9c) Comm. Corkin announced a meeting in Humboldt Township on Saturday June 11, 2004 and in Wells Township on Friday, June 10, 2005 at 3:00 regarding Sulfide Mining issues.
Comm. Corkin commended Administrator Powers for making arrangements regarding a public meeting on Sulfide Mining.

Comm. Wallace read the following memo regarding Sulfide Mining into the record:

Date: May 25, 2005
To: County Commissioners
From: Steve Powers, County Administrator,
RE: Mining Meeting

On May 25, I spoke with Hal Fitch regarding a public meeting on mining. He is scheduling a public meeting to be sponsored by the DEQ for June or July in anticipation of a permit application from Kennecott. The purpose of the meeting will be to receive public input and explain the DEQ’s oversight. The EPA will be invited to attend and answer questions. I suggested he hold the meeting at NMU.
Since the DEQ is sponsoring a public meeting, I believe a public meeting sponsored by the county is unnecessary. The meeting will cover and allow public input on the same issues that the board discussed when it decided to consider holding a public meeting.

On the same trip, Mr. Fitch will be available to meet with the county to discuss issues and answer questions.

The public meeting is not a formal part of the rules-making process. There will be a comment period on the rules. Mr. Fitch anticipates the comment period will be in August or September.

9g) Comm. Cihak commended Connie M. Branam, Marquette County Clerk, for being honored County Official of the Year.

**ACTIONS ITEMS**

The current By-laws restrict a member's service not to exceed six years without an interruption of one full year. The recommended amendment would eliminate this provision. Next year, 2006, would be the first year this provision had an impact on the Board. Two of the most experienced members, the Chair and Vice-Chair, would need to be otherwise replaced.

It was moved by Comm. Arsenault, seconded by Comm. Bergdahl, and carried by voice vote 6 Ayes to 3 Nays (Comm. Cihak, Comm. Joseph, and Comm. Pellow) that the County Board concur with the amendment approved by the Airport Zoning Board of Appeals Bylaws.

10g) The County Board considered a Committee of the Whole Recommendation to direct Staff to issue the Request for Proposals for the 96th District Court. Comm. 10j) The County Board considered appointment of a Deputy Medical Examiner. Sgt. Jay Frusti is the Acting Chief of the Negaunee City Police Department and has additional training in death investigation.

It was moved by Comm. Joseph, seconded by Comm. Cihak, and unanimously carried by voice vote that the County Board appoint Sgt. Jay Frusti as a Deputy Medical Examiner.

10k) The County Board considered the County Administrator’s Employment Agreement. Mr. Powers explained that he wishes to continue his employment with Marquette County. He stated he was proud of what Marquette County accomplished over the past three years. He believes his performance has been strong as evidenced by Commissioner evaluations and feedback.

Chairperson Corkin explained that Mr. Powers’ Employment Agreement has been reviewed by the Board’s Ad Hoc Personnel Committee and Civil Counsel.

It was moved by Comm. Joseph, seconded by Comm. Wallace, and unanimously carried by voice vote that the County Board approve the Employment Agreement for Steve Powers, County Administrator, as follows:

11a) The County Board considered a MERS Resolution for purchase of service credit. John Greenberg, Human Resources and Risk Manager, explained that requests were received from Probate Court/Juvenile Division Employees Renae Rosenberger and Laura Kelley to purchase generic service credit towards retirement from the County of Marquette. The MERS Plan allows employees to purchase up to five years of generic service credit to enhance their retirement benefits. Ms. Rosenberger’s and Ms. Kelley’s requests are consistent with the blanket resolution adopted by the County Board of Commissioners on February 19, 1997. Employees will be responsible for the full amount of the actuarial determined cost of the additional years and months of service credit.

It was moved by Comm. Cihak, seconded by Comm. Arsenault, and unanimously carried by voice vote that the County Board authorize Ms. Rosenberger to purchase 2 years 9 months of service credit and Ms. Kelly to purchase 1 year 4 months of service credit.
11b) The County Board considered a memo from Sue Vercoe, Finance Manager, regarding Hazardous Mitigation Grant – General Fund Budget Amendment No. 26. The Hazardous Mitigation Planning Grant awarded to the County provides funding to complete additional work on the County’s all hazard mitigation plan including aerial photography. In order to meet the deadline for completion established by the grant, a temporary increase in Planning Staff is required. According to Jim Kippola, Planning Manager, two part-time Planning Assistants will be needed to assist County Planners in meeting the Project deadline of August 22, 2005. County Board approval is required to increase staffing levels. There is no cost to the County for this project, the local match is being met by a relocation of existing County Staff time from the Planning Department to the Hazardous Mitigation Project.

It was moved by Comm. Pellow, seconded by Comm. Struck and unanimously carried by voice vote that the County Board approve the increased staffing levels and the following budget amendment for the Hazardous Mitigation Grant Project. Federal funding for this project is $29,985.

11c) The County Board discussed the State Republican Budget Cuts. Comm. Pellow requested a letter opposing the reductions to Northern Michigan University and the closing of the Correctional Facilities in the Upper Peninsula (Manistique Correctional Facility and Newberry Correctional Facility).

Comm. Struck stated there is a difference between good politics and bad government. This is a good example of that. He explained that it is unfortunate that these games have to be played.

It was moved by Comm. Struck, seconded by Comm. Pellow, and unanimously carried by voice vote that the County Board send a letter opposing the State Republican budget cuts to Northern Michigan University and the closing of the correctional facilities in the Upper Peninsula, with copies to all U.P. Counties, all Upper Peninsula House Representatives and Senators, Governor Jennifer Granholm, and leaders of the House and Senate.
