The Marquette County Board of Commissioners Executive/Intergovernmental Relations Committee met on Tuesday, October 28, 1986 at 4:00 p.m. in Room 231 of the Henry A. Skewis, Marquette, Michigan.

Chairperson DeFant called the meeting to order, roll call was taken and the following roll recorded:
Absent: None.

Chairperson DeFant opened the meeting for public comment, none was forthcoming.

It was moved by Comm. Corkin, supported by Comm. Lowe and unanimously carried that the minutes of the Executive/IGR Committee meeting held on October 14, 1986 be approved.

It was moved by Comm. Lowe, supported by Comm. Corkin and unanimously carried that the agenda be approved with the following additional item; item 8 be a letter from Dr. Oraka of Marquette Township regarding the abandonment or Orchard Street.

The Committee took under consideration a resolution from the Chippewa County Board of Commissioners in support of C.H.O.P. (Citizens Helping Older People). It was moved by Comm. Corkin, supported by Comm. Lowe and unanimously carried that this item be referred to the Commission on Aging and the Marquette County Health Department for review and comment.

The Committee took under consideration a communication from the Ionia County Board of Commissioners in regards to the indirect costs for the prosecution of Michigan Department of Correction inmates in Ionia County. Ionia County has received a large influx of inmates, and approximately one-third of the cases going through the Ionia County courts are prison related, and indirect costs for handling such cases will be approximately $70,000.00 in 1987. They are requesting that other prison house counties such as Marquette County join them in seeking to change the system for a more equitable reimbursement in State Revenue Sharing in M.D.O.C. court related cases. It was noted the Finance/Personnel Committee took action to recommend to the County Board to support the Ionia County Board efforts to change the reimbursement system. Dennis Aloia, County Administrator, indicated that the proposed changes would have no effect on Marquette County. It was moved by Comm. Lowe, supported by Comm. Corkin and unanimously carried to refer the matter to the Prosecutor’s Office requesting comment in time for the November 4, 1986 regular County Board meeting.

The Committee took under consideration a proposed itinerary for a County Incinerator Tour. The three-day tour of several incineration facilities located in Minnesota and Wisconsin would involve fifteen-to-twenty community leaders concerned about Solid Waste. Dennis Aloia, County Administrator, estimated the approximate cost for the tour at $4,500.00 with the necessary funding to come from Capital Improvements Program - Solid Waste Line Item. Ron Koshorek, Resource Management/Development Director, will prepare a fact sheet pointing items to look for on the tour. It was moved by Comm. Corkin, supported by Comm. Lowe and unanimously carried that
the Executive/IGR Committee recommend the County Board approve the itinerary for the County Incinerator Tour as presented by the Administrator, that the two County Board representatives be the Chairs of the Finance/Personnel Committee and the Executive/IGR Committee, and in addition to the present list of participants the following also be invited: alternates to the Chairpersons of the East and West Solid Waste Authorities; the Health Dept. Director; Chairperson or alternate representative of the Planning Commission; a newspaper representative; and a representative of the radio media and the television media.

The Committee took under consideration a request by letter from Emeka S. Oraka, M.D., P.C., for the County to sign a petition to abandon Orchard Street in Marquette Township. Marquette County owns property adjacent to the Orchard Street row and the County Board must give approval to sign the petition. All other property owners abutting the Orchard Street row have signed the abandonment petition. Ron Koshorek, Resource Management/Development Director, explained that the Road Commission would handle the public hearing and the County Board’s interest would mainly be as property owner. It was moved by Comm. Lowe, supported by Comm. Corkin and unanimously carried that the Executive/IGR Committee recommend that the County Board concur with the requestors to sign the petition to abandon Orchard Street in Marquette Township contingent upon receiving a written statement from the Marquette Township Manager indicating there is no problem.

The Committee took under consideration their meeting schedule. November 11, 1986 is Veterans Day, a County Holiday, and so it was the Committee consensus to hold the next meeting of the Executive/IGR Committee on Monday, November 10, 1986 at 5:00 p.m.

Chairperson DeFant opened the meeting for public comment, none was forthcoming.

There being no further business to come before the Executive/IGR Committee the meeting was adjourned.

Respectfully submitted,
