The Marquette County Board of Commissioners met for their Annual Equalization Meeting on Tuesday, April 12, 1988 at 5:30 p.m. in Room 231 of the Henry A. Skewis Annex, Marquette, Michigan.

Chairperson Lowe called the meeting to order, roll call was taken and the following roll recorded: Present: Comm. Arsenault, Comm. Corkin, Comm. Seppanen and Comm. Lowe. Absent and Excused: Comm. DeFant.

Chairperson Lowe opened the meeting for public comment, none was forthcoming.

Henry W. Schneider, Equalization Director, presented recommendations for the equalized values for the 22 units of government in Marquette County. Mr. Schneider briefly reviewed the equalization process and pointed out the recommended values will satisfy several significant criterion: a) the adoption of the recommended valuations will ensure that the cost to finance County services is allocated to the 22 assessing units in a fair manner; b) the recommended values, if adopted, will meet the standards required in order to be adopted by the State Tax Commission as the State Equalized Value for Marquette County; and c) the values will withstand legal challenge in the event a local assessing district appeals County Equalization to the Michigan Tax Tribunal.

Chairperson Lowe opened the meeting for public comment from Representatives of Local Units of Government. No comment was forthcoming.

It was moved by Comm. Corkin, supported by Comm. Seppanen and unanimously carried that the County Board approve the recommended Equalized Values for the 22 assessing units as presented. (See Attachments).

There being no further business to come before the County Board the meeting was adjourned.

Respectfully submitted,

David J. Roberts
Marquette County Clerk
