"To the tower!" commanded the editor, and the Peninsulan Staff, pictured here, tramped its way up the many, far too many, steps to "K-400 UP." The yearbook room, located in the center tower, would then be the scene of great activity. Paper, glue, pictures, and rulers were to be seen everywhere. Old yearbooks stacked here, completed pages there, extra pictures somewhere else; in general, everything in a state of very organized confusion. Somehow, out of this, after many headaches, back-aches, and cases of fallen arches (due to stair climbing) the PENINSULAN was a neat, tidy package, all wrapped and ready to mail to the printer.

Yearbook work is an extracurricular activity and all those wishing to participate are welcome. No previous experience is needed; however, the work requires that a staff member have calm nerves, the ability to tolerate sticky fingers and bell-less typewriters, and - oh yes - climbing ability.

Dr. Luther West

Dedication

Dr. Luther West, besides giving Northern the benefit of his scientific knowledge, has given the college its Alma Mater. In the Alma Mater, he has given us a beautiful song which will be sung by Northern students for years to come. The Alma Mater is so appropriate to Northern that the Peninsulan Staff chose to dedicate this issue of the Peninsulan to its composer and to use the composition itself as an overall theme for the annual. By doing this, the staff and student body hope to express in some degree their sincere appreciation to Dr. West for his friendly companionship, his sincere support of Northern, and for the Alma Mater.

To Dr. Luther West we dedicate this book.

Dr. Henry A. Tape

President's Message

The choice of the Alma Mater song as the theme of the 1955 Peninsulan is highly fitting. It reminds us that Northern is the Alma Mater or foster mother to approximately twenty thousand foster sons and daughters, or alumni, who have studied here between 1899 and the present.

Our song stresses the continuing influence of the Alma Mater on her foster children, as do the divider pages of this year's Peninsulan, ending with pictures from Homecoming. Northern will always try to serve her alumni after they have left her halls. And I hope that Northern alumni will continue to guide themselves in the future, as they have in the past, by such ideals inculcated here as those stressed in our Alma Mater song: devotion to religious and intellectual freedom and the spreading of knowledge and wisdom.

H. A. Tape, President

ALMA MATER SONG

We of the yearbook staff of 1954-55 have chosen the Alma Mater song for the theme of this year's Peninsulan. We feel that this choice is a most fitting one in that all the accomplishments of the past, work of the present and hopes of the future of all Northern students are embodied in it. We have used sections of the Alma Mater as sub-themes for the dividers, relating the specific quotations to the various sections. It is our sincere hope that you will enjoy your '54-'55 Peninsulan with its highly appropriate theme.

*Hail! Northern, we thy sons and daughters
Now bring thee tribute long deserved.
Thou beacon light mid natures grandeur
Through passing decades well preserved.*

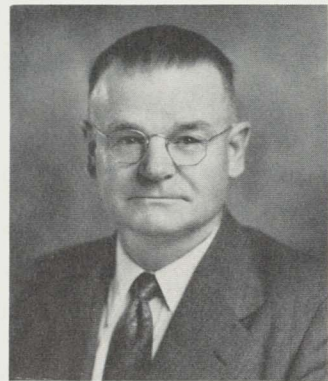

Words or monuments are too humble to convey the actual feeling we have for a person or place. But for those that realize it, there is a warm satisfaction in the memory of worn steps, tiled halls, a snow covered campus and coffee breaks, that out-weighs the temporary tribulations that accompany these memories.

The focal point of the campus is the Cafeteria. Here, though less academic progress is made, the comparatively petty, but sometimes crucial, social contacts are made and gossip is swapped, decided or judged. The situation is nearly to the point where if a person cannot be found at the Cafe he's not in college or, if something cannot be procured at the Cafe it does not exist.

A. C. E. I.

The Association for Childhood Education International is an organization for students in the early and later elementary teaching curricula. Through various programs and projects, members are helped to gain a wider understanding of childhood education.

This year's programs included a membership tea, a guided tour of the Whitman Elementary School, a panel discussion on problems of child guidance and a "Parent's Night". Speakers demonstrated the use of visual aids in the classroom, discussed the problems of beginning teachers, and presented book reviews. The annual spring breakfast was held, closing the year's activities.

President-Esther Anttila

The Art Club is composed of art majors and minors. Its primary purpose is to bring students with a mutual interest in art together in order to do work in various phases of art.

This year's activities included decorating the Lee Hall ballroom for the Homecoming dance, aiding in decorating the foyer for the annual Christmas foyer party, and experimenting in finger painting.

One of the chief interests of the club is the Art Alumni Scholarship, which is now in its third year. This scholarship enables the art major with the highest scholastic standing to attend a summer school session at Northern to further his art studies. Plans were also made during the year for a bus trip through the Copper Country.

A social meeting closes the Club's activities at the end of the year, at which time graduating art students are honored and the scholarship is awarded.

Business Administration Club

President-Dave Slick

The Business Administration Club is composed of students in the business administration curriculum, and is advised by Mr. Zwemer of the business department. The club holds regular dinner meetings in the small dining room of the cafeteria on the second Tuesday of every month during the school year, and has a speaker from the business field at every meeting.

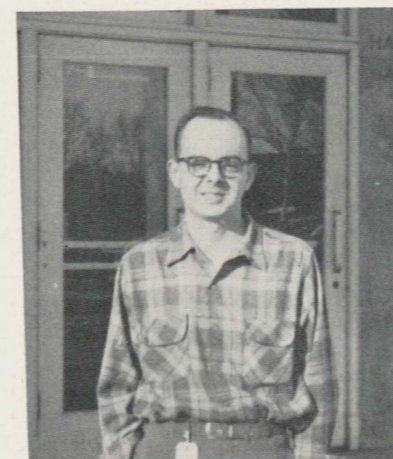

The Business Administration Club sponsors the annual Valentine Dance in the Lee Hall ballroom.

All students in the business curriculum are welcomed as members to this club.

Front Row: left to right: Nelie Schafer, Lorne Johansen, Marlene Seidl, Dr. West, Dr. Schaefer, Joanne Becker, Tom Kee. Cambium Club

President-Tom Kee

This organization was founded in 1938 by students of the biological sciences. The Cambium Club seeks to foster the growth and development of science education in all available ways.

At monthly meetings, through guest speakers educational films and general discussion, members seek to broaden their appreciation of modern science. For several years, through affiliation with the Michigan Junior Academy of Science, Arts and Letters, the club has sponsored an Upper Peninsula Science Fair.

The Cambium Club also has its social side, a winter fish-fry and picnic-field trip in May were highlights of the year's program.

The Commercial Club was organized in the early 1900's and is the oldest departmental club on the campus. Throughout the years it has been very active in school affairs.

The club is comprised of students majoring in any phase of business. Its purpose is to bring these students into closer fellowship and to furnish opportunities for intellectual development.

This year, the main project of the Commercial Club was the sponsorship of the annual Senior Guest Day and another project for the benefit of the children at St. Luke's Hospital. In the Spring, representatives were sent to the Michigan Education Association Convention in Saginaw.

The English Club, another of the departmental clubs, welcomes all English Majors and Minors and all those interested in literature as its members. This past year found the English Club quite active, the members presenting a Choral Reading at the traditional Christmas Foyer Party and various inner club activities during the year. At times the members were entertained at the homes of the faculty advisors. The regular meetings were made interesting by book reports and talks presented by members and invited guests. The year's activities were concluded by a spring picnic.

Future Teachers of America

President-Mary Ann Pirhonen

The Don Bottum Chapter of the Future Teachers of America is an organization open to all students on campus. Its purposes are to interest young people in a teaching career, develop in students an understanding of teaching as a profession, and acquaint them with the actual teaching program.

Programs for the year included talks, a demonstration of audio-visual and classroom aids, and a panel discussion by teachers in both elementary and secondary fields. During American Education Week, F. T. A. members observed classes in John D. Pierce. Discussions on parliamentary procedure and on the N. E. A. organization were also held.

Front Row: Mr. Sain, George Smith, Harvey Fletcher, Gene Beaudoin, Tony Trukel, Dave Belger, Ken Heim, Mr. Watera. Back Row: Jim Hicks, Jack Channing, Ernest Belanger, Eugene Dellangli, Chuck Westen, Tom Thornton, Don Balzarini, Peter Findley, Chuck McGee, Ray Lindstrom, Jerry Odlund, Andy Gauthier, Bob Monck.

Industrial Arts Club

The Industrial Arts Club, which is open to all industrial arts majors and minors and others interested in upholding the aims of the organization, serves to supplement the classroom activities of the department. It provides extra opportunities to do research and to exchange viewpoints on problems in this subject area in a friendly, informal atmosphere. At the monthly dinner meetings, guest speakers are featured.

Among the highlights of the activities during the 1954-55 season were the venison dinner, the 'partridge party', and the annual 'rabbit dinner', at which the food committee served spaghetti, due to a rabbit shortage . . . or inaccurate hunting. A June picnic was also on the calendar.

To promote the cause of Northern, the club this year built the Royalty Float, on which the Campus King and Queen rode in the Homecoming Parade.

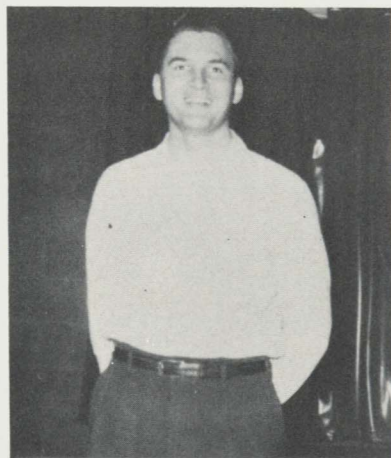

Front Row: Lawrence Morton, Shirley Mattson, Dr. Boynton, Dr. Bjork, Phillip Richel, Raymond Smith. Back Row: Jai Chun Kim, John Ogren, Harold Wiitala, Edwin Johnson, Merrill Detroit, Theresa Rose, Doreen Andary, Norman Mutka, Ki Senck Ryang, Sam Welcher, William Williamson, Reynold Banks, Al Skewis.

Mathematics Club

The Mathematics Club, which is affiliated with the National Council of Teachers of Mathematics, is comprised of students majoring or minoring in that department.

Most club meetings are devoted to discussions, and demonstrations of new and improved methods of teaching mathematics. The Club also affords an opportunity for becoming better acquainted with other mathematics students, as well as obtaining a better understanding of the subject.

Other activities include the annual banquet in February and the department picnic held at the end of the school year.

President-Ray Smith

Front Row: Naomi Bodine, Mary Lou Brumm, Dayle Graves, Nelia Schaefer, Mary Beyers. Second Row: Ruth Platzke, Marilyn Simmons, Marina Hooper, Carolyn Brightsman, Sylvia Ostanek, Barbara Tuominen, Susanne Brungraber, Gail Swanson, Lois Lee, Gayle Starkey, Judy Olson.

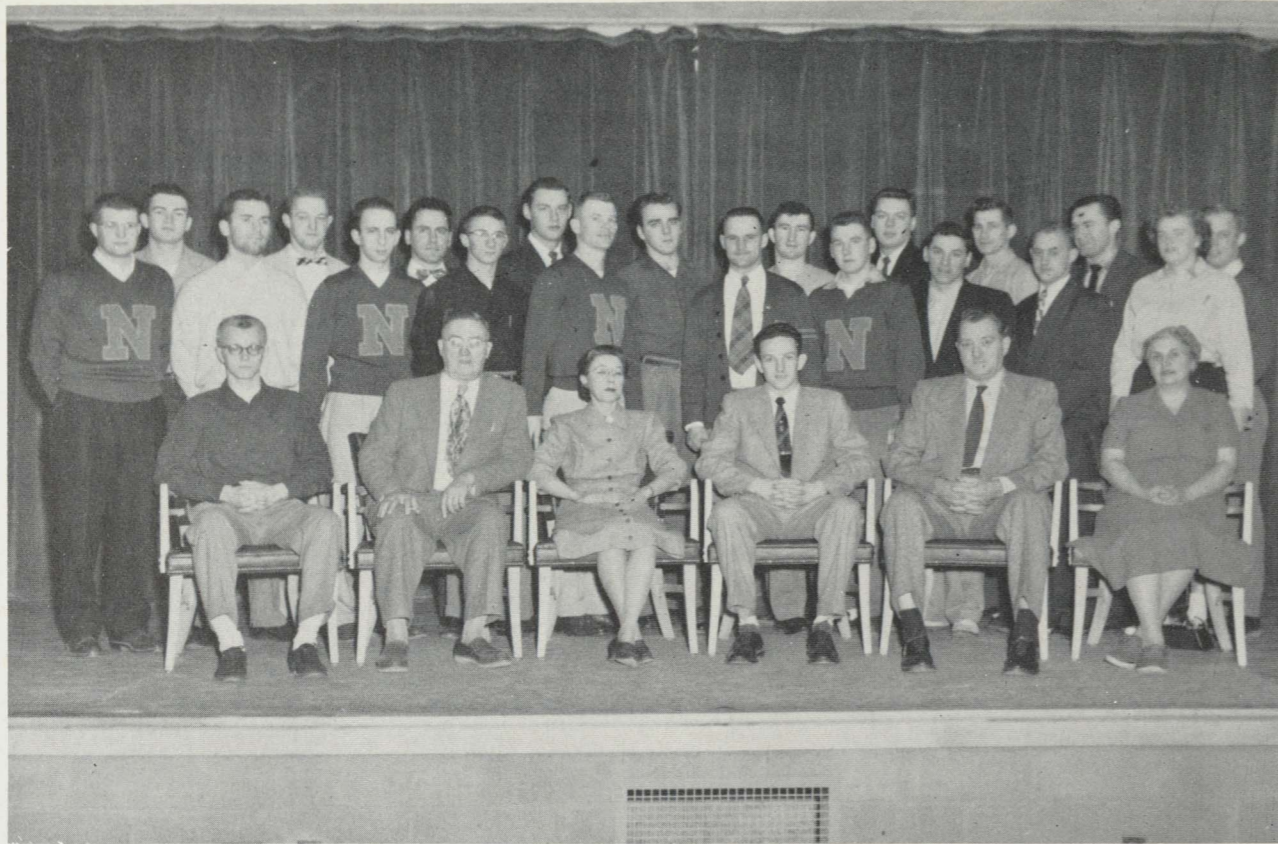

Novahoma Club

The Novahoma is an organization for Home Economics majors and minors which prepares them for professional work. It is affiliated with the Michigan Home Economics Association and the American Home Economics Association.

The organization participates annually in the state Province workshop. This past year Northern assumed the leadership of the Province workshop, which was held in Ypsilanti. It also sent four girls to represent the Novahomas at the Central Regional Province Workshop held in Chicago in February. Other activities include a get-acquainted picnic in the fall, a Christmas bazaar and dinner, and a guest day, which is held in the spring for high school students enrolled in homemaking departments throughout the Peninsula.

Third Row: Russell Richards, David Belger, Jack Channing, Harvey Fletcher, James Engle, Mervin Beadle, Brodie Westen, Dick Lampinen, Tom Cook, Bob Monck.

Physical Education Club

President-Gil Canale

The Physical Education Club is made up of men majoring or minoring in physical education, who meet together to improve social and professional relationships. Each year members of the Club, among their other activities, visit the Holy Family Orphanage to teach games and rhythms to the children.

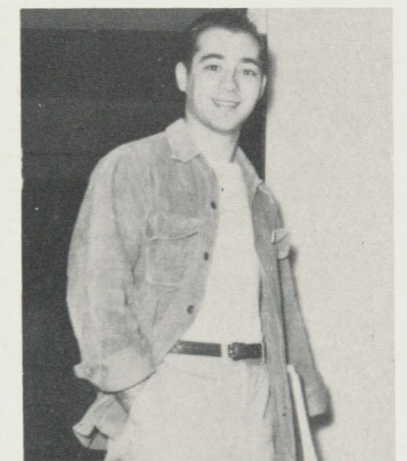

Front Row: Betty Ann Pynnonen, Lawrence Beltrame, Jean R. Pearman. Second Row: Sandy MacLean, Joan Lindholm, Mar-mie Peterson, Sylvia Vedin, Nancy McDonnell, Douglas Nordin, John Trembath.

Social Science Club

The Social Science Club is open to all students who are interested in civic affairs, social problems, and international relations. The 1954-1955 programs have included speakers and a tour to increase the students' knowledge of Michigan history, an account of one of our professors' summer vacation in Europe, and a speech by a probate judge on law as a factor in social work. The Club sponsored a mock election in November, 1954.

The Club meets every month. The meetings consist of a discussion in which all members participate, a speaker dealing with some pertinent topic, or a movie. Although an effort is made to follow parliamentary procedure during meetings, we also gain much from informal discussions.

An annual Christmas party is becoming a tradition. Professor Ebersole was host at the 1954 party. Members of the Club and of the social science faculty enjoyed the hospitality of the Ebersole home and family.

Spanish Club

The Spanish Club is open to Spanish majors and minors as well as all other students who are interested in the language.

This year members of the club enjoyed another busy program of events designed to improve their conversational skill in Spanish and to further advance their understanding of the Spanish cultures. At the meetings, the students converse in Spanish and engage in other activities planned to aid them in acquiring the language.

Other activities in which the Spanish Club participates are the annual Homecoming parade, taking third place with their float entry and in organizing summer trips to Mexico.

President-Marcia Hicks

Front Row, left to right: Alyce Gallmore, Margaret McCollom, Miss Loubert, Janet Messenger, Dorothy Larson. Standing: Henry Saastamoinen, Mary Lou Brumm, Ronald Kalk, Rachel Bellinger, Cornelius Sochay.

French Club

The French Club serves to bring students of French together informally to become better acquainted with each other and with French language and culture. Meetings feature conversation, singing, and games in French, and are usually followed by refreshments.

OTHER ACTIVITIES

President-Joanne Becker

Carey Hall provides an excellent environment for the women of Northern who find it profitable to live on the College campus.

Northern's Homecoming initiated the social activities for the year. Freshmen were responsible for the Carey Hall float, with all the girls serving as hostesses at the open house and tea. This year's Homecoming Day celebration saw Dorm girls all out to boost the morale of the College. Homecoming buttonnaires were sold to the student body.

Special dinners were held during Thanksgiving, Christmas and Easter, with appropriate decorations. A Christmas caroling party is held every year for the purpose of spreading Christmas cheer. This year's party proved to be a success and everyone enjoyed the dance and refreshments that followed.

In the Early spring an afternoon tea was held for the faculty and their wives. Sleigh rides and informal parties also added to the year's fun.

A formal spring dinner climaxed the year with the introduction of the incoming officers. Mrs. James Sherman gave much of her time and guidance in making this year full of work and fun.

Debate

Northern's debate team had one of its most active seasons during the past '54-'55 college year. Debating the National Intercollegiate Debate question required many hours of research by the team members. The team participated in several tournaments during the second semester, some of the members also taking advantage of an opportunity to participate in Intercollegiate Discussion at Madison, Wisconsin. All students interested in participating in Intercollegiate Discussion or Debate are cordially invited to join the group. Valuable experience in speaking and research can be gained through membership.

President-Kay Bergstrom

Kappa Delta Pi membership is limited to those juniors and seniors in the education school who are in the upper class rank.

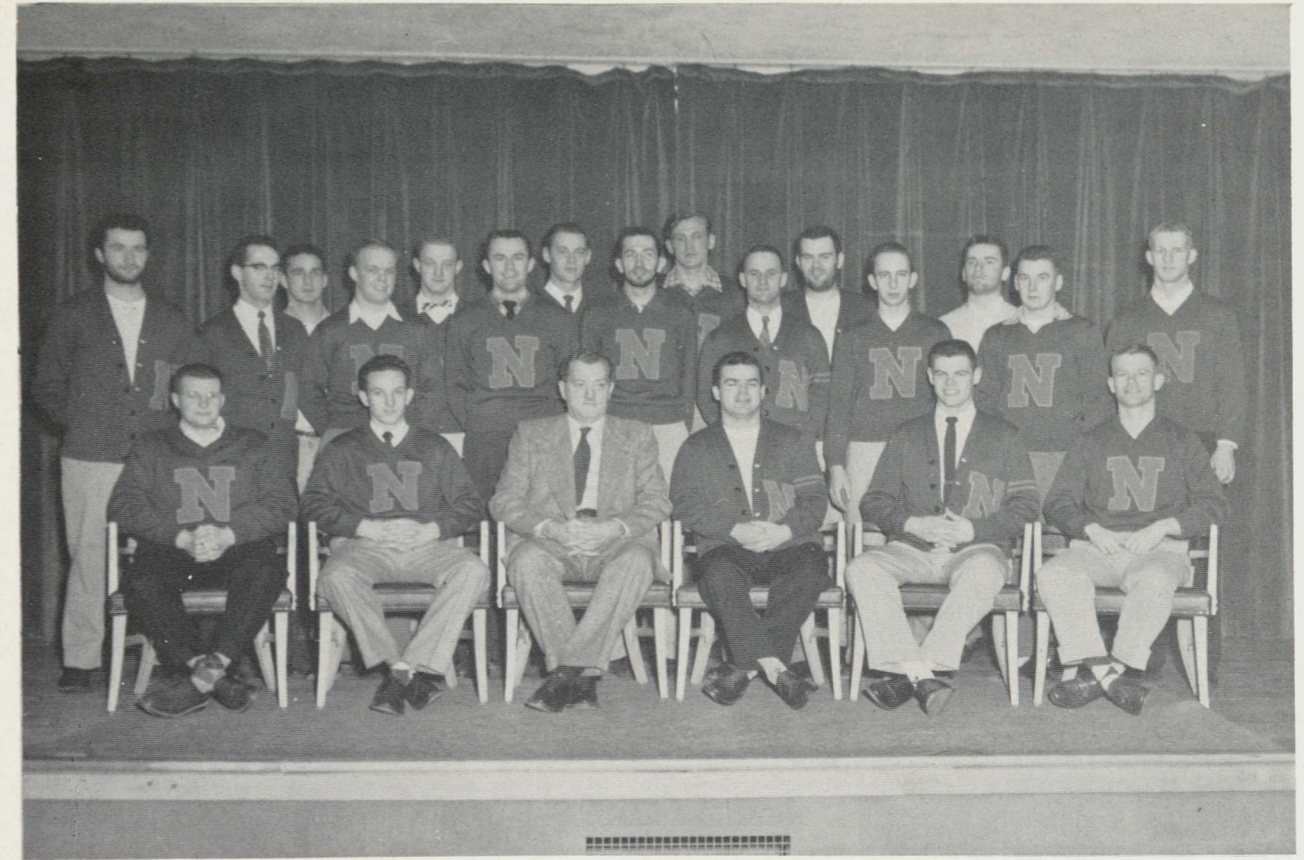

The regular meetings of Kappa Delta Pi include speakers and general discussion among the members.

This year Kappa Delta Pi assisted the Brown Memorial Fund. The girls were waitresses at the kick-off banquet and gave their pay-checks to the Fund.

Varsity "N" Club

The Varsity "N" Club is open to men of Northern who have received letters in major intercollegiate sports. It is the aim of this organization to sponsor and promote the interests of the students through various athletic activities.

The "N" Club holds regular meetings which are under the supervision of its officers.

President-Vic Fochesato

Made up of all girls attending Northern, and controlled by representatives from each class chosen in the spring election, the Student Girls' League works to establish friendly relations among Northern's women students and to broaden student life. Each year it takes part in such activities as Homecoming, the Christmas party, and the spring Rose Ceremony held in honor of the girls who will graduate during the year.

Ski Club

The Tempo Ski Club is probably the youngest organization on the Northern Campus. The club originated one evening when a nucleus of ski enthusiasts called a meeting of all persons interested in skiing. The turnout was exceptional, and thus Northern had a ski club.

The aims of the club are simple: First, to promote skiing to its fullest extent on the campus, and, second, to further the comradeship of the world-wide skiing fraternity.

The club has its own ski shop on the campus where skis can be stored and repaired. The shop also serves as a meeting place for the members.

Each year, three members of every class are elected to serve on the Student Council. Through these representatives students are given the opportunity to voice their opinions in the government of the school. The Student Council was organized for the purpose of promoting better relations between students and faculty.

Holding regular meetings throughout the school year, the Council had one of its most active seasons. Student problems were solved, and Homecoming, one of the biggest projects of the year, was carried to a successful completion. The Council was the host to other Upper Peninsula college councils during a two day conference period during the first semester. This presented Council members with an opportunity to meet and exchange ideas with those from other colleges.

The dramatic club at Northern, known as the Masquers, had one of its most active seasons during the past school year. Beginning their work early in the first semester, the members entertained audiences with regular theater and theater in the round. All those interested in any phase of theater, from curtain pulling to acting, are invited to be members of this club. On-stage parties after each production and a spring picnic are traditional doings in Masquers, although it is not primarily a social organization. In Masquers, the fun and the work is the play, and "The play is the thing."

The Northern News, the college's newspaper, was made possible during the past year by those pictured here. Covering all College activities, the News staff members, were to be seen dashing after people to be interviewed, banging away at the typewriter or working at make-up meetings. Glue and clippings are a part of the News Office decor, not forgetting, of course, the tack-pocked bulletin board where assignments were posted. All those interested in either the business side or literary part of a school paper are welcomed to the staff. An hour of credit can be gained through staff membership which is supplemented by valuable practical journalistic experience worth having.

PERSONAL TIES

By Big Ed

Ever since Bob Hongisto sang "Oh Mein Papa" over WDMJ during the March of Dimes Campaign the girls at the dorm have been trying to get him a foster father. Really girls, he was only kidding, it's just that he sounds so sincere when warbling under his obliging lips.

Spent some time in the population in 1955. Grace performed in front of me. Don't just in the face of me. Finally, than you. The picture aren't in front of me. So far.

St. Luke's Nurses

The student nurses from the Wallace Nurses Home attend Northern for some of their preparatory classes. While they are in attendance at the college, they enjoy all the privileges of regular Northern students.

Upon completion of her training, the student nurse is eligible to take the State Board Examination and later become a Registered Nurse.

Music Department

The college music department may write down a successful year, crammed with activity, and one in which the "esprit de corps" remained at triple forte.

The College Little Symphony Orchestra performed at a student assembly, radio broadcast, and Klef Klub Sno-ball dance and wound up the year with its sixth annual tour of Upper Peninsula communities, May 10 thru 11.

Accompanying the orchestra was the 16 member Collegiate Chorale, who also participated in the above programs.

Members of the orchestra collaborated with the members of the Northern Community Symphony in presenting the annual Christmas Concert (remembered for the presentation of Bach's "Christmas Oratorio"), Annual Spring Concert on April 26, Baccalaureate and Commencement exercises, and a concert for the state convention of the Michigan Parent-Teacher Association.

The College Band performed at all the home football and basketball games and accompanied the team to the Michigan Tech football game in Houghton, where the band began a parade in Hancock, stopped traffic on the rustic bridge joining the two cities and finally wound up at the football field with hauberks of snow, slushy but undaunted. (We won). The band played on the ninth of March at the Annual Spring Concert, and in several high schools on the route of a three day tour. Soloists were Edgar Holmgren, Ronald Smith, David Kjellberg, Ann Geigl, and John Calo. Featured, was an arrangement of "South Pacific", (Rodgers-Hammerstein) ar-

ranged by student Richard Shultz. Student conductor on the trip was Jack Chown of Sault St. Marie: "El Capitan".

Twelve high school bands participated in a second High School Band Day and presented a mass half-time spectacle that thrilled spectators at the evening game with its brilliance and tumult. This was directed by guest conductor, Paul Yoder, contemporary arranger-composer.

The College Dance Band provided popular music for the assembly program-radio broadcast and the March of Dimes, "Talent for Sale" show. Soloists were Betty Beyers, John Calo, Hildegard Ehman, Robert Pedro, and Robert DeMille. A few of the 'cats' squeezed in a little rhythm with a combo and rendered a few numbers, among which, one, "Opus Without Title", a popular original by a former student, Jim Burgeoise.

The Klef Klub, with money earned through its Sno-Ball Dance, sallied to Chicago via bus during the mid-term vacation to enjoy a cultural spree. Spot lighting the trip was the Chicago Symphony Orchestra, Fritz Reiner conducting, and Robert Casadesus, pianist, who played memorably, Ravel's, "Concerto for the Left Hand". Several heard Jan Peerce, the Chicago Theatre of the Air broadcast, "Mademoiselle Fifi", and the popular Broadway musical, "The King and I".

Early this spring a new arrival blessed the department: "a high fidelity sound reproduction system", or hi-fi set, nevertheless, a timely and much appreciated addition.

Sports

Sportsmanship makes both the winner and loser a victor; for victory is meaningless and defeat complete without the inner satisfaction of a game well played. It may be that "all is fair in love and war" but it is an obligation of the athlete to uphold the American tradition of fair play.

And match thy courage with our own!

CAPTAIN

Harry Rajala

The Northern Golf Team had a mediocre season last year winning only two out of five dual meets and placing 3rd. in the Copper Country Invitational Meet held at Houghton. Northern's two victories were against Soumi while the defeats were at the hands of Soo Tech twice and Michigan Tech twice. Rain and cold weather made some of the golfing difficult. The team was paced by Captain Harry Rajala who was the most consistent point maker followed by Tom Peters, Ray Saari, and Bob Bowers. Bowers is the only member not returning this year.

CAPTAIN

Ed Kuivinen

The "Wildcat" tennis team of "54" had a very good season. They took part in four team matches of which they won all four. Ed Kuivinen was team captain. Ed also was the only player lost through graduation. This indicates that Northern's tennis squad should be powerful again in the "55" season.

1954 Wildcats

Playing five of their seven games on home territory the 1954 Northern football squad spent most of the season acting the host. In the opener the Wildcats defeated a good Findlay team 14-6. The following week the "Cats" played host to Ohio Northern University and were rudely upended by the boys from the Buckeye State with a resounding 25-7 tally. With memories of the sound thrashing by Ohio No. Univ., the Northern gridmen traveled to Houghton to play Michigan Tech. Northern was definitely the underdog. Disregarding all obstacles the Wildcats beat the traditional rival and clawed the Huskies 13-7 for the second year in a row.

Ferris Institute boasting the best football team in the school's history came to Marquette and within six minutes were leading Northern 13-0. Rejuvenating themselves in the second quarter the "Cats" struck back to tie the score and that's the way the game climaxed, 13-13. If not a complete victory

for Northern, it served as a moral one.

The Homecoming Game against Northland was played under conditions that were full of sleet, snow, cold weather, and a sloppy field. Northern was pressed in gaining victory but staved off the Lumberjacks successfully. The Homecoming Game was a success with the Wildcats topping the Lumberjacks 14-6.

Traveling all the way to Mankato, Minnesota, the Wildcats were almost too certain of victory and let their pass defense lag. The Wildcats were defeated via the air lanes 20-7.

Playing their final game of the season under the free substitution rule the "Men of Northern" came through in style and clamped Mission House College 20-0. The season completed, the Wildcats looked back on a 4 won, 2 lost, and 1 tied record. It was not an undefeated season, but it was a winning one.

Northern completed its 1954-55 basketball season with a 7 won, and 7 lost record. Sometimes it was a slow start, and sometimes it was bad breaks, and sometimes it was missing important foul shots. But Northern had a better team than the record earned.

In the two games played before Christmas vacation Northern out-pointed both Suomi 69-50, and Mission House 81-63. After the vacation Northern traveled to Plymouth, Wisconsin and was upset by Mission House 63-61.

St. Cloud of Minnesota came to Northern and left victorious 103-93. The Wildcats then packed up their bags and traveled to Wisconsin for two games. The "Cats" disposed of Northland College 92-88, but were humiliated by Eau Claire State who handed the Wildcats a 103-51 remembrance.

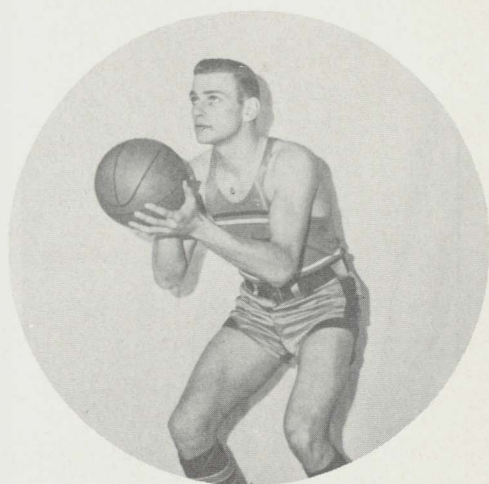

Traveling to Suomi, Northern had a close call on Suomi's small court but earned a well deserved 78-71 victory. The between semesters trip down state proved disastrous for Northern. Ferris squelched

Northern 86-71, and Alma edged the "Cats" in the last minute of play 70-68.

Returning home the Wildcats took on Ferris and avenged the defeat suffered down state. The final score read Northern 86, Ferris 74. Next on the agenda was Michigan Tech. Northern started off to a bad start in this game and was edged 82-76. Northland came to Marquette to avenge the defeat suffered earlier in the season to Northern but left on the short end of a 119-81 trouncing. This was the highest score any Northern team has ever registered. Jack Clark also established a new record in this game by scoring 45 points.

Detroit Tech came to Northern and possessed one of the finest basketball clubs Northern played all season. The "Cats" played their best game of the entire year in defeating Detroit Tech 78-67. The final game was played at Houghton where Michigan Tech swamped Northern 107-81. The season completed, the squad chose Wayne Nystrom as Captain, Jack Clark as Most Valuable, and Tom Cook as Humorist.

House "Mother" Sandy MacLean

Nineteen athletes attending Northern under the Grant-in-Aid plan live in the Barracks, this year under the care and guidance of Sandy MacLean. Each of the Barracks men takes part in one or more of the three major sports at Northern. All the curriculums offered at Northern are represented among them, and they take pride in the fact that their group scholastic average compares very favorably with that of other organizations at Northern. Besides furnishing men for the varsity, the Barracks enters good teams in the intramural program.

Underclassmen

A product of a well organized education is the ability to apply accumulated knowledge to a particular field or profession. To instill this knowledge in others, the teacher must learn certain fundamental principles by experience as well as study.

Religious

*That liberty of thought and worship
Within our land shall never end.*

Wherever you find a cross-section of humanity you will also find a variety of religious creeds. And whether these people are jovial, sad, cruel or kind -- despite any defects in their character or personality -- their Belief must be their guide in Life as knowledge is the basis of a successful profession.

Intervarsity Christian Fellowship

Intervarsity Christian Fellowship is an interdenominational evangelical fellowship group having as its primary aim the promotion of Christian faith and stimulating spiritual growth among the students. There are many chapters on colleges and university campuses throughout the world.

Northern's I.V.C.F. Chapter meets weekly for

Bible studies and Christian fellowship. Several social events are sponsored during the year.

During the past year several members attended the Conference held at Gitche-Gummee Bible Conference at Ironwood. A conference with the Michigan Tech Chapter was held at Northern during the second semester.

L. S. A.

The Lutheran Students Association is a national organization established to promote a spirit of fellowship among Lutheran students, to encourage participation in religious activities and to provide opportunity for discussion of religious problems encountered by college students. Meetings are held once a month in Lee Hall Conference Room where group discussions take place.

This past year the L.S.A. sent three delegates to the Land O' Lakes Regional Convention of the L.S.A.

in December. The members had their first get-together in the fall with a Potluck Supper to which all contributed. Mr. Fritz was featured as guest speaker at the annual Christmas dinner of the club. Other speakers in the religious and educational vein have been scheduled for regular meetings. Concluding the year's activities is the annual Sunrise Breakfast at Presque Isle which appeals to the more hardy Lutheran students.

Newman Club

The Newman Club is the campus organization which aims to keep the Catholic students in spiritual, intellectual, cultural, and social contact with their church. The Club at Northern is an affiliate of the national Newman Club Federation, which is a part of the National Catholic Welfare Council.

Regular meetings are held on the campus on the third Tuesday of each month. The Newman Club sponsors Sunday suppers, communion breakfasts, an annual retreat, and other religious and social gatherings.

The Wesley Foundation, as a part of the Methodist Student Movement, has as its objectives to deepen Christian faith, provide warmth of Christian fellowship, promote religion in higher education, and develop a sense of world Christian community.

The Wesley Foundation has as its activities the annual Christmas faculty tea, and this year the group sponsored a Sock Hop. A delegation was sent to the winter conference at Albion College. During the summer officers attended the Student Leadership Training Conference and in the Spring a group attended the Michigan Interdenominational Christian Convocation. Speakers, panels and discussions were held at meetings. The Wesley Foundation offers students wholesome activity and strives to provide a "home away from home" for its members.

Westminster Fellowship

President-Niel Locke

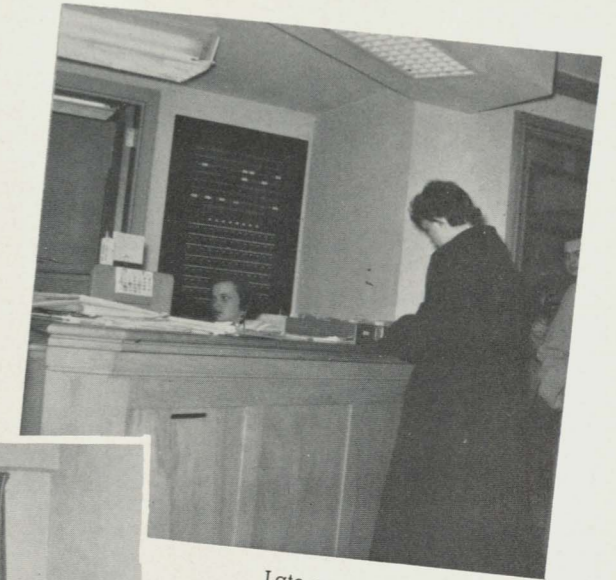

The Westminster Fellowship is a Presbyterian Youth Group organized for the purpose of promoting Christian fellowship among its members. Meetings are held each Sunday evening in the Church social room which are open to all interested persons.

The Sunday night sessions are taken up with business, study, recreation, and an informal meal prepared by members. Educational speakers have been invited to the meetings whose talks have been enjoyed by members of Westminster. During the past year much attention has been devoted to a special study series concerning the topic "Integrating Religion into Your Work".

Sororities Fraternities

The gregariousness of man has forced him to seek a companionship that is more intimate than the normal contact with society. Such friendship is formed by common interests in the fraternities and sororities of colleges and universities. The reminiscent years thrive on memories of these youthful school-day friends.

Nancy Neisius-President

The members of the Beta Omega Tau Sorority, founded in 1923, aim for the qualities of sincerity, loyalty, reliability, and understanding. With an increased membership this year the Betas enjoyed a full and active social calendar.

A candlelight initiation, followed by rushing parties, began the year's activities for the Betas. Their rushing parties, the annual Smorgasbord and a Beta Round-Up, were enjoyed by the many who attended. The Betas joined with the other sororities in the January Tri-Sorority Dance but, for the first time, they had their own spring dinner dance. The Beta Bunyan Ball was their contribution to Northern's social calendar. Their annual Mother's Day Teas completed the year for the Betas.

Yvonne Jacques-President

The principal aim of the Cegmer Seg Sorority has always been the promotion of sisterhood among Northern women. The segs have been on campus since April of 1923.

Another full year of social activities was enjoyed by the Segs this year. After a solemn candlelight initiation the Segs moved into their fall rushing program. Their two rushing parties were a Barbecue and a Candy Tea. In January they participated in the Tri-Sorority Dance, Pink Paradise. The Segs' spring social calendar included another formal dance and a picnic. Their contribution to the social life of the school was their annual Waterfront Cafe.

Joan Lindholm-President

The Delta Sigma Nu Sorority, the oldest sorority on campus, enjoyed another successful year with a full social calendar that also promoted their aim of friendly sisterhood.

Their Back-to-School Dance with a special floor-show at intermission started the sorority activities for the year and was enjoyed by the entire student body. Rushing parties—an informal Scotch party and a Birthday Party—took up the fall season and were greatly enjoyed by all who participated. Their Christmas Dinner Dance, Silver Bells, was a huge success. A caroling party and an outdoor fun party made up the winter social program. The Delta's 32nd Birthday Party, the Spring Dinner Dance, and the annual sorority picnic rounded out the year's activities.

Gamma Phi Alpha Sorority

Mary Ann Hoffman-President

This year the Gamma Phi Alpha Sorority, whose objectives have always been high scholastic standards, friendliness, to all students, and the furthering of Northern's interests, celebrated their twenty-seventh year on campus.

Participation in Homecoming, particularly their Coronation Ball, began the year's activities for the Gammas. Two rushing parties, a Hunting Party and a Backwards Party, were preliminaries to the pledging season. The Tri-Sorority Dance Pink Paradise, was held in January and enjoyed by all. A candlelight initiation welcomed the new members who joined in the Gamma's annual springtime activities—another formal dance and a sorority picnic.

Al Dufour-President

The Alpha Phi Omega, national service fraternity, was founded in 1925 at LaFayette College. The Iota Chi Chapter of N.M.C.E. became a member of the national fraternity in 1951.

The purpose of Alpha Phi Omega is to assemble college men in the fellowship of the scout oath and law, to develop friendship and to promote service to humanity.

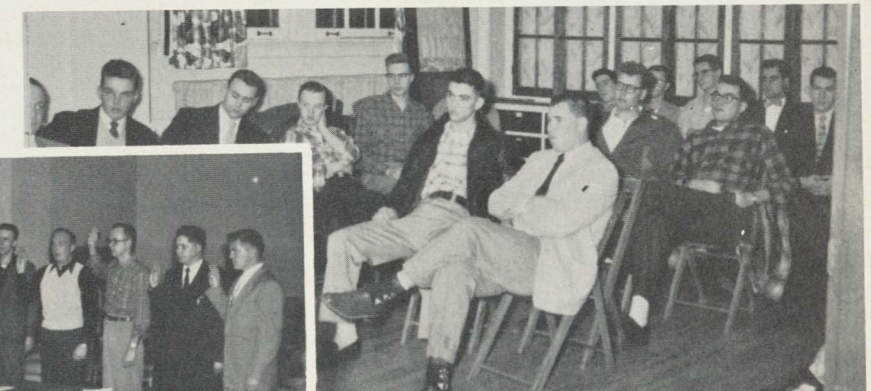

At Northern, Alpha Phi Omega performs such services as assisting the administration during freshman orientation week, preparing the homecoming bonfire, sponsoring the annual Christmas dance, serving as guides and ushers at many of the school functions, and helping to judge the district Boy Scout Klondike Derby. This year we also assisted in promoting the Gilbert L. Brown Memorial fund, an activity we expect to continue in future years.

The Theta Omicron Rho Fraternity, the oldest organization on Northern's campus, was founded in 1914 for the purpose of promoting the intellectual, moral, and social standards of its members. The large fraternity house offers ample opportunity for the Thetas to get better acquainted and join together in many and varied social gatherings.

The Theta Turkey Trot is an annual affair and other big events included the Christmas formal and a Spring Dinner Dance. Bowling, tennis and volleyball, and ping-pong are regular activities at the house and the Thetas were also active participants in the college intramural program.

Tri Mu Fraternity

Tri Mu Fraternity, organized in 1922, has long promoted high physical, social, intellectual, and moral standards among its members. The fraternity house has aided in the development of a strong fraternal spirit among the Tri Mu members.

Tri Mu contributions to Northern's social calendar were their Halloween Masquerade Party and their biennial stage production, "Brite Lites," the big event on campus for the spring semester. A dinner dance and many smaller social gatherings at the house were also part of the Tri Mu program. Active participation in intramural sports was enjoyed by many Tri Mu's.

Homecoming

*Our hearts will pledge renewed devotion
In hallowed memory of thy halls*

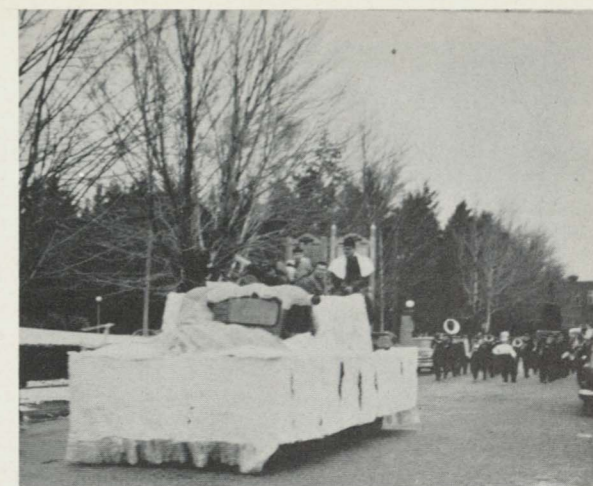

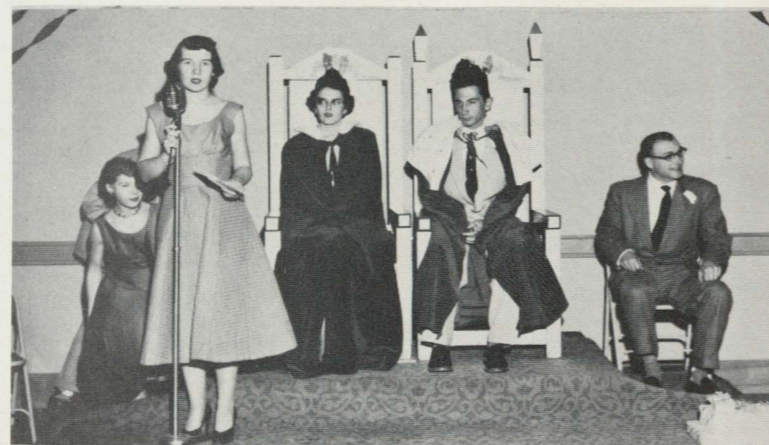

Faculty and students alike drop the semi-formal attitude of college life and plunge into the happy confusion of Homecoming. A better understanding of college functions and the people who make it function evolve from the common interests and close relations of campus royalty elections, parades, pep rallies and dances.
