Aug 22 - 1883

At a meeting of the Board of Supervisors of Marquette County held pursuant to adjournment at the Court House in the City of Marquette in said County, on Wednesday the 22nd day of August A.D. One thousand Eight hundred and eighty three at one o'clock P.M.

The Chairman being absent the meeting was called to order by the Clerk.

On Motion of Supervisor Horner Mr J. H. Donahoe was chosen temporary chairman.

The Roll was called by the Clerk and the following named Supervisors were present, viz: Messrs Blackney, Bartel, Bertrand, Christopher, Connors, Donahoe, Ford, Johnson, Kenner, Kirkpatrick, Laker, Mease, McAlister, McCorr, Read, Sipchew, Smith, Stevens, and Warner.

Absent: Messrs Daly, Day, Herbert, Howard, Thorpe, and Pascoe.

The credentials of Mr H. Morrison as Supervisor from Crystal Falls Township in place of Thomas Moran resigned, were read and order placed on file, and Mr Moran was invited to take a seat on the Board.

The minutes of the last meeting were read and approved.

The following petition was received.

Marquette, Aug 22nd 1883

To the Board of Supervisors
of the County of Marquette.

The Detroit Mackinac and Marquette Railroad Company finds it necessary, in order to get the most feasible line for its railroad extension to Ishpeming, to cross the northwest corner of the County Poor Farm. The line, as laid out crosses the north line of the Poor Farm, being the south line of the County road, 15-9 feet easterly from the northwest corner

of the County Property, ^{and} running southeasterly, crosses the west line, 501 feet south of the corner. The Company needs 50 feet each side of that line. This would leave, in the northwest corner, so small a piece as to be of little or no value to the County, the entire right of way required, including the small corner so cut off, is estimated to contain 8-10 s of an acre.

The Railroad company respectfully asks that such action may be taken by this board as to confer on said company the right to take ^{and} use said parcel of land for railroad purposes, and to fix the terms and conditions upon it may be taken.

Very Respectfully

Sam B. Ball

Atty for D.M. & M.R. & Leo.

On motion of Mr. Stevens the petition ^{accepted and} was referred to a committee of five to be appointed by the chair to act in connection with the prosecuting attorney ^{and} the Attorney of the Company, with full power in the premises. And demanded the Yeas ^{and} Nays upon the motion with the following result.

Yeas: Blackney, Bartel, Bertrand, Christopher, Connor, Donahou, Ford, Johnson, Krier, Kirkpatrick, LaRue, Meas, Morrison, McAlister, Moor, Sipchew, Smith, Stevens & Warner.

Nays: None.

Chair appointed as such committee, Messrs Kirkpatrick, Stevens, Moor, Connor ^{and} Warner.

At the annual meeting of the Board of Supervisors of Marquette county, held at the court house in the city of Marquette, on Monday, the 8th day of October A.D. 1883. The following proceedings were had:
The meeting was called to order by the chairman at 10 o'clock. A.M.

Roll called by the clerk. Present Supervisor Blackney, Bartle, Bertrand, Christopher, Connor, Donahoe, Doty, Day, Ford, Gilbert, Johnson, Krier, Kirkpatrick, Maas, Morrison, McAlister, Moore, Read, Siphue, Smith, Stevens, Tipping, Warner and Chairman.

Absent Howard, & Laker.

Minutes of last meeting read and approved.

Credentials of William Tipping, Supervisor of Lildus Township, vice Charles F. Thorpe, accepted and placed on file and assigned to the auditing committee.

Wm B. Morrison was assigned to committee on Finance and Taxation.

Following communication from the Secretary of the State Board of Corrections and Charities, was read, accepted, and referred to committee on supplies and expenditures with the request that they be instructed to make a special report at this meeting.
To the Board of Supervisors of Marquette County, Mich - Genthwaite: In accordance with the requirements of law, the Secretary of the State Board of Corrections and Charities recently made an official visit to your county jail. On presenting a report of such visit to the Board of Corrections and Charities the secretary was instructed to furnish your board with an abstract of the same. You will find it enclosed.

Truly yours,

W. J. Baxter, Secy.

Abstract of report made by the secretary of the Board of Corrections and Charities of a visit made to the jail of Marquette county, July 11, 1883

"This jail is not well constructed, to secure proper ventilation. The block of cells in the center is close, dark and with no ventilation except by grated doors. The windows in the hall surrounding the cells being high. In winter, when the jail is full, the air must be very bad. Though they have the hotly water there is no bath tub, and no requirements as to bathing. The water pipes were leaking badly. When visited the cell part of the jail was badly crowded at the time. With but 6 cells, there were 14 prisoners. Another part of the jail, for detention of boys, women, insane and persons charged with slight offenses, or as witnesses is much better lighted and ventilated. In this part there were but 5 prisoners - one woman, one partially insane, one detained as witness, and two drunk and disorderly, serving out short sentences. This part, as well as the walls and floors, as the beds and bedding, was clean. The cell part might have been improved in that respect. I was surprised at the large number who had been committed since January 1st 1888. During 9th of whom 29 were committed for being drunk and disorderly. This growing and unhealthy county will, we trust, soon supply itself with a jail of larger size and of better construction, especially with regard to light, ventilation and facilities for enforcing personal cleanliness by washing and bathing.

The annual report of Sheriff was received and on motion was referred to committee on county officers accounts:

Auditing Committee made the following report which was adopted by yeas and nays as follows: Your committee to whom was referred the claims and accounts herein enumerated, having had the same under consideration, beg leave to report the same back to the board with the recommendation that the sums set down the last column opposite the name of the respective claimants, be allowed and ordered paid, viz:

The following report of the Committee on supplies and expenditures was received.

To the Board of Supervisors of the County of Marquette
Gentlemen:— Your committee to whom was referred the matters relating to improvements & repairs of the County Jail and the matter of Employing an additional turnkey respectfully report as follows.

They find that additional room is required for the accommodation of the constantly increasing number of prisoners and that steps should be immediately taken to provide the same. A bath tub should be placed in the jail proper, the ventilation should be improved, two new water closets and sinks should be placed in the cells under sheriff's residence and some minor repairs not necessary to state should be made. They deem it advisable to employ an additional turnkey or night watch. We found the jail and everything connected with the same in good condition & well kept. The south wall in the jail has lately been sheathed with boiler iron and the defective construction of the wall has thereby been so improved as to prevent in the future the escape of prisoners through such wall. All of which is respectfully submitted
