The Marquette County Environment, Lands and Buildings Committee met on May 3, 1982 at 7:00 p.m. in Room 227 of the Courthouse Annex.

Present: Comm. Steele, Racine, Farrell and Villeneuve.
Absent: Comm. Cheatham.
Also present: Duane Beard, Lincoln Poley, Jr., Kip McMahon and Sid Holman.

Chairperson Steele opened the meeting for public comment, none was forthcoming and Chairperson Steele declared the public comment section closed.

Approval of the agenda was given with the addition of item 3-b and 3-c, which were recommendations by Duane Beard in regard to EDA and Architects agreements on the Courthouse Annex and item 11-a, a communication in regard to a sunken boat in the Big Bay Harbor of Refuge.

Lincoln Poley, Jr. and Kip McMahon were present to give a status report on the plans for weatherization and renovation of the county courthouse. Mr. Poley advised the commissioners that the advertisement to bid will be published on May 5, 7, 10 of 1982 and drawings and specifications will be available from the architects office on Friday May 10, 1982. Bids will be received on June 8, 1982. Mr. Poley is having a pre-bid conference with contractors to go over bids and establish dates. A discussion was held on the necessity of having separate bids on some items that were considered special items. It was recommended by the architect that these items be bid separately. It was moved by Comm. Racine, supported by Comm. Villeneuve and carried unanimously that the Environment, Lands and Buildings Committee recommend that the county board do its own purchasing on the following items.
1. Decorative light fixtures for court house.
2. Decorative painting and stenciling.
3. Decorative art work, if money is available.
5. Carpeting.

A discussion was held regarding the need for approval and authorization to sign agreements with the Economic Development Administration and with Lincoln Poley, Jr. the architect. It was moved by Comm. Racine, supported by Comm. Villeneuve and carried unanimously that the Environment, Lands and Buildings Committee recommend that the county board approve and authorize the signing of the Non-Alienation agreement between Marquette County and the Economic Development Administration regarding courthouse weatherization and renovation, subject to review and approval of documentation of Chief Civil Counsel.

It was moved by Comm. Racine, supported by Comm. Villeneuve and carried unanimously that the Environment, Lands and Buildings Committee recommend that the county board approve and authorize the signing of an agreement between Marquette County and Lincoln Poley, Jr., architect for the courthouse weatherization project, subject to the review and approval of documentation of the Chief Civil Counsel.

A discussion was held regarding interim housing for the R52 Rescue Vehicle in the event that housing at the Neguane Township Facility is terminated. Charles Hohman, Airport Director had stated that the vehicle could be housed at the airport on a temporary basis. The Environment, Lands and Buildings Committee recognized the problems that may be present with traffic at the airport site and felt that if utilized, caution would have to be exercised in coming and going of the vehicle. It was also considered that the Sheriff's Dept. garage could be utilized as a temporary site. It was moved by Comm. Racine, supported by Comm. Villeneuve and unanimously carried that the Environment, Lands and Buildings Committee recommend that the county board adopt an interim plan for housing the R-52 Rescue Vehicle that would allow for housing at (1) the airport site and if this site becomes unavailable then (2) the Sheriff's Garage be utilized as an interim site.
Les Ross, Staff Member of the Marquette County Planning Commission was present to discuss the Planning Commissions report on Brookridge. Mr. Ross outlined some of the Planning Commissions ideas on the future use of Brookridge, that included public recreation, county owned and operated, private owned recreation by sale of Brookridge for this purpose, and moth-balling Brookridge until the economic picture changes. It was moved by Comm. Racine to table until the next regular meeting of the Environment, Lands and Buildings Committee. Controller Duane Beard was instructed to obtain.

1. Estimated cost of moth-balling the property for one year.
2. Annual caretaker costs.
3. Potential funding sources.

This material should be provided for the next meeting of the Environment, Lands and Buildings Committee.

A communication from the US Dept. of Interior regarding the Comprehensive Plan for Management and Use of the North Country National Scenic Trail, was read. After discussion, it was moved by Comm. Farrell, supported by Comm. Villeneuve and unanimously carried that the plan be referred to the Planning Commission for report back to the Environment, Lands and Buildings Committee by June 30, 1982.

A communication from Chief Civil Counsel, Patricia L. McKlow, regarding the Effects of Abandonment of Property Rights of Abutting Property Owners - as relates to County Roads, was read. Mr. Sid Holman who has property which is divided by County Road JL, which has been abandoned by the Road Commission was present to discuss his situation. He was advised to contact the Chief Civil Counsel in this regard. The communication from the Chief Civil Counsel, last paragraph, shows that because County Road JL has been abandoned by the Road Commission, Mr. Holman holds interest in his land free of this easement, and has no legal obligation to keep open for public use, that portion of his property over which the road previously existed.

A notice of request for permit from the Dept. of Natural Resources to allow the removal of portions of an existing lamprey weir in the Chocolay River, was read and placed on file.

A public notice of US Dept. of Army Corp. of Engineers permits granted for work or structures in, over, or under navigable waters of the United States, was read and placed on file.

A notice of request of permit from the Dept. of Natural Resources for the removal of sediment in a portion of Cherry Creek near the fish hatchery in Chocolay Township, was read and placed on file.

A communication from Chief Civil Counsel, Patricia L. McKlow and an letter from the United States District Court regarding the US District Court renting our courtroom facilities, were read. It was moved by Comm. Farrell, supported by Comm. Racine, and unanimously carried that the communications be referred to the Finance Committee for action.

A-95 Reviews were discussed. It was moved by Comm. Farrell, supported by Comm. Villeneuve and carried that the following action be taken.

1. Support A-95 -1.49-243 Insect & Disease Control.

Two communications from Chief Civil Counsel regarding the Removal of the Daniel II Vessel from the Big Bay Harbor of Refuge, were read and placed on file.

A discussion was held on the problems in having K.I. Sawyer AFB dump the water from their sewage disposal plant into the Middle Branch of the Escanaba River. It was moved by Comm. Farrell, supported by Comm. Villeneuve and unanimously carried that the DNR and Air Base officials be invited to the next meeting of the Environment, Lands and Buildings Committee meeting to explore what is happening with the change over on disposal of waste water.

There being no further business to come before the Committee, it was moved by Comm. Villeneuve, supported by Comm. Racine and carried that the meeting be adjourned.

Respectfully submitted,

Henry A. Skewis, County Clerk
