Dr. John X. Jamrich
President
Northern Michigan University
Marquette, Michigan 49855

Dear President Jamrich:

Bertram Davis has asked me to acknowledge and to thank you for your letter dated July 1 and the copy of your July 2 memorandum to the Northern Michigan faculty regarding the agreement reached in Professor McClellan's case. We were of course much pleased first to hear the news reports of the settlement and then to read your memorandum.

We have posed a few questions to Professor McClellan and are awaiting his response. Your memorandum brings one question immediately to mind: is the faculty vote on the censure planned for the near future or will it wait until the academic year gets underway?

Congratulations on your own part, appreciable I am sure, in bringing about the results thus far attained.

With best regards.

Sincerely,

Jordan E. Kurland
