FOREWORD

This annual report contains personnel data on major installations and activities of the Department of Defense in the United States by State.

There is also included a summarization of military and civilian personnel of the Department of Defense and their respective ratios to the total United States population and the population of each State based on the July 1, 1961 Provisional Estimates of the Population of States By the Bureau of Census.

Questions concerning this publication or requests for copies should be referred to the Directorate for Statistical Services, OASD (Comptroller), Extension 78237.
