A report from the Budget & Executive Committee regarding the request of "Keep Michigan Beautiful" Committee for \$150.00 to cover postage and stationery expense was read. Moved by Commissioner Mattson, supported by Commissioner DeJuliannie, and unanimously adopted by roll call vote, that the request be granted.

A report from the Budget & Executive Committee regarding delegates to the May 19 and 20, 1972, meeting of the Upper Peninsula Association of County Commissioners, to be held at Ishpeming, Michigan, was read. Because of the importance of the meeting and the fact that little, if any, transportation costs will be involved to attend a meeting to be held within the county, it was moved by Commissioner Hammerschmidt, supported by Commissioner Euret, and unanimously carried by roll call vote, that the recommendation of the Budget & Executive Committee be approved and the Chairman authorized to name 3 delegates to that meeting.

A report of the Welfare Contact Committee was read and ordered placed on file.

Commissioner Sodergren registered his concern regarding the rapid expansion of welfare responsibilities at the local level necessitating funds beyond the ability of the County Board of Commissioners to allocate from county taxes. He pointed out that virtually all of the rules and regulations regarding the eligibility and the level of welfare payments are determined by state and federal legislation. He stated that these present rules provide in some cases a level of living higher than many low income families who earn their own way and that the system tolerates abuses in some areas. Moved by Commissioner Sodergren, supported by Commissioner Jenkin, and unanimously carried, that a resolution be drawn expressing the request of the Marquette County Board of Commissioners for immediate welfare reform, and that copies of the resolution be sent to our representatives in the federal and state legislatures and the U. P. Association of Counties.

A report of the Transportation Committee was read and ordered placed on file.

A report of the Acocks Medical Facility Contact Committee was read and ordered placed on file.

A report of the Equalization Committee recommending the equalization of the 1972 tax rolls for the several townships and cities within the county was read. Moved by Commissioner C. Anderson, supported by Commissioner Goldsworthy, and carried on the following roll call vote, that the Board concur with the recommendation:

Ayes: Commissioners C. Anderson, H. Anderson, Armatti, DeJuliannie, Dompierre, Euret, Goldsworthy, Hammerschmidt, Jenkin, Jernstad, Lawry, Mattson, McCracken, Morrison, Pellonpaa, Russo and Sodergren.

Commissioner Sodergren discussed a recent meeting held by public officials within the county with the Motorola Corporation regarding the possibility of acquiring a county-wide radio communication system to be operated by the Sheriff's Department and for which a federal grant may be available to cover a substantial portion of the installation cost. Such a system would probably require trained dispatchers to be paid by the county through the ensuing years. He noted that in some counties the Michigan State Police provide this type of dispatcher service. Moved by Commissioner Sodergren, supported by Commissioner Dompierre, and unanimously carried, that contact be made with the Michigan State Police at Marquette to determine if this can be done, and that their reply be referred to the Budget & Executive Committee so that the matter may be given consideration.

Moved by Commissioner Euret, supported by Commissioner DeJuliannie, and unanimously carried, that a resolution sponsored by the "Keep Michigan Beautiful" Committee designating April 21 through May 20, 1972, as statewide Clean-Up, Paint-Up, Fix-Up campaign time be adopted.

Moved by Commissioner Dompierre, supported by Commissioner Jenkin, and carried unanimously, that the following resolution be adopted and that copies be sent to our representatives in the legislature and to the State Highway Department:

"Resolved that it be the sense of the Marquette County Board of Commissioners that a north-south divided highway linking Wisconsin and Marquette, Michigan, be made a top objective in the State's highway development program to gain for the Upper Peninsula the greatest industrial gain."

Commissioner DeJuliannie read a statement explaining the impact of the iron mining industry to the people of Marquette and adjoining counties. Moved by Commissioner DeJuliannie, supported by Commissioner Armatti, and unanimously carried, that communications be addressed to our representatives at state and federal level to provide grants for the development and encouragement of the mining industry on the Marquette Range.

Commissioner Mattson expressed to the Board his concern about the spiraling welfare costs. Moved by Commissioner Mattson, supported by Commissioner Goldsworthy, and unanimously carried, that the Marquette County Board of Commissioners go

on record in favor of having the state and federal governments pay the full amount of welfare costs, and that a proper resolution be drawn on this matter and a copy furnished to Senators Griffin and Hart, to Congressman Ruppe and to our Representatives in the Michigan Legislature, together with a request that they communicate with this Board expressing their views on this subject.

Moved by Commissioner C. Anderson, supported by Commissioner Hammerschmidt, and unanimously carried, that May 17, 1972, be declared "Senior Citizens Day" for Marquette County.

There being no further business to come before the Board, it was moved by Commissioner Dompierre, supported by Commissioner Lawry, and carried, that the Marquette County Board of Commissioners adjourn until the next regular meeting.

Respectfully submitted,

ROBERT H. DeROCHE, Clerk Pro Tem

A communication from Forsyth Township Supervisor, Eugene Green, regarding interference that Township Board claims they are getting from Mr. Joseph DeJuliannie, representative on the Board, and asked that he be censured by the Board of Commissioners, was read. It was moved by Commissioner Hammerschmidt, supported by Commissioner Dompierre, and carried, that a letter be sent to the Forsyth Township Board informing them that the Marquette County Board of Commissioners feel that this is their own problem on the township level and not on the district level.
