Making It
Or
Breaking It

Just like being a college student who has to "Make It or Break It," so does the 1980 Penisulan. The people involved with this year's book took a big chance in changing its standard format. We think the change will be healthy, and we hope you do too.

So, this book is dedicated to all of you who "Made It," especially the Graduates of 1980. You have been faced with many obstacles along the way and now you have reached your goal. May the drive and determination that has brought you this far, carry on and guide you to keep on "Making It."

Congratulations and Best of Luck

Editor, 1980 Peninsulan

The Making Of A University

. . . It begins at the top

Every university has a governing body and chief executive officers. It is composed of men and women responsible for the running and maintaining of an efficient and effective university. These people are dedicated to obtaining goals which include reaching and meeting the needs and interest of the students, and providing the best education for the making of a better tomorrow. Not only do their responsibilities entail providing high quality education and services to the students and the other members of the campus community, but the fulfilling of their obligations to the citizens of Michigan whom they represent.

On July 12, 1979, members of the Board of Control met in Marquette to discuss business and policies of the University. They meet frequently to conduct the affairs of NMU.

Northern's Nifty Fifties Homecoming

Northern's Homecoming week began with the annual Challenge Tugs-Pie Throwing Competition Sunday at the Hot Ponds.

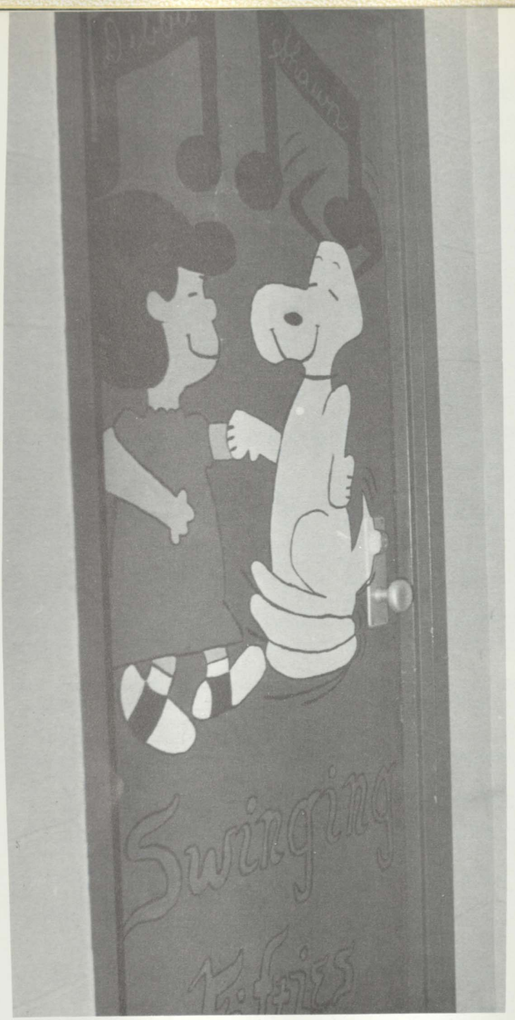

The race was on! The Wildcat "250 Bicycle Race" was held Monday on Circle Drive.

Audrey Lynne Foster was one of the '79 Homecoming contestants who displayed her talent at the '79 King/Queen Talent Show which was held on Monday evening.

Northern rolled back to the 1950's for "The Way It Was" Day. On Tuesday and Wednesday judging was held for House Decorating Competition.

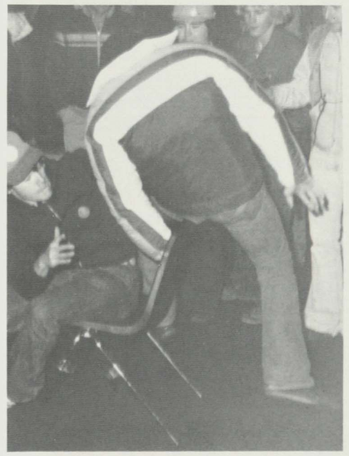

Intramurals were held Wednesday afternoon for the finals in women's and men's football.

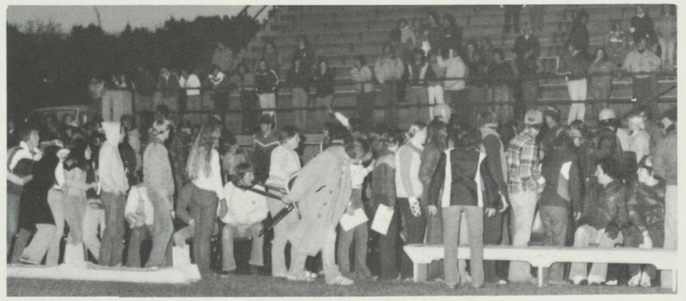

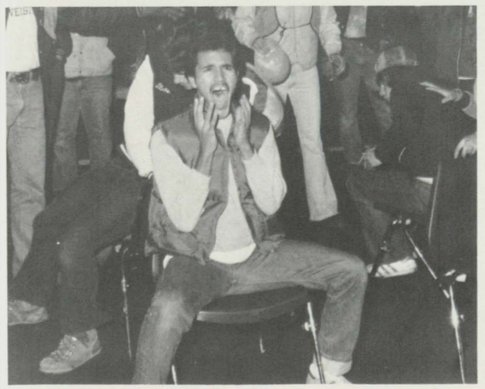

An attempt was made Wednesday evening on Memorial Field to set a world record for the largest game of musical chairs. "Sit On It" buttons were distributed as proof of participation.

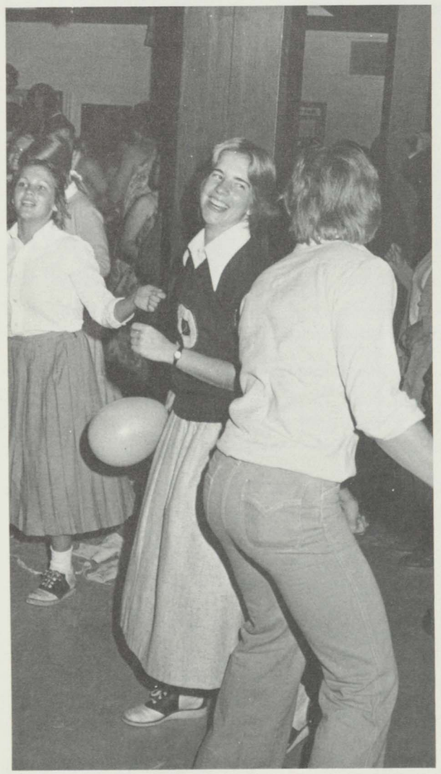

The contest was at an end and we have a winner.

Thursday was "Greaser Day". A sock hop with music provided by "Wedsel's Edsel's" was held in the Wildcat Den. The Homecoming Queen and King, Nancy Warstler and Steve Avellayra, were announced.

Despite the cold, rainy weather, the Homecoming Parade was held at 5:30 pm, Friday. Competition for floats, spirit banners, decorated cars, human marching units, and individual clowns, was held.

1979 Homecoming Court: Top row, from left are Kathy Kiefer, Barbara Schloff, Kim Lorenz, and Audrey Lynne Foster. Bottom row, from left are Derek Wilks, Ken Stuef, John Cotter, and Steve Liestenfeltz.

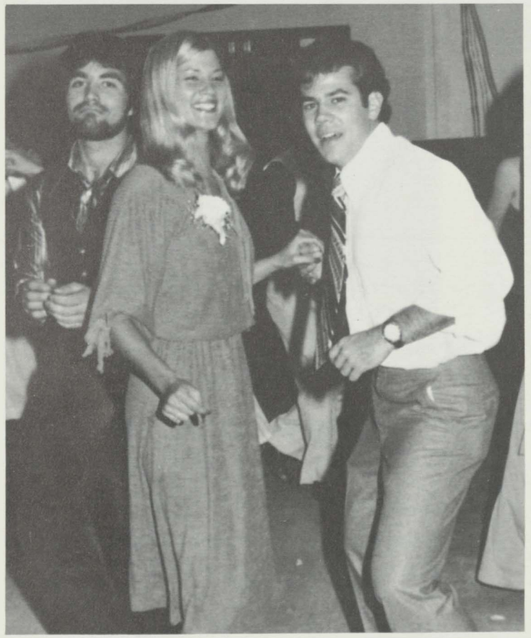

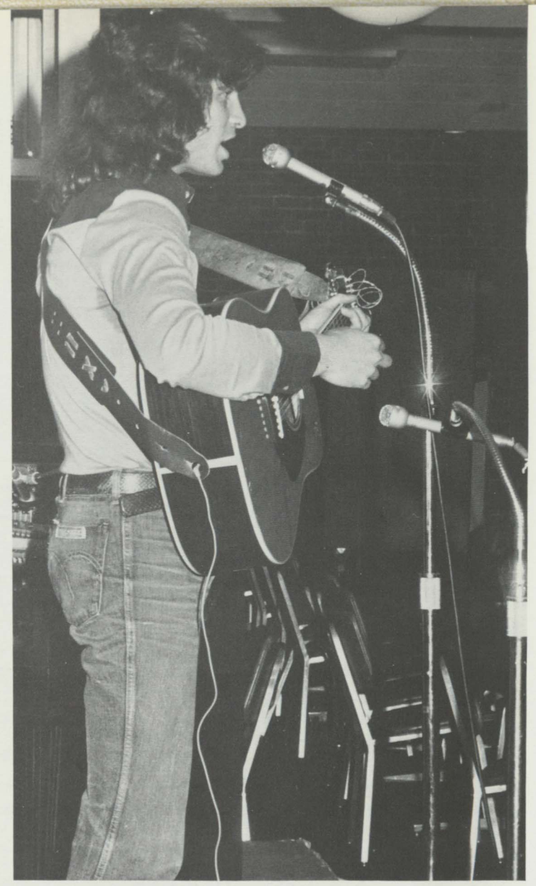

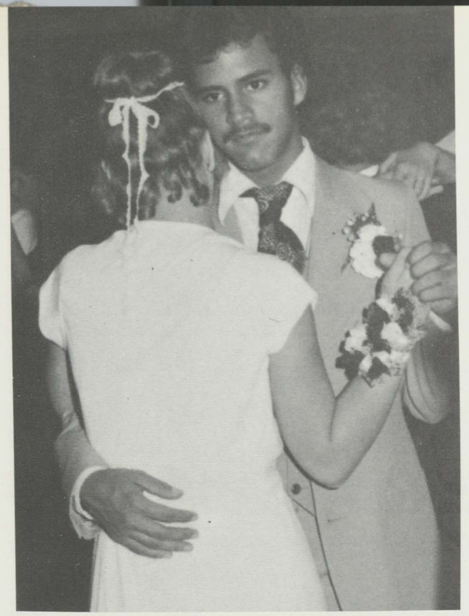

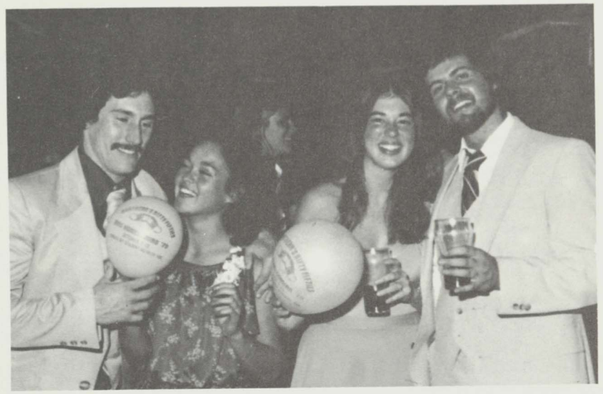

The Third Annual Homecoming Semi-Formal Dance was held Saturday evening in the Great Lakes Room of the University Center. Entertainment was provided by "Neptune" and a buffet dinner was served.

NMU's 1979 Homecoming Committee which dedicated a lot of time and effort towards a successful homecoming.

1970 OBIE AWARD — BEST MUSICAL
A "NEW FACES" PRODUCTION

Children's voices from the ghetto. The spoken text was written by children between the ages of 7 and 18. This dark and lovely rock-folk musical presents the worldly understanding, the compassion, the pain, but most of all the unsentimental optimism of these underprivileged Americans. In their struggle lies their hope, and ours. They are the voices of change.

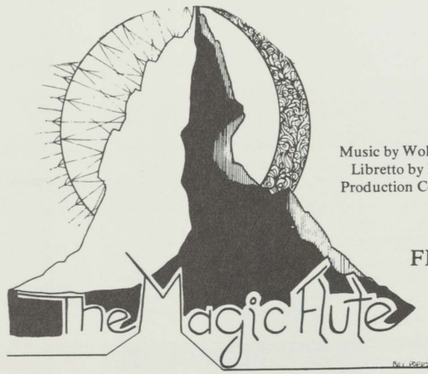

By Edward Albee

NOVEMBER
7 - 10

1975 PULITZER PRIZE FOR DRAMA
AMERICAN COLLEGE THEATRE FESTIVAL ENTRY

Two couples, one human and the other reptilian, are brought together on a deserted beach. Compassionately comic at first, this increasingly intimate encounter builds inevitably to a traumatic and violent confrontation reminiscent of Albee's *Who's Afraid of Virginia Woolf?* A seriously comic tour de force.

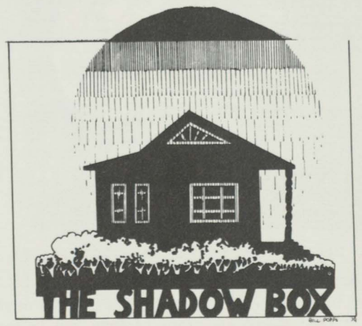

Music by Wolfgang Amadeus Mozart
Libretto by Emanuel Schikaneder
Production Concept by Peter Zellmer

FEBRUARY 6 - 9

NEW YORK TIMES' ONE OF THE TEN BEST FILMS OF 1975
PRESENTED BY THE DEPARTMENTS OF MUSIC AND SPEECH

A young prince and princess, a bumbling birdman, and their search for happiness in a wonderland peopled by invisible spirits, fabled beasts, the majestic priests of Isis and Osiris, and the imperious Queen of the Night. A marvelous flute, whose magic notes have the power to create harmony in nature and in man, protects the hero and heroine on their fantastic journey. An early valentine and ideal entertainment for the entire family.

By Michael Cristofer

MARCH 19 - 22

1977 PULITZER PRIZE FOR DRAMA

Gripping, funny and compassionate, the work is a gifted new playwright's daring vision of the humor, joy, pain and triumph experienced on the cutting edge of life. Powerful, unforgettable, and life-changing. One of only ten plays in the last 50 years to have won both the Pulitzer Prize and the Tony Award.

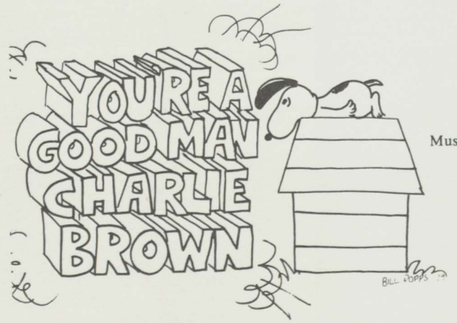

APRIL 16 - 19

The winner of our Third Annual Forest A. Roberts Playwriting Award Competition. This world premiere will be selected from nationwide entries by professional and amateur playwrights alike. The play could be a zany farce or a moving drama and will prove an exciting experience for participants on both sides of the footlights. The playwright will serve as Artist-in-Residence during the run of the show.

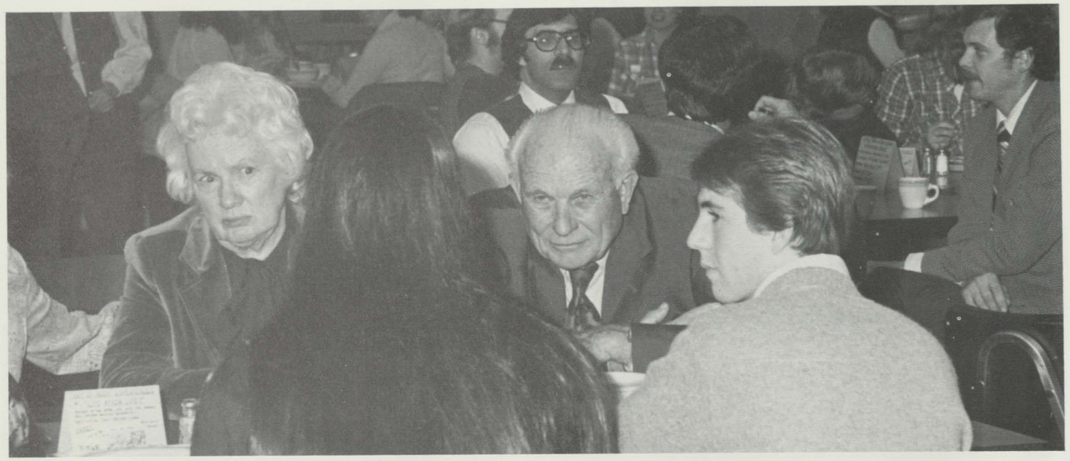

Music and Lyrics by Clark Gesner

SPECIAL CHILDREN'S THEATRE PRODUCTION

Happiness is seeing your favorite "Peanuts" characters coming to musical life on the Roberts Theatre stage. They'll all be there: Lucy, Linus, Schroeder, Charlie Brown himself, and everybody's favorite beagle — Snoopy! And keep your eyes open for a special guest appearance by Woodstock! Not included in your season ticket, but season patrons *only* will be able to purchase tickets at a 50% discount.

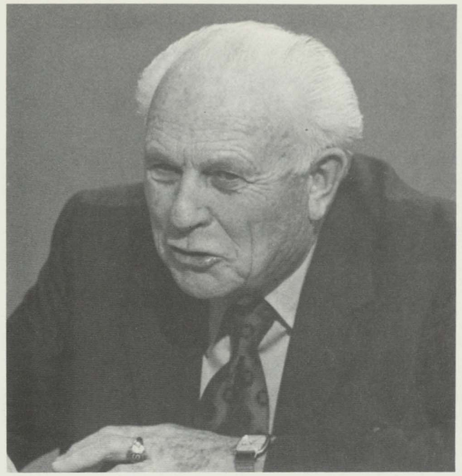

Educational Views At NMU

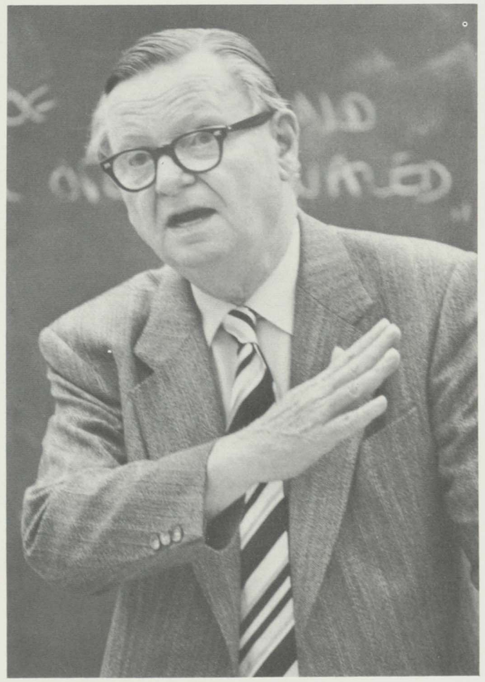

More than 600 students joined Dr. and Mrs. John Hannah for a hunger meal of rice and potato soup on the evening of November 6. Dr. Hannah, a leading authority on world food supply and malnutrition and the ex-president of Michigan State University, was at NMU under the auspices of the McGoff Lecture Series.

Dr. Hannah (right), discussed the plight of the hungry with four representatives of Northern's campus during a roundtable discussion at the studios of WNMU-TV. Participants included Carol Anderson, NMU President John X. Jamrich, Dr. Mohey Mowafy, and Luann Nicolas.

Brian Expert Helmut Hofer spoke on campus in October under auspices of the NMU chapter of Sigma Xi. The internationally known West German anatomist is associated with the Institute for Zoology and Comparative Anatomy.

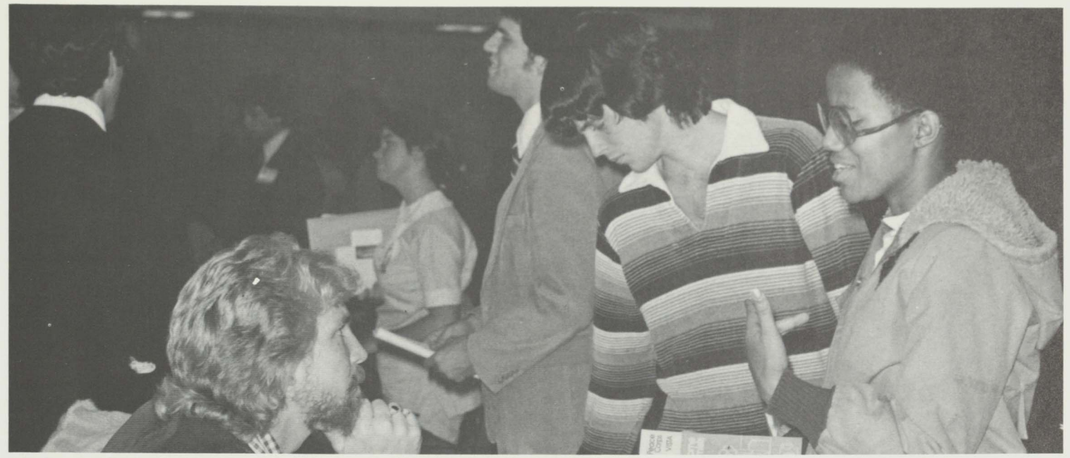

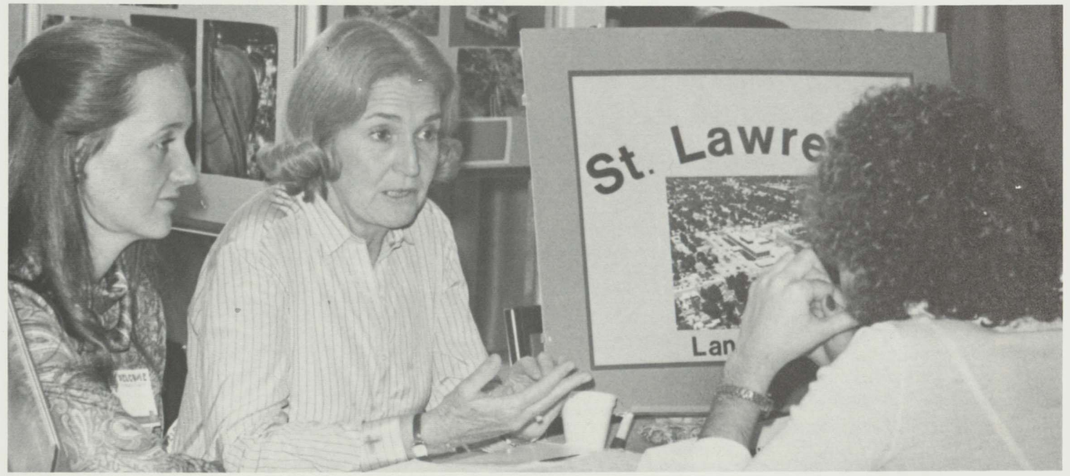

A Glimpse of Parents' Weekend at NMU

General Motors, K-Mart, Honeywell and scores of hospitals, banks, agencies (federal, state and private) and other firms sent representatives to the campus to interview job-hunting seniors and to participate in "Career Opportunities '79," an annual event sponsored by the office of Placement and Career Planning. A Northern alumnus, Pat Kelly '63, renewed acquaintances with Placement Director Keith Forsberg (right) and represented GM (bottom photo, next page). Northern's students were happy to find out there is an abundance of job opportunities for today's grads, even for those who want to be super spies for CIA.

If you have a goal in life that takes a lot of energy that incurs a great deal of interest and that is a challenge to you, you will always look forward to waking up to see what the new day brings.

To accomplish great things,
we must not only act,
but also dream,
not only plan,
but also believe.

—Anatole France

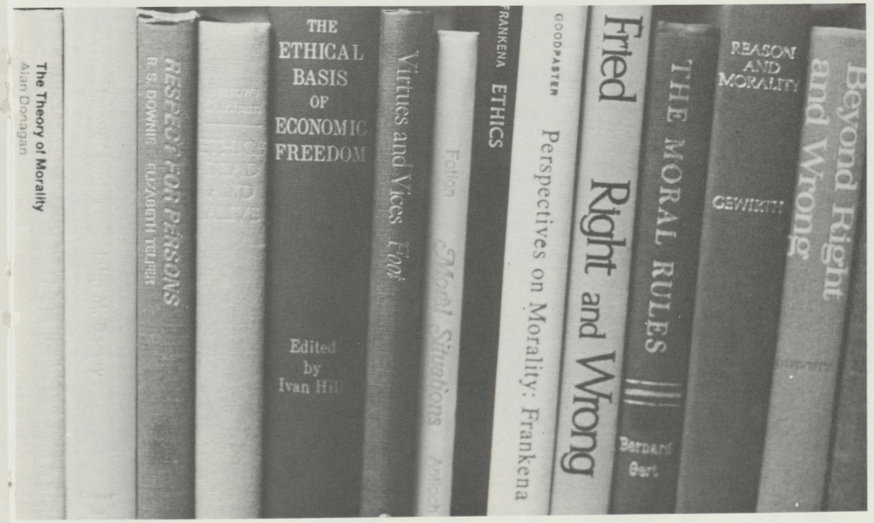

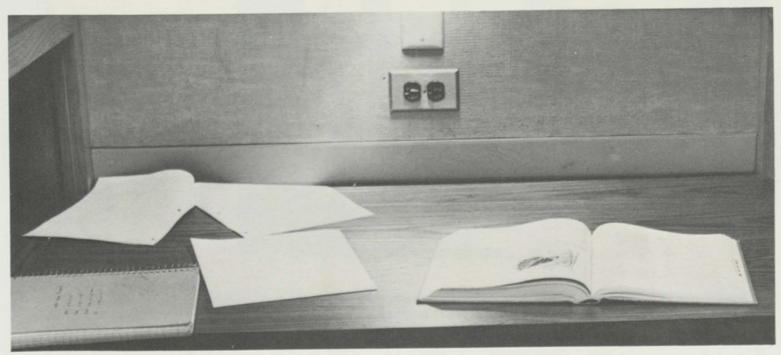

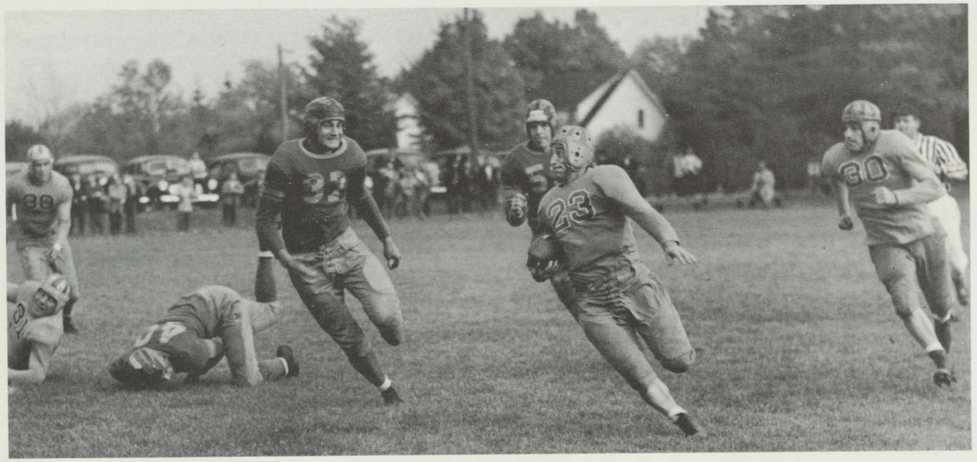

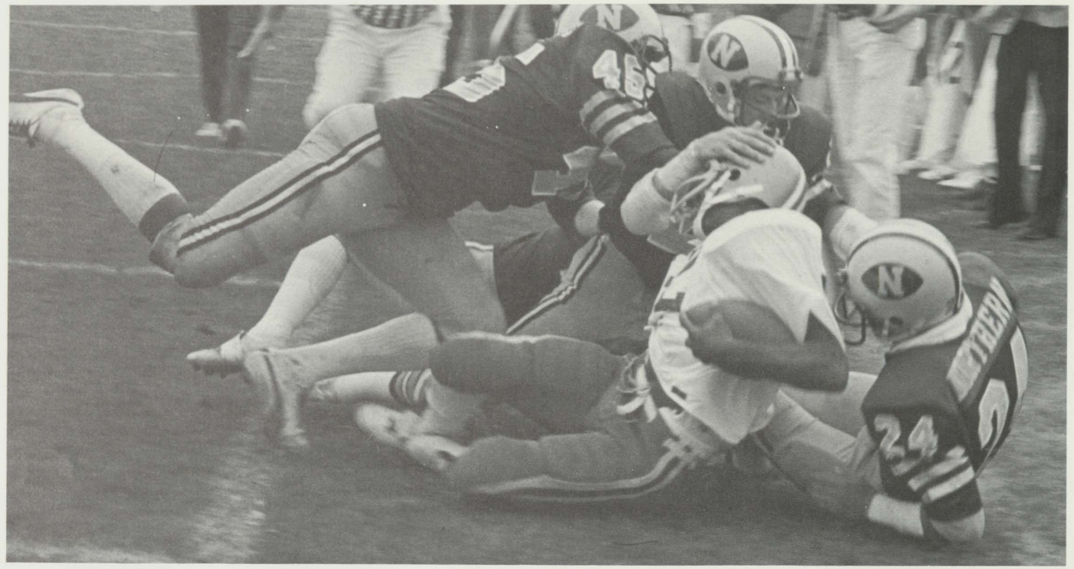

In this 1980 Peninsulan, the University pays special recognition to Mrs. Jeannette S. Bowden, class of '36, as someone who has "made it." She is the recipient of NMU's Distinguished Alumnus Award. Her 44 years of dedicated and devoted service to her alma mater and to four of its Presidents is unparalleled in the 80 year history of Northern—a standard we all admire.

The season-record show 4 wins and 6 losses, but the 1979 NMU Football Wildcats will be remembered in the NMU record book. Junior quarterback Phil Kessel, who was voted the Most Valuable Player appeared in nine games this season and accounted for 2,164 yards. Kessel set three NMU single season records by completing 171 passes in 297 yards for 15 touchdowns and accounted for four single game records by completing 30 out of 47 passes for 373 yards and netting 268 yards in total offense against Western Illinois.

Also, sophomore wide-receiver Scott Sible, who was named the outstanding Offensive Back set single game records of 12 catches and 208 yards and season marks of 62 receptions for 1,219 yards.

The 1979 Wildcats are a young team which consists of a lot of individual talent. They proved their ability in many situations this year and plan on putting to use all of what they have learned for an improved season next year.

Northern Michigan University Field Hockey team certainly does have something to smile about; they are the 1979 Michigan AIAW-II champs. They are also one of seven regional champs who made it into national playoffs. The playoffs proved to be a very exciting event. NMU lost their opener to Bemidji State 3-2, they bounced back to beat C.W. Post 3-2, but lost to LaSalle 3-2 in double overtime. The Wildcats' trip to the Nationals left them as one of the top teams in the country.

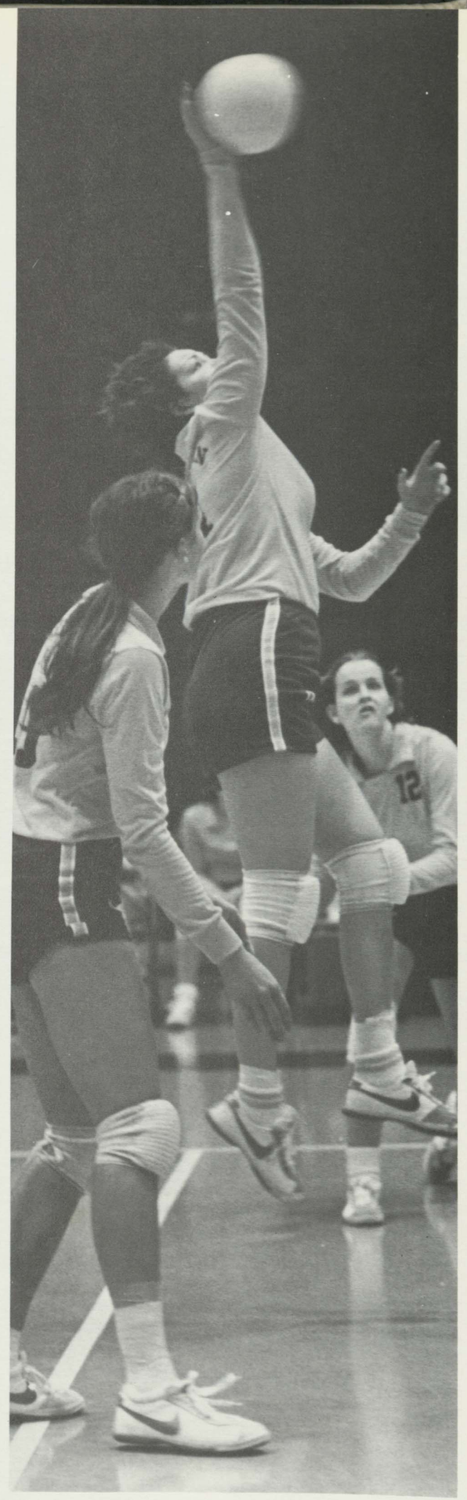

Coach Barb Patrick, her staff and the 1979 Wildcat Field Hockey team are to be congratulated, their hard work and determination paid off. Much luck for continued success.

Our Wildcats Know All About Volleying The Ball!

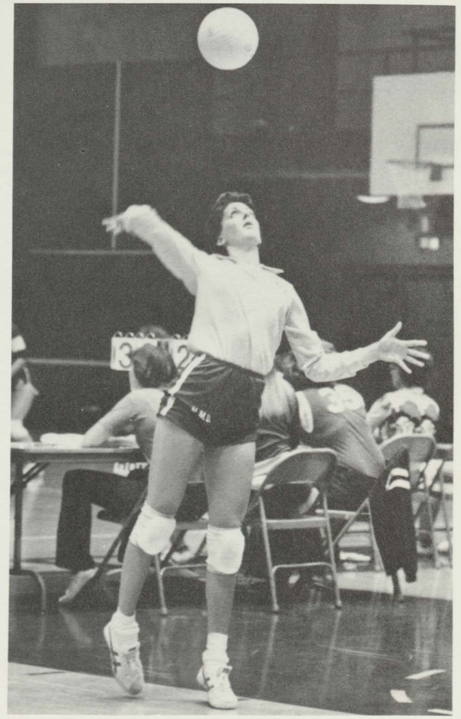

The 1979 Women's Volleyball team showed all they knew about volleyball this season. Second year coach Mark Hunt led his young team, consisting of only one senior, Nancy Chartier, to the Michigan AIAW-II championships. The Wildcats were faced with many mature and experienced teams along the way, yet they played their best and made each game very exciting. The future looks very bright for Coach Mark Hunt and his Volleyball Wildcats!

Sixteen days in Hawaii over Christmas break helped the men swimmers prepare for their annual trek to the NCAA-II championships. The number six team in the country last season, Northern had won two of its first five dual meets as the 1979-1980 season reached its midpoint. Leading the way were sophomores Dave Achtemeier, freshman Dave Hargraves and senior diver Dwight Hoffman, the defending national champion.

In three short years, Northern's women's swim team has gone from the bottom of the pool to the top of the diving board. There is no doubt that this year's young team is the strongest ever. Head coach Joan Peto is optimistic about the team's future. "Eight returners and ten recruits should form the nucleus of Northern's best team ever." This year's team consists of two Seniors, Judy Cramond and Lynn Peters, who are original swim Wildcats. The future looks bright for the whole team, this year and years to come.

For the first time in Wildcat Hockey history, there are Seniors on the team. In 1976 they came to us with hopes and dreams for themselves, and for Northern. Their names are in the record books and they will be long remembered by the fans. Lakeview Arena won't be the same without the many spectacular saves, plays and goals they have performed, but their leadership and guidance will be remembered and carried out by their fellow teammates. Thank-you Seniors and Good-Luck.

Cats are on the Right Track

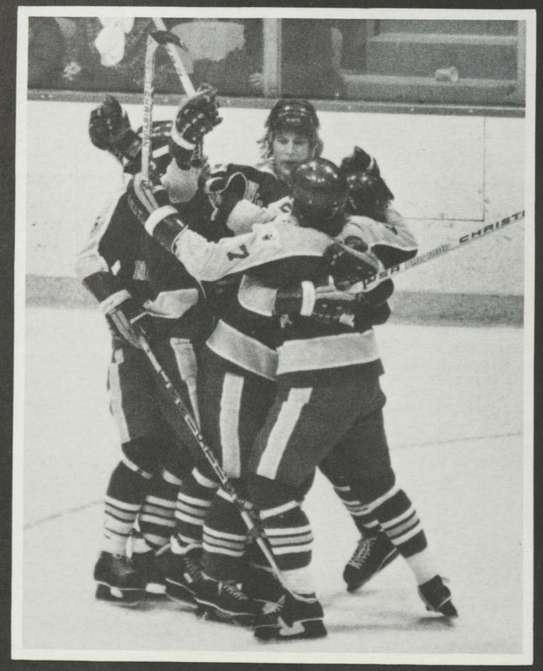

ABOVE: Steve Weeks gets some good defensive help from Brian Verigin (left), and Mike Mielke, Steve Fisher and Keith Hanson (right).

It is definitely "The Year of the Cat" for the 1979-1980 Wildcat Icers. For the first time in Northern's history, we can boast a Number One hockey team! Right now the Wildcats are sitting on top of the Central Collegiate Hockey Association and all other teams in the country. The Icers have already reached the 20 game win mark, which is another addition to the record book.

It has taken four years for this to happen, but it did, and the main person responsible is head coach Rick Comley. He accepted the challenge and his hard work, drive, determination and knowledge of the game has paid off.
This year's team is a very well-balanced one. The talent is widespread. Steve Weeks' performances as goalie have been exceptional and Tom Laidlaw and Don Waddell have been key defensive players. Steve Bozek, Bill Joyce, Mike Mielke and Jeff Pyle have all been consistent as leading scorers. It is very evident that the whole teams plays very well together and gives 110% when they are out on the ice, that is why they are Number One!

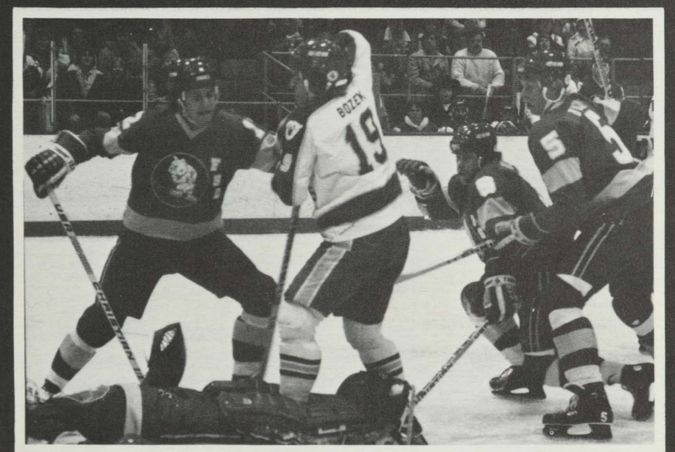

Happiness is . . . scoring on-the-road!!

Ever since NMU fielded its first team, the program has expanded in both quanity and quality. Last season the squad boasted its first All-American, Francine Malindzak, who is back on this season's squad trying to develop her own potential. She is joined by junior Lori Miller and sophomores Peggy Jones and Kathy Olson, all members of last year's squad. Newcomers are Lisa Edmunds and Shari Miller. In cross-country the girls are all working hard in hopes of picking up where they left off last season.

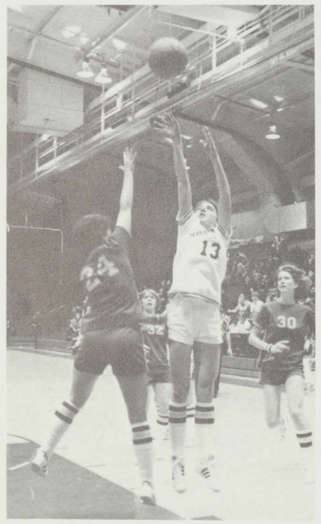

In the alpine division, Northern is competitive as three good skiers, Wayne Ward, Tom Vandervoort and Mike O'Brien returned. Overall Northern's ski team is a well-balanced one. It is coach Guy Thibodeau's hope that many of his skiers can advance to the NCAA championships, do well there and give Northern a name as a prominent ski school!

WOMEN'S BASKETBALL SHOOTS FOR HIGH HOPES

FRONT ROW: Lynnette Royer, Jean Seid, Shelly Millimaki, Lisa Carlson, Mary Bykowski, Lori Juntila and Gwen Jackson. BACK ROW: Salty Williams, Lori Labeau, Mary Pospyhalla, Lauri Skinner, Krista Pray, Pam Dostal, coach Anita Palmer, assistant Jean Latimer and assistant Ann Welham.

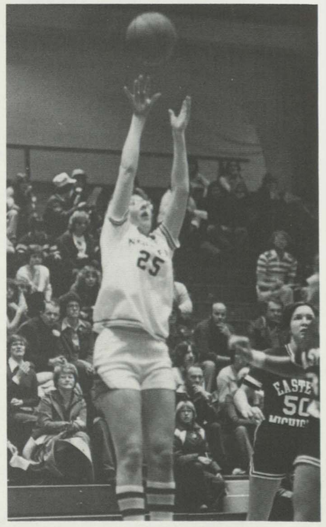

Lauri Skinner goes up for two.

Until this year Northern was in the AIAW's Large School category, based solely on enrollment, but now the national organization has split into divisions I, II, and III, based on financial aid to athletes. The change put Northern right in the middle, a Division II school, and coach Anita Palmer sees the switch as an aid in basketball.

Palmer has seven returners from last year's 12-13 club and has added four newcomers. The top returner is junior Lori Juntila, the club's leading scorer last year with a 13.7 average. Juntila earned AIAW all-state honorable mention honors and is this year's captain.

Senior Jean Seid, the second all-time rebounder with a 418 career total, also returns for her final season.

"The experience and maturity of our veterans has helped our new people adjust," said Palmer. "We were much further along in pre season than we were a year ago and I'm hoping for a very competitive year."

Lisa Carlson releases the ball to score against Eastern.

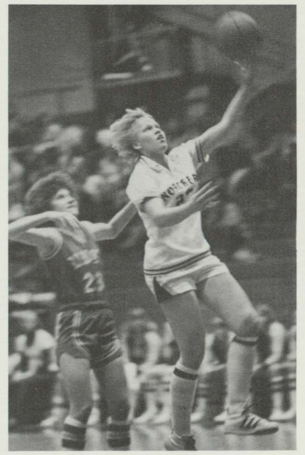

Gwen Jackson dribbles low for control while teammate Jean Seid looks on.

WILDCAT BASKETBALL

LEFT: Andy Kaufman makes his way down to the basket.

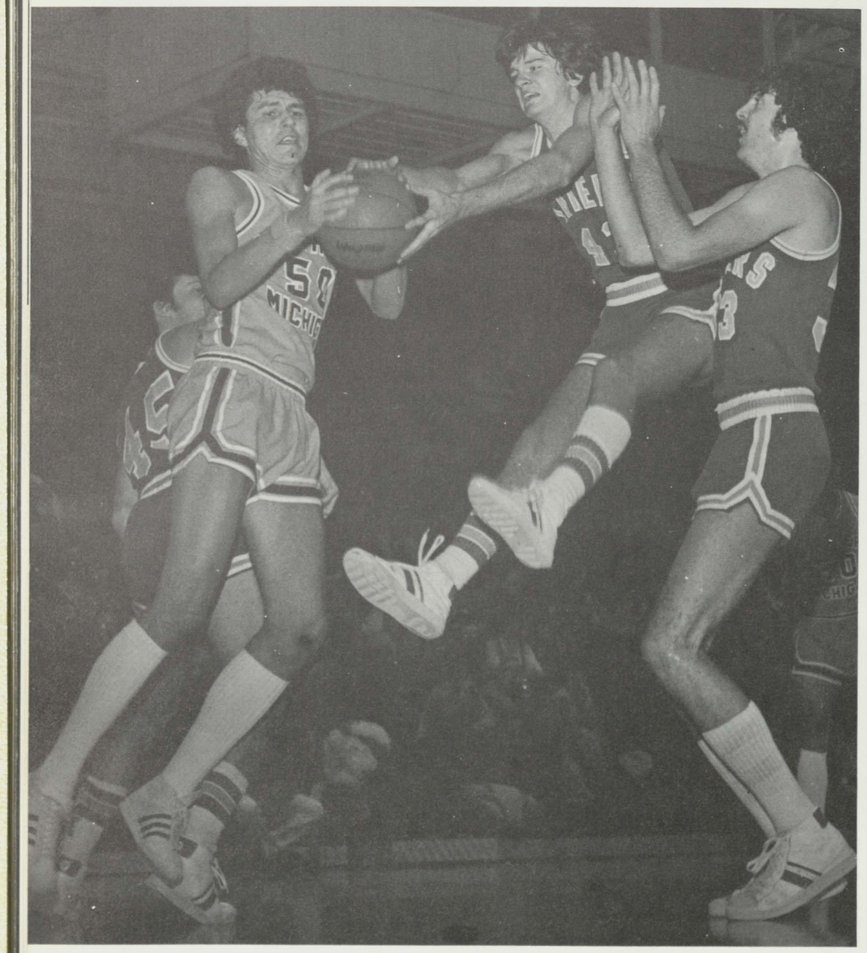

RIGHT: Mark Mindeman knows that defense is the name of the game.

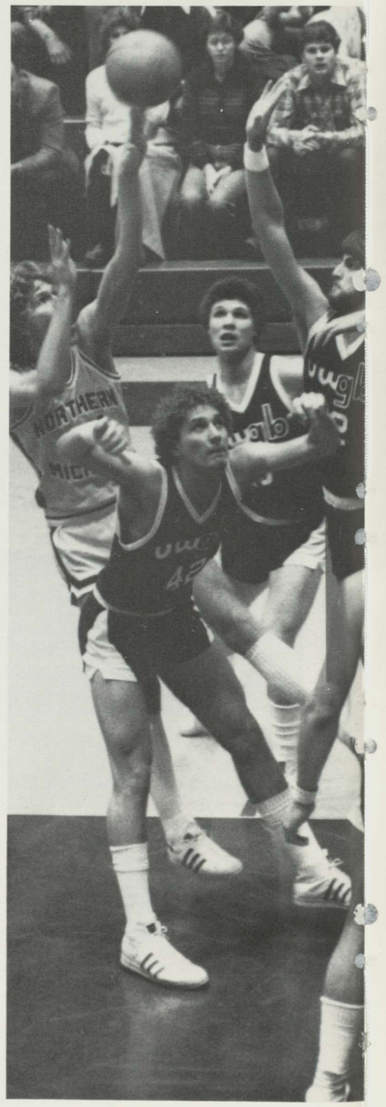

Coach Glenn Brown's cagers won 11 games in a row and 3 of their first six in one of the finest NMU basketball starts in years.

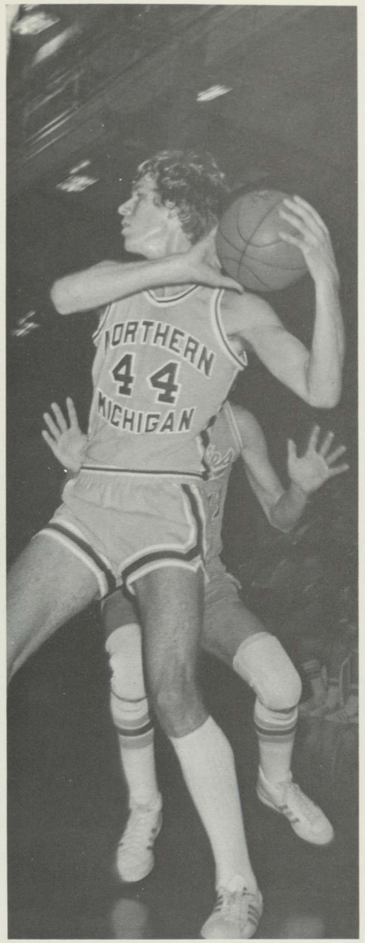

Their balanced attack, which saw six players scoring more than nine points per game, was the key on a team that threatened to repeat last season's trip to the NCAA–II playoffs.

Northern's only two losses were to NCAA Division I foe Wichita State in the season opener and to Wisconsin-Eau Claire, the number one team in the NAIA at the time.

BOTTOM LEFT: Mark Mindeman won't let the ball get away. RIGHT: Gregg Upton works to get possession of the ball.

Head coach Lowell Meier, who has directed the MNU Men's Gymnastics performance for 13 seasons, had a tough act to follow. "We don't have the team we had last year, that's for sure," Meier said, "but we may come out okay because of balance."

John Sechrist begins his routine on the parallel bars.

Mike Lemieux concentrates on his performance on the parallel bars.

Steve Bruman displays his talent as a Wildcat Gymnast.

Women's Gymnastics Show Great Form

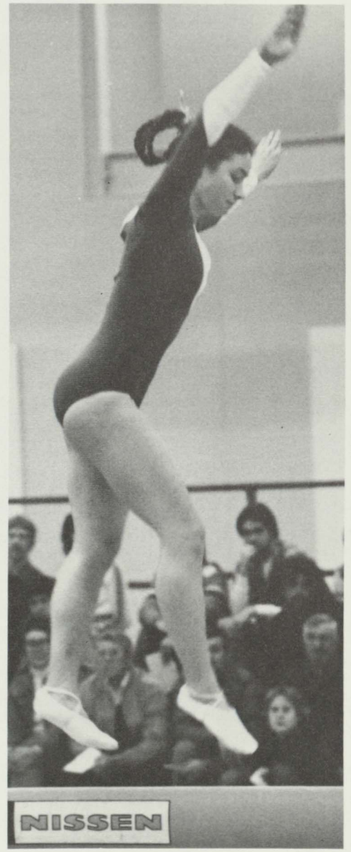

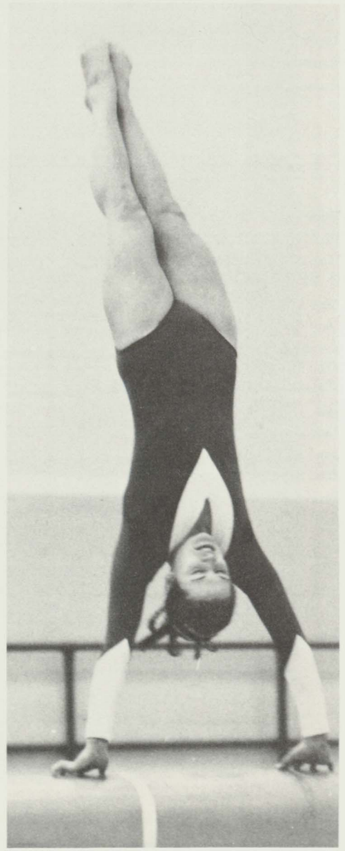

1979-1980 Wildcat Women's Gymnastic Team: FRONT ROW: Shelly Bassett, Carolyn Rodger, Kathleen Briggs, Denise Denman and Teresa Berube. BACK ROW: assistant coach Rich Summerhays, head coach Julie Berger-Anderson, Dana Parker, Deborah Netzela, Kris Taccolini and Carol Whitman.

The 1979-1980 Wildcat Women's Gymnastic team has the best all-around team in the school's history. According to head coach Julia Berger-Anderson: "They are a much stronger team this year and the biggest difference is the amount of depth they have." The team consists of four returners from last year and this year's recruits will be a big asset, so hopefully no goal will be out-of-sight.

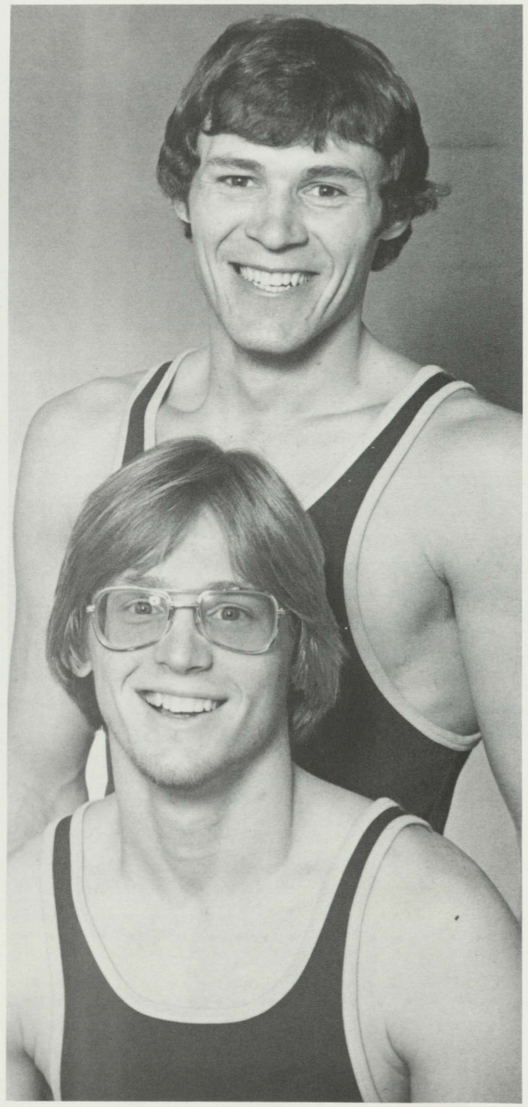

Wildcat Gymnast perform their routine on the balance beam.

WILDCAT WRESTLERS

The 1979-1980 NMU Wildcat Wrestling team can go down as the school's best wrestling team in the university's history. The six All-Americans, Mike Howe, Ed Egan, Tim Harris, Randy Meier, Brad Bitterman and Steve Spangenberg, rank among the university's all-time teams. Head coach Bill Dotson is optimistic about the potential of his team; he knows that the talent is there, but he knows that this year's schedule is the toughest ever. Best of luck NMU Wildcat Wrestlers.

Cheering On NMU Is:

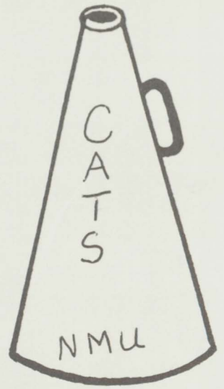

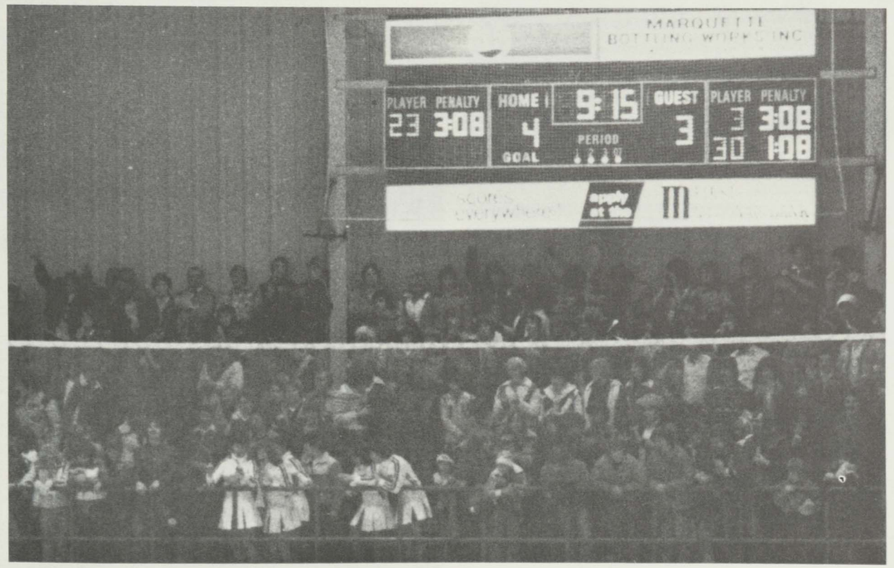

Kneeling from left: Chrys Atwater, Lori Wilson, Marcy Taylor, Joyce Barnaby, Deb McCormick, tri-captain Lisa Tompkins, tri-captain Jo Ellen Collins, and Amy Obrecht. Standing: coach Mary Ellen Jerumbo, tri-captain Bob Biolchini, Steve Audlupa, Roger Hackelberg, Mark Cornilli, James Knox and Joe Cellini.

The Pride of the North is Our Wildcat Marching Band

Members of "The Pride of the North," under the direction of Jerrold M. Michaelson, participated in all of NMU's home football games. They provided exciting entertainment and rose enthusiasm among students, parents, high school bands, and other members of the community.

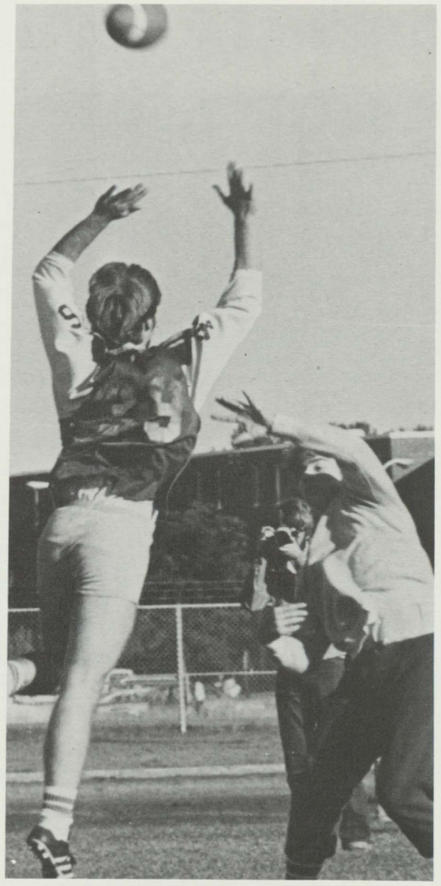

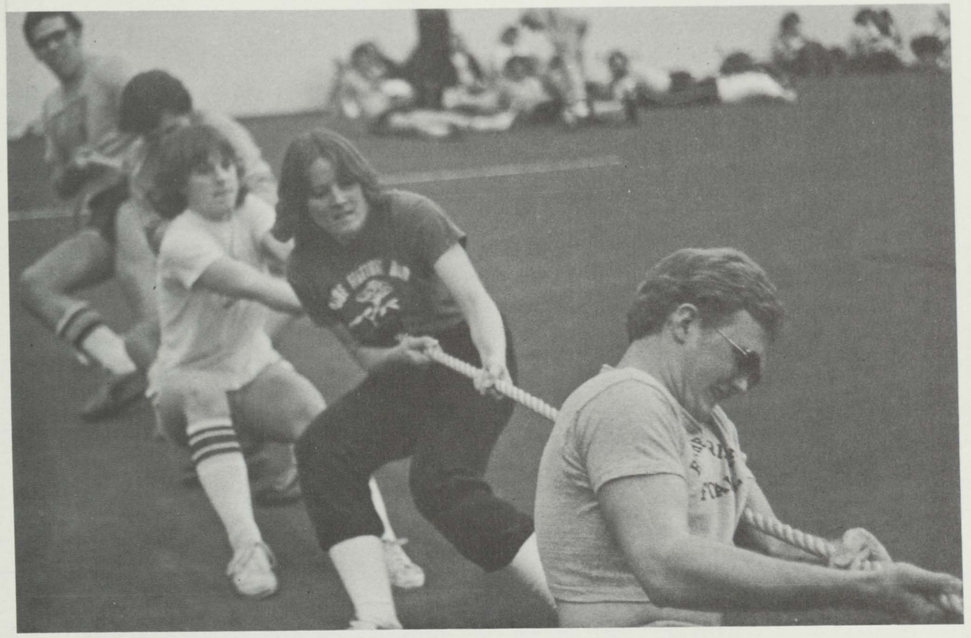

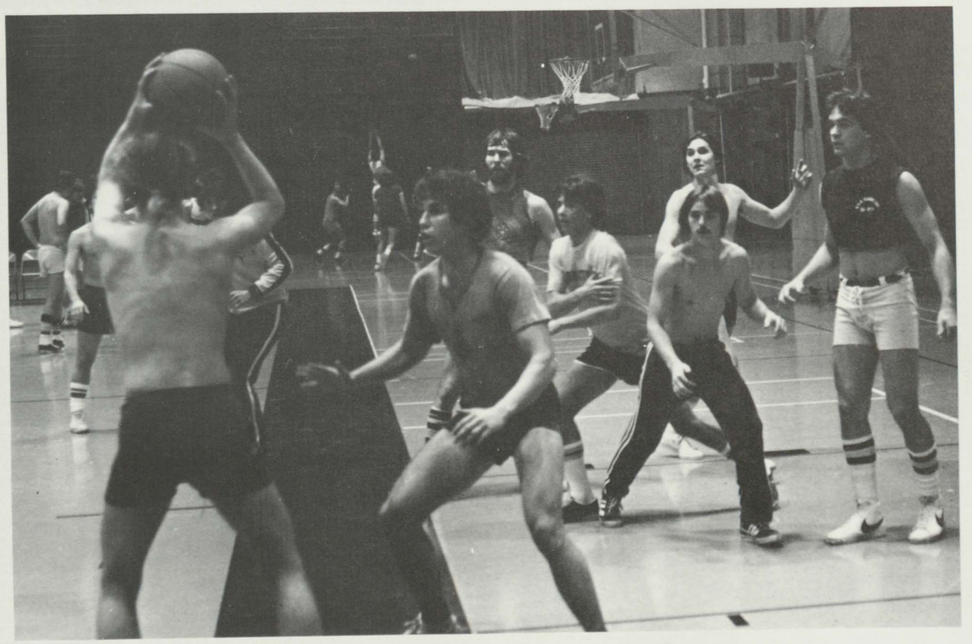

INTRAMURAL WILDCAT'S

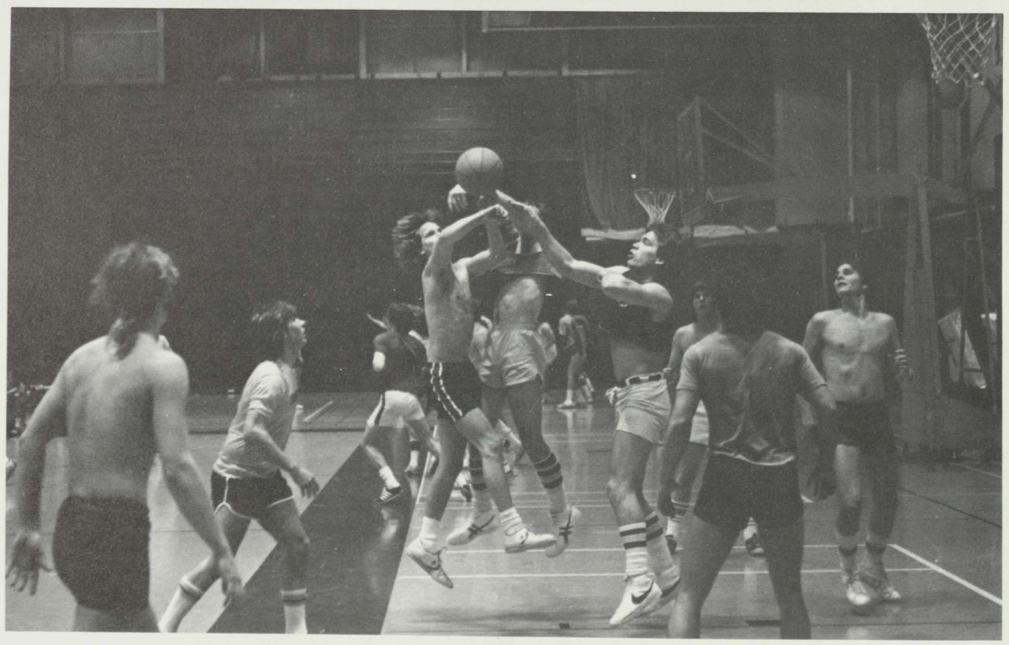

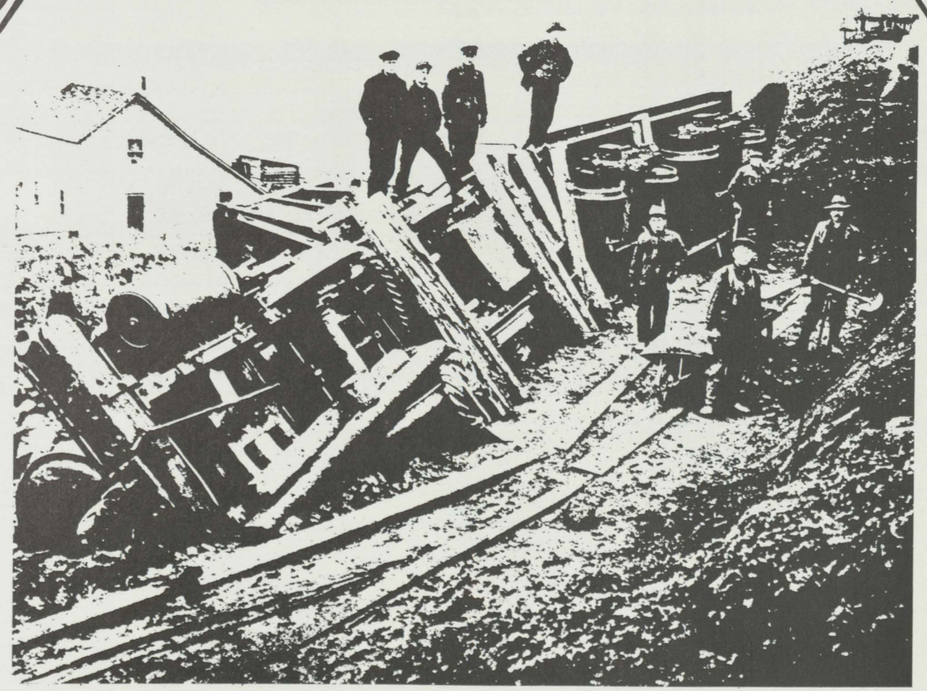

Student Life

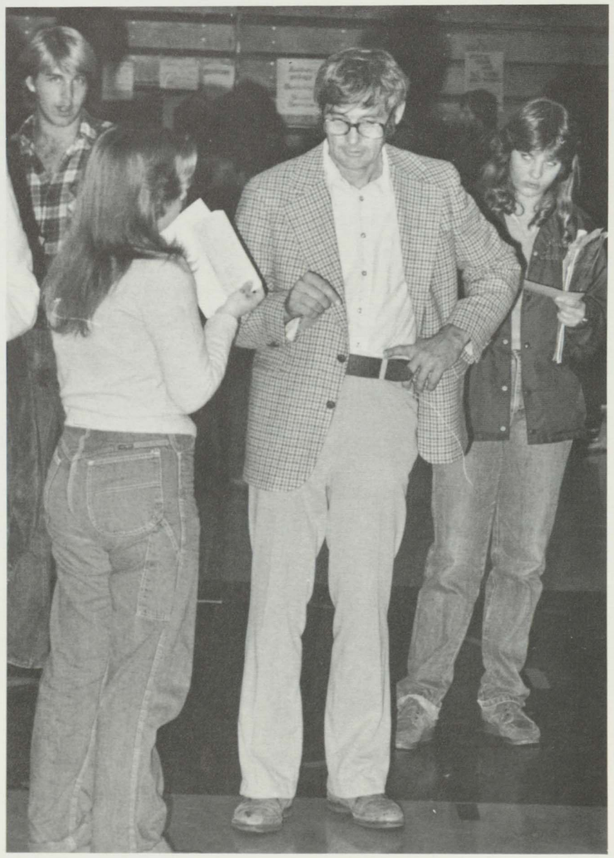

Those First Few Days

SCHEDULING

Dr. William Mutch gives some advice.

LONG

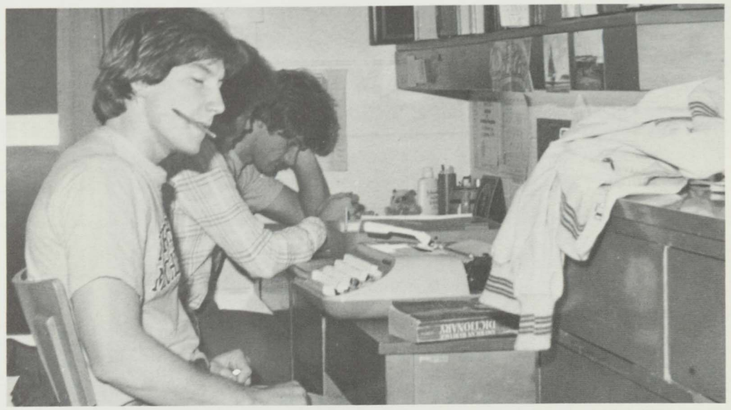

LINES

What is friendship?

It is many things . . .

It is feeling completely

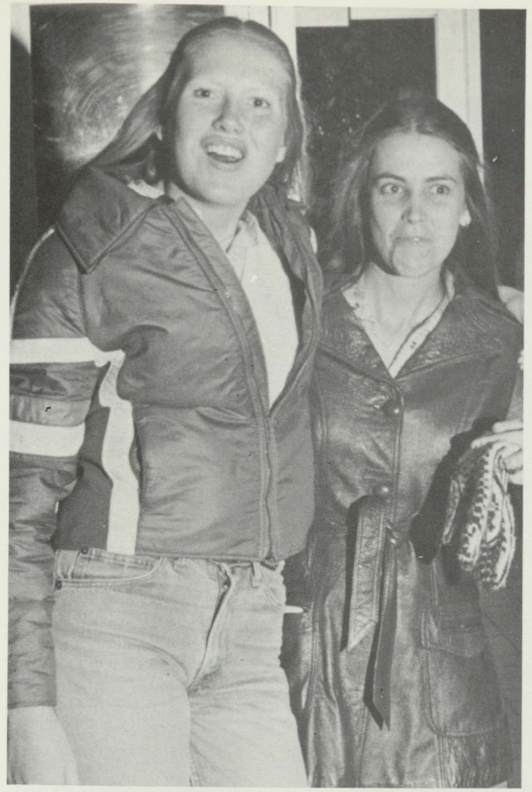

natural with another,

Shedding all pretense,
and all sham,

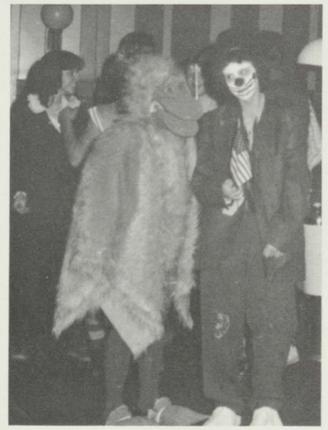

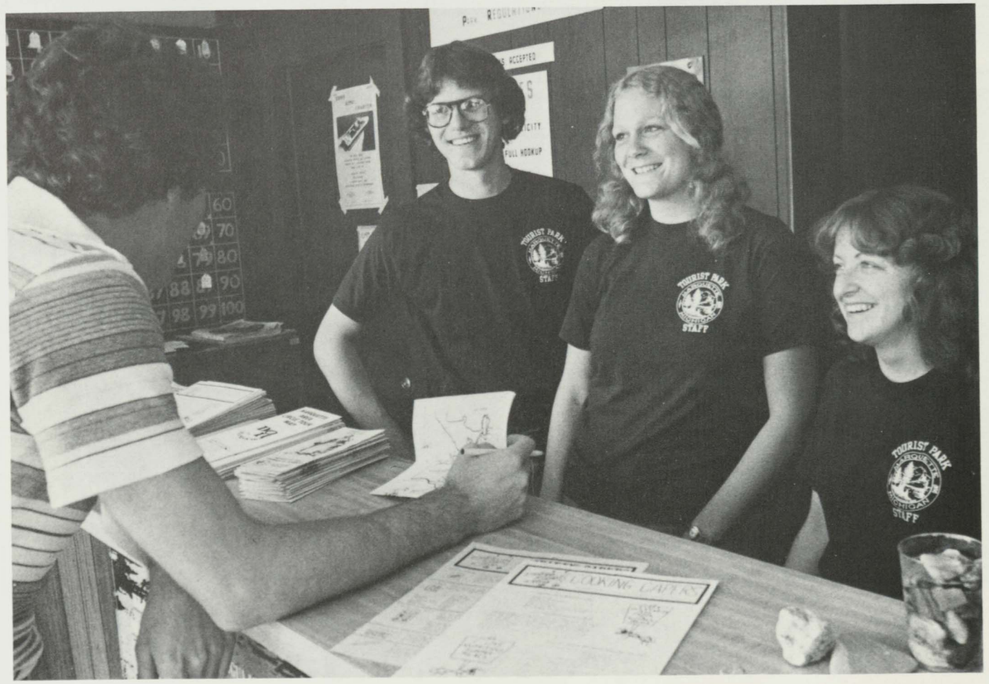

just
being

yourself.

It is sharing with another,

both big and little things,

joy
and
sorrow,

laughter and tears.

WELL ORGANIZED ORGANIZATIONS!

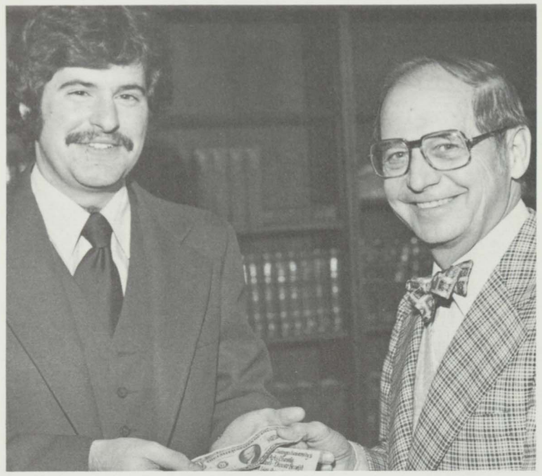

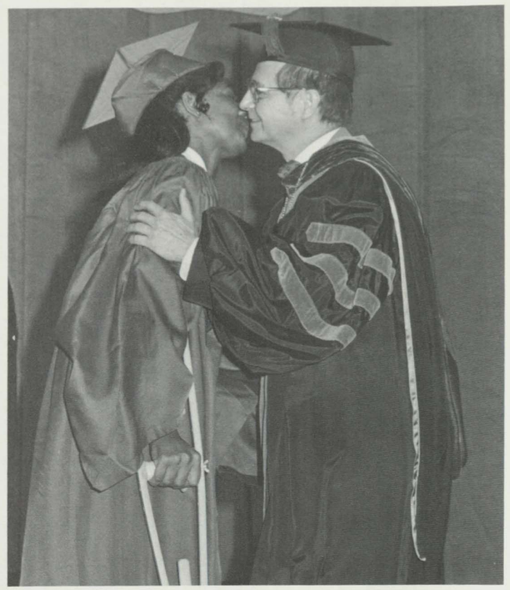

The Man Who Makes It All Happen
President John X. Jamrich

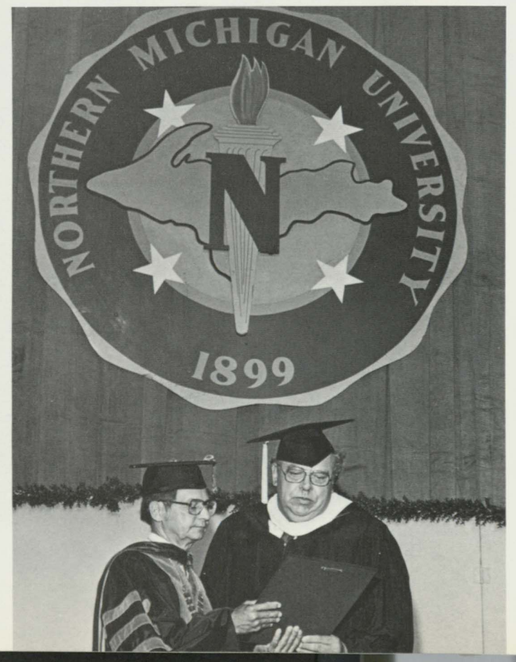

Buying the first ticket to a dinner benefit concert for the Arts Chorale of Northern Michigan University is NMU President John X. Jamrich. Making the sale was Michael LaMotte, president of the 33 voice group.

A grateful grad gives NMU President John Jamrich a kiss during December's midyear commencement. Below: Neil Nystrom was named "Distinguished Alumni" and received his specially embossed certificate from Dr. Jamrich.

President Jamrich greets Elizabeth Vajda, wife of Sociology Professor Emil Vajda, at the fall reception for new and returning faculty.

The person who makes it all possible, and who seldom is on the receiving end (except for complaints), was publicly thanked by Hockey Coach Rick Comley for giving the hockey program the support it needed to become Number 1 in the country. Dr. Jamrich was presented with an autographed hockey stick from the Ice Cats, as well as with an appropriately embroidered jersey.

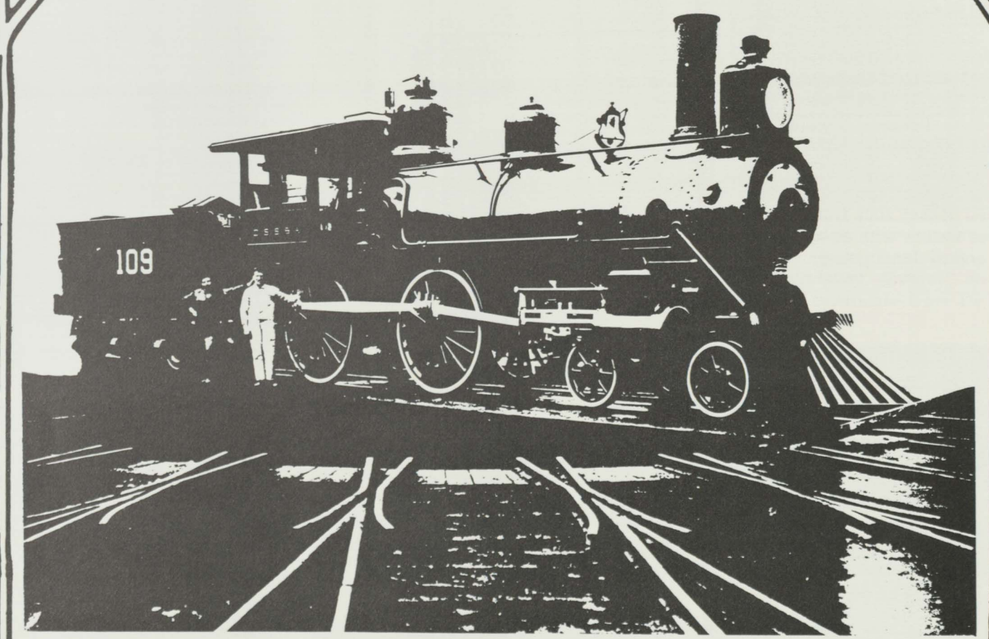

The detailed work which often goes into an agenda item up for consideration by NMU's Board of Control is reflected by the charts hanging on the wall behind President Jamrich and Board Chairman Larry Sell (center) at this meeting.

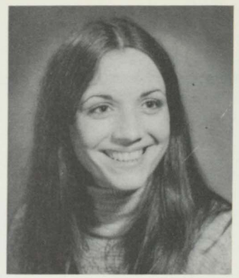

State Rep. Matthew McNeely (right), speaker pro tempore of the Michigan House of Representatives, is one of the many persons who President John Jamrich has taken on a tour of the university's new $15 million Vocational Skills Center. Vice-President for University Affairs Matthew J. Surrell (left) was also on hand.

I've been here for awhile,
and I like it.

I've met quite a few people
along the way,
and I like them.

Someday, I know I will have
to move on, but for now,
this is where I'm coming
from,

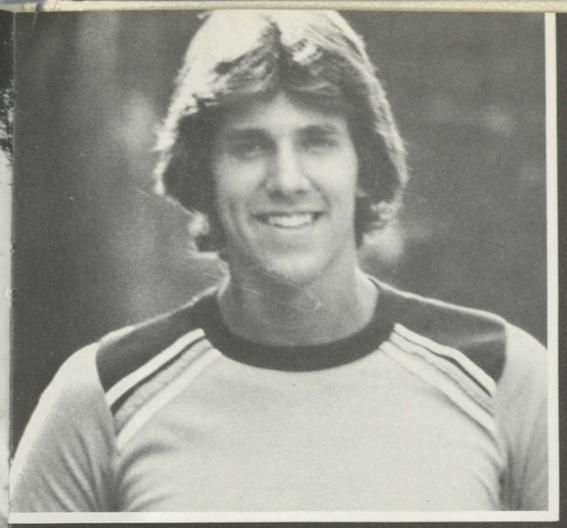

and I like it!

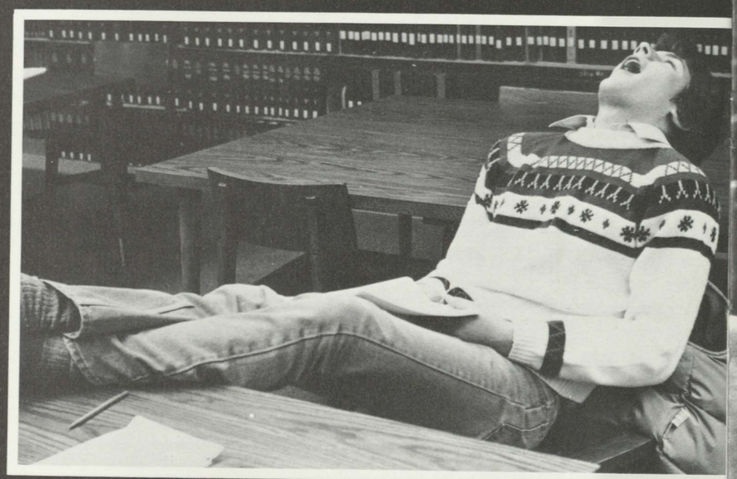

"SMILE"

There's been laughter,
There's been tears;
But, if one thing last for years,
Its the tender, loving memory of
your smile–

So, no matter if we part,
still locked within my heart
Is the everlasting memory of
your smile.

The 1980 *Peninsulan*, "Making It or Breaking It" was published by *Peninsulan* staff members and Herff Jones Yearbooks of Marceline, Missouri. Our Herff Jones Representative was Mr. Terry Dammen.

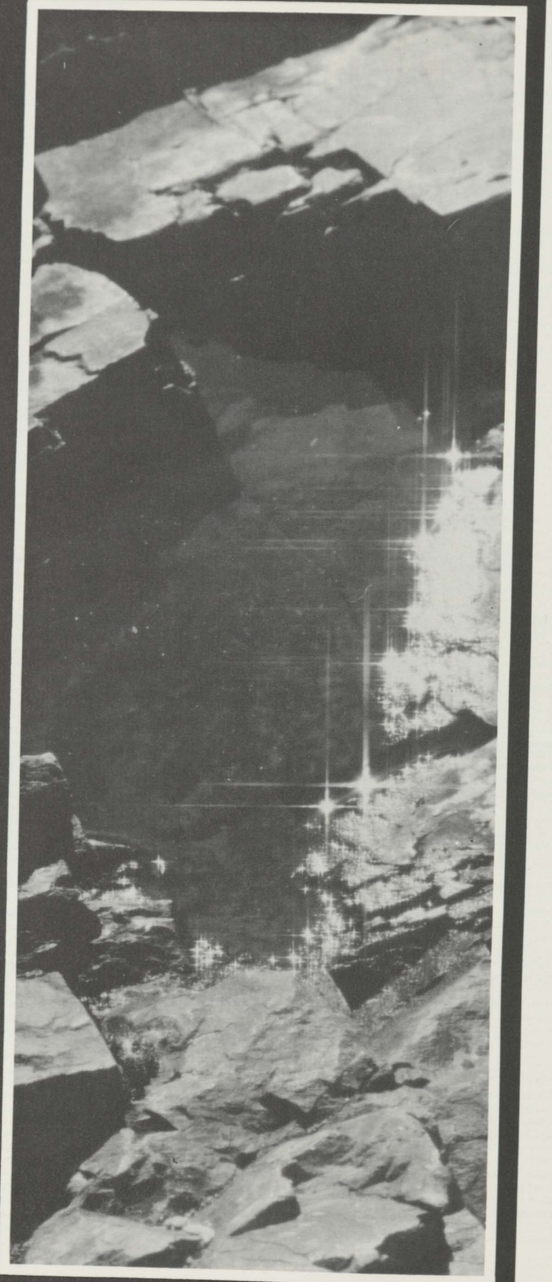

The cover and division pages were designed by Don Cundy and Glen Modson. *Peninsulan* staff members created the theme.

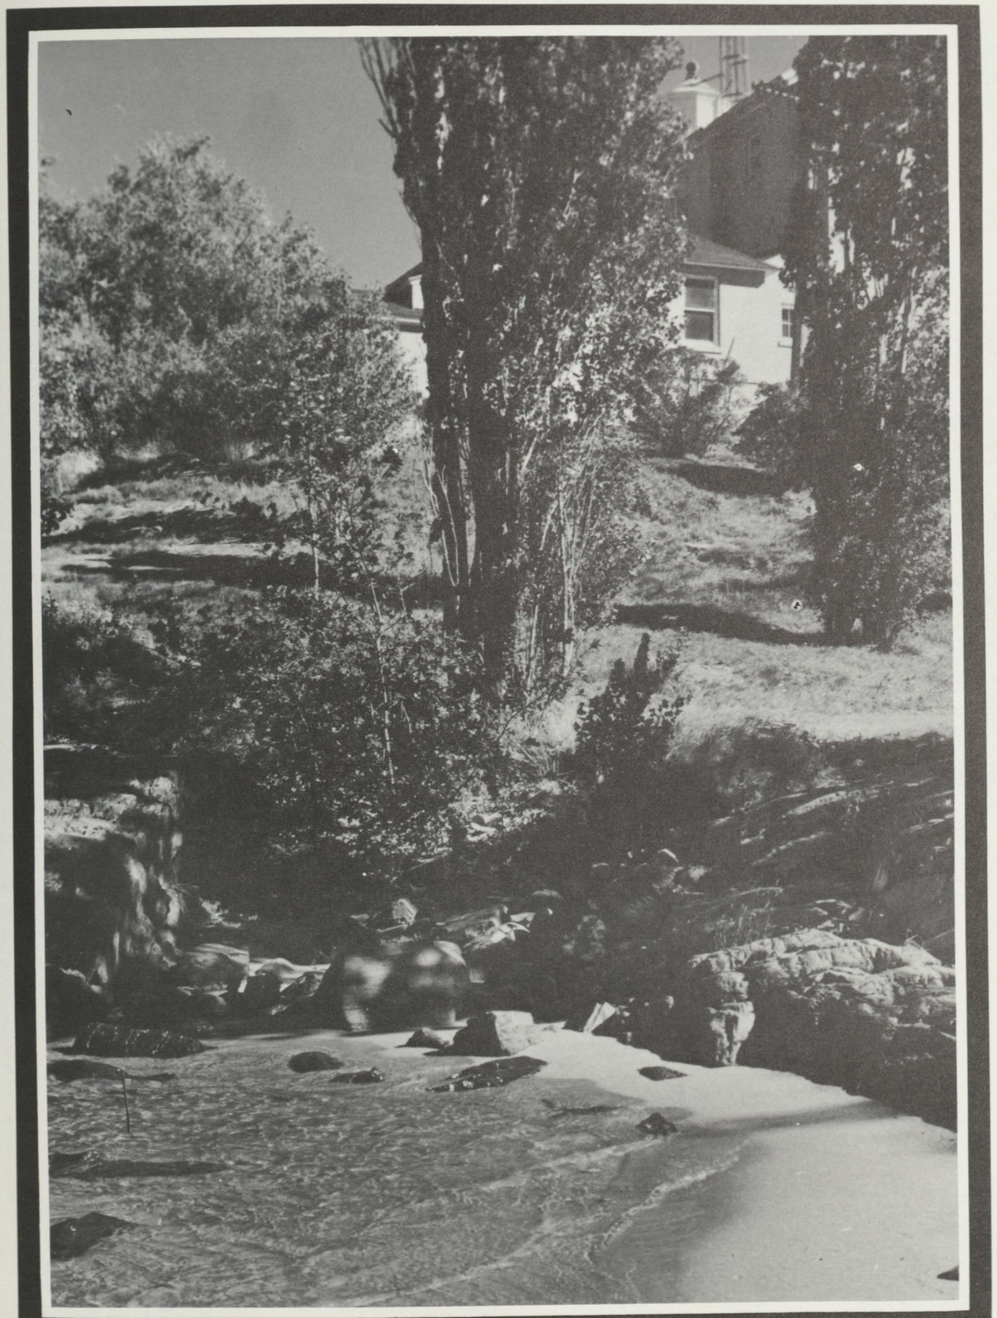

The senior pictures were taken by Delma Studios of New York, New York. House and group pictures were taken by *Peninsulan* staff photographers.

The *Peninsulan* staff would like to thank members of the News Bureau office for all the help and assistance they gave, Chryl Hemmila, Cathy Langton, Sue Mathews, Mark Ruge and Don Pavloski.

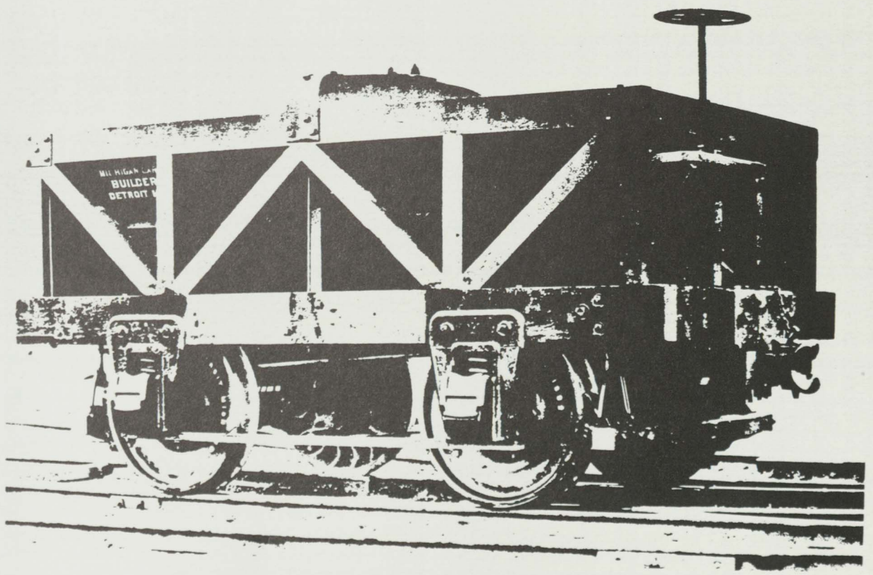

Also, many thanks go out to Brenda Bloch, Kim McMillian, Judy Pellegrini and Debbie Purgiel for putting up with and helping me with the many time consuming jobs that helped make the load seem lighter.

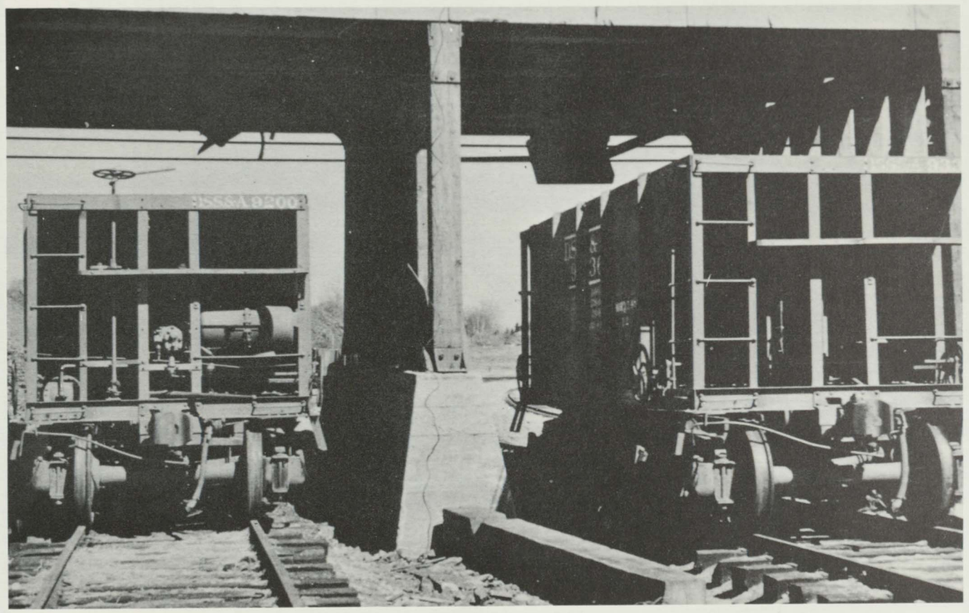

A *very special* thank-you goes to Donna Pellegrini for putting in many hours and to *Peninsulan* advisor and News Bureau Chief Paul Suomi for the great amount of time, patience, and assistance he gave.

What kind of people take Army ROTC?

They're all kinds of people, from all walks of life, with all kinds of interests. Music, sports, nursing, and every academic major at NMU.

Their reasons for taking Army ROTC are as diverse as they are themselves.

Some want the personal benefits they'll get from a pure leadership course. Others want the experience they'll get from serving as an Army officer, and the head start it will give them in a civilian career.

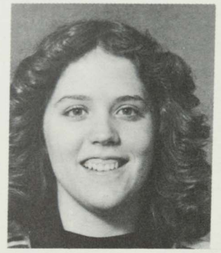

Some can use the extra $100 a month they'll get for up to 20 months during the Advanced Course. Others just like the physical and mental challenge.

What kind of people take Army ROTC? People who want to get everything they can out of their college years. People like you.

Army ROTC. Learn what it takes to Lead.

The surprising new TOP Shef™ from Burger Chef®

Say hello to the TOP Shef sandwich. A burger so tasty, you just wouldn't expect to find it in a fast food restaurant. Then again, when you take a good look, the good taste is no surprise.

This is the big surprise. We start with a third-pound of pure beef. Which (as you know) is bigger than a quarter. You should also know we grill it quick to keep it juicy.

TOP Shef™
