ACTION ITEMS (cont.)

10g) The County Board considered a Committee of the Whole Recommendation regarding termination of the County/Telkite Agreement.
   Comm. Nordeen stated that Telkite has informed the County Board they have the money and will be ready to close.
   It was moved by Comm. Nordeen to table the Committee of the Whole Recommendation regarding terminating the Telkite Agreement to the next Regular Meeting.
   Comm. Wallace explained that the motion to table at the last meeting (9/7/04) should have been a motion to postpone.
   Comm. Nordeen requested clarification. Harley Andrews, Chief Civil Counsel, explained that on 9/7/04 a motion was made to table this issue. In researching in preparation for tonight’s meeting, Mr. Andrews explained that a motion to table under Roberts Rules of Order cannot have a specific date assigned to it. If a motion with a definite date is made it is considered a motion to postpone.
   It was then moved by Comm. Nordeen to table the Committee of the Whole Recommendation.
   A discussion followed. Comm. Wallace further explained that a motion to table must require other urgent business to be taken under consideration at the time and there is none. Harley Andrews, Chief Civil Counsel, also explained that under Roberts Rules of Order a motion to postpone would not require the presence of other urgent business.
   Vice-Chairperson Wallace ruled Comm. Nordeen’s motion to table out of order.
   Comm. Nordeen objected to the motion being ruled out of order. He stated that the term tabled has always been used.
11a) The County Board considered a Federal Department of Transportation Small Community Air Service Grant Resolution. In Federal Fiscal Year 2002, the Department of Transportation allocated $20 million to be used to allow airports throughout the United States to provide funds to enhance existing air service, provide startup cost to those airports that do not have airline service, marketing, Travel Bank, provide a subsidy and/ or revenue guaranteed to new or existing airlines, etc. Staff submitted an application in mid-May and was recently selected as one of the 40 recipients, among 108 applicants, to be approved in the program for Fiscal Year 2004.

It was moved by Comm. Coyne, seconded by Comm. Bergdahl, and unanimously carried by voice vote that the County Board approve the following resolution adopting and approving the execution of the Federal Department of Transportation Small Community Air Service Grant.

RESOLUTION

BE IT RESOLVED by the Board of Commissioners of Marquette County, Michigan:

Harvey Wallace, Vice-Chairperson
Marquette County Board of Commissioners

11b) The County Board considered the Marquette County/West Branch Township Fitness Center Loan and Full Faith and Credit issue. Commissioners discussed a memo from Bonnie L. Hoff, Attorney for West Branch Township, and a memo from Harley Andrews, Chief Civil Counsel, regarding the Marquette County/West Branch Township Fitness Center Loan and Full Faith and Credit issue. The memo from Ms. Hoff states that West Branch Township fully intends to repay its obligation to the County for the IRP loan. She explained the Township has already evidenced that intention through at least two unanimous motions. She is asking the County Board for consideration of a resolution as evidence of the Township’s good faith intention to repay the loan.

Harley Andrews, Chief Civil Counsel, provided Commissioners background information and an explanation of the Full Faith and Credit issue and what they are requiring from the Township as a condition of the Loan. He explained that the County requires 1) An opinion from the Township Attorney that the Township in fact has the legal authority to borrow this money, and citations to the legal authorities upon which that opinion is based; 2) An opinion from the Township Attorney that the Township may pledge its full faith and credit, including its taxing authority, to the repayment of this loan, and citations to the legal authorities upon which that opinion is based; and 3) A certification signed by the Township Attorney and the Township Supervisor that the Township has in fact taken all necessary and required steps to pledge is full faith and credit, including its taxing authority, to the repayment of this loan, including copies of all motions, resolutions, or other actions taken by the Township Board in this regard. He explained that this requested documentation is similar to, but not as formal as that which would be required if the Township were borrowing money through the issuance of general obligation bonds.

Karen Anderson, Executive Director, Sawyer Operations Authority, is requesting the County Board waive this requirement and accept the resolution provided of the Township’s good faith intention to repay the loan.
It was moved by Comm. Cihak, seconded by Comm. Tuominen, to postpone the Fitness Center Full Faith and Credit issue to give the Township time to provide the requirements as explained by Civil Counsel until the September 28, 2004 Committee of the Whole meeting.

Comm. Nordeen stated that the Township should be able to do what the County is asking. Commissioner consensus is to wait for West Branch Township to provide the required documents as recommended by Harley Andrews, Chief Civil Counsel. Motion withdrawn.

Vice-Chairperson Wallace opened the meeting for public comment.
Phyllis Loonsfoot, City of Marquette, addressed the County Board regarding the 2004 and 2005 budget. She spoke regarding public safety and road patrol. She also stated that our Township, City, County, and State Law Enforcement Departments are already stretched too thin.
Bob Struck, Executive Director, UP EMS Corp., invited all County Commissioners to attend the 23rd Annual EMS Conference. He stated there are many community safety activities and encouraged the County Board to attend. The conference is scheduled for Thursday, Friday, Saturday and Sunday, September 30th through October 3rd, 2004.

There being no further public comment, Vice-Chairperson Wallace closed this portion of the meeting.
