Steve Powers, County Administrator, explained that this building is funded by the Economic Development Administration grant and the Community Development Block grant for the building cluster that is serving AMR. Mr. Powers concurs with the recommendation of Mr. Koshorek. Both the EDA and CBDG have both given approval for authorization to proceed as Mr. Powers and Mr. Koshorek recommends.

It was moved by Comm. Seppanen, seconded by Comm. Rapport, and unanimously carried by voice vote that the County Board award the bid for Building 608 to Closner Construction of Marquette in the amount of $602,800, and that the Board Chair be authorized to execute the contract documents and issue Notice of Award and Notice to Proceed.

11c) The County Board considered a resolution from David Thayer, Commission on Aging Director. Mr. Thayer was present and explained that yesterday he received notice from the Area Agency on Aging (UPCAP) that they were not going to renew the contract for the State Care Management Program that the Marquette County Commission on Aging has operated since 1985. It is UPCAP's intent to establish the same care management program in Marquette County under their name at more expense and without existing community connections to identify and serve frail seniors.

It was moved by Comm. Rapport, seconded by Comm. Tuominen, and unanimously carried by voice vote that the County Board adopt the following resolution regarding the State Care Management Program:

MSS176_42_5_05.tif
RESOLUTION

WHEREAS, the Marquette County Commission on Aging has operated the State Care Management Program since 1985 successfully serving the needs of the County's most frail elderly; and

WHEREAS, the County Commission on Aging filed with UPCAP Services, Inc. on July 21, 1997 timely notice of intent to continue operating the Care Management Program in fiscal year 1998; and

WHEREAS, the Michigan Office of Services to the Aging has not determined there is a demonstrated lack of good management with the County administered program; and

WHEREAS, the Michigan Legislature in 1994 set forth their intent that existing care management projects shall continue to receive funding unless mismanagement is demonstrated; and

WHEREAS, UPCAP provided notice to the County Commission on Aging on September 15, 1997 of their plans to seek their board approval on September 19, 1997 not to renew the contract with them for Care Management; and

WHEREAS, it is UPCAP's intent to establish the same care management program in Marquette County under their name at more expense and without existing community connections to identify and serve frail seniors; and

WHEREAS the non-renewal of the Care Management contract will severely disrupt the operations of the County Commission on Aging.

NOW, THEREFORE BE IT RESOLVED, that the Marquette County Board of Commissioners urge the Board of Directors of UPCAP Services, Inc. not to accept the recommendation to discontinue its contractual relationship with the Marquette County Commission on Aging for the operation of the State Care Management Program; and

BE IT FURTHER RESOLVED, that County Board of Commissioners urges the Upper Peninsula Area Agency on Aging (UPCAP) to pursue efforts of collaboration with local subcontractors that promote effective, cost efficient services to seniors.

Signed this 16th day of September, 1997
Gerald O. Corkin, Chairperson
Marquette County Board of Commissioners

11d) The County Board considered a memo from Undersheriff, James Bjorne, regarding State of Michigan funds for the purchase of a new snowmobile. Steve Powers, County Administrator, explained that the Sheriff's Department received a call late last week from the Dept. of Natural Resources offering Marquette County up to $4,125.00 to purchase a snowmobile, money that was unspent by other counties. The Sheriff's Dept. pursued this offer because in the 1998 budget there is millage money for a snowmobile. The Sheriff agreed that rather than purchasing an additional snowmobile with this money, perhaps we can use the money to help with the cost of the machine that will be purchased in 1998. Lt. Mallett proceeded to receive bids. Mr. Powers recommends amending the budget to provide for the purchase this year. The State will provide $4,125.00, the County will use fund equity in the Rescue Safety Fund for the balance, which will be restored in 1998 from not purchasing the snowmobile. Mr. Powers concurs with the recommendation of the Undersheriff that the purchase be awarded to Honda of Marquette.

It was moved by Comm. Rapport, seconded by Comm. Arsenault, and unanimously carried by voice vote that the County Board approve the purchase of the snowmobile from Honda of Marquette in the amount of $6,500.00. $4,125.00 State of Michigan funds and the remaining $2,375.00 from the Rescue Safety Fund. Budget amendment as follows:

RESOLUTION AMENDING RESCUE SAFETY FUND BUDGET
Fiscal Year 1997 Amendment No. 39

WHEREAS, budgets were adopted by the County Board on October 8, 1996, to govern the receipts and expenditures of the various County funds for the next fiscal year of the County; and

WHEREAS, as a result of unanticipated changes in revenues and/or needed expenditures, it is necessary to modify the aforesaid budget; and

WHEREAS, such modification will still maintain a balanced budget between revenues and expenditures as required by P.A. 621 of 1978.

NOW THEREFORE, BE IT RESOLVED that the aforesaid budget be hereby modified as follows:
MSS176_42_5_07.tif
It was moved by Comm. Tuominen, seconded by Comm. Seppanen, and unanimously carried by voice vote that the County Board write a letter to Senator Levin and Senator Abraham supporting their position regarding new PILT legislation.

Steve Powers updated the County Board regarding the bomb scare that happened at approximately 11:50 a.m. today.

Steve Powers reported on the request from the County Board on the Military Airport Program, specifically the number of applications. Marquette County is one of eighteen airports that were eligible or have applied under the revised criteria. The comments received in response to our inquiry were that our application is good and solid, and we have good congressional support. A decision is expected within two or three weeks.

Chairperson Corkin reminded Commissioners that the UPCAP Fall Conference will be held October 10 and 11, 1997. Commissioners interested in attending should contact Karla by September 25, 1997.

There being no further business, the meeting was adjourned at 8:15 p.m.

Respectfully submitted,

Connie M. Branam
Deputy County Clerk
ROLL CALL.

2. SALUTE TO THE FLAG AND PLEDGE OF ALLEGIANCE.

4. PROCLAMATIONS, PRESENTATIONS AND AWARDS.
   b. Resolution Honoring Cleveland-Cliffs’ 150th Anniversary.

13. COMMISSIONERS COMMENTS, STAFF COMMENTS AND ANNOUNCEMENTS.

14. ADJOURNMENT.
The Marquette County Board of Commissioners met in Regular Session on Tuesday, September 16, 1997 at 7:00 p.m. in Room 231 of the Henry A. Skewis Annex, Marquette, Michigan.

A Salute to the Flag was given followed by the Pledge of Allegiance.

It was moved by Comm. Arsenault, seconded by Comm Roberts, and unanimously carried by voice vote that the minutes of the September 2, 1997 Regular Board Meeting be approved.

Chairperson Corkin read the following resolution urging all community members and businesses in Marquette County to participate in Pollution Prevention Week September 15-21, 1997:

MARQUETTE COUNTY BOARD OF COMMISSIONERS
RESOLUTION
POLLUTION PREVENTION WEEK
SEPTEMBER 15-21, 1997

WHEREAS, the County of Marquette takes great pride in the state's natural resources and supports a clean and safe environment; and

WHEREAS, pollution prevention, also known as source reduction, is a progressive approach that eliminates or reduces pollution at its source; and

WHEREAS, pollution prevention is the most environmentally sound method of protecting our natural resources; and

WHEREAS, pollution prevention can improve environmental conditions and maintain the health and safety of workers in the workplace; and

WHEREAS, pollution prevention can increase industrial efficiency, commercial competitiveness, and can save participating businesses time and money; and

WHEREAS, by focusing on rigorous pollution prevention, Michigan can meet the changes of having both a healthy community and business environment for its citizens; and

WHEREAS, Pollution Prevention Week is an opportunity for government to join forces with business, industry, environmental groups, community organizations, and the citizenry at large to take action toward a prosperous and sustainable future;

THEREFORE, be it resolved that September 15-21, 1997, is Pollution Prevention Week and the County of Marquette does hereby urge all community members and businesses of Marquette County to participate in local and regional celebratory and educational activities.

Adopted this 16th day of September, 1997
Gerald O. Corkin, Chairperson
Marquette County Board of Commissioners

Chairperson Corkin read the following resolution Honoring Cleveland-Cliffs 150th Anniversary:
