Presentation of Claims, petitions and Communications.

The following petition was presented, read and on motion of Peter Pascoe referred to a Special Committee of Five, to be appointed by the Chair, with instructions to report to this Board as early as possible.

To the Board of Supervisors of the County of Marquette.

The undersigned freeholders of the townships of Poyyth, Chocolay, Richmond, Negaunee, the City of Negaunee, and the city of Ishpeming, respectfully represent to and petition your Honorable body to appropriate a sum sufficient to construct a wagon road from Little Lake in the Township of Poyyth to the city of Negaunee said road to run near the track of the Chicago and North Western Railway and as nearly parallel therewith as practicable. That at present there is no means of communication between the settlers along the line of said Railway and Negaunee and Ishpeming except by rail and though there are a large number of settlers along said line, there are no means of transporting or marketing their produce by means of

their own convenience, your petitioners believe that the construction of such a road would also tend to produce a rapid settlement of and development of the country through which such road would run, and we believe it to be only an act of simple justice to the residents along such line that the prayer of your petitioners should be granted and the road built.

Charles P. Taylor and 84 others.

The chair appointed as such committee Myers Peter Pascoe Harvey Kirkpatrick Mulvey and Read.

The following report was presented and on motion of Mr. Richards referred to the Committee on Prisoners and Detention
 To the Honorable Board of Supervisors
 of Marguerite County
 Gentlemen:

In accordance with your resolution of October 12th 1880, instructing me to request to allow \$1729²⁸ and amounts charged back to this County for taxes of 1876 for work of description: I presented said resolution to the Auditor General.

Upon examination of the returns of state taxes made by the County Treasurer, I became satisfied that it was not the error of the Auditor General's Department; but clearly that of the County Treasurer in making his returns and consequently did not insist upon the resolution.

The account can be reassessed upon the roll of 1881
 Marguerite Michx, Nov 1, 1880

Respectfully submitted

The Sisters state that there are at present in the Institution 50 children, over half the number belonging to said County.

Nearly all of them had been maintained at County expense up to time they came given to sisters.
