

Arrestment For Six NMU Students Set For April 6

Arrestment of six Northern Michigan University black students charged with creating a disturbance has been postponed from today, when it was originally scheduled, until April 6 as the result of a new complaint and warrant presented in District Court here Monday.

The new court action followed objections by J. Kent Bourland, attorney for the six, who are charged in connection with

deaths of Robert Runsat, 37, and his two sons, Brock, 9, and Douglas, 14, of Kalamazoo. The father and younger boy were pronounced dead at the scene and the older boy died Sunday morning.
