Ishpeming City Council and
Marquette County Board of Supervisors.

Gentlemen:

It is with great regret that I tender my resignation from the Ishpeming City Council and the Marquette County Board of Supervisors, to take effect this date. My term of office expires with the city election next summer and I will not be a candidate for re-election and expect to be absent from the City for a considerable part of the intervening time, I do not think it fair to the community, that has so graciously honored me, to deprive it of representation for so long a time.

It has been a great privilege and an extreme pleasure to have been a member of both governing bodies and to have been associated with such splendid groups of earnest, loyal and sincere public servants working for the public good. I greatly appreciate and thank you for the honors you have conferred on me during my terms of office and for the consideration you have shown me. I can assure you of my continued interest in your activities.

If I can be of any service in the future, I would consider it a privilege to do whatever I can for the benefit of the community where I have lived so long and which I Love so much.

Sincerely yours,
Carl Brewer

Honorable Chairman and Members of the
Marquette County Board of Supervisors,
Marquette County, Michigan.

Gentlemen:

Your Budget and Executive Committee to whom was referred the Allegan County resolu-
tion proposing a change in Section 295 (c) of the 1955 School Code, which change would
require the approval by the Board of Supervisors on the employment of a County School
Superintendent by the County School Board, has studied this matter at a meeting held
on December 12, 1955.

Your Committee feels that since County funds are expended in the operation of this
office, that it would be in the best interests of county government to require the
approval of the Board of Supervisors on the employment of a County School Superintendent.
Your Committee recommends, therefore, that the Board of Supervisors concur in the Allegan
County resolution and that a copy of the Board's action be sent to Honorable G. Mennen
Williams, Governor, Honorable Phillip Rahoi, State Senator and Honorable Dominic
Jacobetti, State Representative.

Respectfully submitted,
Budget & Executive Comm.

Hon. Chairman and Members of the
Marquette County Board of Supervisors,
Marquette, Michigan

Gentlemen:

Your Budget and Executive Committee, having studied the financial problems of the
Social Welfare Department during the past several months, wishes to report that addition-
al funds in the amount of \$3,500.00 will be required to meet the obligations of the
Direct Relief Fund during December, 1955.

So that all deficits of the Social Welfare Department for the year 1955 will be
accounted for by that department, it is recommended that the sum of \$3,500.00 be trans-
ferred from the Social Welfare Fund to the Direct Relief Fund. It is hoped that the
deficits of this department at the close of its fiscal year will be absorbed in its
operations during 1956.

It has been a great privilege and an extreme pleasure to have been a member of both governing bodies and to have been associated with such splendid groups of earnest, loyal and sincere public servants working for the public good. I greatly appreciate and thank you for the honors you have conferred on me during my terms of office and for the consideration you have shown me.
