The Marquette County Board of Commissioners met in Special Session on Saturday, February 7, 1987, at 1:00 p.m. in Room 231 of the Henry A. Skewis Annex, Marquette, Michigan.

Chairperson Lowe called the meeting to order, roll call was taken and the following roll recorded:
Absent and Excused: Comm. Valente.
Also Present: Peter French, member of the Ad Hoc Committee on Solid Waste, Ron Koshorek, Director of the Resource Management/Development Department, Gary Walker, Prosecuting Attorney, and Dennis Aloia, County Administrator.

Chairperson Lowe opened the meeting for public comment, none was forthcoming.

It was moved by Comm. Seppanen, supported by Comm. Corkin and unanimously carried that the agenda be approved.

Chairperson Lowe opened the work session on Solid Waste indicating the purpose of this special meeting is for the County Board to consolidate its thinking and develop priorities regarding Solid Waste. Although there is no legal requirement for the County to get involved, the County Board views the disposal of Solid Waste as a County-wide problem and therefore has the moral responsibility to its citizens to find a County-wide solution. The County Board and others present engaged in a lengthy and detailed work session on Solid Waste which included discussion on a) representation on the Solid Waste Authority; b) the pending Interlocal Agreement between the City of Marquette and Sands Township; and c) the possibility of pursuing an alternate landfill site.

It was moved by Comm. DeFant, supported by Comm. Seppanen and unanimously carried that the staff be directed to prepare a letter proposing that Marquette County be accepted as a third entity in the Interlocal Agreement on behalf of the Citizens of the County, and that the proposal include a list of financial options offered by Marquette County.

It was moved by Comm. DeFant, supported by Comm. Corkin and unanimously carried that the County Board prepare a conceptual statement including proposals that an acceptable landfill site be located under Act 641, and that incineration be considered a long-term goal of the County.

It was moved by Comm. Corkin, supported by Comm. DeFant and unanimously carried that the County Board express concern about equitable representation on the Solid Waste Authority and continue working on proposals to address its representation.

Chairperson Lowe opened the meeting for public comment, none was forthcoming.

There being no further business to come before the County Board the meeting was adjourned.

Respectfully submitted,

David J. Roberts
Marquette County Clerk
