A report of the B & E Committee concerning the prior service of county employes for retirement purposes was read. A resolution providing that the county elect to come under the Reciprocal Act No. 88, P. A. of 1961 as amended, was read, and it was moved by Supt. Altobello and supported by Sup. Weiland,

that the resolution be adopted and that a certified copy be sent to the Michigan Secretary of State. Carried.

A report of the B & E Committee regarding the resolution sent by the Grand Traverse County Board was received. Moved by Sup. Altobello and supported by Sup. Hammerschmidt that the report be accepted and the resolution placed on file. Carried.

The following monthly reports were read and ordered filed, and the treasurer's report ordered Published: Morgan Heights, County Treasurer, County Controller, Department of Welfare and Marquette County Road Commission.

Sup. Moore spoke about the forthcoming use of jet planes by North Central Airlines in 1968. He made mention of the fact they will probably require longer runways than the ones presently in use at the County Airport. The Road Commission superintendent spoke to the Board regarding the possible cost involved in lengthening the present runway to the East. He stated that the only area is to the East as far as lengthening the runway is concerned, and said that the cost of such a project would run in the neighborhood of one million dollars, and that a large amount of rock will have to be removed. There is a possibility of government and state participation in such a project.

There being no further business, it was moved by Sup. H. Larson that the board adjourn until Wednesday, September 22, 1965, at 2:00 o'clock in the afternoon.

Chairman

Honorable Chairman and Members of the  
Marquette County Board of Supervisors  
Marquette, Michigan

Gentlemen:

Your Finance and Taxation Committee recommends that the various departments in the Court House and Jail Group keep within the budgets as adopted at the annual meeting and that no clerk hire or salaries be paid beyond the amount fixed by the Board of Supervisors.

In the case of an emergency or increase, a department requires additional funds or needs some special equipment which could not be foreseen at the time of the annual meeting, we recommend that the head of that department, together with the Controller, present the matter to the Board of Supervisors for their consideration and that they grant, where deemed necessary, authority to exceed the figures established in the annual budget.

If it develops that the amount stipulated in the budget of any department exceeds the need of that department, or if a sum authorized is found unnecessary, then we recommend that authority be granted to transfer a sum or surplus to some other department by proper resolution of the Board of Supervisors.

It is further recommended that any credit balances existing at the close of the fiscal year in the Social Welfare fund and Direct Relief fund be transferred to the Social Welfare Department Revolving Fund to apply against possible future deficits of the Department of Social Welfare.

Respectfully submitted,  
Finance and Taxation Committee

The following resolution of the B & E Committee was read concerning the interchange of rail traffic between the L. S. & I. R. R. and the Chicago, Milwaukee and St. Paul R. R. near Republic. Moved by Supervisor Ilo-Maki and supported by Supervisor LaPin that the resolution be adopted and copies sent the Interstate Commerce Commission and the Michigan Public Service Commission. Carried.

Whereas, The Lake Superior and Ishpeming Railroad Company and the Chicago, Milwaukee, St. Paul and Pacific Railroad Company have jointly operated an interchange track at Republic Junction in the western part of Marquette County from October, 1957, to July, 1965, for the purpose of handling loaded and empty cars between the two railroads at that point, and

Whereas, the right to operate the interchange track was discontinued by order of the Interstate Commerce Commission in July, 1965, cutting off the availability of the Chicago, Milwaukee, St. Paul and Pacific Railroad service to the users in the

western end of Marquette County, and

Whereas, The closing of this interchange track has affected the supply of freight cars which, in many instances, is critical, and has caused delay in the shipment of iron ore and wood products from the Republic area, and

Whereas, The use of the Chicago, Milwaukee, St. Paul and Pacific Railroad through the interchange track provides a much shorter route from the western end of Marquette County to the Chicago area than is had by the other railroads servicing this area and the resulting savings in transportation costs affects the production and sale of products produced in Marquette County, which in turn directly affects the economy of the area as a whole, and

Whereas, A petition has been filed by the Lake Superior and Ishpeming Railroad Company with the Interstate Commerce Commission on July 29, 1965, (Finance Docket No. 23758) requesting the right to reinstate the interchange track at Republic Junction and pub-

lic hearings on the matter are to be held at some future time.

Now, Therefore Be It Resolved, That the Marquette County Board of Supervisors in the interest of encouraging economical and rapid railroad transportation in and out of the western part of Marquette County does hereby urge the Interstate Commerce Commission to grant the petition of the Lake Superior and Ishpeming Railroad Company and the Chicago, Milwaukee, St. Paul and Pacific Railroad Company, and

Be It Further Resolved, That a copy of this resolution be sent to the Interstate Commerce Commission and to the Michigan Public Service Commission.

The above resolution was duly adopted by the Board of Supervisors of Marquette County, Michigan, at its regular session held at the Court House in Marquette, Michigan on the 24th day of November, A. D., 1965.

Roy C. L.  
Marquette County Clerk

The following monthly reports were read and ordered filed, and the report of the treasurer published: Mine inspector, county controller, Department of Social Welfare, Morgan Heights, Road Commission and treasurer.

✓ Under old business, Mr. Shroeger told the Board of the expected use of Jets at the County Airport in the year 1968. This will involve the expanding of airport facilities at a cost of roughly one million dollars on a participating basis. He explained the time table to follow to enable the county to obtain Federal and State participation in the cost. Moved by Supervisor Jenkin and

supported by Supervisor Moore that the matter be referred to the B & E Committee and later to the Parks and Airport Committee.

Moved by Supervisor Wallimaa and supported by Supervisor Ilo-Maki that the Road Commission contact the State Highway Department regarding the posting of the speed limits on US-41 west of Ishpeming in the vicinity of the Junction of 28-A (Business route through Ishpeming and the North Lake forks.) Another fatality occurred there this past month. Also that the Commission ask for construction of a four-lane highway through

the area. Carried.

Supervisor Beaudry asked Mr. Shroeger the status of the Court House parking facility. Mr. Shroeger advised the Board that estimates are in the process of being tabulated, and will be presented to the Board very soon.

There being no further business, it was moved by Supervisor H. Larson that the Board adjourn until Wednesday the 22nd day of December, 1965, at 2:00 P. M. Carried.

✓ A report from the B & E Committee was read concerning the annual state audit. The county was cited by the auditors on two accounts. The clerk keeping half of the naturalization fees and the Airport Committee for entering into time payment contracts. It was moved by Sup. Altobello, and supported by Sup. Backlund, that the Board accept the report and authorize the payment of the sum of \$2,300.00 and exceed its budget for 1966, and to include the resulting deficit in its 1967 budget. Carried by the following roll call vote:

Ayes-Aho, Altobello, Backlund, Beaudry, Brunngraeber, Carlson, Carlyon, Cor-

neliuson, DeGroot, Dompierre, Downey, Draver, Goldsworthy, Hammerschmidt, Ilo-Maki, Jacobson, Jenkin, Johnson, Krook, Lapin, Larson, H., Linjala, Mattson, Moore, Morrison, Nease, Norell, Paquin, Pellonpaa, Phare, Russo, Rydholm, Salmio, Sandstrom, Sjolholm, Swanson, Syrjala, Vadnais, Walimaa, Weiland, Willey, Wiseman and Yelle. Nays: None.

✓ A report of the B & E Committee recommending that the Board authorize the Airport Committee to proceed with plans to extend the runways and other necessary improvements to the Marquette County Airport to accommodate jet service at the airport was read. It was moved by Sup. Sandstrom, and supported by Sup. Moore

that the report be accepted and that the Airport Committee be granted approval to proceed with the planning. Carried.

✓A report of the B & E Committee was read along with a resolution requesting that the Michigan Highway Department give special consideration to the rebuilding of the road known as M-35 between Negaunee and Gwinn. It was moved by Sup. Altobello, and supported by Sup. Pellonpaa, that the report be accepted. Carried.

Whereas, On September 22, 1965, the Marquette County Board of Supervisors by resolution urged the State Highway Department to give immediate consideration to the reconstruction of M-35 between the City of Negaunee and Gwinn, Michigan; and

Whereas, the Marquette County Board of Supervisors received notice from the Michigan State Highway Department, dated November 5, 1965, indicating that a study is being made of this highway and that an ultimate trunkline for this area is in the planning state but, due to limited funds, it is doubtful that construction will be realized until after 1972; and

Whereas, The Marquette County Board of Supervisors feels that very special consideration should be given this road reconstruction at a very early date for the reasons stated in its resolution dated September 22, 1965; namely, that the high-

way has had only the barest of maintenance for many years and is now in such poor condition that it is extremely hazardous to travel it; that the greatly expanded mining operations in the Negaunee area and the very large concentration of population at K. I. Sawyer Air Force Base, which was developed during the past several years, has caused a tremendous increase of travel on this highway; and

Whereas, The Marquette County Board of Supervisors believes that this extremely hazardous condition should not be permitted to exist, especially not for such a long period of time as is indicated by the State Highway Department in its communication dated November 5, 1965.

Now, Therefore, Be It Resolved, That the Marquette County Board of Supervisors again petition the State Highway Department to give special consideration to the rebuilding of M-35 from Negaunee to Gwinn with a view to scheduling the construction at an earlier date and to do whatever else may be required to make this improvement immediately.

✓It was moved by Sup. Dom-pierre, and supported by Sup. Sandstrom, that Dr. S. J. Bessolo of Negaunee be appointed to succeed himself on the Morgan Heights Board of Trustees. Carried.

It was moved by Sup. Walimaa, and supported by Sup. H. Larson, that the Procedure Manual of the Board be accepted as revised. Carried.

The Chairman made several remarks about the County Clerk and the Register of Deeds going into the abstract business.

The chairman also stated that the Clerk and Register of Deeds actions may be illegal. It was agreed that the Clerk, along with the Chairman, Prosecuting Attorney, and County Controller have a conference to try to attempt to straighten things out.

✓A report of the B & E Committee concerning an article appearing in the November issue of the Courthouse Review was read. It

was moved by Sup. Altobello, and supported by Sup. Moore, that a letter be sent to the Editor of the Courthouse Review stating the Board's position and also that the views of the County Clerk, who wrote the above mentioned article, are not necessarily the views of the Board of Supervisors. Carried.

The following monthly reports of the Treasurer, Controller, Morgan Heights, the Department of Social Welfare and the Road Commission were received and placed on file and the report of the treasurer was ordered published.

County of Marquette**

CORRECTION--DECEMBER 22, 1965 MEETING

The following report of the Budget and Executive Committee was omitted from the minutes of the December 22, 1965, meeting of the Marquette County Board of Supervisors published in the January 7, 1966, edition of The Iron Herald:

December 14, 1965

Honorable Chairman And  
Members of the Marquette  
County Board of Supervisors  
Marquette, Michigan

Gentlemen:

Your Budget and Executive Committee has had under consideration the audit report for Marquette County, which was recently submitted by the Auditor General and which covers the year 1964. The audit report indicates that transactions and accounting matters are in order with the exception of two items which require the attention of the Board of Supervisors.

For a number of years, the County Clerk has retained one half of the naturalization fees as part of his compensation, as is provided by law, but no provision was made for this retention at

the time the Board of Supervisors set all county officers on salary only basis, with all fees reverting to the General Fund of the county. The auditor general stated that if it had been the intention of the Board of Supervisors to allow the retention of a portion of these fees that it should have been set forth in the proceedings of the board at the time the salaries were established.

Your committee believes that it is not the intention of the Board of Supervisors to allow the retention of a portion of the naturalization fees by the County Clerk and recommends that the Board of Supervisors require the total fees to be deposited in the General Fund of the county in the future.

The other matter requiring action of the Board of Supervisors pertains to two installment contracts which were entered into by the County Airport Committee, one for the purchase of two gasoline delivery trucks, and the other for the installation of underground gasoline storage facilities. Both contracts were negotiated in 1963, and were intended to be paid in approximately 5 years. At the present time, there remains unpaid on the

two contracts the sum of \$5,040.62, of which the sum of \$2,735.88 is included in the 1966 budget appropriation. If this sum were paid on the contracts during 1966, this would leave an outstanding balance at the end of 1966 of \$2,304.74, plus interest. The Attorney General states that installment contracts extending beyond the current budget year are not authorized by statute. In order to comply with his request to correct the matter, your committee recommends that the Board of Supervisors authorize the Airport Committee to make final payment of the contracts by exceeding its 1966 budget allowance by approximately \$2,300.00 and to include the resulting deficit in its 1967 budget.

Respectfully submitted,  
Budget & Executive Comm.
