LANDS PURCHASED

This Department did not make any large timber purchases during the year. The only purchases made were 325.36 acres from the Northwestern Coopertage & Lumber Company in the Tull District, and 1850 acres from the Chicago & Northwestern Milling Company located in Town 47 North, Range 25 West, near the Dun-Dee logging job.

The usual number of lands offered was received during the year but there were none that were attractive from the company's standpoint.
