This book is dedicated to "some" people:

Some people have a talent  
for chasing clouds away,  
for painting rainbows,  
and launching dreams  
like kites in an endless sky,  
for building sandcastles  
that never wash away . . .

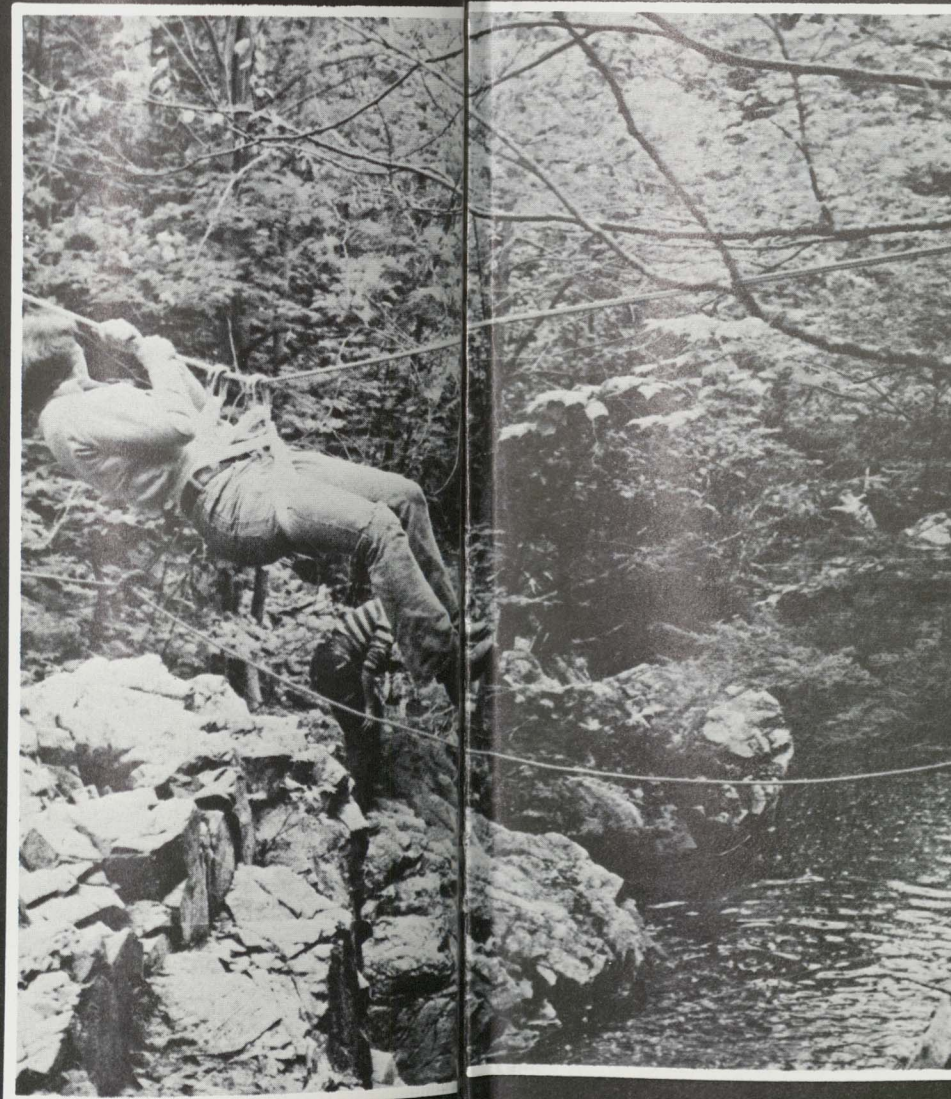

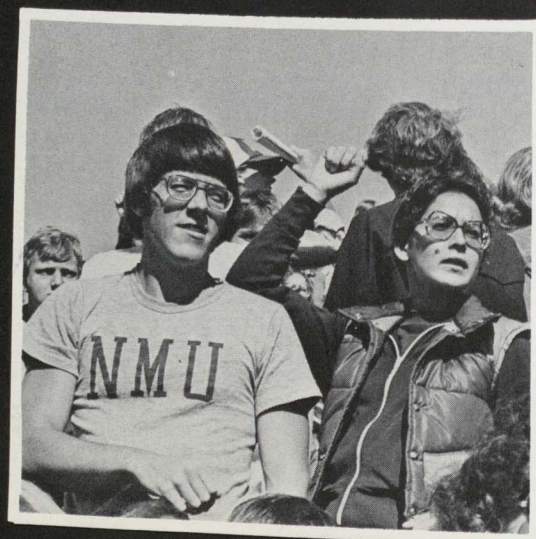

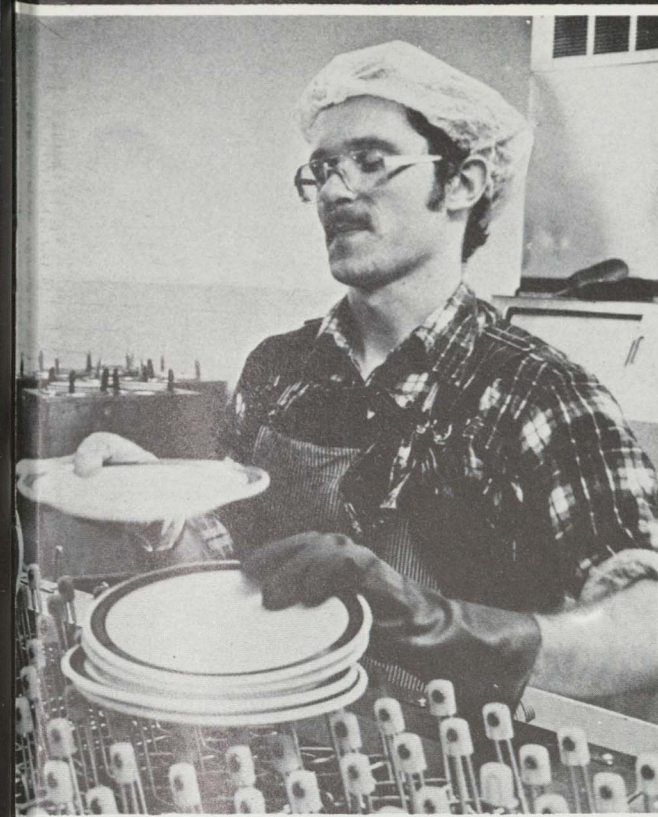

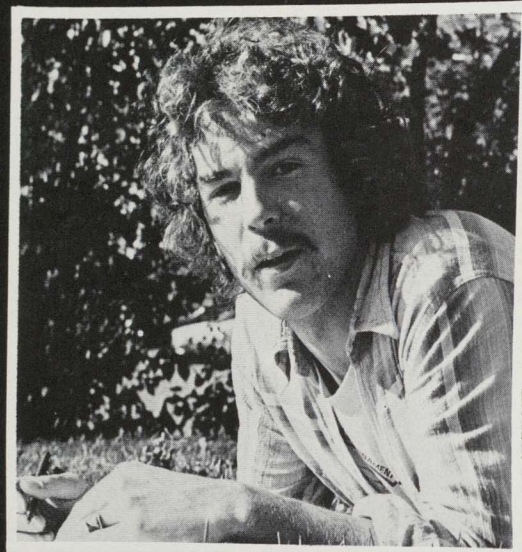

For filling each day  
with the music of laughter  
and filling hearts  
with beautiful memories.

Some people have a talent  
for living and being  
and sharing their best,  
for giving life a new and special  
meaning . . .

Some people . . . Like You!

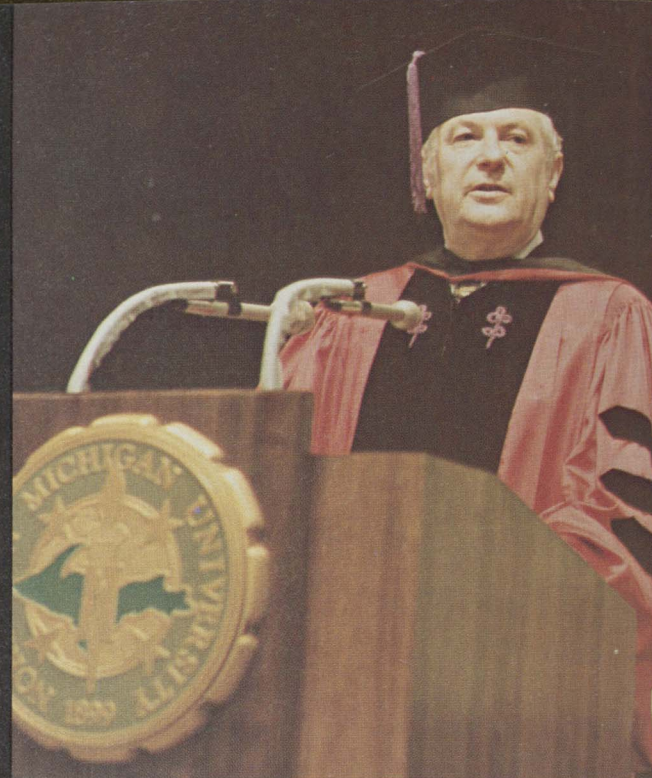

# PEOPLE . . .

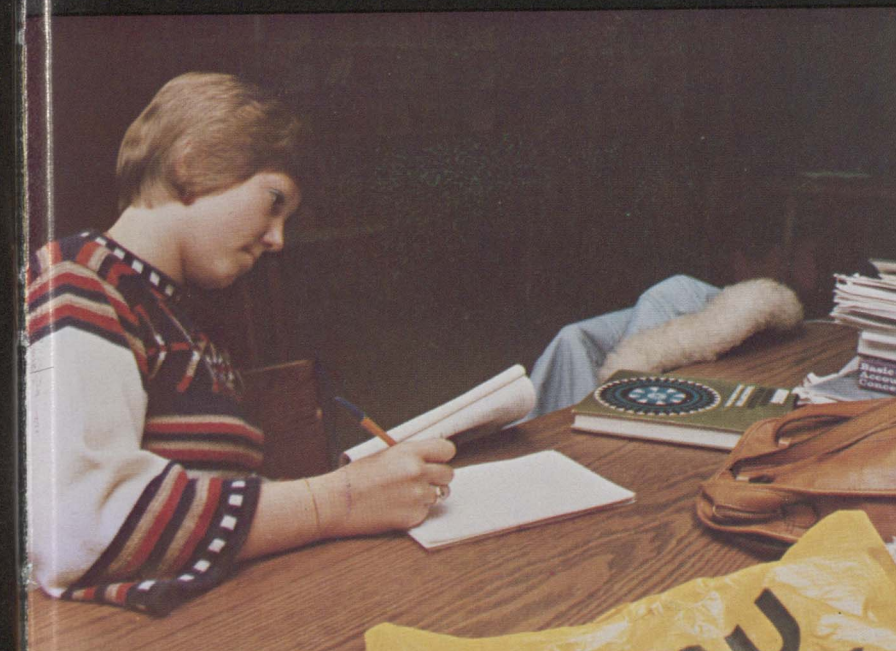

# WHO NEED PEOPLE . . .

ARE THE  
LUCKIEST PEOPLE

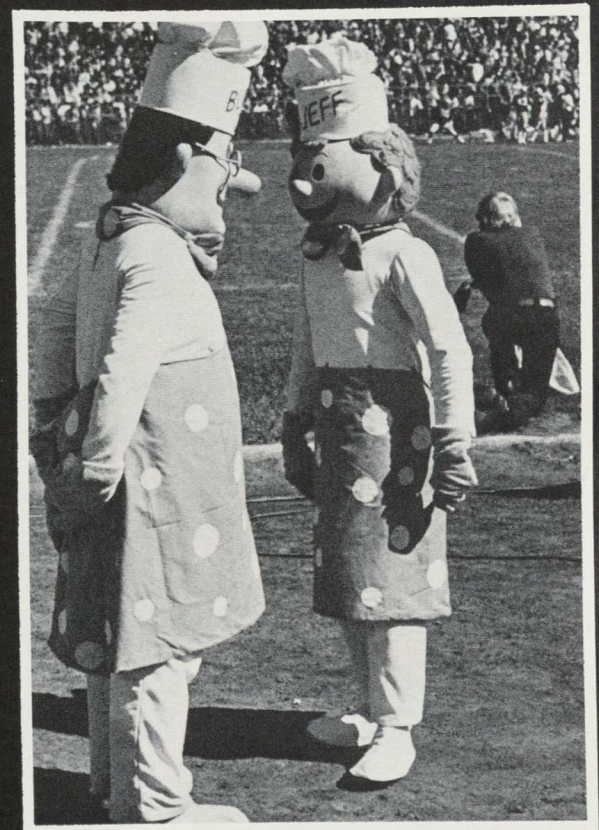

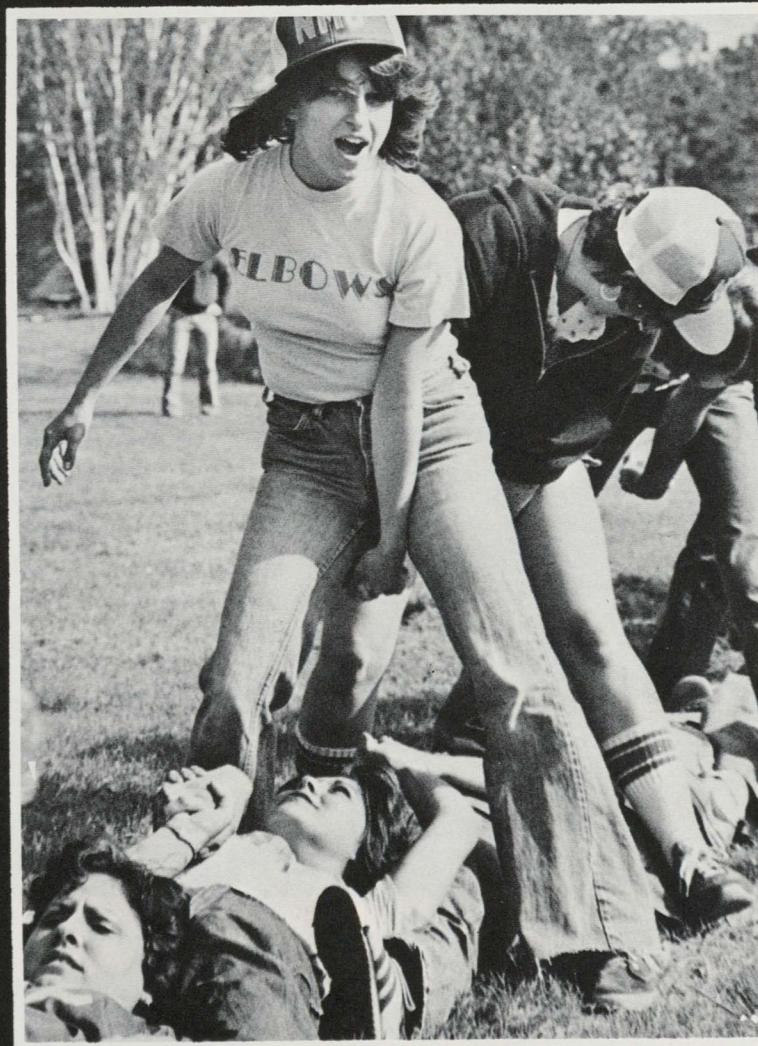

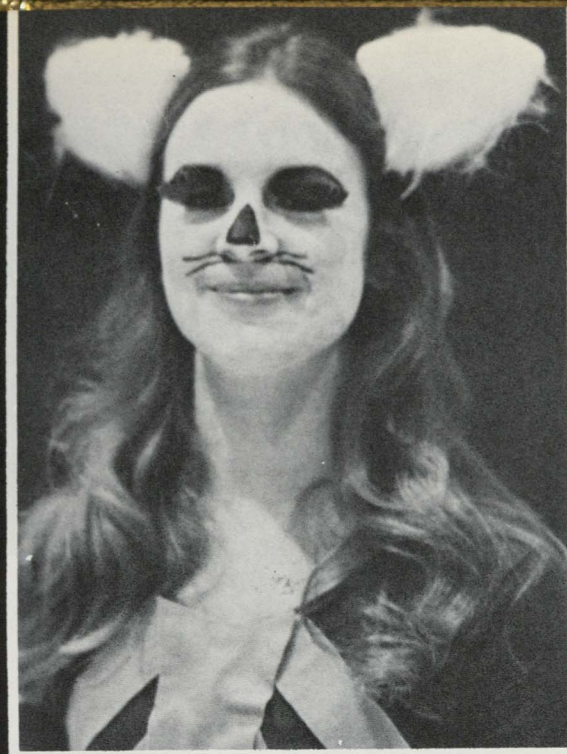

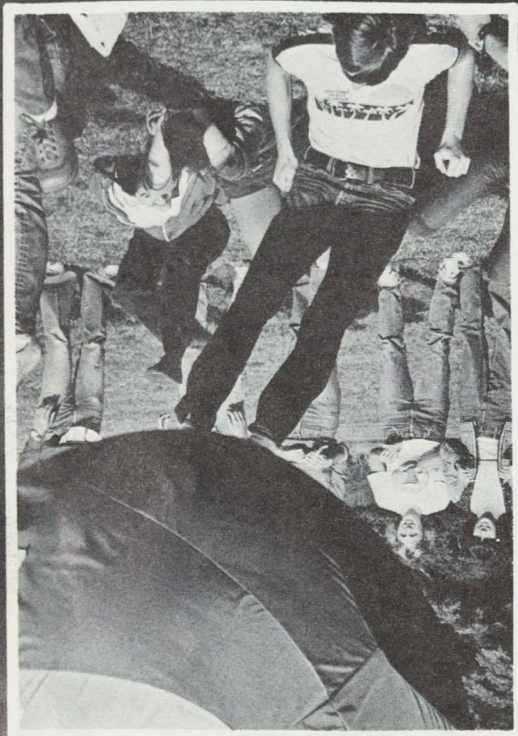

IN THE  
WORLD

# WE'RE CHILDREN NEEDING OTHER CHILDREN

*And Yet Letting Our Grown-Up Pride  
Hide All the Need Inside.*

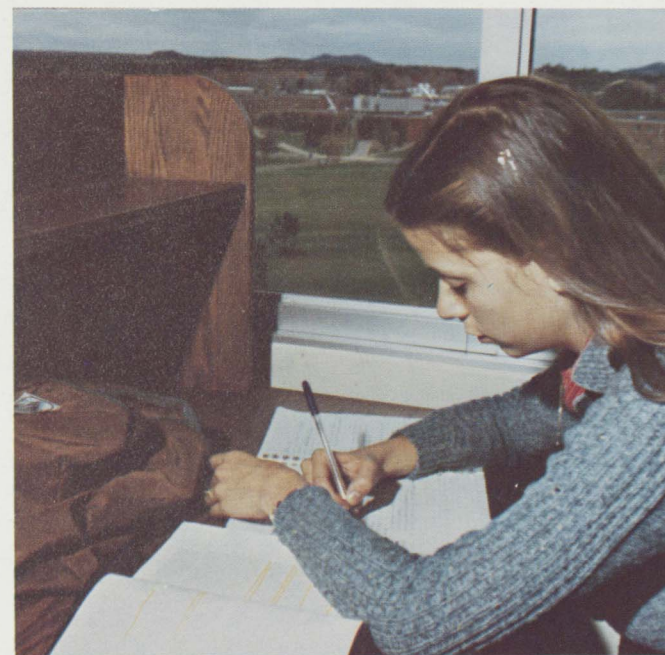

*ACTING MORE  
LIKE CHILDREN, THAN CHILDREN*

*LOVERS ARE VERY SPECIAL  
PEOPLE*

*THEY'RE THE  
LUCKIEST PEOPLE  
IN THE WORLD*

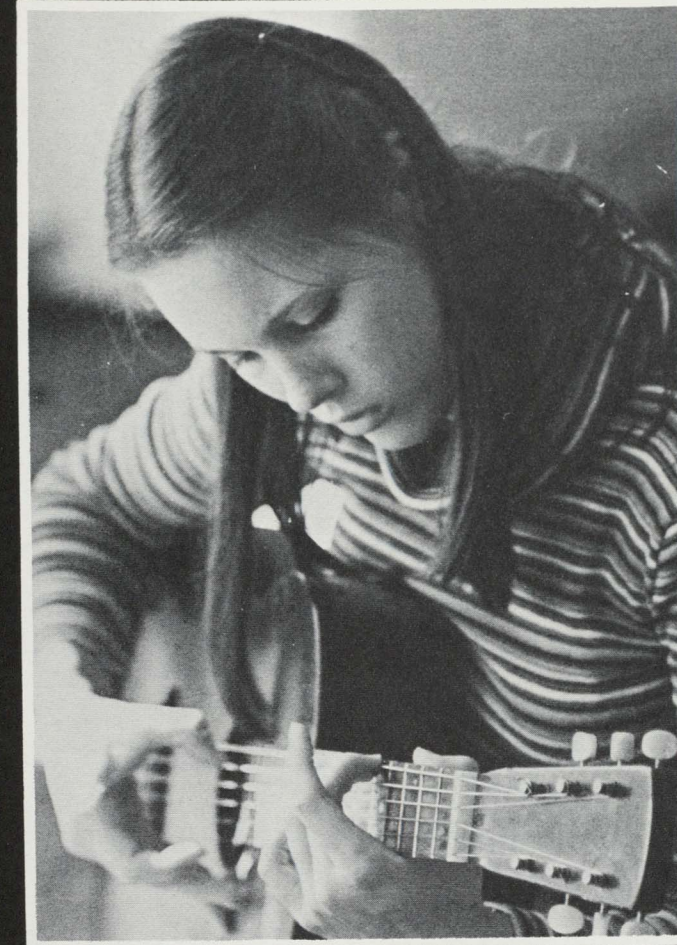

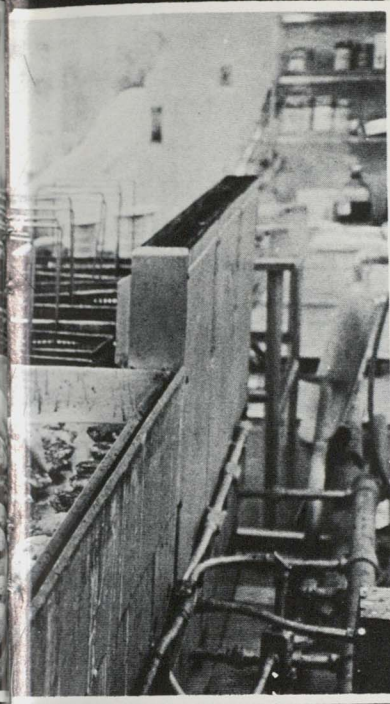

*(With One Person  
One Very Special Person,  
A Feeling Deep  
In Your Soul  
Says: You Were Half,  
Now You're Whole.)*

*NO MORE

THIRST*

*But First,  
Be a Person  
Who Needs People*

## Married Housing

Northern Michigan University's Married Housing complexes offer an advantageous alternative to the limited rental opportunities otherwise available in the Marquette area. This housing arrangement is open to both married families and single parent families headed by at least one NMU student. The benefits of this opportunity are evident in the extensive waiting list that continuously exceeds the 108 married family apartments available on campus and the additional 35 student apartments located in Northern's faculty apartment complex.

Pictured on this page are Campus Safety staff members Ann Wiedbrauk (left) and Janice Hilson (below), along with Officers Jim McCauley and Lester Rosan. Together with other staff members and student workers, they comprise NMU's Campus Safety Department.

(Above) Chief Bill Lyons began at Campus Safety in 1969 after graduating from NMU with a Bachelor's Degree. Before coming to NMU, Chief Lyons was employed with the Philadelphia Police Department for four years.

A banquet was held in March to honor the twenty-nine students who were initiated into Telion, Northern Michigan University's Senior Honor Society. In order to qualify for membership, students must be of junior standing and have earned a minimum grade-point average of 3.00. In addition to the scholarship requirement, members must have been active in campus organizations, have served in leadership positions, and have demonstrated a commitment to campus and community service. Although Telion has been a local honor society since 1970, the society adheres to the standards of membership required by the National Council of Mortar Board and is presently petitioning to become a recognized chapter of this national honor society. New officers selected for the 1977-78 academic year are: Glenna MacDonald, President; Linda Savage, Vice-President; Stuart Mattson, Secretary; Mark Verlinden, Treasurer; and Randy Bergstrom, Historian.

## Attend 3rd Consecutive NCAA Div. II Playoffs

The Northern gridders met on a cold snowy day at Dakotah Field in Fargo, North Dakota, to confront the North Dakota State University Bisons. The NCAA Division II quarter final game ended in a 20-6 victory for the Bisons.

## Bad Weather Season

Northern Michigan's Wildcats have had their share of bad weather this year. To top it off, they played their NCAA quarter-final playoff game on a snowy, blustery field in Fargo, N.D.

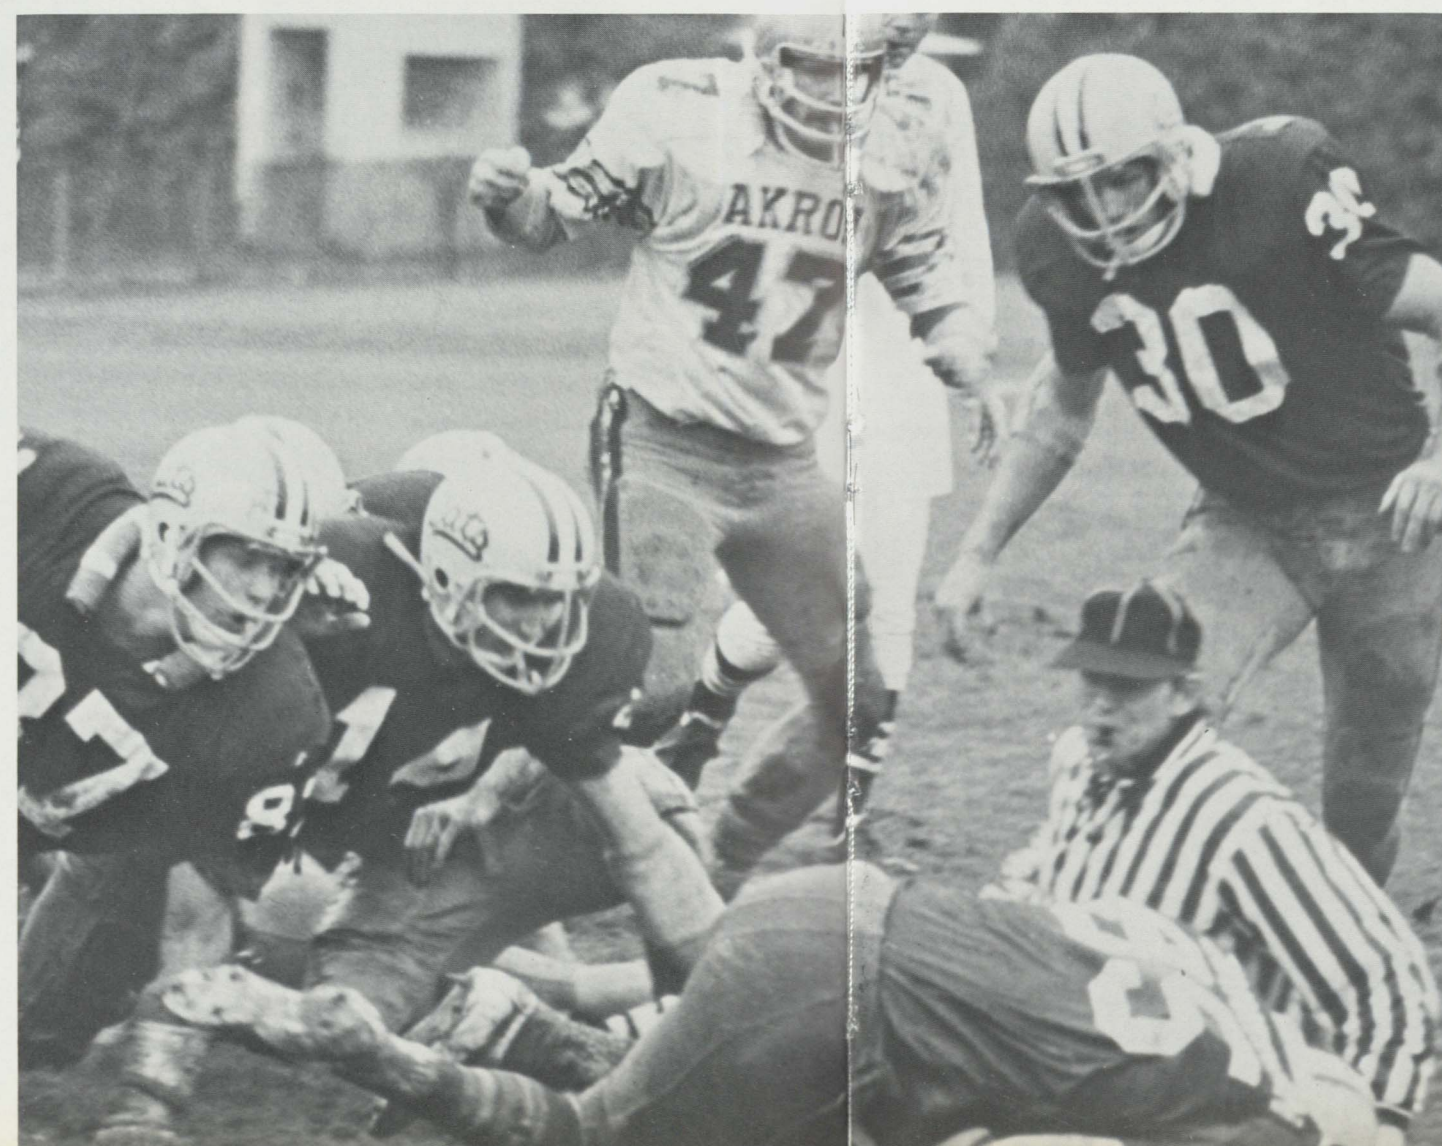

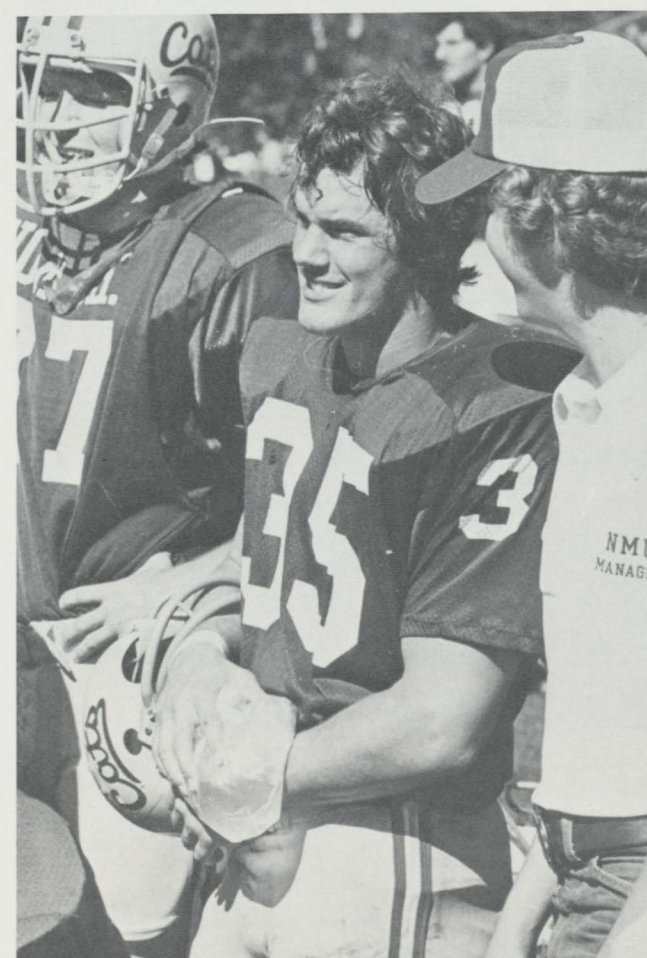

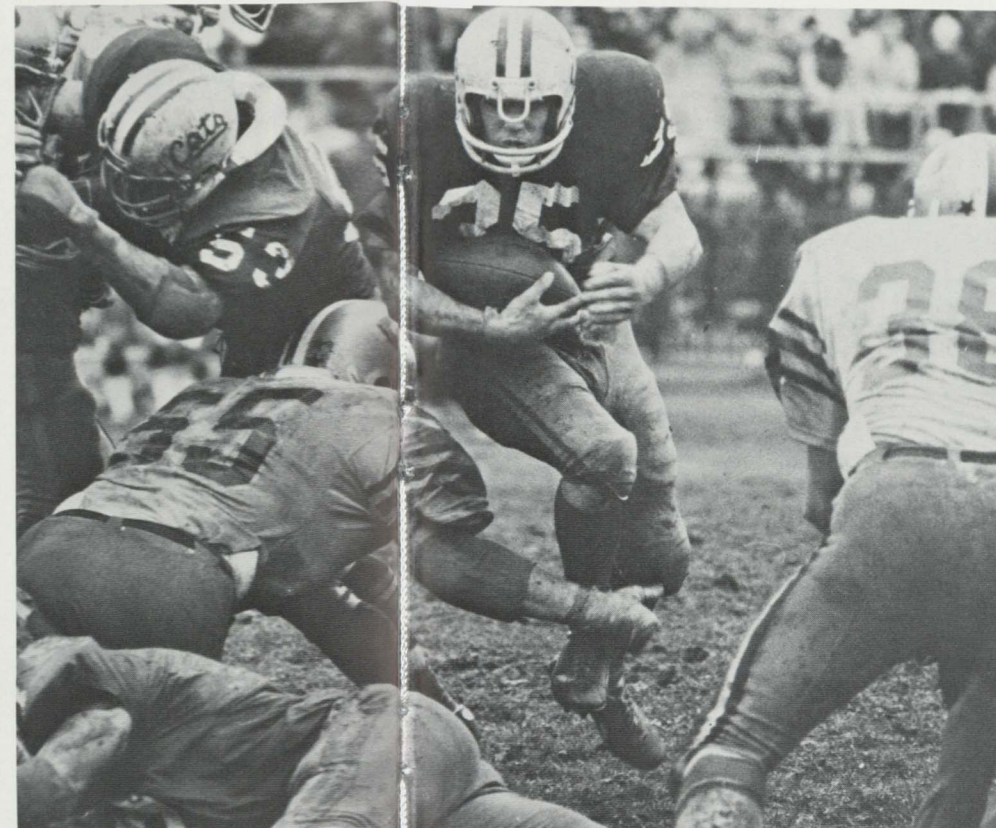

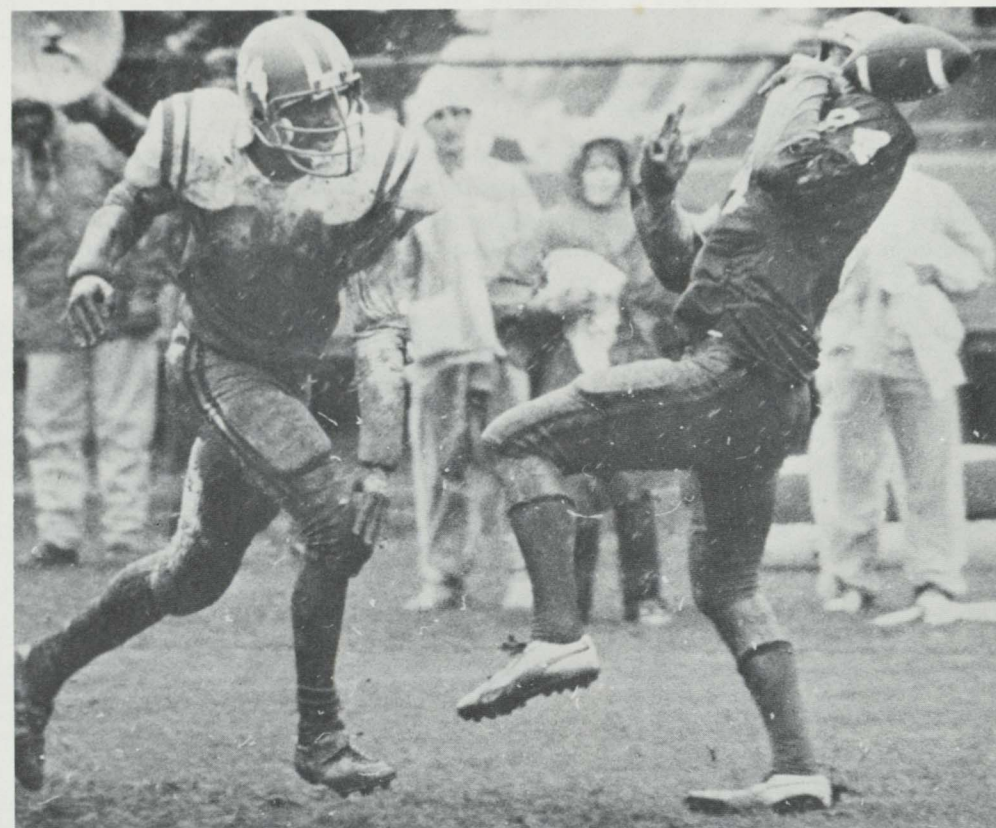

There were no traditional exercises after this game. The Northern Michigan Wildcats came off the field between two huge snowbanks. It looked like they were emerging from a deep freezer—their breath was frosty and the snow crunched beneath their turf shoes.

Although the cold had long ago numbed their hands and feet, their senses were alive. Many of them felt the first sting of the realization they had lost.

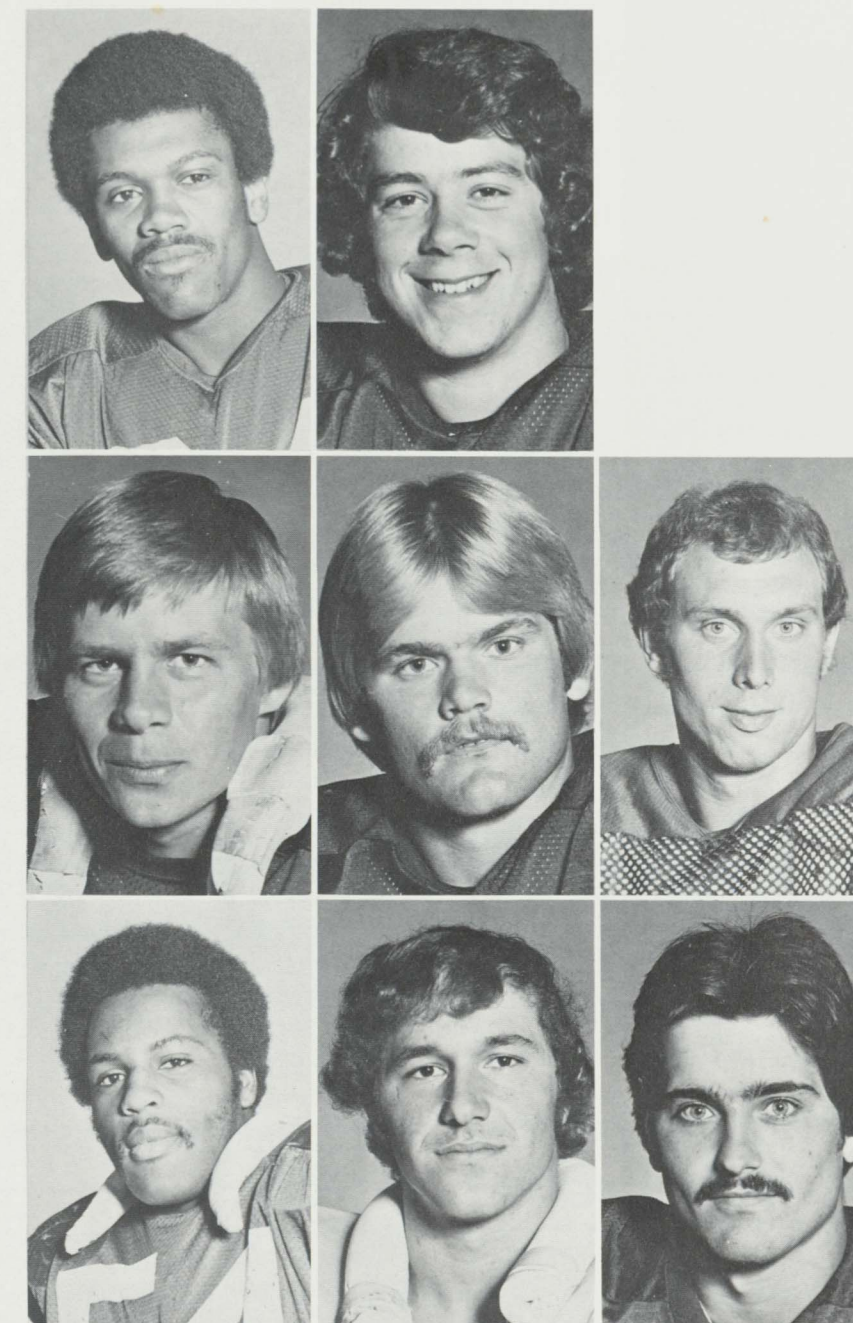

Temperature at the game was 7 degrees with a 14 mile per hour wind. Snow started falling in the second half. Two of the top ten teams were playing, and a crowd of only 2,200 showed up.

## During 1977 Season . . .

## Wildcats Record Impressive Statistics

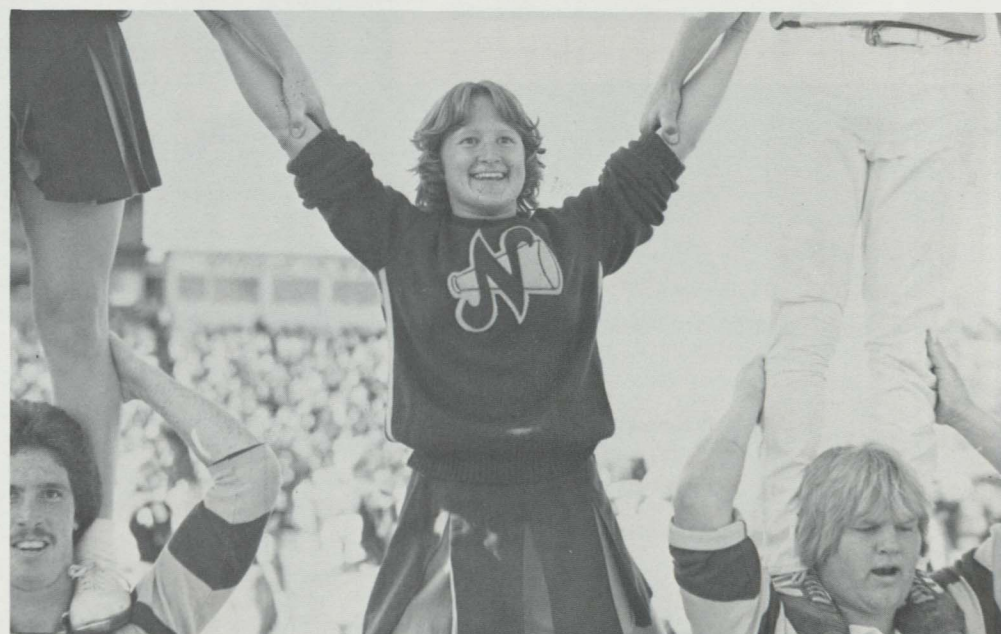

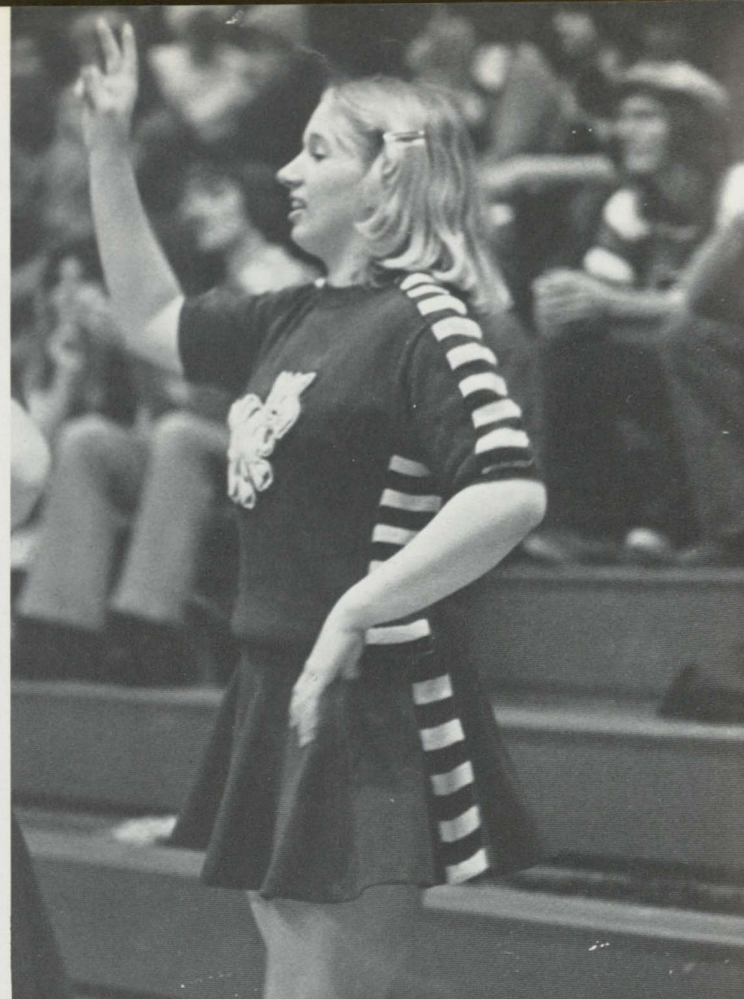

## TOP CATS

Seven Wildcat football players in addition to MVP quarterback Steve Mariucci were cited for their play during the 1977 season by their teammates. This list includes: **TOP ROW:** Zachary Fowler (split end), Dave von Behren (quarterback). **MIDDLE ROW:** Ken Rusielewicz (tackle), Steve Salani (fullback—tight end), Carl Ulmer (defensive end). **BOTTOM ROW:** Bryan Piester (defensive lineman), and Steve Mariucci (quarterback MVP).

Five male cheerleaders were added to the 1977-78 NMU cheering squad. The extra enthusiasm roused by these members was clearly evident at the games, both football and basketball. Even the countinuously rainy football games did nothing to damper their spirits. Most NMU fans expressed their delight in this addition to the squad, and hope it will become tradition.

## Male Cheerleaders Added to Squad

Front Row: Barb Bontrager, Sara Carlsile, Lori Wilson, 2nd Row: Roxy Hintsala, Lisa Thompkins, Mary Ellen Jerumbo, Back Row: Bruce Carlson, Jim Forbes, Connie Awry, Chris Gorence, Amy Obrecht, John Adair, Bob Biolchini.

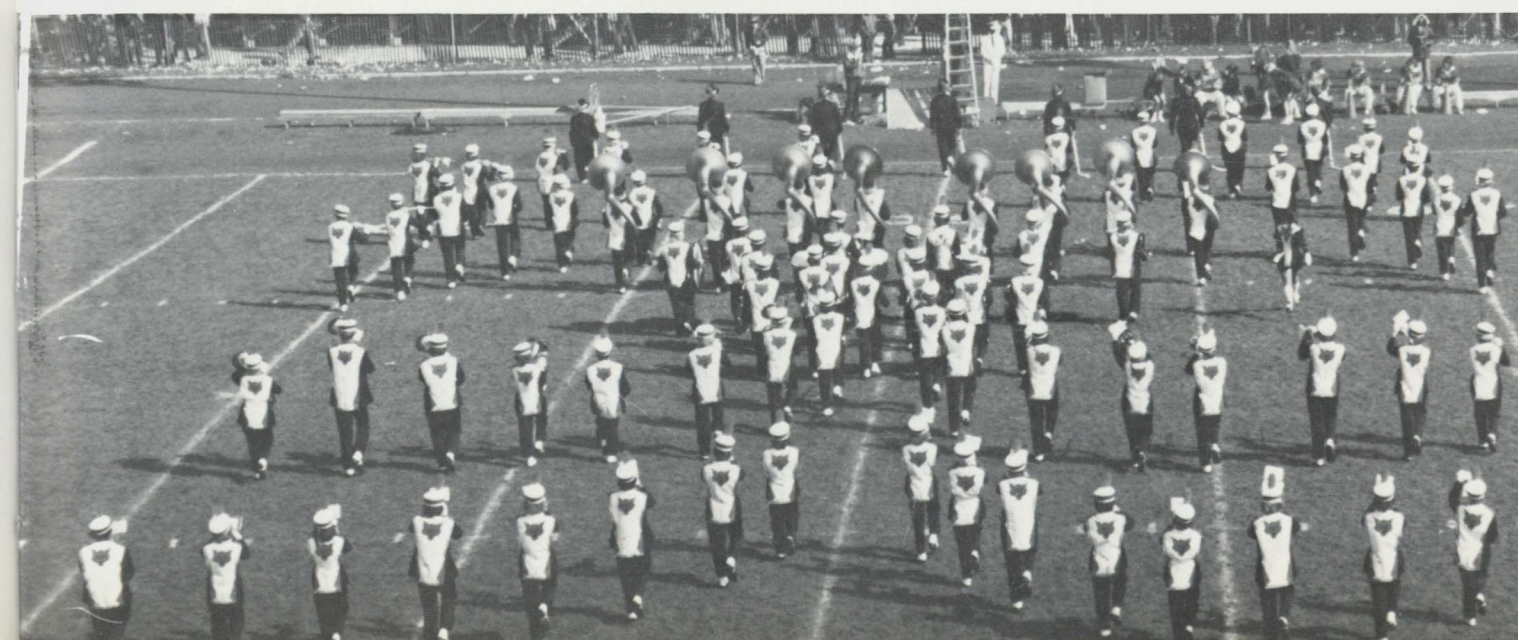

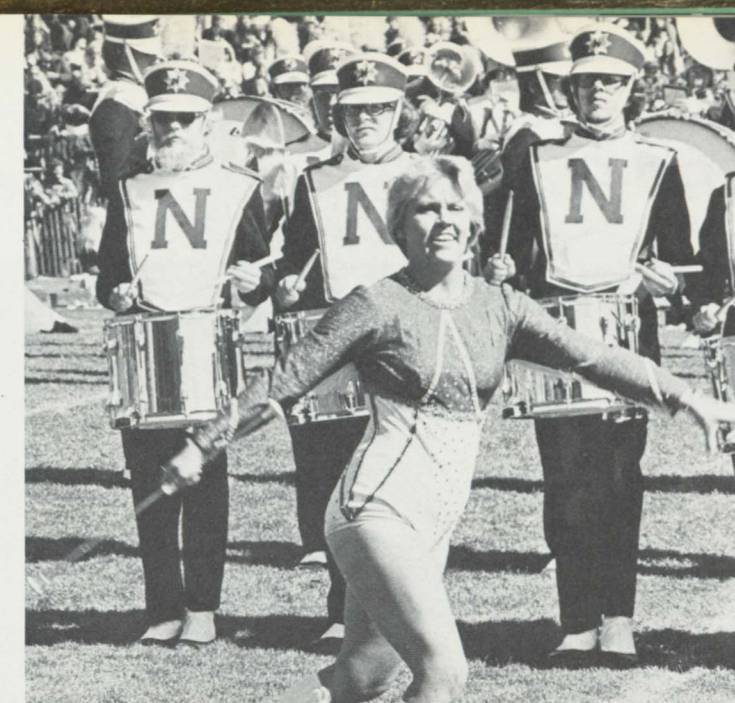

## MARCHING BAND BOASTS NEW LOOK

NMU's Marching Band, composed of 130 students, made its debut with a complete new drum-style percussion and both a flag corp and a rifle squad. Another first was Dana Skidmore, Northern's first women drum major. Further, Director Jerrold Michelson created a new format as well as a new look for the fans' entertainment. The band entered the field from the student side and performed a feature tune facing them.

"This year's group is the best I've ever worked with," Michelson said, "in both musicianship and attitude." The key word for the band this year was "Pride".

## NMU Field Hockey: Handle Tough Competition

FRONT ROW: Kay LaBumbard, Lori Lindstrom, Sue Belanger, Mary Ruman, Bonnie DeMeyer, Kay Rice, Cheryl Conder, Dean Wagner. BACK ROW: Coach Barb Patrick, Asst. Coach Geri

Callovi, Asst. Coach Jan Jones, Sue Serbinski, Colleen Closs, Lisa Mueller, Kathy Talus, Debbie Heath, Denise Porath, Trainer Barb Maszlewski.

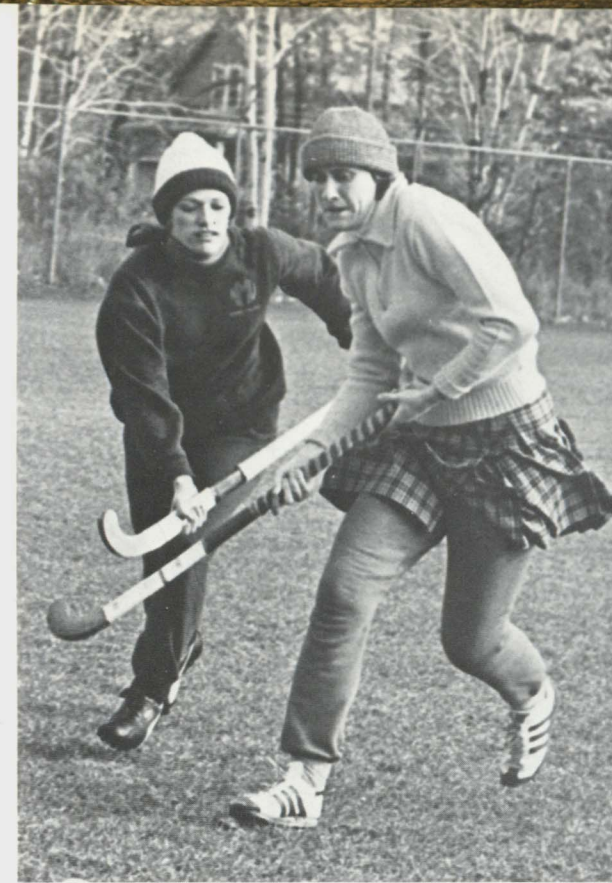

Seven award winners from the 1976 club that took part in the AIAW Midwest Regional Tournament returned to the 1977-78 squad. However, only two, Debbie Heath and Kathy Talus, were considered seasoned veterans.

Coach Patrick depended on Heath, Talus, and five others: Colleen Closs, Kay LaBumbard, Denise Porath, Lisa Mueller and Barb Wolfe. In addition, Patrick relied on the newcomers to provide squad depth. This however, was not a new situation for coach Patrick.

She felt the 1977 schedule was one of the strongest NMU has ever had. "I think this is the best quality of competition we'll face during the regular season," she stated in a preseason announcement. The squad handled the competition well with a 7-6-2 record for the season.

SENIORS FRONT ROW: Colleen Closs, Dean Wagner. BACK ROW: Coach Barb Patrick, Debbie Heath, Kathy Talus.

Barb Patrick began her tenth season as Northern Michigan's Field Hockey coach. The first women's field hockey coach in NMU history, she marked her 50th career victory with her team's first win in 1977. Her nine previous varsity squads posted a 49-18-17 record.

## NMU Volleyball: Team Has Little Experience and New Coach

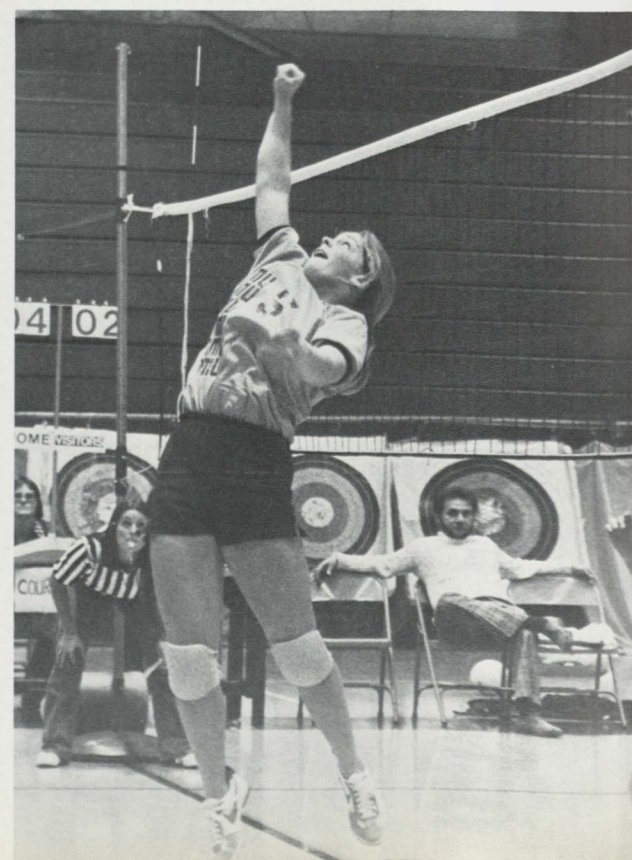

FRONT ROW Nancy Chartier, Becky Pugh, Tracy Stiner, Kelly Nugent, Sally Rozeboom, Julie Derosie, Gail Romagnoli, Cindy Lane BACK ROW Jane Scheper (Coach), Jenny Bear, Sandy

Lathrup, Lori Cascaddan, Deb Canning, Shelia Gafney, Ann Van Dyke, Nancy Sleeper (Trainer), Carla Austin (Asst. Coach)

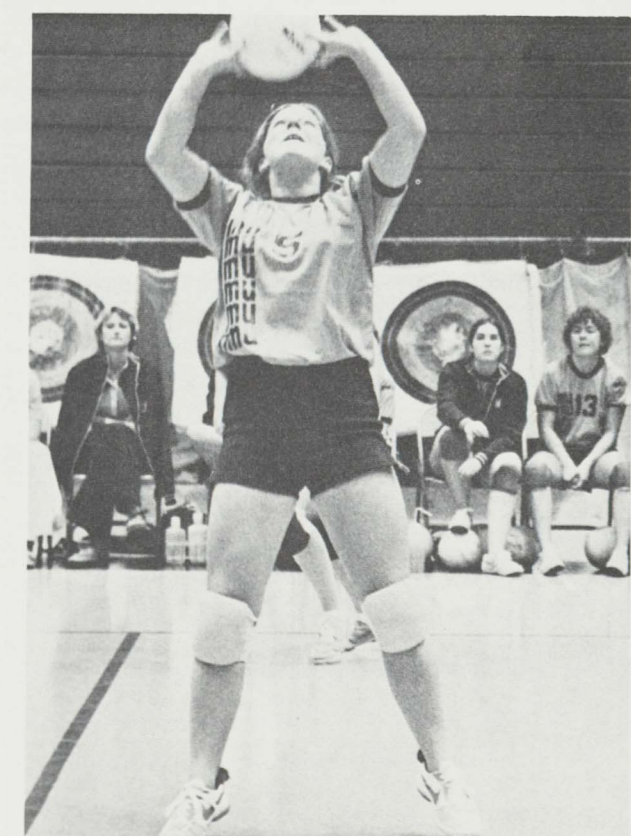

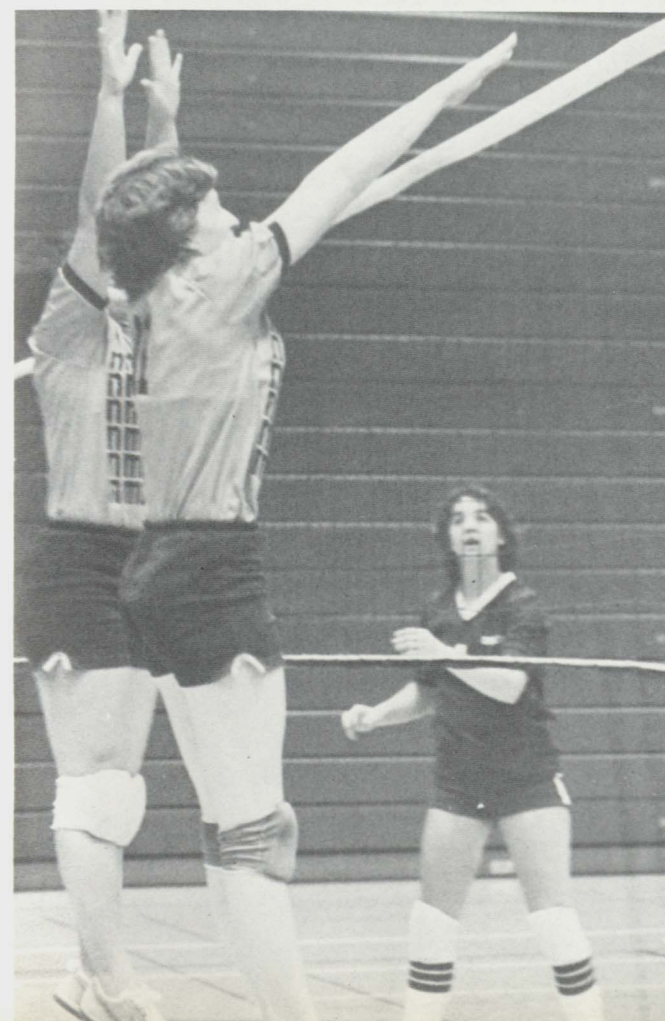

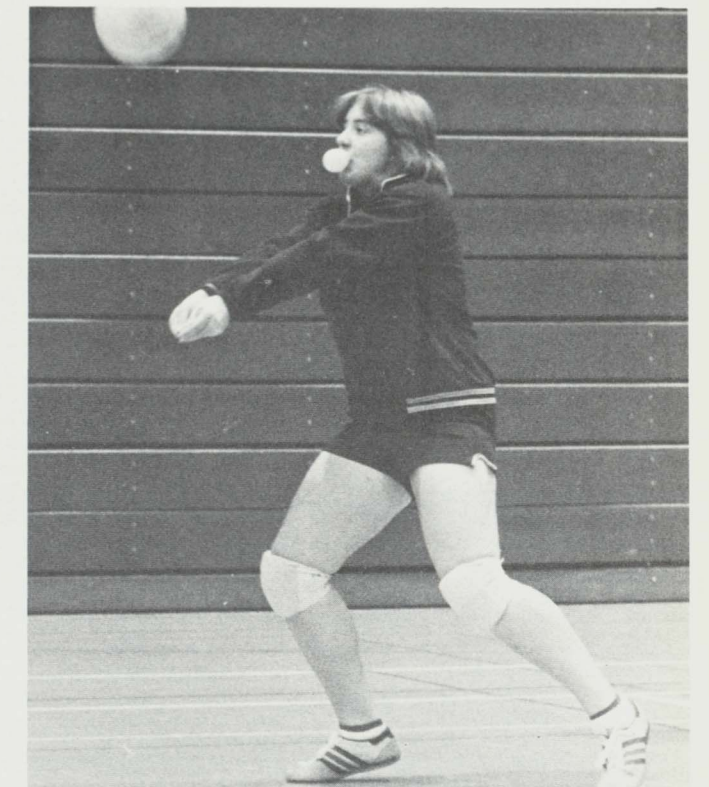

First year head coach Jane Scheper had eight returning letter winners on her 1977 roster, but only two of these players had more than one year of experience.

Senior Julie DeRosie was the lone veteran who played on all three NMU teams since volleyball became an intercollegiate sport in 1974. The other veterans were Junior Ann Van Dyke and Senior Sue Jacks who played on both the 1975 and 1976 squads.

Coach Scheper predicted in a preseason statement that it would be difficult for the team to get used to a new coach, and the coach to a new team. Furthermore she stated disappointment in the fact that they would be on the road for their first four games of the season. These disadvantages may be responsible for the teams 16 losses compared to 6 wins for the season.

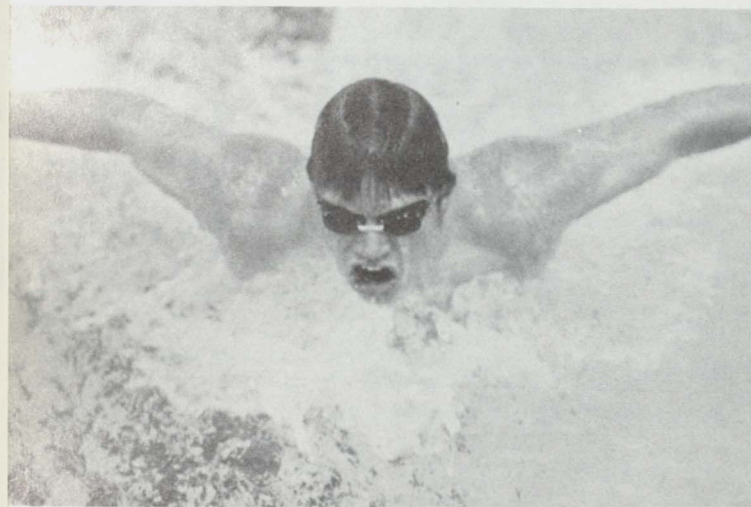

Jane Scheper was appointed women's volleyball coach at Northern in July 1977, after serving as an assistant coach at Eastern Kentucky. While in college Scheper was a member of two state champion volleyball teams, played in three national tournaments and attended a training camp for the 1973 World Student Games in Russia.

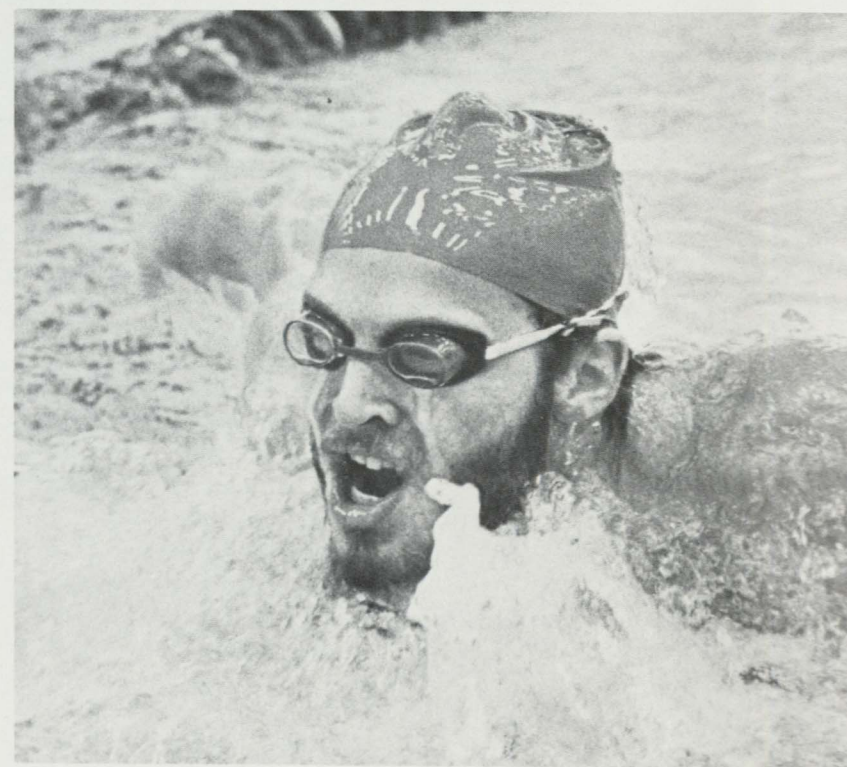

## NMU Swimmers: Strong and Hard Driving Team

Coach Don Trost's swim team held up well to his preseason predictions that the squad "would be at least as good as last years." Eleven out of twelve lettermen returned to form the 1977-78 squad shown here. *Front Row:* Coach Don Trost, Mickey De Boef, Dwight Hoffman, Dave Duecker, Mike Uzelac, *2ND ROW:* Charles Smallman, Luke Parent, Tim Kerwin, Ray Bernard, *BACK ROW:* Kurt Mikkelsen, Dann Deaver, Ole Thorsrud, Bob Hopper, *MISSING:* Dan Michelsen.

Trost's top recruiting catch is free styler Kurt Mikkelsen whose presence aided the Wildcats in both individual events and relays. With such a strong, hard driving team, added successes are expected in years to come.

## NMU Skiers: Weather Favorable for Success

*FRONT ROW:* Steve Erkkila, Charles Steed, Bruce Hutchinson, Eric Okerstrom, Jyrki Sahlstrom, Paul Hartleben. *BACK ROW:* Jim Grahek, Carder Burns, Bob Stastny, Steve Spalding, Brian Strand, Steve Swenson,

Gary Rasmussen, Geir Bergvin, Pentti Joronen, John Stoneburner, Bill Bowman, Ola Kokslien, Wade Arms, Tom Vandervoort, Duane Hendrickson.

## NMU Icers: Young but Good

Rick Comley began his second season as Northern Michigan's head hockey coach following an impressive debut in 1976-77 when the Wildcats, in their first year of intercollegiate hockey, recorded a 19-3-1 season. Comley has never coached a losing team anywhere yet, and the 1977-78 Icer squad doesn't intend to ruin that record.

**FRONT ROW:** Bill Joyce, Jeff Schaffer, Barrie Oaks, Asst. Coach Alan Hamernick, Coach Rick Comley, Asst. Coach Asst. Coach Rod Hookwith, Steve Weeks, John Kyle, Mike Mielke, **2ND ROW:** Asst. trainer Ron Levan, Team Physician Edward Kronschnabel, Frank McCarthy, Don Waddell, David Ross, Dan McKeraghan, Tim Laidlaw, Ed Dobbs, Ross

Dahl, Denis Flanagan, Steve Fisher, Mgr. Bill Salatino, Mgr. Paul Crews, **BACK ROW:** Student trainer Dan Blakemore, Terry Houck, Pat McCarthy, Dave Guertin, Tim Vince, Fred Hage, Keith Hanson, Greg Tignanelli, Dave Ikkala, Tim Sherry, Doug Harris.

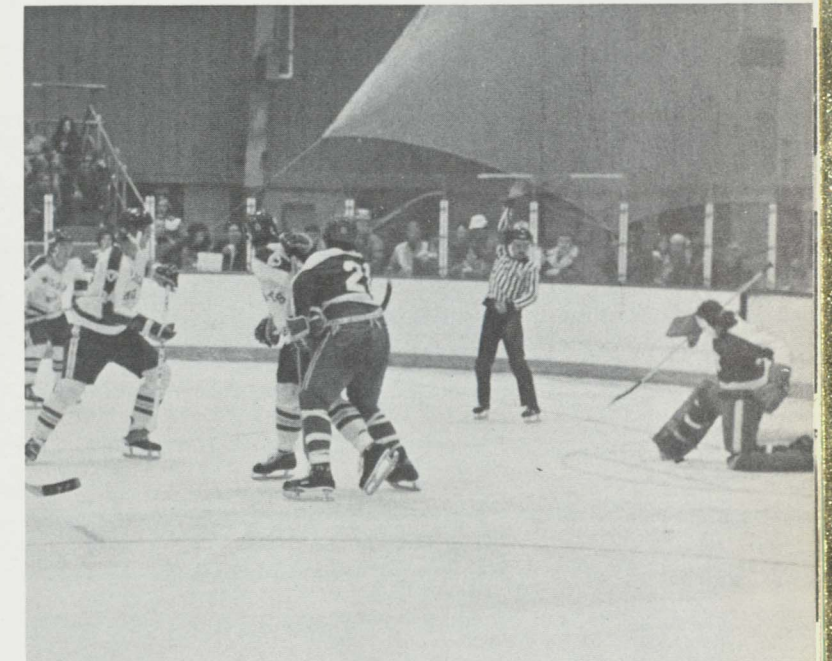

# WILDCAT ICERS

The hockey Wildcats, in quest of a post season playoff berth, had won 17 of 28 games with series with Ohio State and Lake Superior State remaining. With the exception of being unable to beat St. Louis (seven losses in two seasons), the young ice squad has shown that they are contenders for the crown in the Central Collegiate Hockey Association.

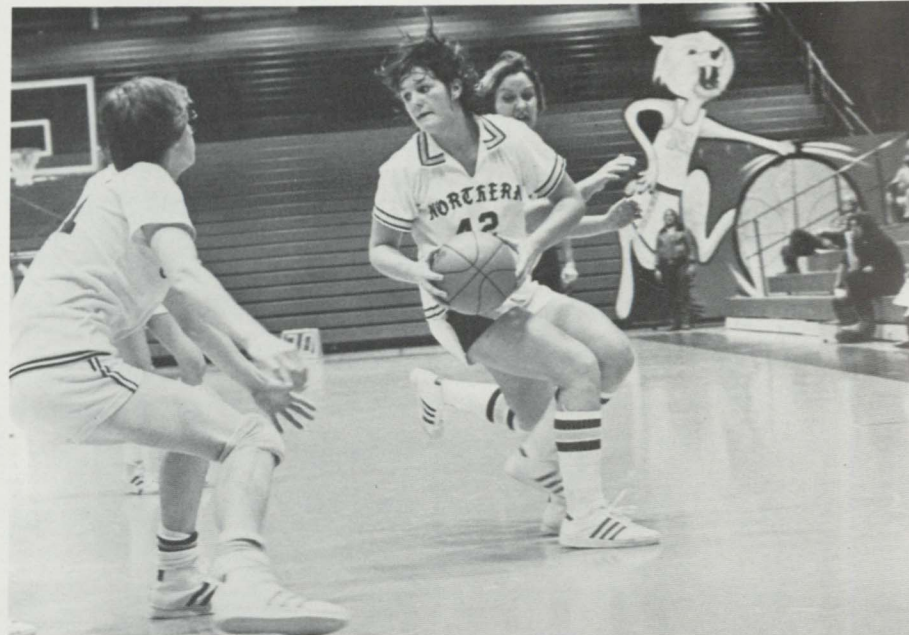

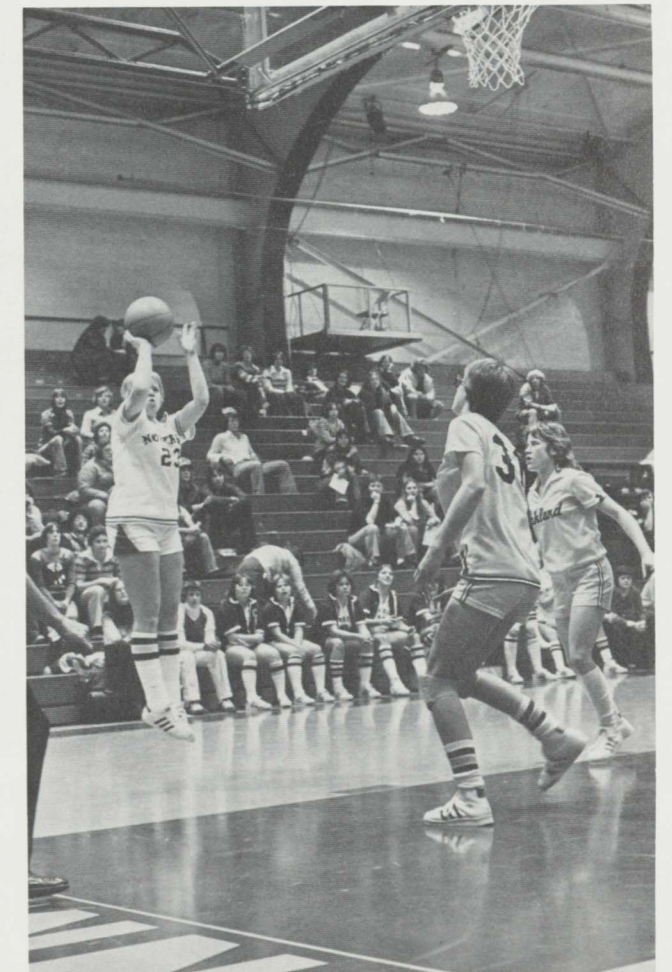

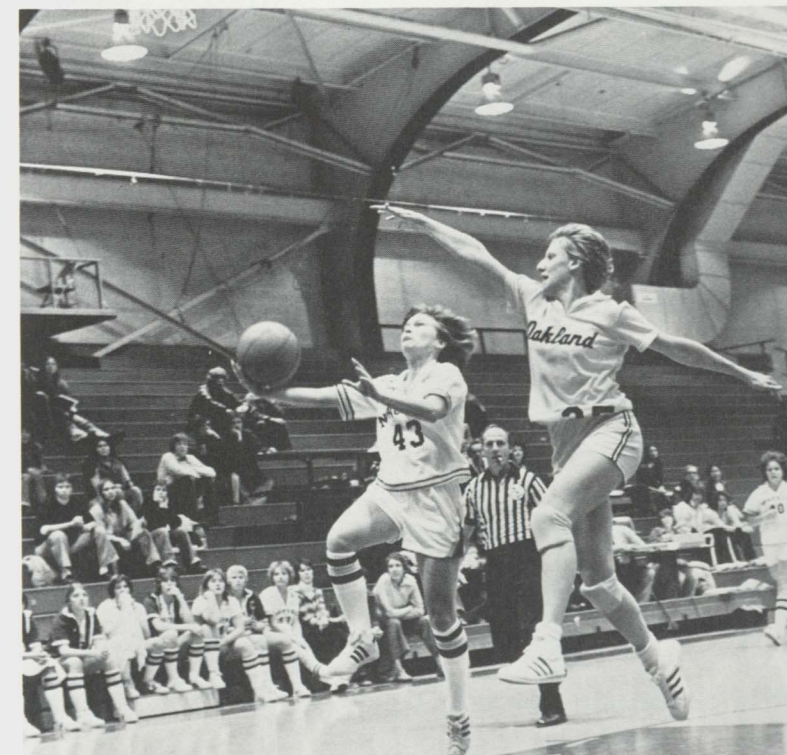

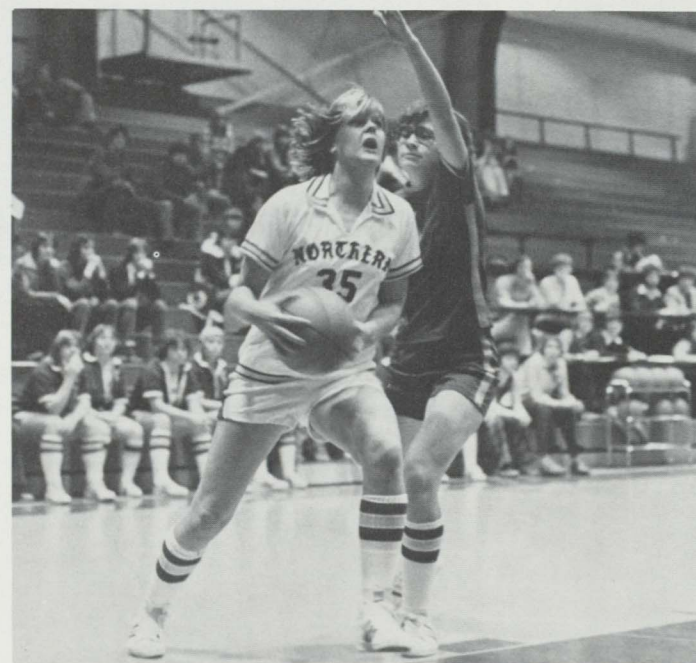

## NMU Women Roundballers: Set Improvement As Goal

The 1977-78 Women's Basketball team was out to improve on an 8-12 mark in the 76-77 season. Four starters returned from that team: Julie Niemela, Ann Van Dyke, Jean Seid, and Kathy Talus. Another squad member who saw considerable playing in the 76-77 season, Sharon Schultz, also returned.

"We will be outsize for sure," says Coach Palmer. Northern's lack of height caused the installment of a pressing and fastbreaking style of play.

Team picture not available

Anita Palmer, a member of the United State's women's basketball team in the 1971 Pan America games, is in her first season as head coach at Northern Michigan.

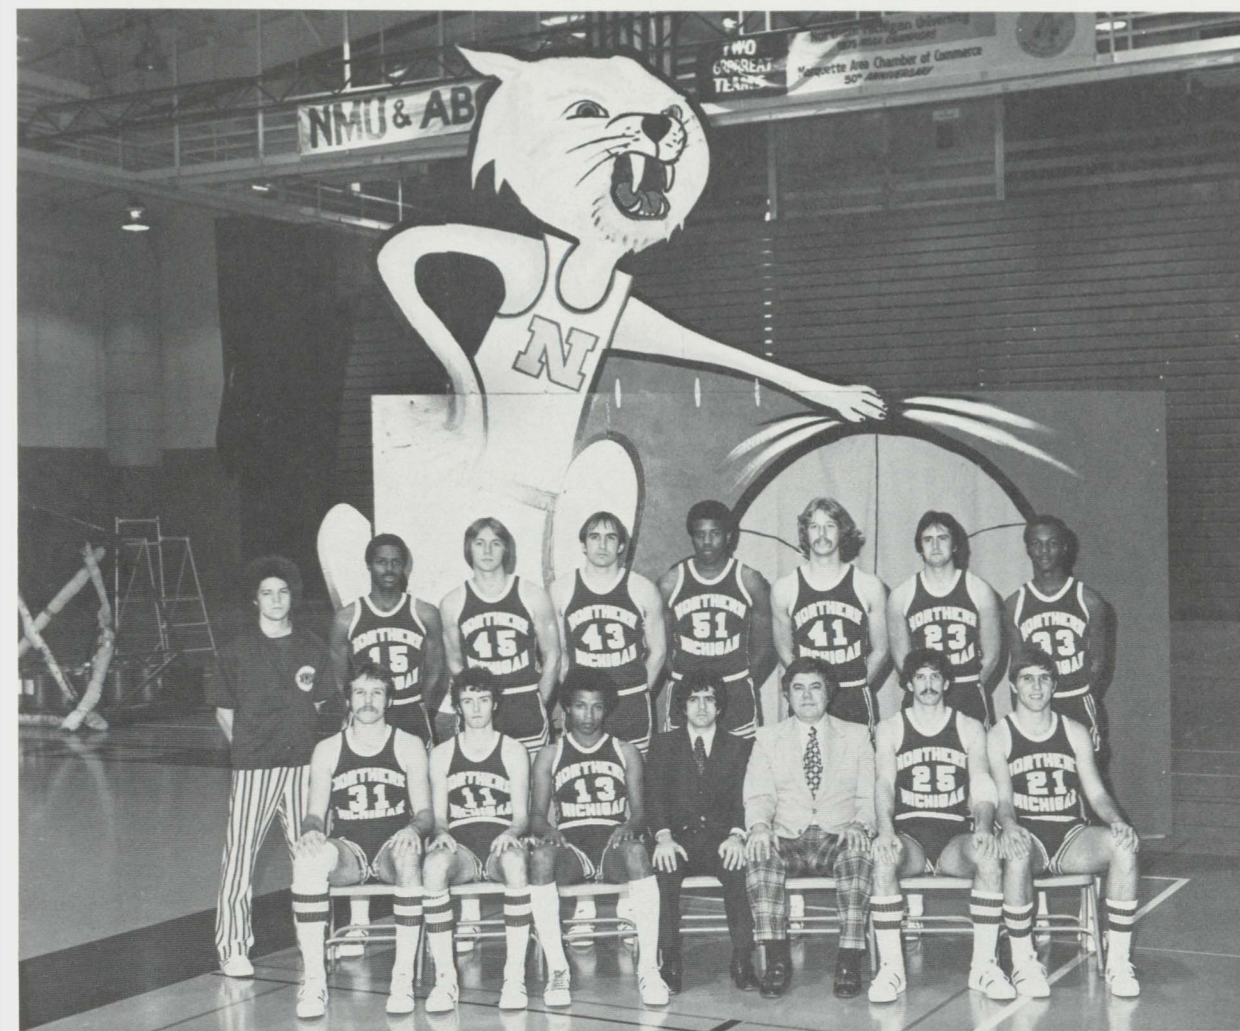

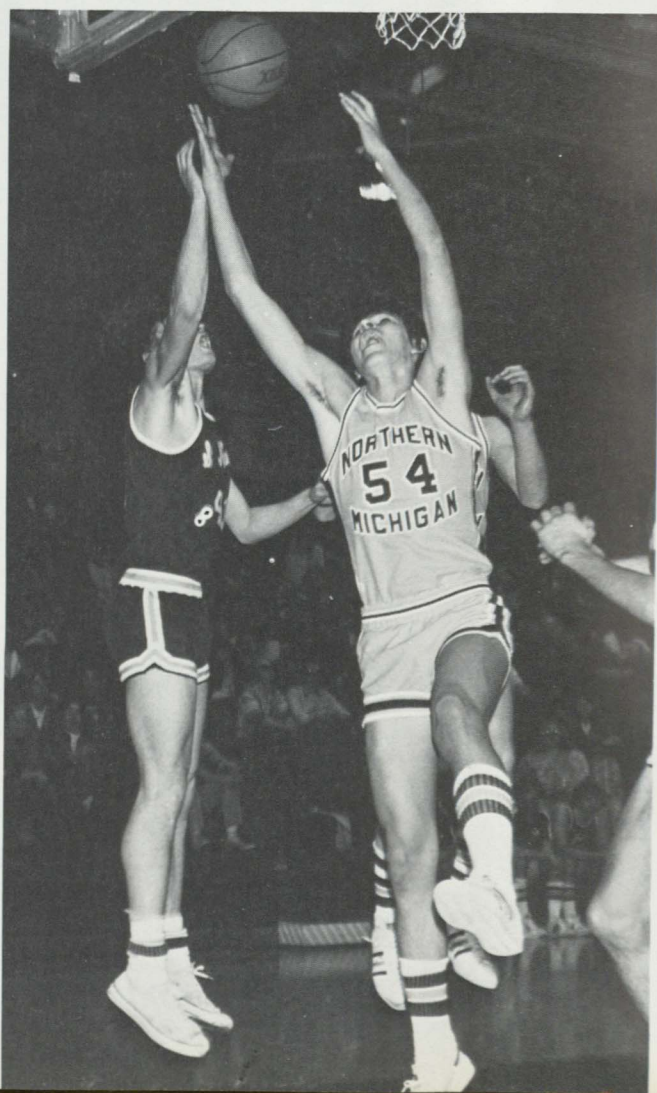

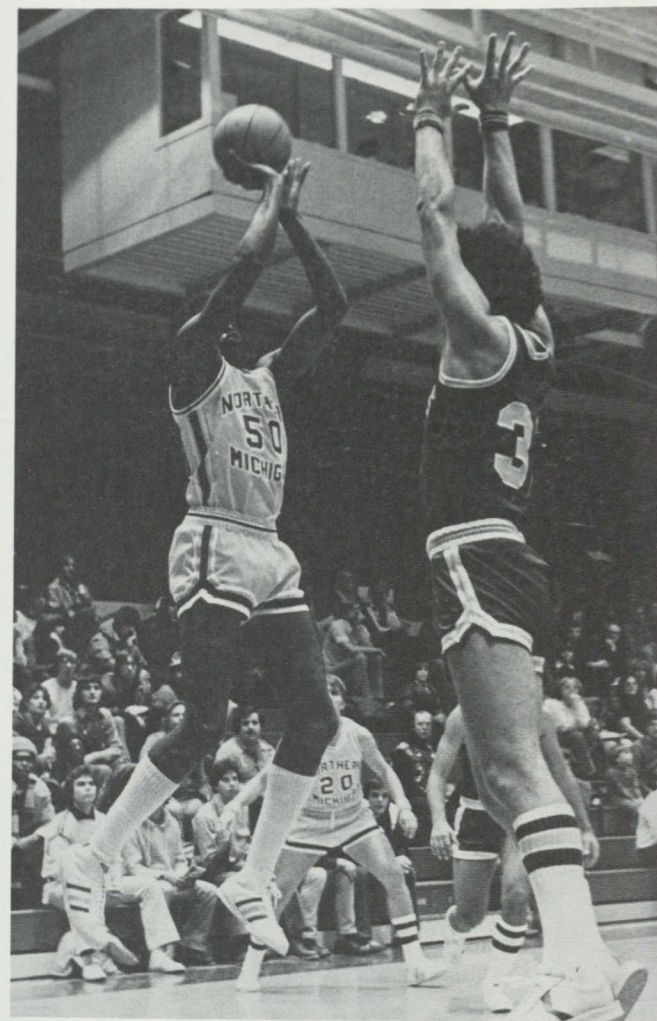

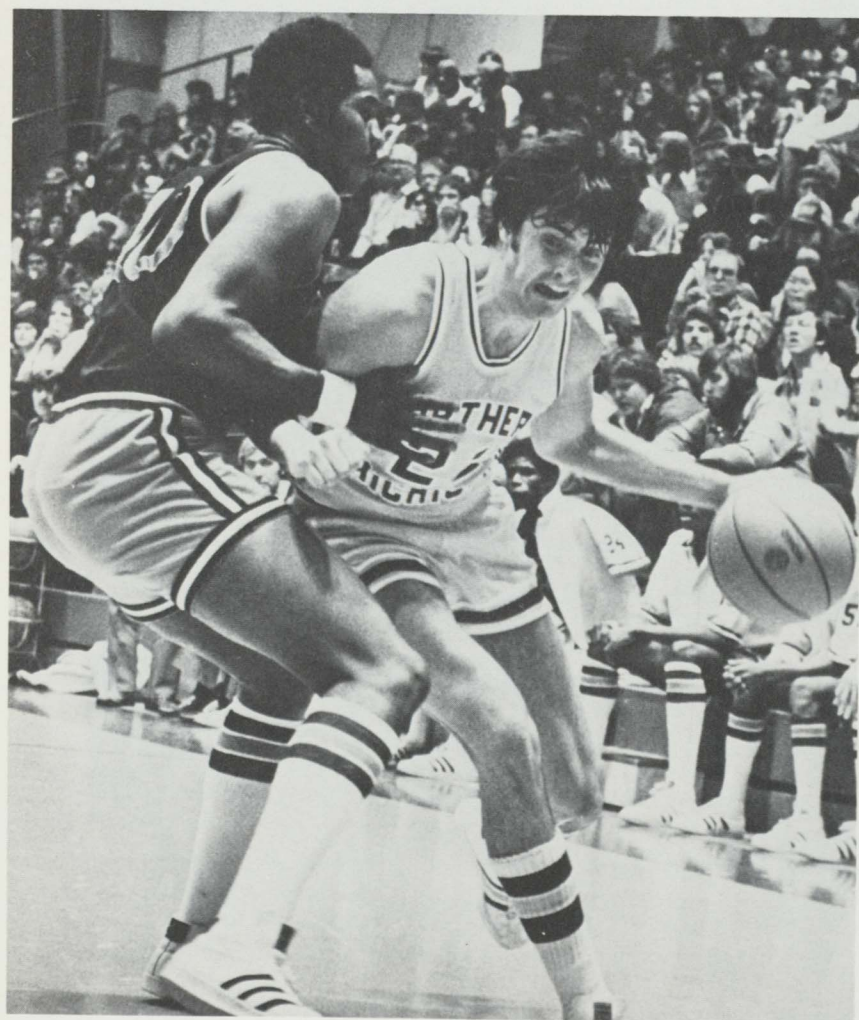

"I'd just like to see us play the best we can and have everyone try to reach their potential. I'd be happy with that," stated Palmer in a preseason announcement.

## NMU Roundballers: Close Match Between Wins and Losses

Coach Glenn Brown's Basketball Wildcats got their round-ball campaign off to a good start, winning their first two games. However, with 8 games left in the season, the NMU basketball team had an 8-10 record.

Among those leading Northern were Seniors Zachary Hicks and Gary Hubka, two cagers who received honorable mention for All-Conference in the 1976-77 season.

The 1977-78 Season was Glenn Brown's tenth as head basketball coach at Northern. He joined the WILDCAT staff as assistant coach in 1966 and was named to head the cage program in April of 1968.

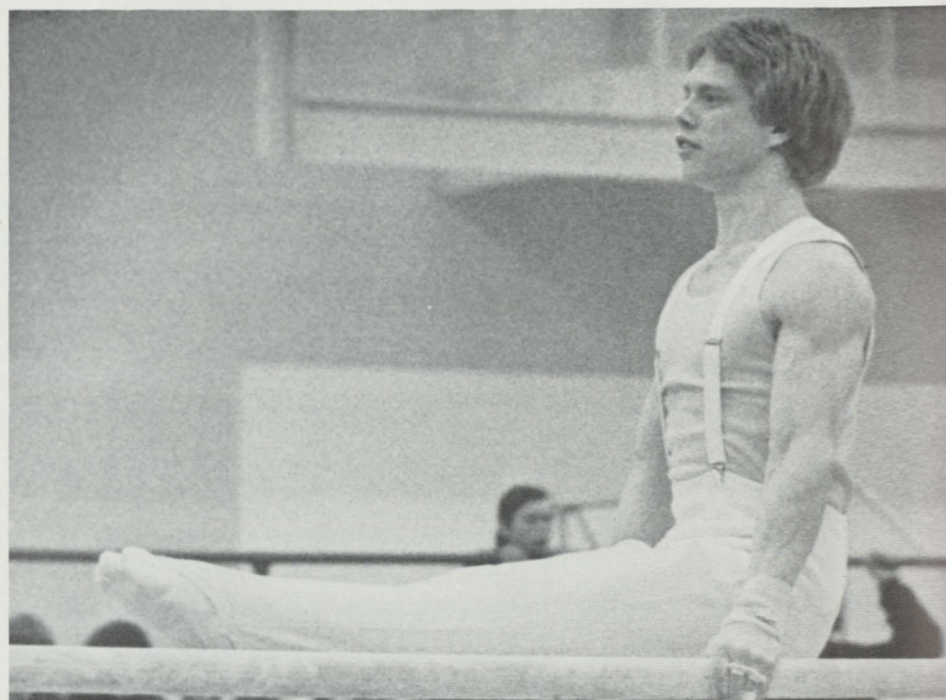

Northern Michigan competed in its third and final season in the Great Lakes Inter-collegiate Athletic Conference in 1977-78. NMU, which entered the GLIAC in the spring of 1975, has opted for the newly created Mid-Continent Athletic Association. The MCAA begins basketball competition in the 1978-79 season.

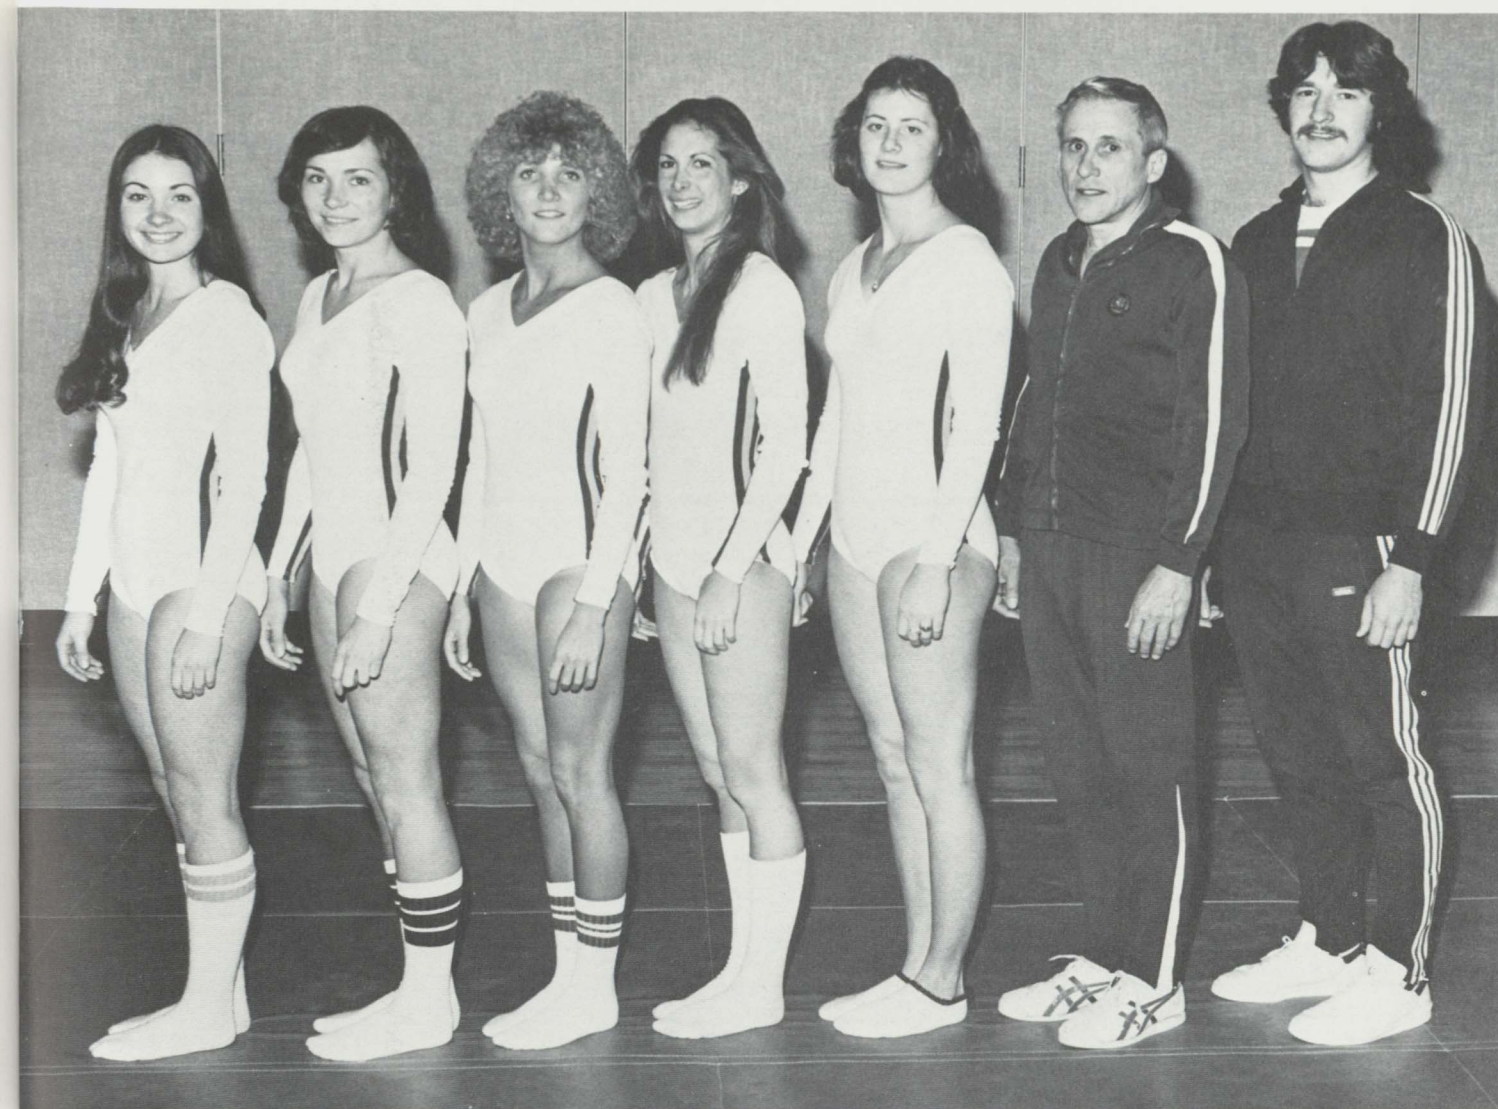

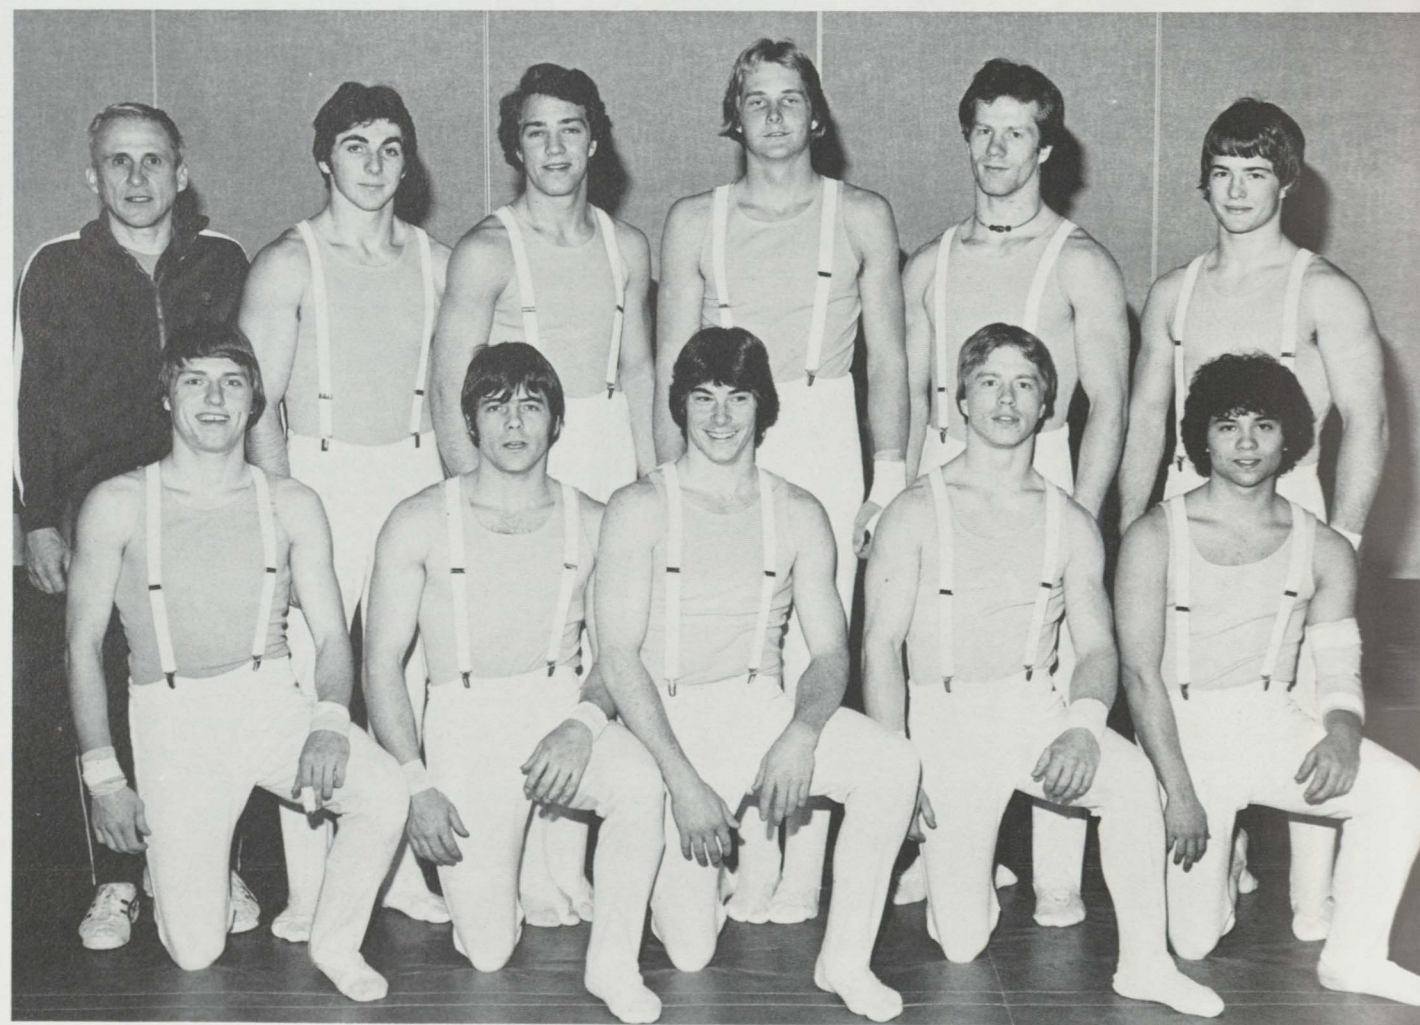

## NMU Gymnasts: Men Are Successful; Women Just Starting

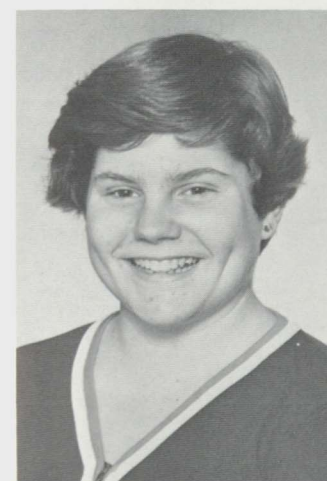

Gymnastics may be considered a minor league sport, but the members certainly give some major league performances. Coach Lowell Meier worked with a men's team of five returning lettermen and five freshmen. Foremost among the veterans were brothers Rick and Will Summerhays. Also returning were Rich Dahl, Brian Pare, and Greg Powell.

MENS TEAM: *Front Row:* Greg Powell, Brian Pare, Steve Bruman, Will Summerhays, Phil Paszkowski, *Back Row:* Coach Lowell Meier, Mike Lemieux, Jeff Stark, Rich Dahl, Rick Summerhays, Randy Merchant.

WOMEN'S TEAM: Carol Whitman, Diana Courtney, Kathy Branz, Gail Strom, Debbie McCormick, Head Coach Lowell Meier, and graduate assistant Robert Vaphiadis.

Jill Fisher & Teri Pangrazzi  
(not shown in team picture)

Lowell Meier is the first and only gymnastics coach in Northern history. He inaugurated the sport for men during the 1966-67 school year. His eleven-year record in the men's program in dual meets is 67-35 and in the past three seasons his teams have shown steady improvement in the NCAA-II tournament.

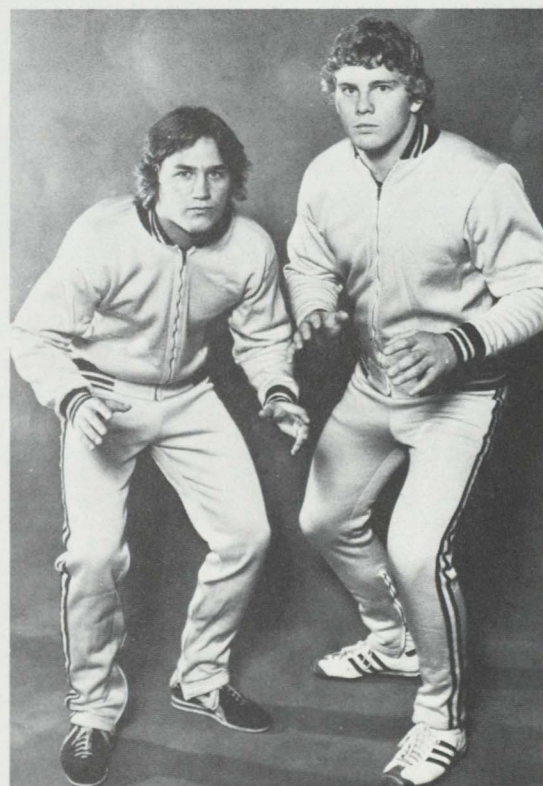

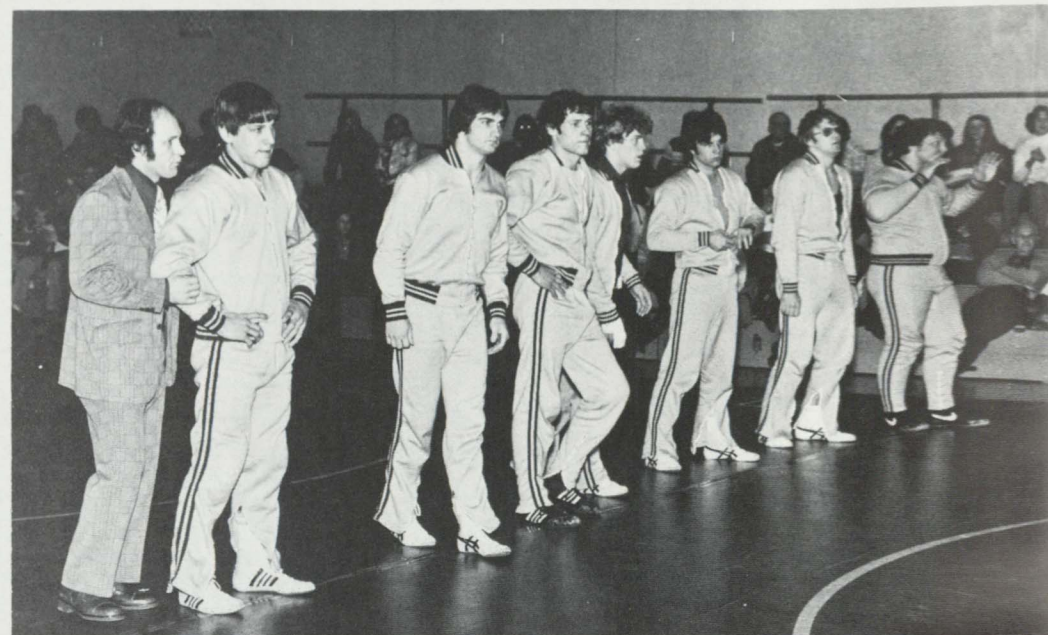

Gymnastics for women was revived for its second season in 1977-78 and Meier was tapped to be the head coach for both the men's and women's teams. "Girls gymnastics has been booming ever since Munich and Olga Korbut," Meier pointed out. "Every mother wants her daughter to be an Olga, or now, a Nadia Comeneci." The Northern women gymnasts compete in four events: vaulting, floor exercise, balance beam, and uneven parallel bars. The squad is composed of members with no more than high school experience.

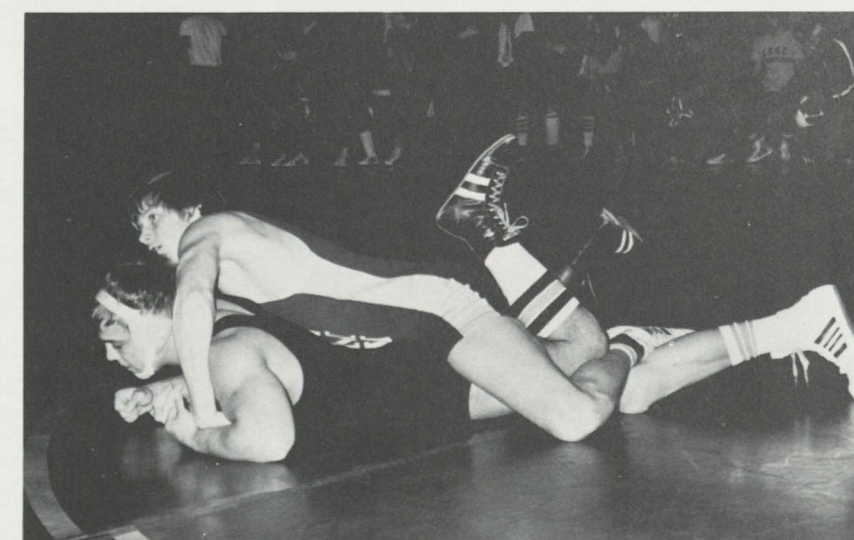

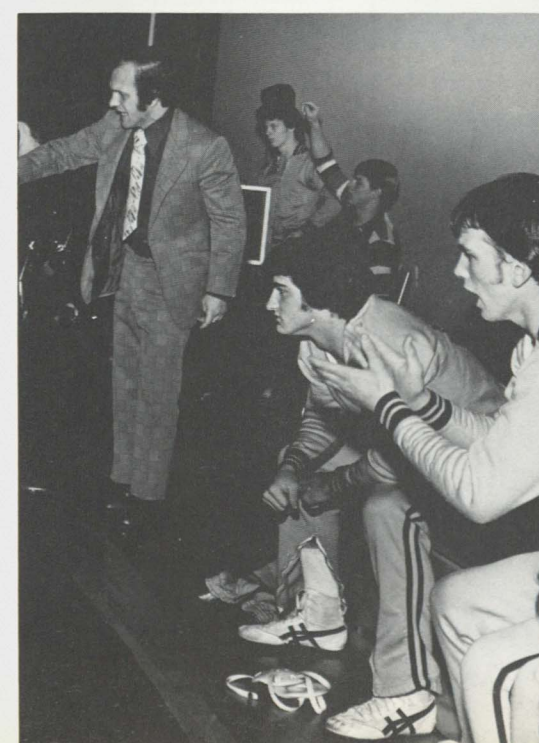

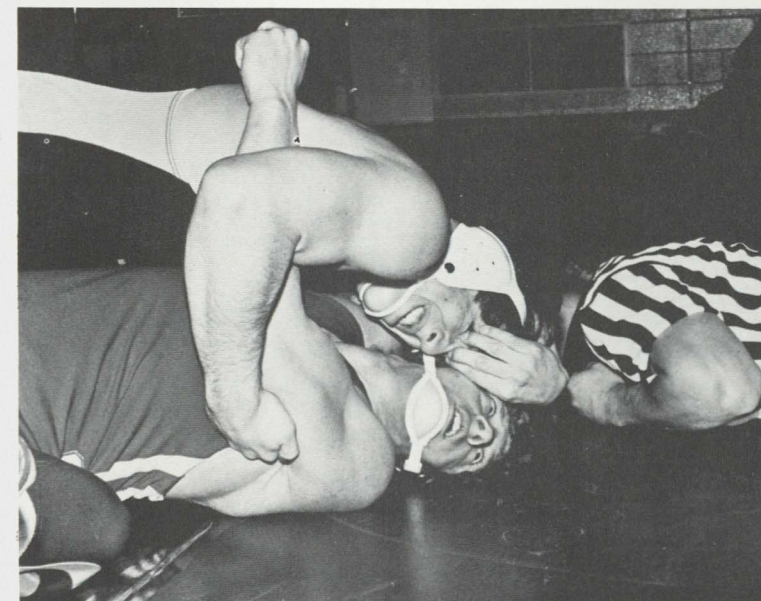

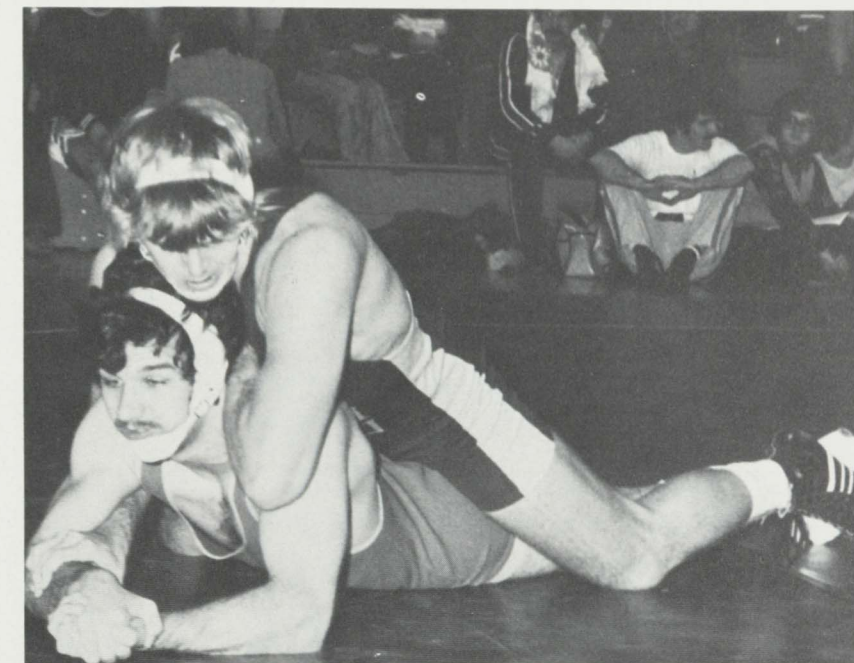

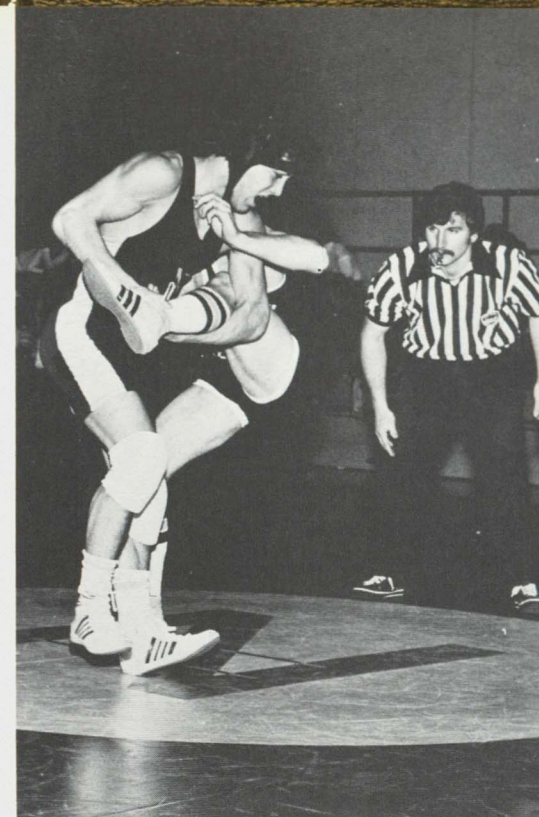

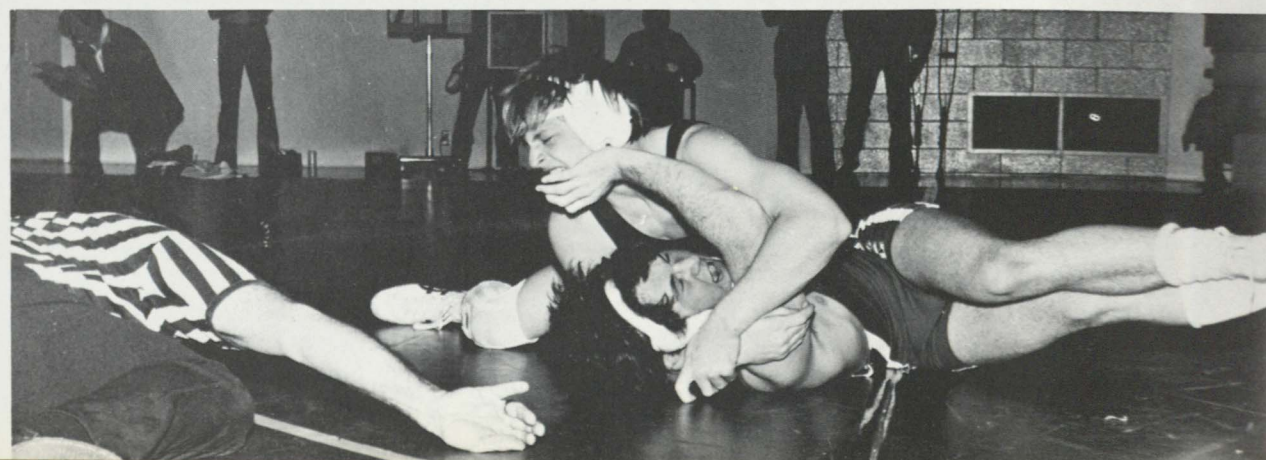

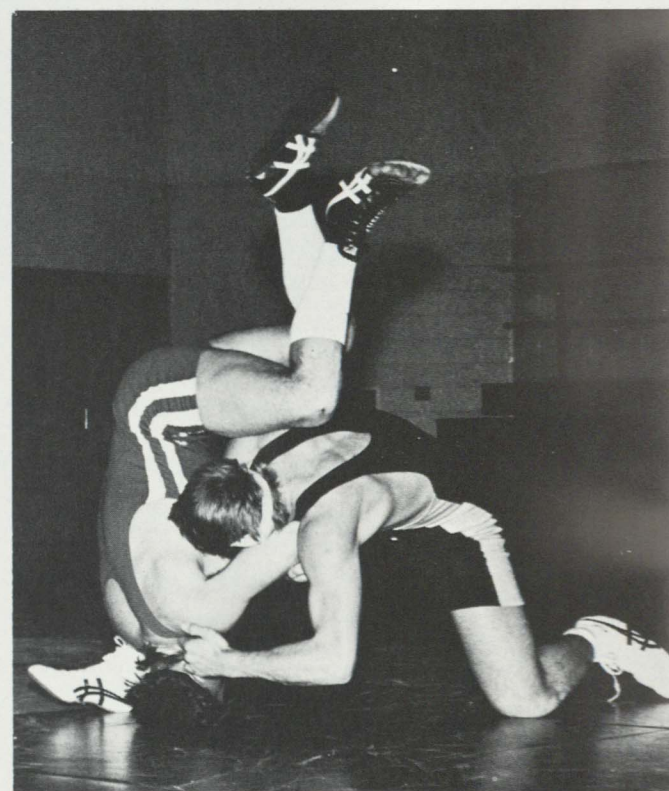

## NMU Grapplers Overcome Injuries: "Best Year Northern Ever Had"

"This year, barring injuries, should be the best year we've ever had at Northern." That was the preseason appraisal by head coach Bob Fehrs. However, the squad was hampered by illness and injury starting in early November, including Neal Seagren and Tim Neumann, both strong NMU performers, who were sidelined with knee injuries in the WILDCAT open.

Despite these setbacks, the NMU Grapplers closed out the season with 8 wins and 1 loss prior to their last event and GLIAC and NCAA-II Championship meets.

Co-captains Neal Seagren and Tim Neumann.

# ROTC

ROTC Color Guard (l to r): Brian Turner, Karen Covell, Sheryle Coburn, Lucian Landreville.

RAIDERS — FRONT ROW: Sheryle Coburn, Dave Engemann, Robert Duffy, Patrick Kullman, Brian Turner. BACK ROW: Shaun Clark, Tim Read, Lucian Landreville.

# ORIENTEERING

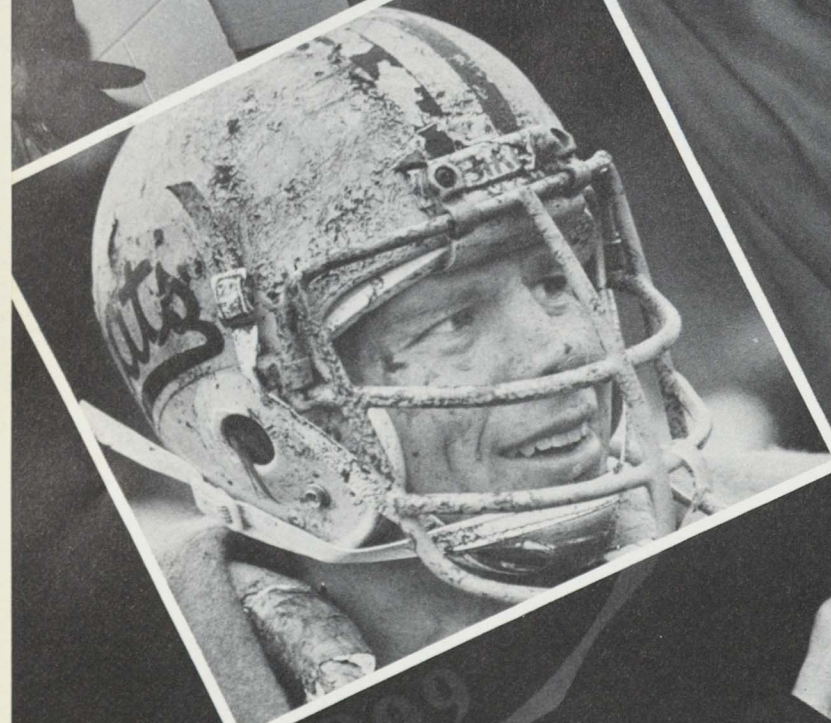

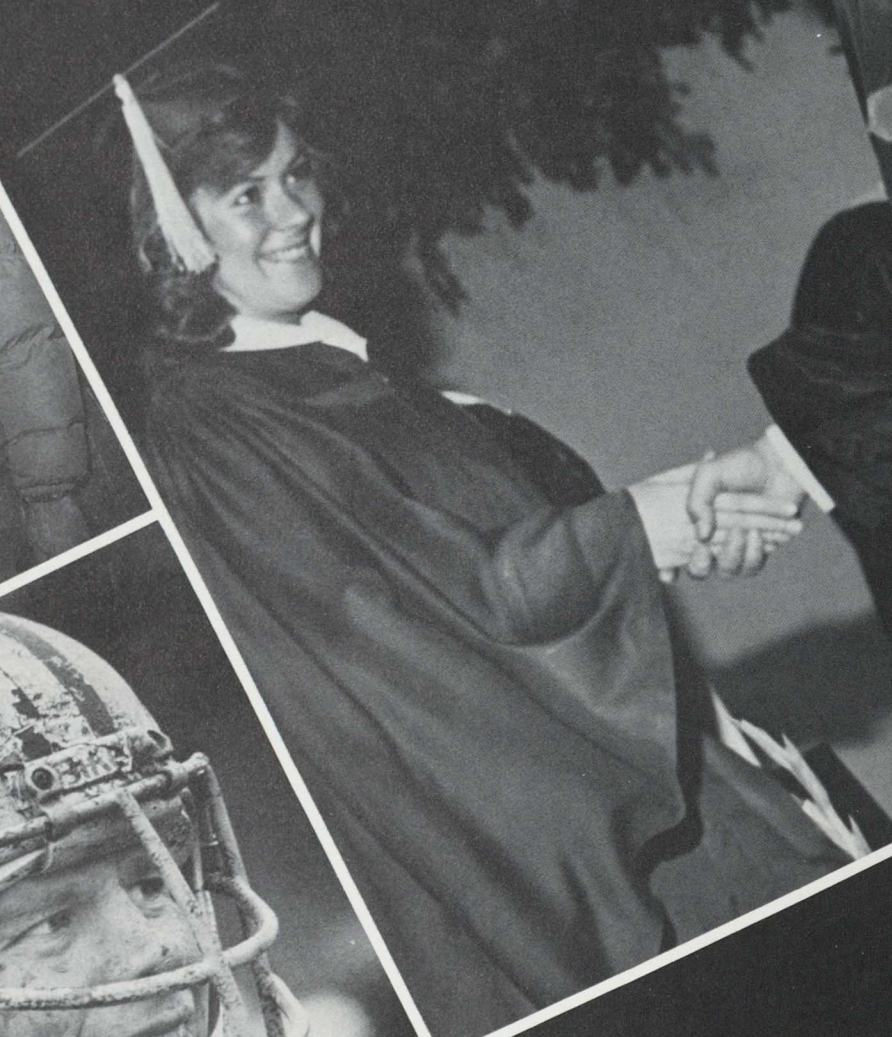

Orienteering is a cross country race in which the competitor navigates over difficult, unfamiliar terrain. The ability to use a map and compass is as important as speed and endurance. The Northern Michigan University Orienteering Club sponsors a major orienteering meet each fall and several local meets during the academic year. Orienteering is ideally suited to Northern Michigan; it is an activity which develops skills of outdoor living and physical fitness.

L to R: Russ Bruce, Mike Burce, Wayne Goff and Stan Johns display the team trophy they won on the red course during the 5th Annual Upper Peninsula Orienteering Meet conducted in September.

Northern Michigan University President, John X. Jamrich, addresses the graduates while distinguished guests, executives, and Board of Control members look on.

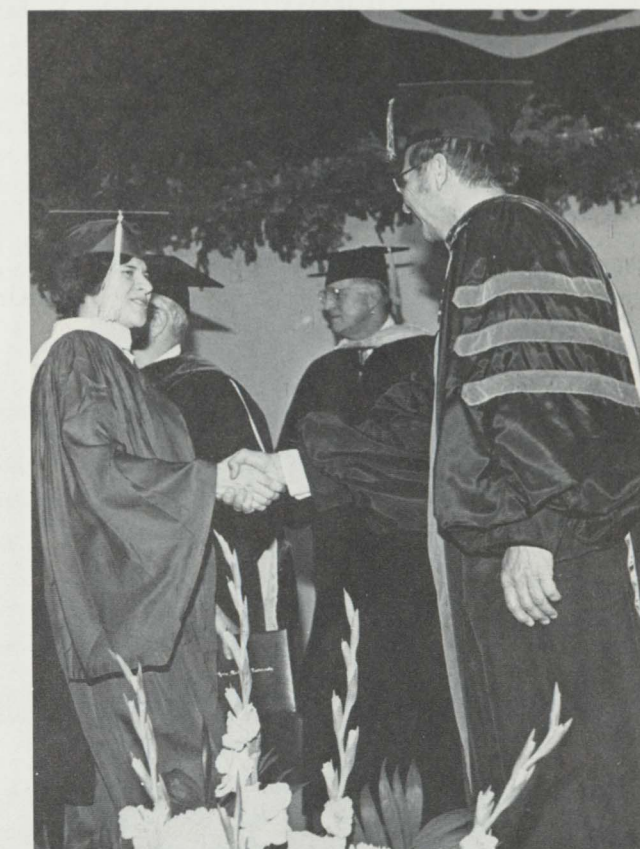

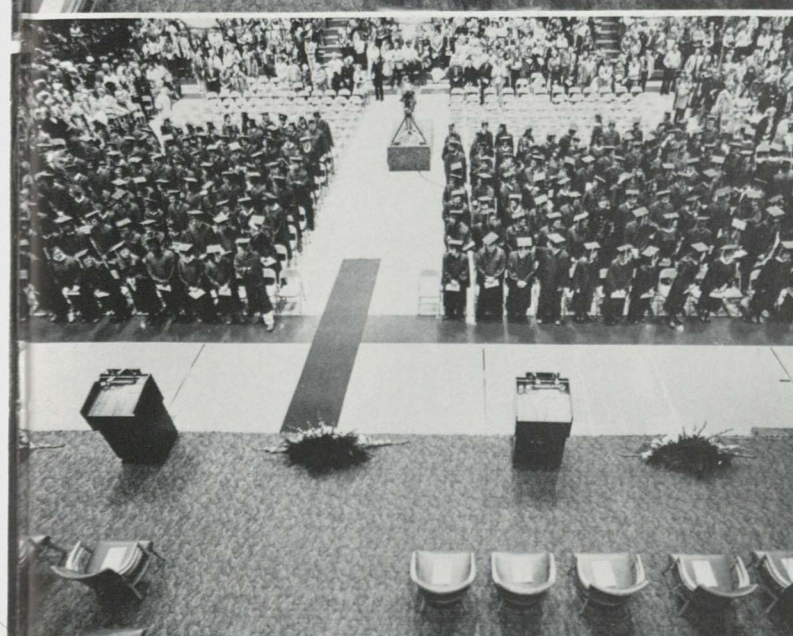

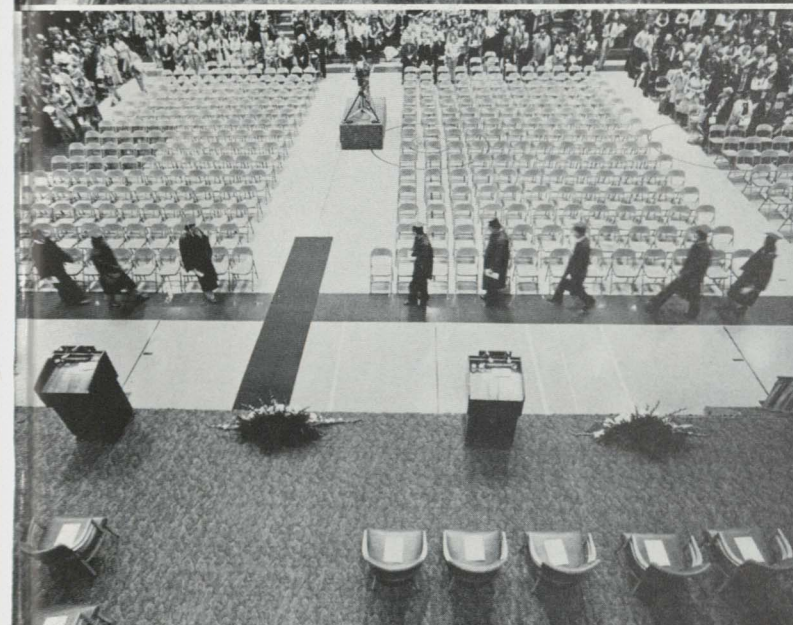

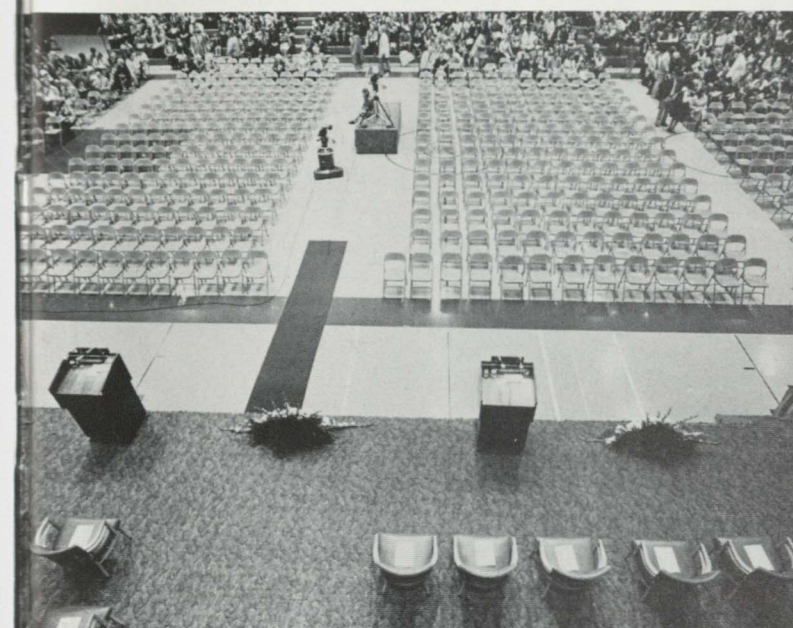

F. Lee Bailey, noted criminal defense attorney, delivered the keynote address during midyear commencement ceremonies on December 17, 1977. The Menominee resident said he's chosen the Upper Peninsula for his home because the people here have a special honesty and integrity he's found in few other places in the world.

Bailey, and Walter J. Ong, a Jesuit and internationally known scholar, received honorary doctorate degrees from NMU in the fields of Law and Humanities, respectively.

## Bailey and Georgakis Address Graduates

Just a few among many graduating seniors are Merry Jo Starrine, Magers Hall resident director, and honor student Robert J. Buchkoe (magna cum laude).

John Georgakis, chief executive officer of Olympic Airways since 1966, and Greek Ambassador at large, delivered the traditional commencement address during Northern's Spring Commencement Ceremonies on May 6, 1978. Georgakis, along with Dr. Andrew D. Hunt, a Michigan State University medical administrator, and Clara Stanton Jones, director of the Detroit Public Library, were awarded honorary doctorate degrees by Northern.

## NMU President: John X. Jamrich

On a typical day in the life of NMU President John X. Jamrich he will meet with a faculty committee about educational policies, huddle with his administrative staff about budgetary problems, talk with several local businessmen, spend two hours with his vice presidents and deans, have lunch with a legislator, listen to a worried parent whose daughter hasn't written home in a week, meet with an alumnus who would like to establish a scholarship, discuss the university's goals with a faculty-student committee and have dinner — if he's lucky — with his wife. The routine of the day extends into night as he goes to an ASNMU meeting, attends a portion of an Arts Chorale concert, and returns home to catch the last three minutes of Gil Heard's play-by-play of a Wildcat basketball game.

He is a husband and a father. But as a University President, he also wears numerous other hats — educator, businessman, administrator, fund raiser, consultant, community leader, parent in absentia, counselor, ad infinitum. He knows he can't be everything to everybody, but he tries because he knows these responsibilities are inherent in today's job of being a University President.

*All the Treasures of the Kings  
And All the Gold on Earth  
Could Not Begin to Equal  
What Our Memories Are Worth*

Scattered pictures of the smiles  
we left behind,  
Smiles we gave to one another  
for the way we were.

I thought of the things now past and gone,  
I thought of the things I'd done,  
I thought of those I loved and cared,  
Of times we'd had, of things we'd shared.  
I thought of things, of tears I'd shed,  
These same things now brought smiles instead.  
The tasks I'd done, those left to do . . .  
When something inside seemed to say,  
The best you can from day to day.  
Unknown

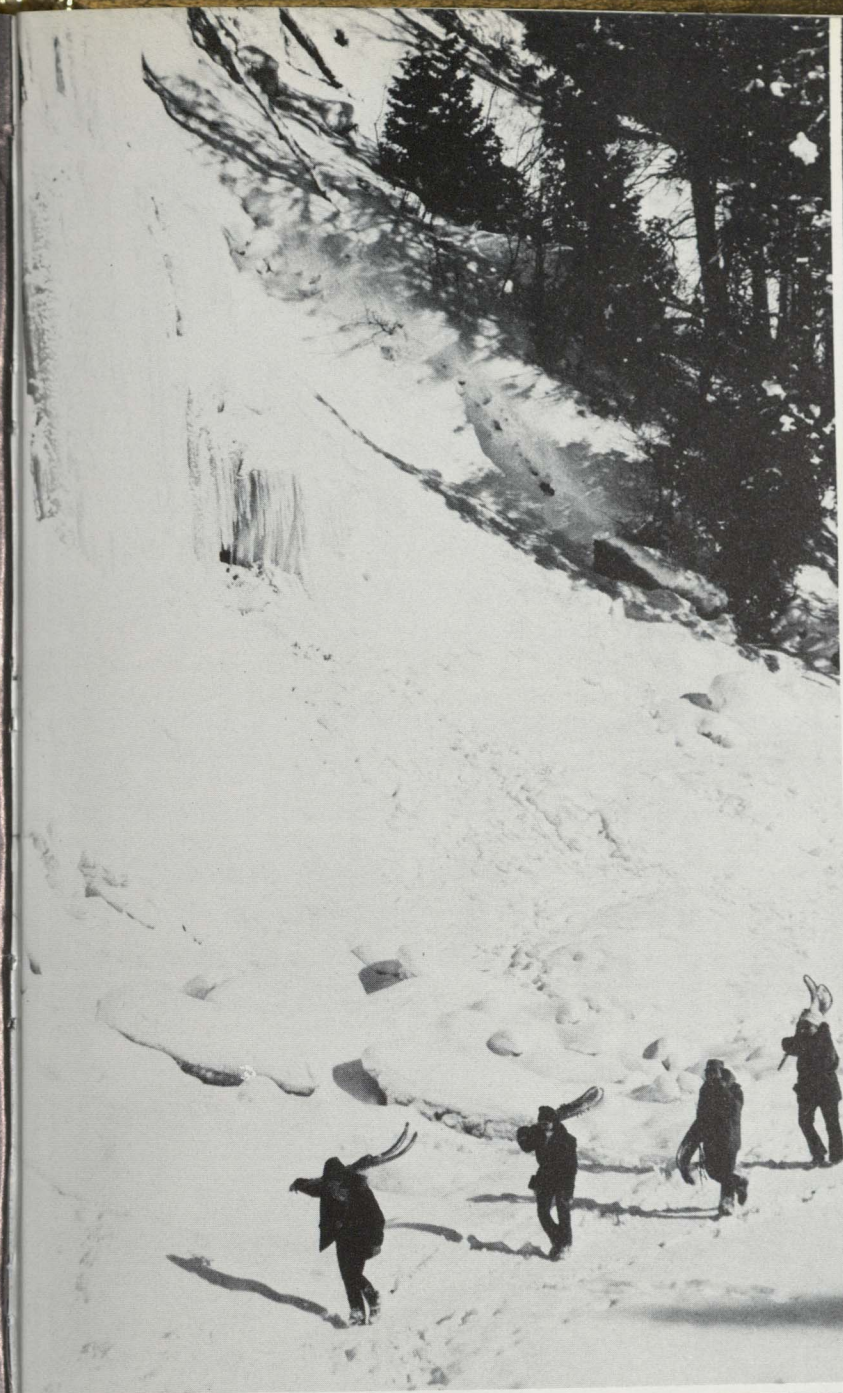

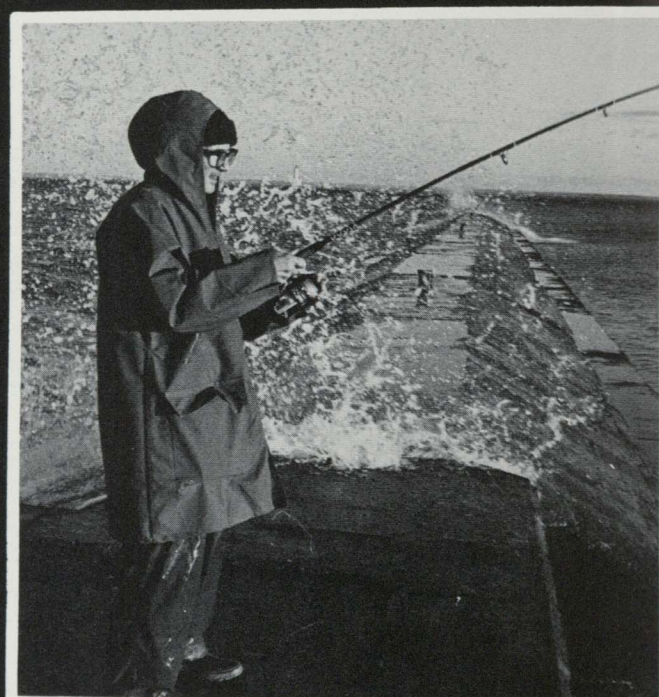

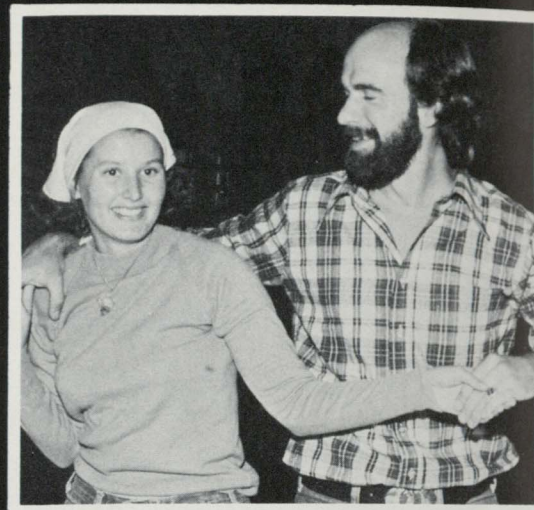

The laughter and the tears  
The shadows of misty yesteryears,  
The good times and the bad you've seen  
And all the others in between  
Remember,  
Do you remember?  
The times of your life.

Reach out for the joys and the sorrow  
Put them away in your mind  
For memories are times that we borrow  
To spend when we get to tomorrow.

#### FIND YOURSELF A SPECIAL FRIEND

If there's someone you can talk to,  
Someone no one can replace—  
If there's someone you can laugh with  
Till the tears run down your face . . .  
If there's someone you can turn to  
When you need a helping hand,  
If there's someone you can count on  
To advise and understand . . .  
If there's someone you can sit with  
And not need to say a word,  
If there's someone you can trust  
To keep each confidence he's heard . . .  
If there's someone you think more of  
As each year comes to an end—  
You're a very lucky person  
For you've found a Special Friend!

D. J. Faulhaber

Now I see myself as I am,  
Feeling very free.  
Life is everything  
it's meant to be.  
When my days have  
come to an end,  
I will understand  
What I left behind,  
A part of me.  
I've been searchin' so long  
to find an answer  
to the question,  
"Who am I?"

*Lovely Memories Linger on  
Of Moments Left Behind,  
And Rain Will Seldom Come to Those  
With Rainbows on Their Mind.*

It isn't ever the same.  
In time, I'll change, And you,  
and the currents of our lives.  
But the image of this moment  
will never fade;  
This moment and you are  
unforgettable.

I know no  
answers  
to help you  
on your way;  
the answers lie  
somewhere  
at the bottom  
of the day.
