On motion of W. P. Healy, the following preamble and resolutions were unanimously adopted:

Whereas, the Contractor upon the Marquette & Bay De Noc State Road, (or his agents and assigns), during the five years which have elapsed since his contract was executed, has completed but a small portion of said road, and no definite time is fixed in his contract within which the same shall be finished; and

Whereas, in the opinion of this Board there is no reasonable probability that said road will ever be completed, inasmuch as there is no travel upon the line or in the direction of the same; and

Whereas, the completion of the Peninsula R. R. has established a reliable route for travel, and the carriage of the mails, rendering the construction of said Road unnecessary for such purposes; and

Whereas, the said contractor has caused to be reserved from market, upon said contract, a large amount of the public lands of this State, thereby hindering the construction of other necessary State Roads in this County; therefore,

Resolved, that it is the decided opinion of this Board that said contract ought to be cancelled.
