It was moved by Comm. Seppanen, supported by Comm. Arsenault and unanimously carried that the minutes of the Regular County Board meeting held on November 1, 1988 be approved.

On behalf of Marquette County, Chairperson Lowe declared November 13-19, 1988 as American Education Week by reading the following proclamation.

PROCLAMATION

WHEREAS, our citizens take pride in the contributions of the public schools to society; and
WHEREAS, the availability of public education to all youngsters has provided the foundation of this country's economic vitality, national security, standard of living, and system of democratic government; and
WHEREAS, the strengthening of our public schools is an important investment in the future; and
WHEREAS, the quality of public schools depends upon community commitment;

BE IT RESOLVED, that the Marquette County Board of Commissioners proclaim November 13-19, 1988 as AMERICAN EDUCATION WEEK, and urges all citizens to affirm their support of public schools and to recognize the importance of investing in our future through education.

TIMOTHY J. LOWE, CHAIRPERSON
MARQUETTE COUNTY BOARD OF COMMISSIONERS

Chairperson Lowe suspended the Rules of Order for one instance to allow Comm. Corkin to address an order of business to be considered. It was moved by Comm. Corkin, supported by Comm. Arsenault that Marquette County cease any further negotiations with the Dept. of Corrections for the use of Acocks as a Minimum Security Prison. Chairperson Lowe stated that this motion was somewhat irregular and he had no problem with acting on the motion except that he would like it to be noted that in all transactions it has been the practice of the County Board to do their best to inform the public as to what they are doing, what they have done, and what is before them. In a phone call this week, the County Board was accused of being able to sneak things by if they chose to do so and Chairperson Lowe stated he did not think the Board has ever done that in his ten years of service, and resents the insinuation and for the County Board to take any action at this point of this nature it is out of its normal practice. Comm. Corkin stated his reason for requesting this irregularity was that Acoccks location for a Minimum Security Prison is a dead issue. Representative Jacobetti has voiced his disapproval, people are against it, there is no money to fund it, and he feels the issue should be put to rest. Motion was unanimously carried.

Chairperson Lowe opened the meeting for public comment. Mr. Gary Goodman, Marquette Township, thanked the County Board for answering the concerns of the citizens representing STOP.

Kathy Gervae, Registered Nurse and Public Health Nurse at Marquette County Health Dept., was in attendance representing a collaborative effort with Community Coordinated Child Care, Marquette County Health Dept., Alger Marquette Community Mental Health and Social Services. Ms. Gervae informed
the County Board that this group wished to establish a home for pregnant teens and teen mothers in the Upper Peninsula. It has been demonstrated in research that teens respond best to group approaches and teen support. The closest centers are now located in Grayling and Petoskey, and both have long waiting lists. Start-up funds are available from the Kellogg Foundation, however a building and budget must be presented. Ms. Gervae stated that the present Acocka Facility would be ideal, and requested that the County Board consider this program as an option for use of the Facility. There being no further public comment, Chairperson Lowe closed this portion of the meeting.

It was moved by Comm. Corkin, supported by Comm. Seppanen and unanimously carried that the agenda be approved with the addition of item lla, Acocka Day Room Improvement Project.

It was moved by Comm. Seppanen, supported by Comm. Arsenault and unanimously carried that the following informational items be accepted for file; a) Sheriff's Dept. Activity Report for the month of May, 1988; b) Sheriff's Dept. Activity Report for the month of June, 1988; c) Sheriff's Dept. Activity Report for the month of July, 1988; d) Sheriff's Dept. Activity Report for the month of August, 1988; and e) A communication from Dave Olsen, Chair of the Marquette County Solid Waste Planning Committee, regarding progress on the County Solid Waste Plan Revision.

The County Board took under consideration a recommendation from the Executive/IGR Committee regarding enactment of Ordinance 88-1, an ordinance authorizing the issue of tickets for violation of the State Construction Code. Ron Koshorek, Director, Resource Management/Development Department, pointed out that State law allows local units to adopt such ordinances and in those communities that have it, it has worked well. The County Building Official does not intend just to write tickets at random, but rather seek compliance by all reasonable means first. The authority to write tickets will reduce the time for correction of violators, reduce the number of chronic violators, and save time for the Sheriff and Prosecutor. The details on fines and penalties will have to be worked out with the District Court. It was moved by Comm. Corkin, supported by Comm. Seppanen and unanimously carried that the County Board approve the enactment of the Ordinance 88-1, authorizing building code violations, tickets, and begin the ordinance adoption process.

ORDINANCE 88-1

An ordinance authorizing the County Building Official to issue and serve appearance tickets for violations of the Michigan State Construction Code.

The Marquette County Board of Commissioners, Marquette County, Michigan hereby ordains:

1) That the Marquette County Building Official is authorized by this ordinance to issue and serve appearance tickets upon persons who are construction code violators if the Building Official has reasonable cause to believe that the person has committed a construction code violation.

2) An appearance ticket means a complaint or written notice issued and subscribed by the Building Official authorized by law to issue it, directing a person to appear in the 96th District Court for the County of Marquette at a designated future time in connection with his or her alleged violation of the Construction Code for which the maximum permissible penalty does not exceed 90 days in jail and a fine of $500.00. The appearance tickets shall be numbered consecutively, be in such form as determined by the County Board of Commissioners and the 96th District Court and shall consist of the following parts:

a. The original which shall be a complaint or notice to appear by the County Building Official and filed with the Court.

b. The first copy which shall be the abstract of Court record.
c. The second copy which shall be retained by the Building Inspector.

d. The third copy which shall be delivered to the alleged violator.

3) This ordinance shall take effect 60 days after adoption and submission to and approval by the Governor and publication of a notice of adoption as required by law.
