In the matter of the application of twelve freeholders for the division of the township of Ely by detaching certain territory therefrom and the erection and organization of the new township of "Delch", the same to embrace the territory so detached.

By the Special Committee on Wood lot.

To the Honorable Board of Supervisors of Marquette County.

Your Committee
 to whom was referred the question of selling the wood lot on the
 County poor house farm; beg leave to report that they have had the
 same under consideration and find that there has been about 1100
 cords of wood taken from the land, and that there still remains
 four or five hundred cords standing timber.

Your committee also would say that there has been from four
 to five acres cleared by the Superintendent of the Poor, and the
 same cultivated for potatoes and other vegetables for the use
 of the poor house. We also find about twenty acres of the
 remainder of the land more valuable for farming purposes
 than the old farm.

Your committee would therefore report that it is not ad-
 visable to sell the poor house farm.
