The Chairperson declared the motion carried and the resolution duly adopted this 21st day of June, 2005.

10m) Committee of the Whole Recommendation to refer the Report and Recommendations presented by the Building Codes Task Force to the Building Codes Department for review and comment with a report back to the Board at the next Committee of the Whole Meeting.

LATE ADDITIONS

11a) The County Board considered changes to the IRP Loan to SpaceCS. Scott Erbisch, Sawyer Operations Manager, was present and explained that the County Board approved a $250,000 loan to SpaceCS on May 24, 2005. Included in the motion was a contingency that Raghu Tandra provide a “signed purchase agreement for building 710, and a commitment from a lender to fund the transaction.” Mr. Erbisch explained that County Staff and the IRP Loan Committee were recently informed that there may be a delay in Mr. Tandra receiving loan approval, if at all. The reasons noted was that environmental and/or appraisal information may not adequately meet the lender’s requirements. Therefore, Mr. Tandra is requesting that the loan still be approved, but without the requirement to provide a signed Purchase Agreement and Commitment Letter from the lender. All other conditions of the loan are to remain as approved by the County Board of Commissioners. Mr. Tandra would be leasing Building 710 until a decision is made by the lender.

Comm. Arsenault explained that the IRP Loan Committee met to discuss this request. The IRP Loan Committee recommends that the County Board approve the removal of the condition that Mr. Tandra provide a signed purchase Agreement for Building 710 and Lender Commitment Letter. He further explained the IRP Loan Committee recommends that in exchange for the removal of that commitment, Mr. Tandra be required to enter into a lease that converts to a land contract with minimum terms to match the loan terms. The IRP Loan Committee is trying to make an attempt to accommodate SpaceCS so they can get moving and create jobs. The IRP Loan Committee’s concern is collateral, therefore, the $300,000 personal guarantee of the owner in the first position on Company assets.

Comm. Joseph questioned the environmental and/or appraisal information not adequately meeting the financial institution’s requirements.

Comm. Heikkila’s concern is security. He feels more information is needed before he can vote in support of the change in the IRP Loan. He would like to see information regarding some of the projects SpaceCS has done in the past and future projections.

Vikki Kulju, Executive Director, Telkite, reminded Commissioners that the IRP Program was put in place for high risk loans. She addressed Comm. Joseph and Comm. Heikkila’s concerns.

It was moved by Comm. Cihak, seconded by Comm. Wallace, and carried by voice vote 7 Ayes to 2 Nays (Comm. Heikkila and Comm. Joseph) that the County Board approve the changes to the IRP Loan to SpaceCS as recommended by the IRP Loan Committee.

Chairperson Corkin opened the meeting for public comment, none was forthcoming.

COMMISSIONER COMMENTS, STAFF COMMENTS, AND ANNOUNCEMENTS

Comm. Struck is pleased that negotiations with Delphi are continuing. He stated it is his hope that further negotiations will result in satisfaction for both parties.

Comm. Joseph announced he attended the Road Commission meeting last evening. The Road Commission has not yet made a decision on hiring a Finance Position nor have they made a decision on the Humane Society Land Transfer. They will discuss these issues at next month’s meeting.
Chairperson Corkin announced that the 2006 State Budget is being followed very closely. It is changing every day and has the potential to be hurtful to the U.P.

There being no further business to become before the County Board the meeting adjourned at approximately 7:00 P.M.

Respectfully Submitted,

Connie M. Branam
