

St Ignace Mich.

Dec 19, 1969

VJ

President Northern Michigan University

Mr John H Jamrich
Marquette, Michigan.

Dear Sir:

It will be a sad disappointment to loyal American citizens if you do not make an example of the destructive black students who damaged the property and disrupted the activities at the University.

The more prompt and severe your reaction the less trouble you will have later. Give them the works.

Yours sincerely

Louis F. Smith

Michigan taxpayer for over 60 years.

and of four year veteran of Civil War

and three of World War One

and one of two veterans of W. War
