It appearing to the Board that the sum of Two Hundred fifty dollars Supervisors, has been expended on the Bay de Noc road under the direction of the Supervisor of Choculay, under the resolution of this Board passed at a meeting held June 8th 1863 & that Charles T. Harvey is entitled to such amount, an motion was

Resolved. That an order for said amount be issued to said C. T. Harvey \$250.-

Gen^l Wagon presented his acc^t for sundry fees as justice of the peace - allowed in full \$4.52

M. H. Maynard's acc^t for making Dist Roll of Schoolcraft Co 1864 & cash paid out allowed in full at - - - \$15.10

The subject of the Bay de Noc & Marquette State road being under consideration the following resolution was introduced and adopted -

Whereas, the people of this County and of the Upper Peninsula will undoubtedly be more benefitted at the present time by the building of the Marquette and Bay de Noc State Road, than by any other proposed State Roads in the Lake Superior region and Whereas, the State officials seem to have neglected to appropriate to said road its share of the moneys received into the State Treasury from the proceeds of swamp land sales, as required by law, and no satisfactory explanation of this practice repudiation of the Legislative grant has been made - therefore

Resolved. That Charles T. Harvey Esq be requested at his earliest convenience to present the matter before the State authorities and

call their attention to the same in the name and behalf of this County.

And in the event of the refusal of such State authorities to grant the required relief - if it shall appear probable that a motion in the Supreme Court for a mandamus to compel a proper distribution of the Swamp land funds - will result so that said Road will get its proper share - said Harvey is hereby requested and authorized to employ legal counsel in the City of Detroit to prosecute such motion in the name of this County and the sum of two hundred & fifty dollars is hereby appropriated to pay such counsel as whenever a successful result of such legal process is obtained.

Our motion

Henry J. Colwell Supervisor of the same was appointed a Committee of this Board to visit & inspect the road said to be cut out from Lake Michigan to Bruce, and it was ordered that upon the filing with the Clerk of his report that such road is completed as contemplated by the terms of the Resolution of this Board passed August 24th 1861 and designating the person or persons who are entitled to pay same therefor, an order for the sum of Five Hundred dollars then appropriated for that purpose be issued upon the Treasurer of this County.

The County Treasurer presented his books and accounts for examination - and it appearing that the a/c have been irregularly kept by the late Treasurer, and there being apparent deficiencies therein - on motion it was Resolved: That the Clerk be, and he is hereby instructed to employ a competent Book Keeper to assist him in examining the books and a/c of the Treasurer's office and report the result of the same at the next meeting of this Board on motion adjourned to Dec^r 2nd next.
