The mayor thereupon read the affidavits of Joseph Leroux, Nels Steinberg and P.O’Connell; and stated that before the suspension of officer Truckey it had been officially reported to him by the Marshal and officer Anderson that they had inquired of Truckey concerning the shooting of Leroux the evening after it occurred, and that Truckey said he did not know who did the shooting, but that Leroux had claimed it was an accident.

Roll Call.

Record of session of Oct 9 approved. Wm. Tobin, by Stevens that regular order of business be suspended and the matter of the investigation of Wm. Trickey be taken up. Daniel Oote

Mr. C.D. Button as attorney for Wm. Trickey was allowed permission to address the Council. Mr. Button stated that as the mayor has suspended Trickey for neglect of duty that specific charges he filed and copy of same to said Trickey, and time be given him to answer same. Ald Tobin said that this meeting was called to give Mr. Trickey an opportunity to answer charges that the mayor would make against him.

Mr. Button stated that Trickey would be willing to meet any charges, but that he must know the specific charges before he could make a defense. That before Mr. Trickey could make any defense, he must know the specific neglect of duty.

Ald Tobin asked that mayor read the charges on which he suspended Trickey.

Ald Stevens read section of charter page 2 and stated that he voted to sustain the action of the mayor in suspending Trickey, because in his judgment he saw fit to do so.
Old Shep, read bottom line of said page 7r. and said according to old Stevens this line was of his account. Mayor stated that Trccky said he should be here he hadn't been duly notified by the re-order.

Alderman Andrews, said affidavits would not be taken in a Court of Law. Tobin stated that no affidavits had been presented, and that the mayor had made charges and Mr. Trccky must be given notice thereof.

Butlin then says if you are going to try an issue, to let him know what you are going to try him for, and what the specific harm done for suspending him, and to adjourn for a reasonable time in order to give Mr. Trccky a chance to answer them. Thinks that the mayor should file his charges for suspension, in a communication to the Council.

All Ward stated that Trccky was notified to be here and if he is not here it is not our fault.

Mr. Tobin is my opinion that the mayor read charges upon which Mr. Trccky was suspended, Council.

Mayor then upon reading affidavits of Joseph D'Arcy, N. Steindler and Peter O'Connell.
Mayor also stated that Marshal Manly and Officer Anderson had asked Druecky the evening after the shooting of James and Druecky said he did not know who did the shooting but that James had claimed it was an "Mr. Manly" and Marshal Manly had known it was Druecky, had seen the body of getting intoxicated, Marshal said he had heard of it but had not seen him but that Druecky made a good officer.

Mayor stated that Marshal had better go and get Druecky.

Ald. Shep asked Button if he wanted Druecky brought into council chambers.

Button stated that it was time enough to bring Druecky in and try him when he knew what he was going to be tried for and that he ought to have time to prepare his defense, the other being to give Druecky an chance to prove his innocence, all that Druecky wanted was an opportunity to make these charges and if he wished ask for a reasonable time to prepare his defense.

Ald. Stevens asked Mr. Button if he wrote Druecky's communication. Button said he did. Stevens asked him what he meant in same. By asking for charges filed under oath. Button stated he did not know which part of Mason they were going to try Druecky under if under my the charges would have to be under oath.
Ald. McPherson stated that he was 
not objecting to action of the Mayor
on account of being a friend of 
Trucky, but would like to have
Trucky given a chance to answer
charges preferred against him and if
said Trucky was found guilty of
charges he would vote to sustain action
of Mayor.

Ald. Tobin, suppt by McPherson moved
that Council adjourn until Oct 15th
Ald. Stevens, Jacobs and Word stated
that Trucky should be here to take
both that charges were not true
Mr. Beaton says when Inspector
comes Mr. Trucky would be there
with his witnesses to answer all
charges made against him.

Ald. Word made an amendment to
Ald. Tobin's motion that affidavits
containing charges be filed as police
man Trucky be received, placed in file and
the action of the Mayor sustained.
Ald. Tobin withdrew his motion and
stated his motion of Ald. Word carried
vote.

On motion of Tobin Council adjourned.
