As you know, the Student Code of Conduct provides that the final point of appeal in student disciplinary cases is the Vice President for Student Affairs. In the particular case under consideration, Dr. Niemi has felt it only proper that he withdraw himself from that role.

Considering all of the possibilities for replacement, your office seems to me to be the appropriate one to designate for the possibility of a final appeal. This is a formal appointment of you as Vice President for Administrative Affairs to assume that role for the several disciplinary cases to be heard during the next week or two.
