Sub: Responsibilities of Faculty Members of the Student Faculty Judiciary

Date: Feb. 28, 1970

Recent events have indicated that there is some confusion regarding the responsibilities of the faculty members appointed by the Academic Senate to the Student Faculty Judiciary. We wish to inform you of the charges which have been given to those members.

1. Their function is to serve as representatives of the Faculty Organization of Northern Michigan University in all proceedings of the Student Faculty Judiciary.

2. Their obligations are to hear all cases presented to that body through the regularly established procedures or to refuse to hear those cases they believe to be inappropriate in nature or procedure. Furthermore, they are empowered to dismiss cases for which they determine are good cause.

3. The minutes of all proceedings, decisions, and reports adopted must be transmitted to the Secretary of the Academic Senate.

4. The faculty representatives on the Student Faculty Judiciary are subject to any Student Senate regulations applying to all of the Academic Senate faculty members at Northern Michigan University.
