The Committee took under consideration a communication from the Marquette County Natural Resources Commission regarding a proposed Commercial Vessel Mooring Policy for the Big Bay Harbor of Refuge. The Natural Resources Commission feels this policy is necessary to insure commercial uses at the Harbor are authorized in accordance with our grant-in-aid agreement. Patricia Micklow, Chief Civil Counsel, noted there has been some problems in the past with the mooring of commercial fishing vessels and this policy is much needed. It was moved by Comm. Corkin, supported by Comm. Lowe and unanimously by acclamation that the Executive/IGR Committee recommend to the County Board the adoption of the Commercial Vessel Mooring Policy for the Big Bay Harbor of Refuge.

The Committee took under consideration a communication from Ron Koshorek, Resource Management/Development Director, regarding the appointment of James Kippola as Zoning Administrator. Mr. Koshorek explained that the appointment would provide better service for the County and that Mr. Kippola as Senior Planner is experienced and well qualified for the position. The Committee took under consideration a report from Dennis Aloia, County Administrator, regarding the District Court/Circuit Court Indigent Defense Survey. According to the data compiled so far it appears Marquette County may be able to save some money, but the results are only preliminary and the data difficult to compare. Civil Counsel will do some legal opinions and Mr. Aloia will seek the assistance of the Judges and the Court Administrator in comparing costs under are present system and what it would cost under a proposed Public Defender System. the new criminal procedures are open to public comment until April 10, 1986.

input from the judiciary. It was moved by Comm. Lowe, supported by Comm.

communication on file.

The Committee took under consideration a communication from James N.
Callahan, Executive Director, MAC, regarding the Michigan Association of
Counties 88th Annual Meeting August 11-14, 1986 at Shanty Creek. Any
commissioner considering going to the MAC Conference should contact MariLynn
Markey, Commission Aide, to be sure the registration is in early. The
Committee felt that a commissioner who attends a MAC Conference should
somehow be required to submit a written report, or any elected or appointed
official who attends a similar seminar or conference should be invited to
report to the County Board. Staff will draft a proposed policy for review
and consideration at the next Executive/IGR Committee meeting.

The Committee took under consideration the possibility of starting a
reward suggestion system. It was moved by Comm. Lowe, supported by Comm.
Corkin and unanimously carried that the Administration study a reward
suggestion system applicable to our operation.

Dennis Aloia, County Administrator, announced that the Finance/-
Personnel Committee at their March 24, 1986 meeting began to work on the
drafting of a contract between the Administrator and Marquette County.

Clerk David Roberts asked the commissioners to return their copy of the
Honor Camp Study so some minor corrections can be made by Sundberg, Carlson
and Associates.

There being no further business to come before the Committee, it was
moved by Comm. Corkin, supported by Comm. Lowe and unanimously carried that
the meeting be adjourned.

Respectfully submitted,
