It was moved by Comm. Corkin, supported by Comm. Lowe and unanimously carried that the agenda be approved with the addition of item 8, a discussion of a time change for future Executive/IGR Committee meetings; and item 9, a consent form for Solid Waste Management Authority.

Mr. Quinton Dobson, Area Social Security Director, was in attendance and gave a brief presentation of the status of the local Marquette Social Security Office. Mr. Dobson assured the Committee that the Marquette Office will not close, and at the present time is not recommending that any offices in his district be closed. In a recent study, the average time it takes to process a claim from date of application is approximately 17 days, and Mr. Dobson stated there is no intent to alter the quality of service or modify service areas. If any changes occur they will only effect one position. Committee members thanked Mr. Dobson his presentation and for taking the time to answer their concerns.

The Committee took under consideration a letter from James Alderton, Chairman, Marquette County Road Commission/Airport Committee, regarding Closure of the Marquette Flight Service Station. The letter was placed on file.

The Committee took under consideration a letter from Randolph Smith, M.D., Chief Medical Examiner, opposing HB 5567 and 5568. Gary Walker, Marquette County Prosecuting Attorney, explained that these House Bills were introduced by persons who generally oppose autopsies and could hamper both the Medical Examiners and the Prosecuting Attorneys in performing their duties. He further stated that the Prosecuting Attorney Association is actively opposing the legislation. It was moved by Comm. Corkin, supported by Comm. Lowe and unanimously carried that the Executive/IGR Committee recommend the County Board concur with the Chief Medical Examiner in opposing HB 5567 and 5568.

The Committee took under consideration changing the scheduled meeting time of the Executive/IGR Committee. It was moved by Comm. Corkin, supported by Comm. Lowe and unanimously carried that the Executive/IGR Committee meetings be held on the 2nd and 4th Tuesday of each month at 4:15 p.m.

Lowe and unanimously carried that the Executive/IGR Committee recommend the County Board adopt a consent form for the utilization of County Roads by the Marquette County Solid Waste Management Authority.
